⁵ aur yeeshu maseeh kee or se, jo vishvasayogy sakshaee aur mare huon men se jee uttnevalon men pahilautta, aur prathvee ke rajaon ka hakim haai, tumhen anugrah aur shaantai milatee rahe: jo ham se praem rakhta haai, aur jis ne apane lohoo ke dara hamen papon se chhudaya haai.

jalata tha, svarga se tootta, aur nadiyon ke aek tihai par, aur panee ke soton par a pada
11 aur us tor ka nam nagadauna kahalata haai, aur aek tihai panee nagadauna sa kadva
ho gaya, aur bahutere manushy us panee ke kadve ho jane se mar gaae..
12 aur chautha svargadoot ne turahee foonkee, aur soorya ke aek tihai, aur chand ke
aek tihai aur taron ke aek tihai par apaati ai, yahan tak ki un ka aek tihai ang andhora ho
gaya aur din ke aek tihai men ujala n raha, aur vaaise hee rat men bhee..
13 aur jab maain ne fir dekha, to akash ke beech men aek ukab ko udte aur unche shabd
se yah kahate suna, ki un teen svargadooton ke turahee ke shabdon ke karan jin ka
foonkana abhee bakee haai, prathvee ke rahanevalon par haya! haya! haya!

ADHYĀYA 9

aur jab panchaven svargadoot ne turahee foonkee, to maain ne svarga se prathvee par
aek tara girata hua dekha, aur use athah kund ke kunjee dee gai.
2 aur us ne athah kund ko khola, aur kund men se badee bhttee ka sa dhauan utta, aur
kund ke dhauen se soorya aur vayu andhayaree ho gai.
3 aur us dhauaen men se prathvee par ttiiddayan nikalee, aur unhen prathvee ke
bichchhuon ke see shaaktai dee gai.
4 aur un se kaha gaya, ki n prathvee ke ghaas ko, n kisee haariyalee ko, n kisee ped ko
hani pahunchao, keval un manushyon ko jin ke mathe par parameshvar ke muhar
naheen haai.
5 aur unhen mar dalate ka to nahee, par panch maheene tak logon ko peeda dene ka
aadhaikar diya gaya: aur un ke peeda aeesee thee, jaaise bichchoo ke dnk marane se
manushy ko hotee haai.
6 un dinon men manushy mratyu ko ddoondddhenge, or n paenge aur marane ke lalasa
karenge, aur mratyu us se bhagegee.
7 aur un ttiiddayon ke akar ladai ke liye taaiyar kiae huae ghaedon ke se the, aur un ke
siron par manon sone ke mukutt the aur usake munh manushyon ke se the.
8 aur un ke bal striayon ke se, aur dant sihon ke se the.
9 aur ve lohe ke see jhlaim pahine the, aur un ke pankhon ka shabd aeese tha jaaisa
rathon aur bahut se ghaedon ka jo ladai men daudte hon.
10 aur un ke poonchh bichchhuon ke see thee, aur un men dnk the, aur unhen panch
maheene tak manushyon ko dukh pahunchane ke jo samarth thee, vah un ke
poonchhon men thee.
11 athah kund ka doot un par raja tha, usaka nam ibraanee men abaon, aur yoonanee
men apullayon haai..
12 paahilee vipaati beet chukee, dekho ab in ke bad do vipaatiyan aur honevalee haain..
13 aur jab chhttvn svargadoot ne turahee faooke to jo sone ke vedee parameshvar ke
samhane haai usake seengo men se maain ne aeese shabd suna.
14 manon koi chhttvn svargadoot se jis ke pas turahee thee kah raha haai ki un char
svargadooton ko jo badee nadee faurat ke pas bandho huae haai, khol de.
15 aur ve charon doot khol diae gaae jo us ghadee, aur din, aur maheene, aur varsha ke
liye manushyon ke aek tihai ke mar dalane ko taaiyar kiae gaae the.
16 aur faaujon ke savaron ke ginatee bees karod thee maain ne un ke ginatee sunee.
17 aur mujhe is darshan men ghaede aur un ke aeese savar dikhai dia, jin ke jhlaimen
ag, aur dhoomrakant, aur gandhak ke see thee, aur un ghaedon ke sir sinhon ke siron ke

se the: aur un ke munh se ag, aur dhaua, aur gandhak nikalatee thee.

¹⁸ in teenon mariyon arthata ag, aur dhauae, aur gandhak se jo usake munh se nikalatee thee, manushyon kee aek tihai mar dalee gai.

¹⁹ kyonaki un ghaedon kee samarth un ke munh, aur un kee poonchhon men thee isaaliye ki un kee poonchhe sanpon kee see thee, aur un poonchhon ke sir bhee the, aur inheen se ve peeda pahunchate the.

²⁰ aur bakee manushyon ne jo un maariyon se n mare the, apane hathon ke kamon se man n firaya, ki dushttatmaon kee, aur sone aur chandee, aur peetal, aur patthar, aur katt kee mooraton kee pooja n kare, jo n dek, n sun, n chal sakatee haain.

²¹ aur jo koon, aur ttona, aur vyaabhaichar, aur choriya, unhon ne kee thee, un se man n firaya..

ADHYĀYA 10

fir maain ne aek aur balee svargadoot ko badal oddhe huae svarga se utarate dekha, usake sir par meghadhanush tha: aur usaka munh soorya ka sa aur usake panv ag ke khnbbhe ke se the.

² aur usake hath men aek chhottee see khulee hui pustak thee us ne apana dahina panv samudra par, aur bayan prathvee par rakha.

³ aur aeese bade shabd se chillaya, jaaisa sinh garajata haai aur jab vah chillaya to garjan ke sat shabd sunai diae.

⁴ aur jab saton garjan ke shabd sunai de chuke, to maain likhne par tha, aur maain ne svarga se yah shabd suna, ki jo baten garjan ke un sat shabdon se sunee haai, unhen gupt rak, aur mat likh.

⁵ aur jis svargadoot ko maain ne samudra aur prathvee par khde dekh tha us ne apana daahina hath svarga kee or uttaya.

⁶ aur jo yuganuyug jeevata rahega, aur jis ne savarga ko aur jo kuchh us men haai, aur prathvee ko aur jo kuchh us par haai, aur samudra ko aur jo kuchh us men haai sraja usee kee shapath khakar kaha, ab to aur der n hogee.

⁷ baran sataven svargadoot ke shabd dene ke dinon men jab vah turahee foonkane par hoga, to parameshvar ka gupt manorath us susamachar ke anusar jo us ne apane das bhvishyadvktaon ko diya poora hoga.

⁸ aur jis shabd karanevale ko maain ne svarga se bolate suna tha, vah fir mere sath baten karane laga ki ja, jo svargadoot samudra aur prathvee par khda haai, usake hath men kee khulee hui pustak le le.

⁹ aur maain ne svargadoot ke pas jakar kaha, yah chhottee pustak mujhe de aur us ne mujh se kaha le ise kha jo, aur yah tera pett kadva to karegee, par tere munh men madha see meettee lagegee.

¹⁰ so maain vah chhottee pustak us svargadoot ke hath se lekar kha gaya, vah mere munh men madha see meettee to lagee, par jab maain use kha gaya, to mera pett kadva ho gaya.

¹¹ tab mujh se yah kaha gaya, ki tujhe bahut se logo, aur jatiyo, aur bhashaao, aur rajaon par, fir bhvishyadvvanee karanee hogee..

ADHYĀYA 11

- a**ur mujhe laggee ke saman aek sarakanda diya gaya, aur kisee ne kaha ut, parameshvar ke maandair aur vedee, aur us men bhjan karanevalon ko nap le.

- ⁶ inhen aadhaikar haai, ki akash ko band kare, ki un kee bhvishyadvanee ke dinon men menh n barase, aur unhen sab panee par adhaikar haai, ki use lohoo banaae, aur jab jab chahen tab tab prathvee par har prakar kee apaati laaen.
- ⁷ aur jab ve apanee gavahee de chukenge, to vah pashu jo athah kund men se nikalega, un se ladkar unhen jeetega aur unhen mar dalega.

- ¹³ fir usee ghadee aek bada bhuindol hua, aur nagar ka dasavan ansh gir pada aur us bhuindol se sat hajar manushy mar gaae aur shosh dr gaa, aur svarga ke parameshvar kee mahima kee..
- ¹⁴ doosaree vipaati beet chukee, dekho, teesaree vipaati shaeegha anevalee haai..
- ¹⁵ aur jab sataven doot ne turahee foonkee, to svarga men is vishay ke bade bade shabd hone lage ki jagat ka rajy hamare prabhu ka, aur usake maseeh ka ho gaya.
- ¹⁶ aur vah yuganuyug rajy karega, aur chaubeeson praacheen jo parameshvar ke samhane apane apane sinhasan par baaitte the, munh ke bal girakar parameshvar ko dandvat karake.
- ¹⁷ yah kahane lage, ki he sarvashaktaiman prabhu parameshvar, jo haai, aur jo tha, ham tera dhanyavad karate haai, ki too ne apanee badee samrth kam men lakar rajy kiya haai.
- ¹⁸ aur anyajatiyon ne krodha kiya, aur tera prakop a pada aur vah samay a pahuncha haai, ki mare huon ka nyay kiya jaa, aur tere das bhvishyadvktaon aur pavitra logon ko aur un chhotte badon ko jo tere nam se drate haai, badala diya jaa, aur prathvee ke bigadnevale nash kiae jaaen..
- ¹⁹ aur parameshvar ka jo maandair svarga men haai, vah khola gaya, aur usake maandair men us kee vacha ka sandook dikhai diya, aur bijaaliyan aur shabd aur garjan aur bhuindol hua, aur bade bade ole pade..

ADHYĀYA 12

fir svarga par aek bada chinch dikhai diya, arthata aek sree jo soorya oddhe huae thee, aur chand usake panvon tale tha, aur usake sir par barah taron ka mukutt tha.

² aur vah garbhvatee hui, aur chillatee thee kayonaki prasav kee peeda use lagee thee aur vah bachcha janane kee peeda men thee.

³ aur aek aur chinch svarga par dikhai diya, aur dekho aek bada lal ajagar tha jis ke sat sir aur das seeng the, aur usake siron par sat rajamukutt the.

⁴ aur us kee poonchh ne akash ke taron kee aek tihai ko kheenchakar prathvee par dal diya, aur vah ajagar us sree se samhane jo jachcha thee, khda hua, ki jab vah bachcha jane to usake bachche ko nigal jaae.

⁵ aur vah betta janee jo lohe ka dand liae hua, sab jatiyon par rajy karane par tha, aur usaka bachcha aekaaek parameshvar ke pas, aur usake sinhasan ke pas uttakar pahuncha diya gaya.

⁶ aur vah sree us jangal ko bhag gai, jahan parameshvar kee or se usake liye aek jagah taaiyar kee gai thee, ki vahan vah aek hajar do sau satt din tak palee jaae..

⁷ fir svarga par ladai hui, meekail aur usake svargadoot ajagar se ladne ko nikale, aur ajagar or unake doot us se lade.

⁸ parantu prabal n hua, aur svarga men un ke liye fir jagah n rahee.

⁹ aur vah bada ajagar arthata vahee purana sanp, jo ibalees aur shautan kahalata haai, aur sare sansar ka bhramanevala haai, prathvee par gira diya gaya aur usake doot usake sath gira diae gaae.

¹⁰ fir maain ne svarga par se yah bada shabd ate huae suna, ki ab hamare parameshvar ka uddhar, aur samarth, aur rajy, aur usake maseeh ka aadhaikar pragatt hua haai kyonki hamare bhaiyon par dosh laganevala, jo rat din hamare parameshvar ke samhane un par dosh lagaya karata tha, gira diya gaya.

¹¹ aur ve memne ke lohoo ke kara, aur apanee gavahee ke vachan ke kara, us par jayavant hua, aur unhon ne apane praanon ko piry n jana, yahan tak ki mratyu bhee sah lee.

¹² is kara, he svagor, aur un men ke rahanevalon magan ho he prathvee, aur samudra, tum par haya! kyonki shautan bade krodha ke sath tumhare pas utar aya haai kyonki janata haai, ki usaka thoda hee samay aur bakee haai..

¹³ aur jab ajagar ne dekha, ki maain prathvee par gira diya gaya hoo, to us sree ko jo betta janee thee, sataya.

¹⁴ aur us sree ko bade ukab ke do pankh diae gaa, ki sanp ke samhane se udkar jangal men us jagah pahunch jaa, jahan vah aek samay, aur samayo, aur adho samay tak palee jaae.

¹⁵ aur sanp ne us sree ke peechhe apane munh se nadee kee nai panee bahaya, ki use is nadee se baha de.

¹⁶ parantu prathvee ne us sree kee sahayata kee, aur apana munh kholakar us nadee ko jo ajagar ne apane munh se bahai thee, pee liya.

¹⁷ aur ajagar sree par krodhait hua, aur usakee shosh santan se jo parameshvar kee agyaaon ko manate, aur yeeshu kee gavahee dene par sthiar haai, ladne ko gaya. aur vah samudra ke baloo par ja khda hua..

ADHYĀYA 13

aur maain ne aek pashu ko samudra men se nikalate huae dekha, jis ke das seeng aur sat sir the aur usake siron par ninda ke nam likhe huae the.

² aur jo pashu maain ne dekha, vah cheete kee nai tha aur usake panv bhaloo ke se, aur munh sinh ka sa tha aur us ajagar ne apanee samarth, aur apana sinhasan, aur bada adhaikar, use de diya.

³ aur maain ne usake siron men se aek par aeesa bharee ghaav laga dekha, mano vah mane par haai fir usaka praanghaatak ghaav achchha ho gaya, aur saree prathvee ke log us pashu ke peechhe peechhe achanbha karate huae chale.

⁴ aur unhon ne ajagar kee pooja kee, kyonaki us ne pashu ko apana aadhaikar de diya tha aur yah kahakar pashu kee pooja kee, ki is pashu ke saman kaun haai?

⁵ kaun us se lad sakata haai? aur bade bol bolane aur ninda karane ke liye use aek munh diya gaya, aur use bayalees maheene tak kam karane ka aadhaikar diya gaya.

⁶ aur us ne parameshvar kee ninda karane ke liye munh khola, ki usake nam aur usake tamboo arthata svarga ke rahanevalon kee ninda kare.

⁷ aur use yah adhaikar diya gaya, ki pavitra logon se lade, aur un par jay paa, aur use har aek kul, aur log, aur bhasha, aur jati par adhaikar diya gaya.

⁸ aur prathvee ke ve sab rahanevale jin ke nam us memne kee jeevan kee pustak men likhe naheen gaa, jo jangal kee utpaati ke samay se ghaat hua haai, us pashu kee pooja karenge.

⁹ jis ke kan hon vah sune.

¹⁰ jis ko kaaid men padna haai, vah kaaid men padega, jo talavar se marega, avashy haai ki vah talavar se mara jaaega, pavitra logon ka dhaeeraj aur vishvas isee men haai..

¹¹ fir maain ne aek aur pashu ko prathvee men se nikalate huae dekha, usake memne ke se do seeng the aur vah ajagar kee nain bolata tha.

¹² aur yah us paahile pashu ka sara aadhaikar usake samhane kam men lata tha, aur prathvee aur usake rahanevalon se us paahile pashu kee jis ka praanghaatak ghaav achchha ho gaya tha, pooja karata tha.

¹³ aur vah bade bade chinh dikhata tha, yahan tak ki manushyon ke samhane svarga se prathvee par ag barasa deta tha.

¹⁴ aur un chinhon ke karan jinhen us pashu ke samhane dikhane ka adhaikar use diya gaya tha vah prathvee ke rahanevalon ko is prakar bhramata tha, ki prathvee ke rahanevalon se kahata tha, ki jis pashu ke talavar lagee thee, vah jee gaya haai, us kee moorat banao.

¹⁵ aur use us pashu kee moorat men praan dalane ka adhaikar diya gaya, ki pashu kee moorat bolane lage aur jitane log us pashu kee moorat kee pooja n kare, unhen marava dale.

¹⁶ aur us ne chhotte, bade, dhanee, kangal, svatrant, das sab ke dahine hath ya un ke mathe par aek aek chhap kara dee.

¹⁷ ki us ko chhod jis par chhap arthata us pashu ka nam, ya usake nam ka ank ho, aur koi len den n kar sake.

¹⁸ gyaan isee men haai, jise buaddh iho, vah is pashu ka ank jod le, kyonki manushy ka ank haai, aur usaka ank chh: sau chhyaiasatt haai..

ADHYĀYA 14

fir maain ne draashtti kee, aur dekho, vah memna siyyon pahad par khda haai, aur usake sath aek lakh chaualees hajar jan haai, jin ke mathe par usaka aur usake pita ka nam likha hua haai.

2 aur svarga se mujhe aek aeesa shabd sunai diya, jo jal ke bahut dhaaraon aur bade garjan ka sa shabd tha, aur jo shabd maain ne suna vah aeesa tha, mano veena bajanevale veena bajate hon.

3 aur ve sinhasan ke samhane aur charon praanaayon aur praacheenon ke samhane mano, yah naya geet ga rahe the, aur un aek lakh chaualees hajar jano ko chhod jo mol liae gaae the, koi vah geet n seekh sakata tha.

4 ye ve haai, jo striayon ke sath ashruddh naheen hua, par kunvare haain: ye ve hee haai, ki jahan kaheen memna jata haai, ve usake peechhe ho lete haain: ye to parameshvar ke nimitt pahile fal hone ke liye manushyon men se mol liae gaae haain.

5 aur un ke munh se kabhee joott n nikala tha, ve nirdosh haain..

6 fir maain ne aek aur svargadoot ko akash ke beech men udte huae dekha jis ke pas prathvee par ke rahanevalon kee har aek jati, aur kul, aur bhasha, aur logon ko sunane ke liye sanatan susamachar tha.

7 aur us ne bade shabd se kaha parameshvar se dro aur us kee mahima karo kyonki usake nyay karane ka samay a pahuncha haai, aur usaka bhjan karo, jis ne svarga aur prathvee aur samudra aur jal ke sote banaae..

8 fir is ke bad aek aur doosara svargadoot yah kahata hua aya, ki gir pada, vah bada babul gir pada jis ne apane vyaabhaichar kee kopamay maadira saree jatiyon ko pilai haai..

9 fir in ke bad aek aur svargadoot bade shabd se yah kahata hua aya, ki jo koi us pashu aur us kee moorat kee pooja kare, aur apane mathe ya apane hath par us kee chhap le.

10 to vah parameshvar ka prakop kee niree maadira jo usake krodha ke kattore men dalee gai haai, peeaega aur pavitra svargadooton ke samhane, aur memne ke samhane ag aur gandhak kee peeda men padega.

11 aur un kee peeda ka dhauan yuganuyug uttta rahega, aur jo us pashu aur us kee moorat kee pooja karate haai, aur jo usake nam hee chhap lete haai, un ko rat din chaain n milega.

12 paavitra logon ka dhaeraj isee men haai, jo parameshvar kee agyaaon ko manate, aur yeeshu par vishvas rakhte haain..

13 aur maain ne svarga se yah shabd suna, ki likh jo murade prabhu men marate haai, ve ab se dhany haai, atma kahata haai, han kyonaki ve apane parishramon se vishraam paaenge, aur un ke kayrya un ke sath ho lete haain..

14 aur maain ne drashtti kee, aur dekho, aek ujala badal haai, aur us badal par manushy ke putra sareekha koi baaitta haai, jis ke sir par sone ka mukutt aur hath men chokha hansua haai.

15 fir aek aur svargadoot ne mandair men se nikalakar, us se jo badal par baaitta tha, bade shabd se pukarakar kaha, ki apana hansua lagakar lavanee kar, kyonki lavane ka samay a panhucha haai, isaliye ki prathvee kee khetee pak chukee haai.

16 so jo badal par baaitta tha, us ne prathvee par apana hansua lagaya, aur prathvee kee lavanee kee gai..

17 fir aek aur svargadoot us mandair men se nikala, jo svarga men haai, aur usake pas bhee chokha hansua tha.

18 fir aek aur svargadoot jis ag par adhaikar tha, vedee men se nikala, aur jis ke pas chokha hansua tha, us se unche shabd se kaha apana chokha hansua lagakar prathvee

kee dakh lata ke guchchhe katt le kyonaki us kee dakh pak chukee haai.

¹⁹ aur us svargadoot ne prathvee par apana hansua dala, aur prathvee kee dakh lata ka fal kattkar, apane parameshvar ke prakop ke bade ras ke kund men dal diya.

²⁰ aur nagar ke bahar us ras kund men dakh raunde gaa, aur ras kund men se itana lohoo nikala ki ghaedon ke lagamon tak pahuncha, aur sau kos tak bah gaya..

ADHYĀYA 15

fir maain ne svarga men aek aur bada aur adabhut chinh dekha, arthata sat svargadoot jin ke pas saton pichhlee vipaatiyan thee, kyonki un ke ho jane par parameshvar ke prakop ka ant haai..

² aur maain ne ag se mile huae kanch ka sa aek samudra dekha, aur jo us pashu par, aur us kee moorat par, aur usake nam ke ank par jayavant huae the, unhen us kanch ke samudra ke nikatt parameshvar kee veenaon ko liae huae khde dekha.

³ aur ve parameshvar ke das moosa ka geet, aur memne ka geet ga gakar kahate the, ki he srvashtaiman prabhu parameshvar, tere kayrya bade, aur adabhut haai, he yug yug ke raja, teree chal tteek aur sachchee haai.

⁴ he prabhu, kaun tujh se n drega? aur tere nam kee mahima n karega? kyonki keval too hee paavitra haai, aur saree jaatiyan akar tere samhane dandvata karengee, kyonaki tere nyay ke kam pragatt ho gaae haain..

⁵ aur is ke bad maain ne dekha, ki svarga men sakshae ke tamboo ka maandair khola gaya.

⁶ aur ve saton svargadoot jin ke pas saton vipaatiyan thee, shuuddh aur chamakatee hui maanai pahine huae chhatee par sunahale pattuke bandho huae maandair se nikale.

⁷ aur un charon praanaiyon men se aek ne un sat svargadooton ko parameshvar ke, jo yuganuyug jeevata haai, prakop se bhre huae sat sone ke kattore diae.

⁸ aur parameshvar kee maahima, aur us kee samarth ke karan mandair dhauen se bhr gaya aur jab tak un saton svargadooton kee saton vipaatiyan samapt n hui, tab tak koi maandair men n ja saka..

ADHYĀYA 16

fir maain ne maandair men kisee ko unche shabd se un saton svargadooton se yah kahate suna ki jao, parameshvar ke prakop ke saton kattoron ko prathvee par undel do..

² so paahile ne jakar apana kattora prathvee par undel diya. aur un manushyon ke jin par pashu kee chhap thee, aur jo us kee moorat kee pooja karate the, aek prakar ka bura aur dukhdai faoda nikala..

³ aur doosare ne apana kattora samudra par undel diya aur vah mare huae ka sa lohoo ban gaya, aur samudra men ka har aek jeevadhaaree mar gaya..

⁴ aur teesare ne apana kattora naadiyo, aur panee ke soton par undel diya, aur ve lohoo ban gaae.

⁵ aur maain ne panee ke svargadoot ko yah kahate suna, ki he pavitra, jo haai, aur jo tha, too nyayee haai aur too ne yah nyay kiya.

⁶ kyonaki unhon ne pavitra logo, aur bhvishyadvktaon ko lohoo bahaya tha, aur too ne unhen lohoo pilaya kyonki ve isee yogy haain.

⁷ fir maain ne vedee se yah shabd suna, ki han he sarvashtaiman prabhu parameshvar,

tere nirny tteek aur sachche haain..

⁸ aur chauthe ne apana kattora soorya par undel diya, aur use manushyon ko ag se jhulasa dene ka adhaikar diya gaya.

⁹ aur manushy badee tapan se jhulas gaa, aur parameshvar ke nam kee jise in vipaatiyon par adhaikar haai, ninda kee aur us kee mahima karane ke liye man n firaya..

¹⁰ aur panchaven ne apana kattora us pashu ke sinhasan par undel diya aur usake rajy par andhora chha gaya aur log peeda ke mare apanee apanee jeebh chabane lage.

¹¹ aur apanee peedaon aur faodon ke karan svarga ke parameshvar kee ninda kee aur apane apane kamon se man n firaya..

¹² aur chhttven ne apana kattora badee nadee faurat par undel diya aur usaka panee sookh gaya ki poorva disha ke rajaon ke liye marga taaiyar ho jaae.

¹³ aur maain ne us ajagar ke munh se, aur us pashu ke munh se aur us jootte bhavishyadvkta ke munh se teen ashruddh atmaon ko menddhkon ke roop men nikalate dekha.

¹⁴ ye chinh dikhanevalee dushttatma haai, jo sare sansar ke rajaon ke pas nikalakar isaliye jatee haai, ki unhen sarvashaktaiman parameshvar ke us bade din kee ladai ke liye ikattha karen.

¹⁵ dek, maain chor kee nai ata hoon dhany vah haai, jo jagata rahata haai, aur apane vasr ki chaukasee karata haai, ki nanga n fire, aur log usaka nangapan n dekhien.

¹⁶ aur unhon ne un ko us jagah ikattha kiya, jo ibraanee men hara-maagidon kahalata haai..

¹⁷ aur sataven ne apana kattora hava par undel diya, aur mandir ke sinhasan se yah bada shabd hua, ki 'ho chukan.

¹⁸ fir bijaaliya, aur shabd, aur garjan hua, aur aek aeesa bada bhuindol hua, ki jab se manushy kee utpati prathvee par hui, tab se aeesa bada bhuindol kabhee n hua tha.

¹⁹ aur us bade nagar ke teen ttukade ho gaa, aur jaati jati ke nagar gir pade, aur bada babul ka smaran parameshvar ke yahan hua, ki vah apane krodha kee jalajalahatt kee maadira use pilaae.

²⁰ aur har aek ttpoo apanee jagah se ttl gaya aur pahadon ka pata n laga.

²¹ aur akash se manushyon par man man bhr ke bade ole gire, aur isaliye ki yah vipaati bahut hee bharee thee, logon ne olon kee vipaati ke karan parameshvar kee ninda kee..

ADHYĀYA 17

aur jin sat svargadooton ke pas ve sat kattore the, un men se aek ne akar mujh se yah kaha ki idhar a, maain tujhe us badee veshya ka dand dikhau, jo bahut se paaniyon par baaittee haai.

² jis ke sath prathvee ke rajaon ne vyaabhaichar kiya, aur prathvee ke rahanevale usake vyabhaichar kee maadira se matavale ho gaae the.

³ tab vah mujhe atma men jangal ko le gaya, aur maain ne kiraamijee rang ke pashu par jo ninda ke namon se chhpai hua tha aur jis ke sat sir aur das seeng the, aek sree ko baaitte huae dekha.

⁴ yah sree baainjane, aur kiraamijee, kapade pahine thee, aur sone aur bahumol manaiyon aur motiyon se sajee hui thee, aur usake hath men aek sone ka kattora tha jo gharaanait vastuon se aur usake vyabhaichar kee ashruddh vastuon se bhra hua tha.

⁵ aur usake mathe par yah nam likha tha, bhed bada babul prathvee kee veshyaon aur

gharanait vastuon kee mata.

⁶ aur maain ne us sree ko pavitra logon ke lohoo aur yeeshu ke gavahon ke lohoo peene se matavalee dekha aur use dekhkar maain chakit ho gaya.

⁷ us svargadoot ne mujh se kaha too kyon chaakit hua? maain is sre, aur us pashu ka, jis par vah savar haai, aur jis ke sat sir aur das seeng haai, tujhe bhed bataya hoon.

⁸ jo pashu too ne dekha haai, yah pahile to tha, par ab naheen haai, aur athah kund se nikalakar vinash men padega, aur prathvee ke rahanevale jin ke nam jagat kee utpaati ke samay se jeevan kee pustak men likhe naheen gaa, is pashu kee yah dasa dekhkar, ki pahile tha, aur ab naheen aur fir a jaaega, achanbha karenge.

⁹ us buaddh ike liye jis men gyaan haai yahee avasar haai, ve saton sir sat pahad haai, jin par vah sree baaittee haai.

¹⁰ aur ve sat raja bhee haai, panch to ho chuke haai, aur aek abhee haai aur aek ab tak aya nahee, aur jab aaega, to kuchh samay tak usaka rahana bhee avashy haai.

¹¹ aur jo pashu pahile tha, aur ab nahee, vah ap attvan haai aur un saton men se utpann hua, aur vinash men padega.

¹² aur jo das seeng too ne dekhe ve das raja haain jinhon ne ab tak rajy naheen paya par us pashu ke sath ghadee bhr ke liye rajaon ka sa aadhaikar paaenge.

¹³ ye sab aek man honge, aur ve apanee apanee samarth aur aadhaikar us pashu ko denge.

¹⁴ ye memne se ladenge, aur memna un par jay paaega kyonki vah prabhuon ka prabhu, aur rajaon ka raja haai: aur jo bulaae hua, aur chune hua, or vishvasee usake sath haai, ve bhee jay paaenge.

¹⁵ fir us ne mujh se kaha, ki jo panee too ne dekhe, jin par veshya baaittee haai, ve log, aur bheed aur jaatiya, aur bhasha haain.

¹⁶ aur jo das seeng too ne dekhe, ve aur pashu us veshya se baair rakhenge, aur use lachar aur nangee kar denge aur usaka mans kha jaaenge, aur use ag men jala denge.

¹⁷ kyonaki parameshvar un ke man men yah dalega, ki ve us kee manasa pooree karen aur jab tak parameshvar ke vachan poore n ho le, tab tak aek man hokar apana apana rajy pashu ko de den.

¹⁸ aur vah sre, jis too ne dekha haai vah bada nagar haai, jo prathvee ke rajaon par rajy karata haai..

ADHYĀYA 18

Is ke bad maain ne aek svargadoot ko svarga se utarate dekha, jis ka bada adhaikar tha aur prathvee usake tej se prajvaalit ho gai.

² us ne unche shabad se pukarakar kaha, ki gir gaya bada babul gir gaya haai: aur dushtatmao ka nivas, aur har ek ashuddh atma ka adda, aur ek ashuddh aur gharanait pakshaee ka adda ho gaya.

³ kyonaki usake vyaabhaichar ke bhyanak maadira ke karan sab jatiyan gir gai haai, aur prathvee ke rajaon ne usake sath vyaabhaichar kiya haai aur prathvee ke vyaparee usake sukh-avilas kee bahutayat ke karan dhanavan huae haain.

⁴ fir maain ne svarga se kisee aur ka shabd suna, ki he mere logo, us men se nikal ao ki tum usake papon men bhagee n ho, aur us kee vipaatiayon men se koi tum par a n pade.

⁵ kyonaki usake pap svarga tak pahunch gaae haai, aur usake adharma parameshvar ko smaran aae haain.

⁶ jaaaisa us ne tumhen diya haai, vaaisa hee us ko bhr do, aur usake kamon ke anusar use do guna badala do, jis kattore men us ne bhr diya tha usee men usake liye do guna bhr do.

⁷ jitane us ne apane badai kee aur sukh-avilas kiya utanee us ko peeda, aur shaek do kyonki vah apane man men kahatee haai, maain ranee ho baaittee hoo, vidhava naheen aur shaek men kabhee n paoongee.

⁸ is karan aek hee din men us par vipaatiyan a padengee, arthata mratyu, aur shaek, aur akala aur vah ag men bhsam kar dee jaaengee, kyonki usaka nyayee prabhu parameshvar shaaktaiman haai.

⁹ aur prathvee ke raja jinhon ne usake sath vyaabhaichar, aur sukh-vilas kiya, jab usake jalane ka dhauan dekhenge, to usake liye roaenge, aur chhatee peettenge.

¹⁰ aur us kee peeda ke dr ke mare door khde hokar kahenge, he bade nagar, babula! he draddh nagar, haya! haya! ghadee hee bhr men tujhe dand mil gaya haai.

¹¹ aur prathvee ke vyaparee usake liye roaenge aur kalapenge kyonki ab koi un ka mal mol n lega.

¹² arthata sona, chandee, ratn, motee, aur malamal, aur baainjane, aur reshamee, aur kiraamijee kapade, aur har prakar ka sugandhiat kat, aur hatheedant kee har prakar kee vastue, aur bahumol kat, aur peetal, aur lohe, aur sangamaramar ke sab bhanti ke patra.

¹³ aur daracheene, masale, dhoop, itra, loban, madira, tel, maaida, gehoo, gay, baail, bhed, bakaariya, ghaede, rat, aur das, aur manushy ke praan.

¹⁴ ab mere man bhavane fal tere pas se jate rahe aur svadisht aur bhdkeelee vastuen tujh se door hui haai, aur ve fir kadaapi n milengee.

¹⁵ in vastuon ke vyaparee jo usake dara dhanavan ho gaae the, us kee peeda ke dr ke mare door khde honge, aur rote aur kalapate huae kahenge.

¹⁶ haya! haya! yah bada nagar jo malamal, aur baainjane, aur kiraamijee kapade pahine tha, aur sone, aur ratno, aur motiyon se saja tha,

¹⁷ ghadee hee bhr men usaka aeasa bharee dhan nash ho gaya: aur har aek manjhee, aur jalayatrae, aur mallah, aur jitane samudra se kamate haai, sab door khde huae.

¹⁸ aur usake jalane ka dhauan dekhte huae pukarakar kahenge, kaun sa nagar is bade nagar ke saman haai?

¹⁹ aur apane apane siron par dhool dalenge, aur rote huae aur kalapate huae chilla chillakar kahenge, ki haya! haya! yah bada nagar jis kee sampati ke dara samudra ke sab jahajavale dhanee ho gaae the ghadee hee bhr men ujad gaya.

²⁰ he svarga, aur he paavitra logo, aur praeerito, aur bhvishyadvktao, us par anand karo, kyonaki parameshvar ne nyay karake us se tumhara palatta liya haai..

²¹ fir aek balavant svargadoot ne badee chakkee ke pa ke saman aek patthr uttaya, aur yah kahakar samudra men faenk diya, ki bada nagar babul aeese hee bade bal se giraya jaaega, aur fir kabhee usaka pata n milega.

²² aur veena bajanevalo, aur bajaaniyo, aur bansee bajanevalo, aur turahee foonkanevalon ka shabd fir kabhee tujh men sunai n dega, aur kisee udhym ka koi kareegar bhee fir kabhee tujh men n milega aur chakkee ke chalane ka shabd fir kabhee tujh men sunai n dega.

²³ aur deeya ka ujala fir kabhee tujh men ne chamakega aur doolhe aur dualhain ka shabd fir kabhee tujh men sunai n dega kyonki tere vyaparee prathvee ke pradhaan the, aur tere ttonne se sab jatiyan bhramai gai thee.

²⁴ aur bhavishyadvktaon aur pavitra logo, aur prathvee par sab ghaat kiae huon ka lohoo usee men paya gaya..

ADHYĀYA 19

1 is ke bad maain ne svarga men mano badee bheed ko unche shabd se yah kahate suna, ki hallailooyyah uddhar, aur mahima, aur samarth hamare parameshvar hee kee haai.

2 kyonaki usake nirny sachche aur tteek haai, isaaliye ki us ne us badee veshya ka jo apane vyaabhaichar se prathvee ko bhrasht karatee thee, nyay kiya, aur us se apane dason ke lohoo ka palatta liya haai.

3 fir doosaree bar unhon ne haallailooyyah kaha: aur usake jalane ka dhauan yuganuyug uttta rahega.

4 aur chaubeeson praacheenon aur charon praanaiyon ne girakar parameshvar ko dandvata kiya jo sinhasan par baaita tha, aur kaha, ameen, hallailooyya.

5 aur sinhasan men se aek shabd nikala, ki he hamare parameshvar se sab dranevale daso, kya chhotte, kya bade tum sab us kee stuti karo.

6 fir maain ne badee bheed ka sa, aur bahut jal ka sa shabd, aur garjanon ka sa bada shabd suna, ki hallailooyyah, isaliye ki prabhu hamara parameshvar, sarvashaktaiman rajy karata haai.

7 ao, ham anaandait aur magan ho, aur us kee stuati karen kyonki memne ka byah a pahuncha: aur us kee patnee ne apane ap ko taaiyar kar liya haai.

8 aur us ko shuuddh aur chamakadar maheen malamal pahinane ka adhaikar diya gaya, kyonki us maheen malamal ka arth pavitra logon ke dharma ke kam haai.

9 aur us ne mujh se kaha yah lik, ki dhany ve haai, jo memne ke byah ke bhoj men bulaae gaae haain fir us ne mujh se kaha, ye vachan parameshvar ke saty vachan haain.

10 aur maain us ko dandvat karane ke liye usake panvon par gira us ne mujh se kaha dek, aeese mat kar, maain tera aur tere bhaiyon ka sangee das hoo, jo yeeshu kee gavahee dene par sthiar haai, parameshvar hee ko dandvata kara kyonaki yeeshu kee gavahee bhavishyadanee kee atma haai..

11 fir maain ne svarga ko khula hua dekha aur dekhta hoon ki aek shvet ghaeda haai aur us par aek savar haai, jo vishvas yogy, aur saty kahalata haai aur vah dharma ke sath nyay aur ladai karata haai.

12 us kee ankhe ag kee jvala haain: aur usake sir par bahut se rajamukutt haain aur usaka ek nam likha haai, jis us ko chhod aur koi naheen janata.

13 aur vah lohoo se chhdika hua vasr paahine haai: aur usaka nam parameshvar ka vachan haai.

14 aur svarga kee sena shvet ghaedon par savar aur shvet aur shuuddh malamal paahine huae usake peechhe peechhe haai.

15 aur jaati jati ko marane ke liye usake munh se aek chokhee talavar nikalatee haai, aur vah lohe ka rajadand liae huae un par rajy karega, aur vah sarvashaktaiman parameshvar ke bhyanak prakop kee jalalahatt kee madira ke kund men dakh raundega.

16 aur usake vasr aur jangha par yah nam likha haai, rajaon ka raja aur prabhuon ka prabhu..

17 fir maain ne aek svargadoot ko soorya par khde huae dekha, aur us ne bade shabd se pukarakar akash ke beech men se udnevale sab paakshiyon se kaha, ao parameshvar kee badee biyaree ke liye ikatthe ho jao.

18 jis se tum rajaon ka mans, or saradaron ka mans, aur shaaktaiman purooshaen ka mans, aur ghaadon ka, aur un ke savaron ka mans, aur kya svatantra, kya das, kya chhotte, kya bade, sab logon ka mans khao..

19 fir maain ne us pashu aur prathvee ke rajaon aur un kee senaon ko us ghaede ke

savar, aur us kee sena se ladne ke liye ikatthe dekha.

²⁰ aur vah pashu aur usake sath vah jootta bhvishyadvkta pakada gaya, jis ne usake samhane aeese chinch dikhaae the, jin ke dara us ne un ko bhramaya, jinhe ne us pashu kee chhap lee thee, aur jo us kee moorat kee pooja karate the, ye donon jeete jee us ag kee jheel men jo gandhak se jalatee haai, dale gaae.

²¹ aur shosh log us ghaede ke savar kee talavar se jo usake munh se nikalatee thee, mar dale gaae aur sab pakshaee un ke mans se trapt ho gaae..

ADHYĀYA 20

fir maai ne aek svargadoot ko svarga se utarate dekha jis ke hath men athah kund kee kunjee, aur aek badee janjeer thee.

² aur us ne us ajagar, arthata purane sanp ko, jo ibalees aur shautan haai pakad ke hajar varsha ke liye bandha diya.

³ aur use athah kund men dalakar band kar diya aur us par muhar kar dee, ki vah hajar varsha ke poore hone tak jaati jati ke logon ko fir n bhramaae is ke bad avashy haai, ki thodee der ke liye fir khola jaae..

⁴ fir maain ne sinhasan dekhe, aur un par log baaitt gaa, aur un ko nyay karane ka aadhaikar diya gaya aur un kee atmaon ko bhee dekha, jin ke sir yeeshu kee gavahee dene aur parameshvar ke vachan ke karan katte gaae the aur jinhon ne n us pashu kee, aur n us kee moorat kee pooja kee thee, aur n us kee chhap apane mathe aur hathon par lee thee ve jeevit hokar maseeh ke sath hajar varsha tak rajy karate rahe.

⁵ aur jab tak ye hajar varsha poore n huae tak tak shosh mare huae n jee utte yah to pahila mratkotthan haai.

⁶ dhany aur pavitra vah haai, jo is pahile punarootthan ka bhagee haai, aeeson par doosaree mratyu ka kuchh bhee aadhaikar nahee, par ve parameshvar aur maseeh ke yajak honge, aur usake sath hajar varsha tak rajy karenge..

⁷ aur jab hajar varsha poore ho chukenge to shautan kaaid se chhod diya jaaega.

⁸ aur un jaatyon ko jo prathvee ke charon or hongee, arthata yajooj aur majooj ko jin kee ginatee samudra kee baloo ke barabar hogee, bhramakar ladai ke liye ikatthe karane ko nikalega.

⁹ aur ve saree prathvee par faail jaaengee aur paavitra logon kee chhavanee aur piry nagar ko ghor lengee: aur ag svarga se utarakar unhen bhsn karegee.

¹⁰ aur un ka bhramanevala shautan ag aur gandhak kee us jhaeel me, jis men vah pashu aur jootta bhavishyadvkta bhee hoga, dal diya jaaega, aur ve rat din yuganuyug peed men tadpate rahenge..

¹¹ fir maain ne aek bada shvet sinhasan aur us ko jo us par baaitta hua haai, dekha, jis ke samhane se prathvee aur akash bhag gaa, aur un ke liye jagah n milee.

¹² fir maain ne chhotte bade sab mare huon ko sinhasan ke samhane khde huae dekha, aur pustaken kholee gai aur fir aek aur pustak kholee gain aur fir aek aur pustak kholee gai, arthata jeevan kee pustaka aur jaaise un pustakon men likha hua tha, un ke kamon ke anusar mare huon ka nyay kiya gaya.

¹³ aur samudra ne un mare huon ko jo us men the de diya, aur mratyu aur adhaelok ne un mare huon ko jo un men the de diya aur un men se har aek ke kamon ke anusar un ka nyay kiya gaya.

¹⁴ aur mratyu aur adhaelok bhee ag kee jheel men dale gaae yah ag kee jheel men dale

gaae yah ag kee jheel to doosaree mratyuu haai.

¹⁵ aur jis kisee ka nam jeevan kee pustak men likha hua n mila, vah ag kee jheel men dala gaya..

ADHYĀYA 21

fir maain ne naye akash aur nayee prathvee ko dekha, kyonki pahila akash aur paahilee prathvee jatee rahee thee, aur samudra bhee n raha.

² fir maain ne paavitra nagar naye yarooshalem ko svarga par se parameshvar ke pas se utarate dekha, aur vah us dulhain ke saman thee, jo apane paati ke liye singar kiae ho.

³ fir maain ne sinhasan men se kisee ko unche shabd se yah kahate suna, ki dek, parameshvar ka dera manushyon ke beech men haai vah un ke sath dera karega, aur ve usake log honge, aur parameshvar ap un ke sath rahega aur un ka parameshvar hoga.

⁴ aur vah un kee ankhon se sab ansoo ponchh dalega aur is ke bad mratyuu n rahegee, aur n shaek, n vilap, n peeda rahegee paahilee baten jatee raheen.

⁵ aur jo sinhasan par baaita tha, us ne kaha, ki dek, maain sab kuchh naya kar deta hoon: fir us ne kaha, ki likh le, kyonki ye vachan vishvas ke yogy aur saty haain.

⁶ fir us ne mujh se kaha, ye baten pooree ho gai haai, maain alafaa aur omiga, aadi aur ant hoon: maain pyase ko jeevan ke jal ke sote men se sentament pilaunga.

⁷ jo jay paa, vahee un vastuon ka vaaris hoga aur maain usaka parameshvar hounge, aur vah mera putra hoga.

⁸ par drapoko, aur avishvasiyo, aur ghainauno, aur hatyaro, aur vyaabhaichaariyo, aur ttonho, aur moortipoojako, aur sab jootton ka bhag us jheel men milega, jo ag aur gandhak se jalatee rahatee haai: yah doosaree mratyuu haai..

⁹ fir jin sat svargadooton ke pas sat pichhlee vipaatiyon se bhre huae sat kattore the, un men se aek mere pas aya, aur mere sath baten karake kaha idhar a: maain tujhe dulhain arthata memne kee patnee dikhaunga.

¹⁰ aur vah mujhe atma me, aek bade aur unche pahad par le gaya, aur paavitra nagar yarooshalem ko svarga par se parameshvar ke pas se utarate dikhaaya.

¹¹ parameshvar kee maahima us men thee, or us kee jyoti bahut kee bahumol patthar, arthata billaur ke saman yashab kee nai svachchh thee.

¹² aur us kee shaharapanah badee unchee thee, aur usake barah faattk aur faattkon par barah svargadoot the aur un par israaeliyon ke barah gotraen ke nam likhe the.

¹³ poorva kee or teen faattk, uttr kee or teen faattk, dakkhian kee or teen faattk, aur paashchaim kee or teen faattk the.

¹⁴ aur nagar kee shaharapanah kee barah neven thee, aur un par memne ke barah praeriton ke barah nam likhe the.

¹⁵ aur jo mere sath baten kar raha tha, usake pas nagar, aur usake faattkon aur us kee shaharapanah ko napane ke liye aek sone ka gaj tha.

¹⁶ aur vah nagar chaukor basa hua tha aur us kee lambai chaudai ke barabar thee, aur us ne us gaj se nagar ko napa, to saddhe sat sau kos ka nikala: us kee lambai, aur chaudai, aur unchai barabar thee.

¹⁷ aur us ne us kee shaharapanah ko manushy ke, arthata svargadoot ke nam se napa, to aek sau chaualees hath nikalee.

¹⁸ aur us kee shaharapanah kee judai yashab kee thee, aur nagar aeese chokhe sone ka tha, ja svachchh kanch ke saman ho.

¹⁹ aur us nagar keeven har prakar ke bahumol patthron se sanvaree hui thee, paahilee neev yashab kee thee, doosaree neelamaanai kee, teesaree laladee kee, chauthee marakat kee.

²⁰ panchavee gomedak kee, chhtteen manaiky kee, sataveen peetamaanai kee, attveen peroj kee, naveen pukhraj kee, dasaveen lahasaniae kee, gyarahaveen dhoomrakant kee, barahaveen yakoot kee.

²¹ aur barahon faattk, barah motiyon ke the aek aek faattk, aek aek motee ka bana tha aur nagar kee sadk svachchh kanch ke saman chokhe sone kee thee.

²² aur maain ne us men koi mandir n dekha, kyonki sarvashaktaiman prabhu parameshvar, aur memna usaka mandir haain.

²³ aur us nagar men soorya aur chand ke ujale ka prayojan nahee, kyonki parameshvar ke tej se us men ujala ho raha haai, aur memna usaka deepak haai.

²⁴ aur jaati jati ke log us kee jyoti men chale firenge, aur prathvee ke raja apane apane tej ka saman us men laaenge.

²⁵ aur usake faattk din ko kabhee band n honge, aur rat vahan n hogee.

²⁶ aur log jaati jati ke tej aur vibhv ka saman us men laaenge.

²⁷ aur us men koi apaavitra vastu ya gharanait kam karanevala, ya joott ka gaddhnevala, kisee reeti se pravesch n karega par keval ve log jin ke nam memne ke jeevan kee pustak men likhe haain..

ADHYĀYA 22

fir us ne mujhe billaur kee see jhlakatee hui, jeevan ke jal kee aek nadee dikhai, jo parameshvar aur menmne ke sinhasan se nikalakar us nagar kee sadk ke beechon beech bahatee thee.

² aur nadee ke is para aur us par, jeevan ka ped tha: us men barah prakar ke fal lagate the, aur vah har maheene falata tha aur us ped ke paton se jati jati ke log change hote the.

³ aur fir srab n hoga aur parameshvar aur memne ka sinhasan us nagar men hoga, aur usake das us kee seva karenge.

⁴ aur usaka munh dekhenge, aur usaka nam un ke mathon par likha hua hoga.

⁵ aur fir rat n hogee, aur unhen deepak aur soorya ke ujjyale ka prayojan n hoga, kyonki prabhu parameshvar unhen ujjyala dega: aur ve yuganuyug rajy karenge..

⁶ fir us ne mujh se kaha, ye baten vishvas ke yoggy, aur saty haai, aur prabhu ne jo bhavishyadvktaon kee atmaon ka parameshvar haai, apane svargadoot ko isaaliye bheja, ki apane dason ko ve baten jin ka shaeegha poora hona avashy haai dikhaae.

⁷ dek, maain shaeegha anevara hoon dhany haai vah, jo is pustak kee bhvishyadanee kee baten manata haai..

⁸ maain vahee yoohanna hoo, jo ye baten sunata, aur dekhta tha aur jab maain ne suna, aur dekha, to jo svargadoot mujhe ye baten dikhata tha, maain usake panvon par dandvat karane ke liye gir pada.

⁹ aur us ne mujh se kaha, dek, aeesa mat kara kyonaki maain tera aur tere bhai bhvishyadvktaon aur is pustak kee baton ke mananevalon ka sangee das hoon parameshvar hee ko dandvat kara..

¹⁰ fir us ne mujh se kaha, is pustak kee bhavishyadvanee kee baton ko band mat kara kyonki samay nikatt haai..

11 jo anyay karata haai, vah anyay hee karata rahe aur jo maalin haai, vah maalin bana rahe aur jo dharmee haai, vah dharmee bana rahe aur jo paavitra haai, vah pavitra bana rahe.

12 dek, maain shaeegha anevara hoon aur har aek ke kam ke anusar badala dene ke liye praatifaal mere pas haai.

13 maain alafaa aur omiga, paahila aur pichhla, adi aur ant hoon.

14 dhany ve haai, jo apane vasr dhae lete haai, kyonki unhen jeevan ke ped ke pas ane ka aadhaikar milega, aur ve faattkon se hokar nagar men pravesha karenge.

15 par kutte, aur ttonhe, aur vyaabhaicharee, aur hatyare aur moortipoojak, aur har aek joott ka chahanevara, aur gaddhnevara bahar rahega..

16 mujh yeeshu ne apane svargadoot ko isaaliye bheja, ki tumhare age kaleesiyaon ke vishay men in baton kee gavahee de: maain daud ka mool, aur vansha, aur bhor ka chamakata hua tara hoon..

17 aur atma, aur dualhain donon kahatee haai, a aur sunanevara bhee kahe, ki a aur jo pyasa ho, vah aae aur jo koi chahe vah jeevan ka jal sentament le..

18 maain har aek ko jo is pustak kee bhavishyadanee kee baten sunata haai, gavahee deta hoo, ki yadi koi manushy in baton men kuchh baddhaa, to parameshvar un vipaatiyaon ko jo is pustak men likhee haai, us par baddhaaega.

19 aur yaadi koi is bhavishyadanee kee pustak kee baten men se kuchh nikal dale, to parameshvar us jeevan ke ped aur pavitra nagar men se jis kee charcha is pustak men haai, usaka bhag nikal dega..

20 jo in baton kee gavahee deta haai, vah yah kahata haai, han shaeegha anevara hoon. ameena. he prabhu yeeshu a..

21 prabhu yeeshu ka anugrah paavitra logon ke sath rahe. ameena..
