## ADHYĀYA 1

**h**ilkaiyyah ka putra yirmayah jo binyameen desh ke anatot men rahanevale yajakon men se tha, usee ke ye vachan haain.

<sup>2</sup> yahova ka vachan usake pas amon ke putra yahooda ke raja yoshiyyah ke dinon men usake rajy ke terahaven varsha men pahuncha.

<sup>3</sup> isake bad yoshiyyah ke putra yahooda ke raja yahoyakeem ke dinon me, aur yoshiyyah ke putra yahooda ke raja sidaakiyyah ke rajy ke gyarahaven varsha ke ant tak bhee pragatt hota raha jab tak usee varsha ke panchaven maheene men yarooshalem ke nivasee bandhauai men n chale gaee.

<sup>4</sup> tab yahova ka yah vachan mere pas pahuncha,

<sup>5</sup> garbh men rachane se pahile hee maain ne tujh par chitt lagaya, aur utpann hone se pahile hee maain ne tujhe aabhaishok kiya maain ne tujhe jaatyon ka bhavishyadvkta ttharaya.

<sup>6</sup> tab maain ne kaha, hay, prabhu yahova ! dek, maain to bolana hee naheen janata, kyonaki maain ladka hee hoo.

<sup>7</sup> parantu yahova ne mujh se kaha, mat kah ki maain ladka hoo kyonki jis kisee ke pas maain tujhe bhejoon vahan too jaaega, aur jo kuchh maain tujhe aja doon vahee too kahega.

<sup>8</sup> too unake mukh ko dekhkar mat dr, kyonki tujhe chhudane ke liye maain tere sath hoo, yahova kee yahee vanee haai.

<sup>9</sup> tab yahova ne hath baddhakar mere munh ko chhua aur yahova ne mujh se kaha, dek, maain ne apane vachan tere munh men dal diye haain.

<sup>10</sup> sun, maain ne aj ke din tujhe jaatyon aur rajyon par aadhaikaree ttharaya haai anhen girane aur ddha dene ke liye, nash karane aur katt dalane ke liye, ya unhen banane aur ropane ke liye.

<sup>11</sup> aur yahova ka yah vachan mere pas pahuncha, he yirmayah, tujhe kya dikhai padta haai? maain ne kaha, mujhe badam kee aek tthanee dikhai padtee haai.

<sup>12</sup> tab yahova ne mujh se kaha, tujhe tteek dikhai padta haai, kyonki maain apane vachan ko poora karane ke liye jagrat hoo.

<sup>13</sup> fir yahova ka vachan doosaree bar mere pas pahancha, aur us ne poochha, tujhe kya dikhai padta haai? maain ne kaha, mujhe ubalata hua aek handa dikhai padta haai jisaka munh uttar disha kee or se haai.

<sup>14</sup> tab yahova ne mujh se kaha, is desh ke sab rahanevalon par uttar disha se vipaattai a padegee.

<sup>15</sup> yahova kee yah vanee haai, maain uttar disha ke rajyon aur kulon ko bulaunga aur ve akar yarooshalem ke faattkon men aur usake charon or kee shaharapanah, aur yahooda ke aur sab nagaron ke samhane apana apana sinhasan lagaaenge.

<sup>16</sup> aur unakee saree burai ke karan maain un par dand kee agyaa doonga kyonaki unhon ne mujhe tyagakar doosare devataon ke liye dhoop jalaya aur apanee banai hui vastuon ko dandvata kiya haai.

<sup>17</sup> isaliye too apanee kamar kasakar utt aur jo kuchh kahane kee maain tujhe agyaa doon vahee un se kaha. too unake mukh ko dekhkar n ghabarana, aeese n ho ki maain tujhe unake samhane ghabara doon.

<sup>18</sup> kyonaki sun, maain ne aj tujhe is sare desh aur yahood ke rajao, hakim, aur yajakon aur sadhaaran logon ke virud gaddhvala nagar, aur lohe ka khmbha, aur peetal kee shaharapanah banaya haai.

<sup>19</sup> ve tujh se ladenge to sahee, parantu tujh par prabal n honge, kyonaki bachane ke liye maain tere sath hoo, yahova kee yahee vanee haai.

## ADHYĀYA 2

<sup>9</sup> is karan yahova yah kahata haai, maain fir tum se vivad, aur tumhare bette aur poton se bhee prashn karoonga.

<sup>10</sup> kittaiyon ke depon men par jakar dekho, ya kedar men doot bhejkar bhlee bhanti vichar karo aur dekho dekho, ki aeese kam kaheen aur bhee hua haai? kya kisee jaati ne apane devataon ko badal diya jo parameshvar bhee naheen haain?

**Y**ahova ka yah vachan yirmayah ke pas pahuncha

<sup>2</sup> is vacha ke vachan suno, aur yahooda ke purushaen aur yarooshalem ke rahanevalon se kaho.

<sup>3</sup> un se kaho, israael ka parameshvar yahova yon kahata haai, sraaapit haai vah manushy, jo is vacha ke vachan n mane

- <sup>4</sup> jise maain ne tumhare purakhaon ke sath lohe ke bhtthee arthata misra desh men se nikalane ke samay, yah kahake bandhaee thee, merree suno, aur jitanee agyaaaen maain tumhen deta hoo un sabhon ka palan karo. is se tum merree praja ttharoge, aur maain tumhara parameshvar ttharoonga
- <sup>5</sup> aur jo shapath maain ne tumhare pitaron se khi thee ki jis desh men doodha aur madha kee dhaaraaen bahatee haai, use maain tum ko doonga, use pooree karoonga aur dekho, vah pooree hui haai. yah sunakar maain ne kaha, he yahova, aeesa hee ho.
- <sup>6</sup> tab yahova ne mujh se kaha, ye sab vachan yahood ke nagaron aur yarooshalem kee sadkon men prachar karake kah, is vacha ke vachan suno aur usake anusar chalo.
- <sup>7</sup> kyonaki jis samay se maain tumhare purakhaon ko misra desh se chhuda le aya tab se aj ke din tak unako draddhta se chitata aya hoo, merree bat suno.

**14** maain aeese karoonga ki vah shatrauon ke hath aeese desh men chala jaaega jise too naheen janatee haai, kyonaki mere krodha kee ag bhdh uttee haai, aur vah tum ko jalaaegee.

**15** he yahova, too to janata haai mujhe smaran kar aur merree sudhai lekar mere satanevalon se mera palatta le. too dhaeeraj ke sath krodha karanevala haai, isaliye mujhe n utta le tere hee nimitt merree namadharai hui haai.

**16** jab tere vachan mere pas pahunche, tab maain ne unhen mano kha liya, aur tere vachan mere man ke harsha aur anand ka karan hue kyonki, he senaon ke parameshvar yahova, maain tera kahalata hoo.

**17** teree chhaya mujh par iui maain man bahalanevalon ke beech baaittkar prasann naheen hua tere hath ke dabav se maain akela baaitta, kyonaki too ne mujhe krodha se

bhr diya tha.

**18** merree peeda kyon lagatar banee rahatee haai? merree chott kee kyon koi aushaadhai naheen haai? kya too sachamuch mere liye dhaekha denevalee nadee aur sookhnevale jal ke saman hoga?

**19** yah sunakar yahova ne yon kaha, yadi too fire, to maain firase tujhe apane samhane khda karoonga. yaadi too anamol ko kahe aur nikamme ko n kahe, tab too mere mukh ke saman hoga. ve log teree or firenge, parantu too unakee or n firana.

**20** aur maain tujh ko un logon ke samhane peetal kee draddh shaharapanah banaunga ve tujh se ladenge, parantu tujh par prabal n honge, kyonaki maain tujhe bachane aur tera uddhar karane ke liye tere sath hoo, yahova kee yah vanee haai. maain tujhe dushtt logon ke hath se bachaunga,

**21** aur upadravee logon ke panje se chhuda loonga.

## ADHYĀYA 16

**Y**ahova ka yah vachan mere pas pahuncha,

**2** is sthan men vivah karake bette-bettyaian mat janma.

**3** kyonaki jo bette-beattyaian is sthn men utpann hon aur jo mataaen unhen janen aur jo pita unhen is desh men janmaae,

**4** unake vishay yahova yon kahata haai, ve buree buree beemaariyon se marenge. unake liye koi chhatee n peettega, n unako mittee dega ve boomi ke upar khad kee nai pade rahenge. ve talavar aur mahangee se mar mittenge, aur unakee lothen akash ke pakshaiyon aur maaidan ke pashuuon ka ahar hongee.

**5** yahova ne kaha, jis ghar men ronapeettna ho us men n jana, n chhatee peettne ke liye kaheen jana aur n in logon ke liye shaek karana kyonki yahova kee yah vanee haai ki maain ne apanee shaantai aur karuna aur daya in logon par se utta lee haai.

**6** is karan is desh ke chhotte-bade sab marenge, n to inako mittee dee jaaegee, n log chhatee peettenge, n apana shareer cheerenge, aur n sir mundaenge. inake liye koi shaek karanevalon ko rottee n battenge ki shaek men unhen shaantai den

**7** aur n log pita va mata ke marane par kisee ko shaantai ke liye kattore men dakhmadha pilaaenge.

**8** too jevanar ke ghar men inake sath khane-peene ke liye n jana.

**9** kyonaki senaon ka yahova, israael ka parameshvar yon kahata haai, dek, tum logon ke dekhate aur tumhare hee dinon men maain aeese karoonga ki is sthan men n to harsha aur n anand ka shabd sunai padega, n dulhe aur n dualhain ka shabda.

**10** aur jab too in logon se ye sab baten kahe, aur ve tujh se poochhen ki yahova ne hamare upar yah saree badee vipaattai dalane ke liye kyon kaha haai? hamara adharna kya haai aur ham ne apane parameshvar yahova ke viruddh kaun sa pap kiya haai?

**11** to too in logon se kahana, yahova kee yah vanee haai, kyonki tumhare purakha mujhe tyagakar doosare devataon ke peechhe chale, aur unakee upasana karake unako dandvata kee, aur mujh ko tyag diya aur merree vyavastha ka palan naheen kiya,

**12** or jitane burai tumhare purakhaon ne kee thee, us se bhee adhaik tum karate ho, kyonki tum apane bure man ke hatt par chalute ho aur merree naheen sunate

**13** is karan maain tum ko is desh se ukhadkar aeese desh men faenk doonga, jisako n to tum janate ho aur n tumhare purakha janate the aur vahan tum rata-din doosare devataon kee upasana karate rahoge, kyonaki vahan maain tum par kuchh anugrah n karoonga.

**14** fir yahova kee yah vanee hui, dekho, aeese din anevale haain jin men fir yah n kaha

jaaega ki yahova jo israaaeliyon ko misra desh se chhuda le aya usake jeevan kee saugandha,

**15** varan yah kaha jaaega ki yahova jo israaaeliyon ko uttar ke desh se aur un sab deshaen se jahan us ne unako barabas kar diya tha chhuda le aya, usake jeevan kee saugandha. kyonki maain unako unake nij desh men jo maain ne unake poorvajon ko diya tha, lautta le aunga.

**16** dekho, yahova kee yah vanee haai ki maai bahut se machhuon ko bulava bhejoonga ki ve in logon ko pakad le, aur, fir maain bahut se bahealiyon ko bulava bhejoonga ki ve inako aher karake sab pahadon aur pahaadiyon par se aur chattanon kee dararon men se nikalen.

**17** kyonaki unaka poora chala-chalan meree ankhon ke samhane pragatt haai vah meree draashti se chhpaai naheen haai, n unaka adharma meree akhon se gupt haai. so maain unake adharma aur pap ka doona dand doonga,

**18** kyonaki unhon ne mere desh ko apanee gharaanait vastuon kee lothon se ashuddh kiya, aur mere nij bhag ko apanee ashuddhata se bhr diya haai.

**19** he yahova, he mere bal aur draddh gaddh, sankatt ke samay mere sharansthan, jaatijaati ke log prathvee kee chahunor se tere pas akar kahenge, nishchay hamare purakha joottee, vyarth aur nishfal vastuon ko apanate aae haain.

**20** kya manushy ishvaron ko banaae? nahee, ve ishvar naheen ho sakate !

**21** is kara, aek is bar, maain in logon ko apana bhujabal aur parakram dikhaunga, aur ve janenge ki mera nam yahova haai.

## ADHYĀYA 17

**Y**ahooda ka pap lohe kee ttankee aur heere kee nok se likha hua haai vah unake dayaroopee pattyai aur unakee vediyon ke seengon par bhee khuda hua haai.

**2** unakee veadian aur ashora nam deaviyan jo hare pedon ke pas aur unche tteelon ke upar haai, ve unake ladkon ko bhee smaran rahatee haain.

**3** he mere parvat, too jo maaidan men haai, teree dhana-sampaattai aur bhndar maain tere pap ke karan lutt jane doonga, aur tere pooja ke unche sthan bhee jo tere desh men paae jate haain.

**4** too apane hee dosh ke karan apane us bhag ka aadhaikaree n rahane paaega jo maain ne tujhe diya haai, aur maain aeese karoonga ki too anajane desh men apane shatrauon kee seva karega, kyonki too ne mere krodha kee ag aeese bhdikai jo sarvada jalatee rahegee.

**5** yahova yon kahata haai, sraaapit haai vah purush jo manushy par bhrosa rakhta haai, aur usaka sahara leta haai, jisaka man yahova se bhttk jata haai.

**6** vah nirjal desh ke adhamooae ped ke saman hoga aur kabhee bhlai n dekhega. vah nirjal aur nirjan tatha lonachhai boomi par basega.

**7** dhany haai vah purush jo yahova par bhrosa rakhta haai, jis ne parameshvar ko apana adhaar mana ho.

**8** vah us vraksha ke saman hoga jo nadee ke teer par laga ho aur usakee jad jal ke pas faailee ho jab ghaam hoga tab usako n lagega, usake patte hare rahenge, aur sookhe varsha men bhee unake vishay men kuchh chinta n hogee, kyonki vah tab bhee falata rahega.

**9** man to sab vastuon se adhaik dhaekh denevala hota haai, us men asadhy rog laga haai usaka bhed kaun samajh sakata haai?

- 10** maain yahova man kee khojata aur day ko janchata hoo taaki pratyek jan ko usakee chala-chalan ke anusar arthata usake kamon ka fal doon.
- 11** jo anyay se dhan battorata haai vah us teetar ke saman hota haai jo doosaree chidiya ke diae huae andon ko setee haai, usakee adhaee ayu men hee vah us dhan ko chhod jata haai, aur ant men vah mooddh hee ttharata haai.
- 12** hamara paavitra aradhanalay aadi se unche sthan par rakhe huae aek tejomay sinhasan ke saman haai.
- 13** he yahova, he israael ke adhaar, jitane tujhe chhod dete haain ve sab laajjait honge jo tujh se bhttk jate haain unake nam boomi hee par likhe jaaenge, kyonaki unhon ne bahate jal ke sote yahova ko tyag diya haai.
- 14** he yahova mujhe changa kar, tab maain changa ho jaunga mujhe bacha, tab maain bach jaunga kyonaki maain teree hee stuati karata hoo.
- 15** sun, ve mujh se kahate haai, yahova ka vachan kahan raha? vah abhee poora ho jaae !
- 16** parantu too mera hal janata haai, maain ne tere peechhe chalute huae utavalee karake charavahe ka kam naheen chhoda n maain ne us anevalee vipaattai ke din kee lalasa kee haai jo kuchh maain bola vah tujh par pragatt tha.
- 17** mujhe n ghabara sankatt ke din too hee mera sharansthan haai.
- 18** he yahova, meree asha tootne n de, mere satanevalon hee kee asha tootte unheen ko vismait kara parantu mujhe nirasha se bacha un par vipaattai dal aur unako chakanachoor kar de !
- 19** yahova ne mujh se yon kaha, jakar sadar faattk men khda ho jis se yahooda ke raja varan yarooshalem ke sab rahanevale bheetara-bahar aya jaya karate haain
- 20** aur un se kah, he yahooda ke rajao aur sab yahoodiyo, he yarooshalem ke sab nivaasiyo, aur sab logo jo in faattkon men se hokar bheetar jate ho, yahova ka vachan suno.
- 21** yahova yon kahata haai, savadhaan raho, vishraam ke din koi bojh mat uttao aur n koi bojh yarooshalem ke faattkon ke bheetar le ao.
- 22** vishraam ke din apane apane ghar se bhee koi bojh bahar mat leo aur n kisee reeati ka kam kaj karo, varan us agyaa ke anusar jo maain ne tumhare purakhaon ko dee thee, vishraam ke din ko pavitra mana karo.
- 23** parantu unhon ne n suna aur n kan lagaya, parantu isake vipareet hatt kiya ki n sunen aur tadna se bhee n manen.
- 24** parantu yadi tum sachamuch meree suno, yahova kee yah vanee haai, aur vishraam ke din is nagar ke faattkon ke bheetar koi bojh n le ao aur vishraamadin ko pavitra mano, aur us men kisee reeati ka kam kaj n karo,
- 25** tab to daud kee gaee par virajaman raja, rathon aur ghaedon par chaddhe huae haakim aur yahooda ke log aur yarooshalem ke nivasee is nagar ke faattkon se hokar pravesh kiya karenge aur yah nagar sarvada basa rahega.
- 26** aur log homabaali, melabali annabali, loban aur dhanyavadabali liae huae yahooda ke nagaron se aur yarooshalem ke asapas se, binyameen ke desh aur neeche ke desh se, pahadee desh aur dakkhian desh se, yahova ke bhvan men aya karenge.
- 27** parantu yadi tum meree sunakar vishraam ke din ko pavitra n mano, aur us din yarooshalem ke faattkon se bojh liae huae pravesh karate raho, to maain yarooshalem ke faattkon men ag lagaunga aur us se yarooshalem ke mahal bhee bhsm ho jaaenge aur vah ag fir n bujhegee.

**Y**ahova kee or se yah vachan yirmayah ke pas pahuncha, uttkar kumhar ke ghar ja,  
<sup>2</sup> aur vahan maain tujhe apane vachan sunavaunga.  
<sup>3</sup> so maain kumhar ke ghar gaya aur kya dekha ki vah chak par kuchh bana raha haai !  
<sup>4</sup> aur jo mittee ka basan vah bana raha tha vah bigad gaya, tab us ne usee ka doosara basan apanee samajh ke anusar bana diya.  
<sup>5</sup> tab yahova ka yah vachan mere pas pahuncha, he israaael ke gharane,  
<sup>6</sup> yahova kee yah vanee haai ki is kumhar kee nai tumhare sath kya maain bhee kam naheen kar sakata? dek, jaaisa mittee kumhar ke hath men rahatee haai, vaaisa hee he israaael ke gharane, tum bhee mere hath men ho.  
<sup>7</sup> jab maain kisee jaati va rajy ke vishay kahoon ki use ukhadooonga va ddha doonga athva nash karoonga,  
<sup>8</sup> tab yaadi us jati ke log jisake vishay maain ne kah bat kahee ho apanee burai se fire, to maain us vipaattai ke vishay jo maain ne un par dalane ko ttana ho pachhtaunga.  
<sup>9</sup> aur jab maain kisee jaati va rajy ke vishay kahoon ki maain use banaunga aur ropoonga  
<sup>10</sup> tab yaadi ve us kam ko karen jo merree drashti men bura haai aur merree bat n mane, to maain us bhlai ke vishy jise maain ne unake liye karane ko kaha ho, pachhtaunga.  
<sup>11</sup> isaliye ab too yahooda aur yarooshalem ke nichaasiyoen se yah kah, yahova yon kahata haai, dekho, maain tumharee haani kee yuktai aur tumhare viruddh prabandha kar raha hoo. isaaliye tum apane apane bure marga se firo aur apana apana chalachalan aur kam sudhaaro.  
<sup>12</sup> parantu ve kahate haai, aeese naheen hone ka, ham to apanee hee kalpanaon ke anusar challenge aur apane bure man ke hatt par bane rahenge.  
<sup>13</sup> is karan prabhu yahova yon kahata haai, anyajaatiyon se poochh ki aeese baten kya kabhee kisee ke sunane men ai haai? israaael kee kumaree ne jo kam kiya haai usake sunane se rom rom khde ho jate haain.  
<sup>14</sup> kya labanon ka him jo chattan par se maaidan men bahata haai band ho sakata haai? kya vah ttnda jal jo door se bahata haai kabhee sookh sakata haai?  
<sup>15</sup> parantu merree praja mujhe bool gai haai ve nikammee vastuon ke liye dhoop jalate haain unhon ne apane praacheenakal ke magan men ttokar khai haai, aur pagadandiyon aur behad magan men bhthk gaae haain.  
<sup>16</sup> is se unaka desh aeese ujad ho gaya haai ki log us par sada talee bajate rahenge aur jo koi usake pas se chale vah chaakit hoga aur sir hilaaega.  
<sup>17</sup> maain unako puravai se udakar shatra ke samhane se titara-abitar kar doonga. unakee vipaattai ke din maain unako munh naheen parantu peett dikhaunga.  
<sup>18</sup> tab ve kahane lage, chalo, yirmayah ke viruddh yuaktai kare, kyonki n yajak se vyavastha, n gyaanee se sammati, n bhavishyadvkta se vachan door honge. ao, ham usakee koi bat pakadkar usako nash karaaen aur fir usakee kisee bat par dhyan n den.  
<sup>19</sup> he yahova, merree or dhyan de, aur jo log mere sath jhgadte haain unakee baten suna.  
<sup>20</sup> kya bhlai ke badale men burai ka vyavahar kiya jaae? too is bat ka smaran kar ki maain unakee bhlai ke liye tere samhane praarthna karane ko khda hua jis se teree jalajalahatt un par se utar jaa, aur ab unhon ne mere praan lene ke liye gadha khoda haai.  
<sup>21</sup> isaliye unake ladkebalon ko bookh se marane de, ve talavar se katt mare, aur unakee striayan nirvash aur vidhava ho jaaen. unake purush maree se mare, aur unake javan ladai men talavar se mare jaaen.  
<sup>22</sup> jab too un par achanak shatraudal chaddhaa, tab unake gharon se chillahatt sunai de ! kyonki unhon ne mere liye gadha khoda aur mere fansane ko fande lagaae haain.

<sup>23</sup> he yahova, too unakee sab yuaktaiyan janata haai jo ve meree mratyu ke liye karate haain. is karan too unake is adharma ko n ddhanp, n unake pap ko apane samhane se mitta. ve tere dekhte hee ttokar khakar gir jaae, apane krodha men akar un se isee prakar ka vyavahar kara.

## ADHYĀYA 19

**Y**ahova ne yon kaha, too jakar kumhar se mittee kee banai hui aek surahee mol le, aur praja ke kuchh puraniyon men se aur yajakon men se bhee kuchh praacheenon ko sath lekar,

<sup>2</sup> hinnomiyon kee tarai kee or us faattk ke nikatt chala ja jahan tteekare faenk diae jate haain aur jo vachan maain kahoo, use vahan prachar kara.

<sup>3</sup> too yah kahana, he yahooda ke rajao aur yarooshalem ke sab nivaasiyo, yahova ka vachan suno. israaael ka parameshvar senaon ka yahova yon kahata haai, is sthan par maain aeese vipaattai dalane par hoo ki jo koi usaka samachar sune, us par sannatta chha jaaega.

<sup>4</sup> kyonaki yahan ke logon ne mujhe tyag diya, aur is sthan men doosare devataon ke liye jinako n to ve janate haai, aur n unake purakha va yahooda ke purane raja janate the dhoop jalaya haai aur isako paraya kar diya haai aur unhon ne is sthan ko nidashaen ke lohoo se bhr diya,

<sup>5</sup> aur bal kee pooja ke unche sthanon ko banakar apane ladkebalon ko bal ke liye hom kar diya, yadhypa maain ne kabhee bhee jisakee agyaa naheen dee, n usakee charcha kee aur n vah kabhee mere man men aya.

<sup>6</sup> is karan yahova kee yah vanee haai ki aeese din ate haain ki yah sthan fir topet va hinnomiyon kee tarai n kahalaaega, varan ghaat hee kee tarai kahalaaega.

<sup>7</sup> aur maain is sthan men yahooda aur yarooshalem kee yuaktaiyon ko nishfal kar doonga aur unhen unake praanon ke shatrauon ke hath kee talavar chalavakar gira doonga. unakee lothon ko maain akash ke pakshiyon aur boomi ke jeevajantuon ka ahar kar doonga.

<sup>8</sup> aur maain is nagar ko aeese ujad doonga ki log ise dekhkar drenge jo koi isake pas se hokar jaae vah isakee sab vipaattaiyon ke karan chakit hoga aur ghabaraaega.

<sup>9</sup> aur ghair jane aur us sakettee ke samay jis men unake praan ke shatra unhen dal denge, maain unake bette-beattyaien ka mans unhen khailaunga aur aek doosare ka bhee mans khailaunga.

<sup>10</sup> tab too us surahee ko un manushyon ke samhane tod dena jo tere sang jaaenge,

<sup>11</sup> aur un se kahana, senaon ka yahova yon kahata haai ki jis prakar yah mittee ka basan jo toott gaya ki fir banaya n ja sake, isee prakar maain is desh ke logon ko aur is nagar ko tod daloonga. aur topet nam tarai men itanee kabraen hongee ki kabra ke liye aur sthan n rahega.

<sup>12</sup> yahova kee yah vanee haai ki maain is sthan aur isake rahanevalon ke sath aeese hee kam karoonga, maain is nagar ko topet ke saman bana doonga.

<sup>13</sup> aur yarooshalem ke ghar aur yahooda ke rajaon ke bhvan, jinakee chhton par akash kee saree sena ke liye dhoop jalaya gaya, aur any devataon ke liye tapavan diya gaya haai, ve sab topet ke saman ashuddh ho jaaenge.

<sup>14</sup> tab yirmayah topet se lautkar, jahan yahova ne use bhvishyadanee karane ko bheja tha, yahova ke bhvan ke angan men khda hua, aur sab logon se kahane laga

<sup>15</sup> israaael ka parameshvar senaon ka yahova yon kahata he, dekho, sab ganvon samet is nagar par vah saree vipaattai dalana chahata hoo jo maain ne is par lane ko kaha haai, kyonaki unhon ne hatt karake mere vachan ko naheen mana haai.

## ADHYĀYA 20

**J**ab yirmayah yah bhvishyadaneer kar raha tha, tab immer ka putra pashahoor ne jo yajak aur yahova ke bhvan ka pradhaan rakhvala tha, vah sab suna.

<sup>2</sup> so pashahoor ne yirmayah bhvishyadvkta ko mara aur use us katt men dal diya jo yahova ke bhvan ke upar binyameen ke faattk ke pas haai.

<sup>3</sup> bihan ko jab pashahoor ne yirmayah ko katt men se nikalavaya, tab yirmayah ne us se kaha, yahova ne tera nam pashahoor naheen magormissabeeb rakha haai.

<sup>4</sup> kyonaki yahova ne yon kaha haai, dek, maain tujhe tere liye aur tere sab mitraen ke liye bhee bhy ka karan ttaraunga. ve apane shatrauon kee talavar se tere dekhte hee vadha kiae jaaenge. aur maain sab yahoodiyon ko babul ke raja ke vash men kar doonga vah unako bandhaua karake babul men le jaaega, aur talavar se mar dalega.

<sup>5</sup> fir maain is nagar ke sare dhan ko aur is men kee kamai aur sab anamol vastuon ko aur yahooda ke rajaon ka jitana rakha hua dhan haai, us sab ko unake shatrauon ke vash men kar doonga aur ve usako lootkar apana kar lenge aur babul men le jaaenge.

<sup>6</sup> aur, he pashahoor, too un sab samet jo tere ghar men rahate haain bandhauai men chala jaaega apane un mitraen samet jin se too ne joottee bhvishyadaneer kee, too babul men jaaega aur vaheen marega, aur vaheen tujhe aur unhen bhee mittee dee jaaegee.

<sup>7</sup> he yahova, too ne mujhe dhaekha diya, aur maain ne dhaekha khaya too mujh se balavant haai, is karan too mujh par prabal ho gaya. din bhr meree hansee hotee haai sab koi mujh se ttttha karate haain.

<sup>8</sup> kyonaki jab maain baten karata hoo, tab maain jor se pukar pukarakar lalakarata hoo ki upadrav aur utpat hua, han utpat ! kyonki yahova ka vachan din bhr mere liye ninda aur ttttha ka karan hota rahata haai.

<sup>9</sup> yaadi maain kahoo, maain usakee charcha n karoonga n usake nam se boloonga, to meree day kee aeesee dasha hogee mano meree haddiyon men dhadhakatee hui ag ho, aur maain apane ko rokate rokate thk gaya par mujh se raha naheen jata.

<sup>10</sup> maain ne bahuton ke munh se apana apavad suna haai. charon or bhy hee bhy haai ! meree jan pahachan ke sab jo meree ttokar khane kee batt johate haai, ve kahate haai, usake dosh batao, tab ham unakee charcha faaila denge. kadaachit vah dhaekha khaa, to ham us par prabal hokar, us se badala lenge.

<sup>11</sup> parantu yahova meree sath haai, vah bhyankar veer ke saman haai is karan meree satanevale prabal n honge, ve ttokar khakar girenge. ve buaddhi se kam naheen karate, isaliye unhen bahut lajjait hona padega. unaka apaman sadaaiv bana rahega aur kabhee boola n jaaega.

<sup>12</sup> he senaon ke yahova, he dhaarmiyon ke parakhnevale aur day aur man ke gyaata, jo badala too un se lega, use maain dekoo, kyonki maain ne apana mukama tere upar chhod diya haai.

<sup>13</sup> yahova ke liye gao yahova kee stuati karo ! kyonki vah daridra jan ke praan ko kukaarmiyon ke hath se bachata haai.

<sup>14</sup> sraapit ho vah din jis men maain utpann hua ! jis din meree mata ne mujh ko janm diya vah dhany n ho !

<sup>15</sup> sraapit ho vah jan jis ne meree pita ko yah samachar dekar usako bahut anandait kiya ki

tere ladka utpann hua haai.

<sup>16</sup> us jan kee dasha un nagaron kee see ho jinhen yahova ne bin daya ddha diya use savere to chillahatt aur dopahar ko yuddh kee lalakar sunai diya kare,

<sup>17</sup> kyonaki us ne mujhe garbh hee men n mar dala ki meree mata ka garbhashay hee meree kabra hotee, aur maain usee men sada pada rahata.

<sup>18</sup> maain kyon utpat aur shaek bhogane ke liye janma aur ki apane jeevan men paarishram aur ducha dekoo, aur upane din namadharai men vyateet karoona?

## ADHYĀYA 21

**Y**ah vachan yahova kee or se yirmayah ke pas us samay pahuncha jab sidaakiyyah raja ne usake pas maalkaiyyah ke putra pashahoor aur maseyah yajak ke putra sapanyah ke hath se yah kahala bheja ki,

<sup>2</sup> hamare liye yahova se pooch, kyonaki babul ka raja nabookadanessar hamare viruddh yuddh kar raha haai kadachit yahova ham se apane sab ashcharyakaman ke anusaar aeese vyavahar kare ki vah hamare pas se utt jaae.

<sup>3</sup> tab yirmayah ne un se kaha, tum sidaakiyyah se yon kaho, israaael ka parameshvar yahova yon kahata haai,

<sup>4</sup> dekho, yuddh ke jo hathaiyar tumhare hathon men haai, jin se tum babul ke raja aur shaharapanah ke bahar ghoranevale kasadiyon se lad rahe ho, unako maain lauttakar is nagar ke beech men ikattha karoonga

<sup>5</sup> aur maain svayan hath baddhakar aur balavant bhuja se, aur krodha aur jalajalahatt aur bade krodha men akar tumhare viruddh laoonga.

<sup>6</sup> aur maain is nagar ke rahanevalon ko kya manushy, kya pashu sab ko mar daloonga ve badee maree se mareenge.

<sup>7</sup> aur usake bad, yahova kee yah vanee haai, he yahooda ke raja sidaakiyyah, maain tuijhe, tere karmachariyon aur logon ko varan jo log is nagar men maree, talavar aur mahangee se bache rahenge unako babul ke raja nabookadanessar aur unake praan ke shatrauon ke vash men kar doonga. vah unako talavar se mar dalega un par n to vah taras khaaega, n kuchh komalata dikhaaega aur n kuchh daya karega.

<sup>8</sup> aur is praja ke logon se kah ki yahova yon kahata haai, dekho, maain tumhare samhane jeevan ka marga aur mratyu ka marga bhee batata hoo.

<sup>9</sup> jo koi is nagar men rahe vah talavar, mahangee aur maree se marega parantu jo koi nikalakar un kasadiyon ke pas jo tum ko ghor rahe haain bhag jaae vah jeevit rahega, aur usaka praan bachega.

<sup>10</sup> kyonaki yahova kee yah vanee haai ki maain ne is nagar kee or apana mukh bhlai ke liye nahee, varan burai hee ke liye kiya haai yah babul ke raja ke vash men pad jaaega, aur vah isako faunkava dega.

<sup>11</sup> or yahooda ke rajakul ke logon se kah, yahova ka vachan suno,

<sup>12</sup> he daud ke gharane ! yahova yon kahata haai, bhor ko nyay chukao, aur lutte huae ko andhor karanevale ke hath se chhudao, naheen to tumhare bure kamon ke karan mere krodha kee ag bhdkegee, aur aeesee jalatee rahegee ki koi use bujha n sakega.

<sup>13</sup> he tarai men rahanevalee aur samathr desh kee chattana tum jo kahate ho ki ham par kaun chaddhai kar sakega, aur hamare vasasthan men kaun pavesh kar sakega? yahova kahata haai ki maain tumhare viruddh hoo.

**28** yaadi kisee bhavishyadvkta ne svapn dekha ho, to vah use bataa, parantu jis kisee ne mera vachan suna ho to vah mera vachan sachchai se sunaae. yahova kee yah vanee haai, kahan boosa aur kahan gehoon?

**29** yahova kee yah bhee vanee haai ki kya mera vachan ag sa naheen haai? fir kya vah aeese hathauda naheen jo patthr ko faod dale?

**30** yahova kee yah vanee haai, dekho, jo bhvishyadvkta mere vachan auron se chura churakar bolate haai, maain unake viruddh hoo.

**31** fir yahova kee yah bhee vanee haai ki jo bhvishyadvkta usakee yah vanee haai, aeese joottee vanee kahakar apanee apanee jeebh dulate haai, maain unake bhee viruddh hoo.

**32** yahava kee yah bhee vanee haai ki jo bina mere bheje va bina merree agyaa paae svapn dekhne ka jootta dava karake bhavishyadaneer karate haai, aur usaka varnn karake merree praja ko jootte ghamand men akar bhramate haai, unake bhee maain viruddh hoo aur un se merree praja ke logon ka kuchh labh n hega.

**33** yaadi sadhaaran logon men se koi jan va koi bhvishyadvkta va yajak tum se poochhe ki yahova ne kya prabhvashaalee vachan kaha haai, to us se kahana, kya prabhvashaalee vachana? yahova kee yah vanee haai, maain tum ko tyag doonga.

**34** aur jo bhavishyadvkta va yajak va sadhaaran manushy yahova ka kaha hua bharee vachana aeese kahata rahe, usako gharane samet maain dand doonga.

**35** tum log aek doosare se aur apane apane bhai se yon puchhna, yahova ne kya uttar diya?

**36** va, yahova ne kya kaha haai? yahova ka kaha hua bharee vachana, is prakar tum bhavishy men n kahana naheen to tumhara aeese kahana hee dand ka karan ho jaaega kyonki hamara parameshvar senaon ka yahova jo jeeavit parameshvar haai, tum logon ne usake vachan bigad diae haain.

**37** too bhavishyadvkta se yan poochh ki yahova ne tujhe kya uttar diya?

<sup>9</sup> too ne kyon yahova ke nam se yah bhvishyadanee kee ki yah bhvan shaeelo ke saman ujad ho jaaega, aur yah nagar aeese ujadega ki us men koi n rah jaaega? itana kahakar sab sadhaaran logon ne yahova ke bhvan men yirmayah ke viruddh bheed lagai.

<sup>10</sup> yahooda ke hakim ye baten sunakar, raja ke bhvan se yahova ke bhvan men chaddh aae aur usake naye faattk men baaitt gaae.

<sup>11</sup> tab yajakon aur bhavishyadvktaon ne hakimon aur sab logon se kaha, yah manushy praandand ke yogy haai, kyonaki is ne is nagar ke viruddh aeesee bhvishyadanee kee haai jise tum bhee apane kanon se sun chuke ho.

<sup>12</sup> tab yirmayah ne sab hakimon aur sab logon se kaha, jo vachan tum ne sune haai, use yahova hee ne mujhe is bhvan aur is nagar ke viruddh bhavishyadanee kee reeti par kahane ke liye bhej diya haai.

<sup>13</sup> isaliye ab apana chalachalan aur apane kam sudhaaro, aur apane parameshvar yahova kee bat mano tab yahova us vipaattai ke vishay men jisakee charcha us ne tum se kee haai, pachhtaaega.

<sup>14</sup> dekho, maaain tumhare vash men hoo jo kuchh tumharee draashti men bhla aur tteek ho vahee mere sath karo.

<sup>15</sup> par yah nishchay jano, ki, yadi tum mujhe mar daloge, to apane ko aur is nagar ko aur isake nivaasiyon ko nidash ke hatyare banaoge kyonaki sachamuch yahova ne mujhe tumhare pas ye sab vachan sunane ke liye bheja he.

<sup>16</sup> tab haakimon aur sab logon ne yajakon aur nabiyon se kaha, yah manushy praandand ke yogy naheen haai kyonki us ne hamare parameshvar yahova ke nam se ham se kaha haai.

<sup>17</sup> aur desh ke puraaniyon men se kitanon ne uttkar praja kee saree mandlee se kaha,

<sup>18</sup> yahooda ke raja hijaakiyyah ke dinon men morasetee meekayah bhvishyadanee kahata tha, us ne yahooda ke sare logon se kaha, senaon ka yahova yon kahata haai ki siyyon jotakar khet banaya jaaega aur yarooshalem khaedhar ho jaaega, aur bhvanavala parvat jangalee sthan ho jaaega.

<sup>19</sup> kya yahooda ke raja hijaakiyyah ne va kisee yahoodee ne usako kaheen marava dala? kya us raja ne yahova ka bhy n mana or us se binatee n kee? aur tab yahova ne jo vipaattai un par dalane ke liye kaha tha, usake vishay kya vah n pachhtaya? aeese karake ham apane praanon kee badee haani karenge.

<sup>20</sup> fir shamayah ka putra uriyyah nam kiryatyaareem ka aek purush jo yahova ke nam se bhvishyadanee kahata tha us ne bhee is nagar aur is desh ke viruddh tteek aeesee hee bhvishyadanee kee jaaisee yirmayah ne abhee kee haai.

<sup>21</sup> aur jab yahoyakeem raja aur usake sab veeron aur sab hakimon ne usake vachan sune, tab raja ne use marava dalane ka yatn kiya aur uriyyah yah sunakar dr ke mare misra ko bhag gaya.

<sup>22</sup> tab yahoyakeem raja ne misra ko log bheje arthata akabor ke putra aelanatan ko kitane aur purushaen ke sath misra ko bheja.

<sup>23</sup> aur ve uriyyah ko misra se nikalakar yahoyakeem raja ke pas le aae aur us ne use

talavar se maravakar usakee loth ko sadhaaran logon kee kabaron men finkava diya.

<sup>24</sup> parantu shaapan ka putra aheekam yirmayah kee sahayata karane laga aur vah logon ke vash men vadha hone ke liye naheen diya gaya.

## ADHYĀYA 27

**Y**oshaiyyah ke putra, yahooda ke raja yahoyakeem ke rajy ke arambh men yahova kee or se yah vachan yirmayah ke pas pahuncha.

<sup>2</sup> yahova ne mujh se yah kaha, bandhan aur jooae banavakar apanee gardan par rakh.

<sup>3</sup> tab unhen aedom aur moab aur ammon aur sor aur seedon ke rajaon ke pas, un dooton ke hath bhejana jo yahooda ke raja sidaakiyyah ke pas yarooshalem men aae haain.

<sup>4</sup> aur unako unake svamiyon ke liye yah kahakar agyaa dena, ki, israaael ka parameshvar senaon ka yahova yon kahata haai,

<sup>5</sup> apane apane svamee se yon kaho ki prathvee ko aur prathvee par ke manushyon aur pashuon ko apanee badee shaktai aur baddhai hui bhuja ke dara maain ne banaya, aur jis kisee ko maain chahata hoo usee ko maain unhen diya karata hoo.

<sup>6</sup> ab maain ne ye sab desha, apane das babul ke raja nabookadanessar ko ap hee de diae haain aur maaidan ke jeevajantuon ko bhee maain ne use diya haai ki ve usake adhaeen rahen.

<sup>7</sup> ye sab jaatiyan usake aur usake bad usake bette aur pote ke adhaeen us samay tak rahengee jab tak usake bhee desh ka din n aae tab bahut see jaatiyan aur bade bade raja us se bhee apanee seva karavaaenge.

<sup>8</sup> so jo jaati va rajy babul ke raja nabookadanessar ke adhaeen n ho aur usaka jooa apanee gardan par n le le, us jaati ko maain talavar, mahangee aur maree ka dand us samay tak deta rahoonga jab tak usako usake hath ke dara mita n doon yahova kee yahee vanee haai.

<sup>9</sup> isaliye tum log apane bhavishyadvktaon aur bhavree kahanevalon aur ttonahon aur tantraikon kee or chitt mat lagao jo tum se kahate haain ki tum ko babul ke raja ke adhaeen naheen hona padega.

<sup>10</sup> kyonaki ve tum se joottee bhvishyadanee karate haai, jis se tum apane apane desh se door ho jao aur maain ap tum ko door karake nasht kar doon.

<sup>11</sup> parantu jo jati babul ke raja ka jooa apanee gardan par lekar usake adhaeen rahegee usako maain usee ke desh men rahane doonga aur vah us men khetee karatee hui basee rahegee, yahova kee yahee vanee haai.

<sup>12</sup> aur yahooda ke raja sidaakiyyah se bhee maain ne ye baten kahee, apanee praja samet too babul ke raja ka jooa apanee gardan par le, aur usake aur usakee praja ke adhaeen rahakar jeevit raha.

<sup>13</sup> jab yahova ne us jaati ke vishay jo babul ke raja ke adhaeen n ho, yah kaha haai ki vah talavar, mahangee aur maree se nash hogee to fir too kyon apanee praja samet marana chahata haai?

<sup>14</sup> jo bhavishyadvkta tujh se kahate haain ki tujh ko babul ke raja ke adhaeen n hona padega, unakee mat suna kyonki ve tujh se joottee bhvishyadanee karate haain.

<sup>15</sup> yahova kee yah vanee haai ki maain ne unhen naheen bheja, ve mere nam se joottee bhkishyadanee karate haain aur isaka fal yahee hoga ki maain tujh ko desh se nikal doonga, aur too un nabiyon samet jo tujh se bhvishyadanee karate haain nasht ho jaaega.

<sup>16</sup> tab yajakon aur sadhaaran logon se bhee maain ne kaha, yahova yon kahata haai,

tumhare jo bhavishyadvkta tum se yah bhavishyadanee karate haain ki yahova ke bhvan ke patra ab shaeegha hee babul se lautta diae jaaenge, unake vachanon kee or kan mat dharo, kyonaki ve tum se joottee bhvishyadanee karate haain.

<sup>17</sup> unakee mat suno, babul ke raja ke adhaeen hokar aur usakee seva karake jeevit raho.

<sup>18</sup> yah nagar kyon ujad ho jaae? yaadi ve bhvishyadvkta bhee ho, aur yadi yahova ka vachan unake pas ho, to ve senaon ke yahova se binatee karen ki jo patra yahova ke bhvan men aur yahooda ke raja ke bhvan men aur yarooshalem men rah gaae haai, ve babul n jane paaen.

<sup>19</sup> kyonaki senaon ka yahova yon kahata haai ki jo khmbhe aur peetal kee nand, gangal aur kuarsiyan aur aur patra is nagar men rah gaae haai,

<sup>20</sup> jinhen babul ka raja nabookadanessar us samay n le gaya jab vah yahoyakeem ke putra yahooda ke raja yakonyah ko aur yahooda aur yarooshalem ke sab kuleenon ko bandhaua karake yarooshalem se babul ko le gaya tha,

<sup>21</sup> jo patra yahova ke bhvan men aur yahooda ke raja ke bhvan men aur yarooshalem men rah gaae haai, unake vishay men israaael ka parameshvar senaon ka yahova yon kahata haai ki ve bhee babul men pahunchaae jaaenge

<sup>22</sup> aur jab tak maain unakee sudhai n loon tab tak vaheen rahenge, aur tab maain unhen lakar is sthan men fir rakh doonga, yahova kee yahee vanee haai.

## ADHYĀYA 28

**f**ir usee varsha, arthata yahooda ke raja sidaakiyyah ke rajy ke chauthe varsha ke panchaven maheene me, ajjoor ka putra hananyah jo gibbon ka aek bhavishyadvkta tha, us ne mujh se yahova ke bhvan me, yajakon aur sab logon ke samhane kaha,

<sup>2</sup> israaael ka parameshvar senaon ka yahova yon kahata haai ki maain ne babul ke raja ke jooae ko tod dala haai.

<sup>3</sup> yahova ke bhvan ke jitane patra babul ka raja nabookadanessar is sthan se utthakar babul le gaya, unhen maain do varsha ke bheetar fir isee sthan men le aunga.

<sup>5</sup> tab yirmayah nabee ne hananyah nabee se, yajakon aur un sab logon ke samhane jo yahova ke bhvan men khde huae the kaha,

<sup>6</sup> ameen ! yahova aeese hee kare jo baten too ne bhvishyadanee karake kahee haain ki yahova ke bhvan ke patra aur sab bandhauae babul se is sthan men fir aaenge, anhen yahova poora kare.

<sup>10</sup> tab hananyah bhvishyadvkta ne us jooae ko jo yirmayah bhvishyadvkta kee gardan par tha, utthakar tod diya.

<sup>11</sup> aur hananyah ne sab logon ke samhane kaha, yahova yon kahata haai ki isee prakhar se maain poore do varsha ke bheetar babul ke raja nabookadanessar ke jooae ko sab

<sup>12</sup> jab hananyah bhvishyadvkta ne yirmayah bhvishyadvkta kee gardan par se jooa utarakar tod diya, usake bad yahova ka yah vachan yirmayah ke pas pahuncha

<sup>13</sup> jakar hananyah se yah kah, yahova yon kahata haai ki too ne katt ka jooa to tod diya, parantu aeesa karake too ne usakee santtee lohe ka jooa bana liya haai.

<sup>14</sup> kyonaki israaael ka parameshvar, senaon ka yahova yon kahata haai ki maain in sab jaatiyon kee gardan par lohe ka jooa rakhta hoo aur ve babul ke raja nabookadanessar ke adhaeen rahenge, aur inako usake adhaeen hona padega, kyonki maaidan ke jeevajantu bhee maain usake vash men kar deta hoo.

<sup>15</sup> aur yirmayah nabee ne hananyah nabee se yah bhee kaha, he hananyah, dekh yahova ne tujhe naheen bheja, too ne in logon ko joottee asha dilai haai.

<sup>16</sup> isaliye yahova tujh se yon kahata haai, ki dek, maain tujh ko prathvee ke upar se utta doonga, isee varsha men too marega kyonaki too ne yahova kee or se firane kee baten kahee haain.

<sup>17</sup> is vachan ke anusar hananyah usee varsha ke sataven maheene men mar gaya.

## ADHYĀYA 29

**U**see varsha yirmayah nabee ne is ashay kee patrae, un puraaniyon aur bhavishyadvktaon aur sadhaaran logon ke pas bhejeen jo bandhauon men se bache the, jinako nabookadanessar yarooshalem se babul ko le gaya tha.

<sup>8</sup> kyonaki israaael ka parameshvar, senaon ka yahova tum se yon kahata haai ki tumhare jo bhavishyadvkta aur bhavee kahanevale tumhare beech men haai, ve tum ko bahakane n paae, aur jo svapn ve numhare nimitt dekhte haain unakee or kan mat dharo,

<sup>9</sup> kyonaki ve mere nam se tum ko joottee bhavishyadanee sunate haain maain ne unhen naheen bheja, mujh yahova kee yah vanee haai.

- <sup>29</sup> yah patraee sapanyah yajak ne yirmayah bhvishyadvkta ko paddh sunai.
- <sup>30</sup> tab yahova ka yah vachan yirmayah ke pas pahuncha ki sab bandhauon ke pas yah kahala bhej,
- <sup>31</sup> yahova nehelamee shamayah ke vishay yon kahata haai ki shamayah ne mere bina bheje tum se jo bhvishyadane ke aur tum ko joott par bhrosa dilaya haai,

**Y**ahooda ke raja sidaakiyyah ke rajy ke dasaven varsha men jo nabookadanessar ke rajy ka attarahavan varsha tha, yahova kee or se yah vachan yirmayah ke pas pahuncha.

<sup>2</sup> us samay babul ke raja kee sena ne yarooshalem ko ghor liya tha aur yirmayah bhvishyadvkta yahooda ke raja ke pahare ke bhvan ke angan men kaaidee tha.

<sup>3</sup> kyonaki yahooda ke raja sidaakiyyah ne yah kahakar use kaaid kiya tha, ki, too aeesee

bhavishyadanee kyon karata haai ki yahova yon kahata haai dekho, maain yah nagar babul ke raja ke vash men kar doonga, vah isako le lega

<sup>4</sup> aur yahooda ka raja sidaakiyyah kasaadiyon ke hath se n bachega parantu vah babul ke raja ke vash men avashy hee padega, aur vah aur babul ka raja apas men amhane-samhane baten karenge aur apane apane ankhon se aek doosare ko dekhenge.

<sup>5</sup> aur vah sidaakiyyah ko babul men le jaaega, aur jab tak maain usakee suadhai n loo, tab tak vah vaheen rahega, yahova kee yah vanee haai. chahe tum log kasaadiyon se lado bhee, taubhee tumhare ladne se kuchh ban n padega.

<sup>6</sup> yirmayah ne kaha, yahova ka vachan mere pas pahuncha,

<sup>7</sup> dek, shallam ka putra hanamel jo tera chachera bhai haai, so tere pas yah kahane ko ane par haai ki mera khet jo anatot men haai use mol le, kyonki use mol lekar chhudane ka aadhaikar tera hee haai.

<sup>8</sup> so yahova ke vachan ke anusar mera chachera bhai hanamel pahare ke angan men mere pas akar kahane laga, mera jo khet binyameen desh ke anatot men haai use mol le, kyonki usake svamee hone aur usake chhuda lene ka adhaikar tera hee haai isaliye too use mol le. tab maain ne jan liya ki vah yahova ka vachan tha.

<sup>9</sup> isaliye maain ne us anatot ke khet ko apane chachere bhai hanamel se mol le liya, aur usaka dam chandee ke sattarah shokel taulakar de diae.

<sup>10</sup> aur maain ne dastaveja men dastakht aur muhar ho jane par, gavahon ke samhane vah chandee kantte men taulakar use de dee.

<sup>11</sup> tab maain ne mol lene kee donon dastabejen jin men sab shatan likhee hui thee, aur jin men se aek par muhar thee aur doosaree khulee thee,

<sup>12</sup> unhen lekar apane chachere bhai hanamel ke aur un gavahon ke samhane jinhon ne dastaveja men dastakht kiae the, aur un sab yahoodiyon ke samhane bhee jo pahare ke angan men baaitte huae the, neariyyah ke putra barook ko jo mahaseyah ka pota tha, saunp diya.

<sup>13</sup> tab maain ne unake samhane barook ko yah agyaa dee

<sup>14</sup> ki israaael ke parameshvar senaon ke yahova yon kahata haai, in mol lene kee dastavejaon ko jin par muhar kee hui haai aur jo khulee hui haai, inhen lekar mittee ke bartan men rak, taaki ye bahut din tak rahen.

<sup>15</sup> kyonki israaael ka parameshvar senaon ka yahova yon kahata haai, is desh men ghar aur khet or dakh kee baariyan fir bechee aur mol lee jaaengee.

<sup>16</sup> jab maain ne mol lene kee vah dastaveja neariyyah ke putra barook ke hath men dee, tab maain ne yahova se yah praarthna kee,

<sup>17</sup> he prabhu yahova, too ne bade samarth aur baddhai hui bhuja se akash aur prathvee ko banaya haai ! tere liye koi kam kattnai naheen haai.

<sup>18</sup> too hajaron par karuna karata rahata parantu poovajon ke adharma ka badala unake bad unake vansh ke logon ko bhee deta haai, he mahan aur parakramee parameshvar, jisaka nam senaon ka yahova haai,

<sup>19</sup> too badee yuaktai karanevala aur samarth ke kam karanevala haai teree drashti manushyon ke sare chalachalan par lagee rahatee haai, aur too har aek ko usake chalachalan aur karma ka fal bhugatata haai.

<sup>20</sup> too ne misra desh men chinh aur chatmatkar kia, aur aj tak israaaeliyon varan sab manushyon ke beech vaaisa karata aya haai, aur is prakar too ne apana aeesa nam kiya haai jo aj ke din tak bana haai.

<sup>21</sup> too apane praja israaael ko misra desh men se chinhon aur chatmatkaron aur samath hath aur baddhai hui bhuja ke dara, aur bade bhyanak kamon ke sath nikal laya.

<sup>22</sup> fir too ne yah desh unhen diya jisake dene kee shapath too ne unake poorvajon se khai thee jisamen doodha aur madha kee dhaaraaen bahatee haai, aur ve akar isake aadhaikaree hue.

<sup>23</sup> taubhee unhon ne teree naheen manee, aur n teree vyavastha par chale varan jo kuchh too ne unako karane kee agyaa dee thee, us men se unhon ne kuchh bhee naheen kiya. is karan too ne un par yah sab vipaattai dalee haai.

<sup>24</sup> ab in damadamon ko dek, ve log is nagar ko le lene ke liye a gaae haai, or yah nagar talavar, mahangee aur maree ke karan in chaddhe huae kasaadiyon ke vash men kiya gaya haai. jo too ne kaha tha vah ab poora hua haai, aur too ise dekhta bhee haai.

<sup>25</sup> taubhee, he prabhu yahova, too ne mujh se kaha haai ki gavah bulakar us khet ko mol le, yadhypki ki yah nagar kasadiyon ke vash men kar diya gaya haai.

<sup>26</sup> tab yahova ka yah vachan yirmayah ke pas pahuncha, maain to sab praanaiyon ka parameshvar yahova hoo

<sup>27</sup> kya mere liye koi bhee kam kattnai haai?

<sup>28</sup> so yahova yon kahata haai, dek, maain yah nagar kasadiyon aur babul ke raja nabookadanessar ke vash men kar dene par hoo, aur vah isako le lega.

<sup>29</sup> jo kasadee is nagar se yuddh kar rahe haai, ve akar is men ag lagakar foonk denge, aur jin gharon kee chhton par unhon ne bal ke liye dhoop jalakar aur doosare devataon ko tapavan dekar mujhe ris dilai haai, ve ghar jala diae jaaenge.

<sup>30</sup> kyonaki israaael aur yahooda, jo kam mujhe bura lagata haai, vahee ladkapan se karate aae haain israaaelee apanee banai hui vastuon se mujh ko ris hee ris dilate aae haai, yahova kee yah vanee haai.

<sup>31</sup> yah nagar jab se basa haai tab se aj ke din tak mere krodha aur jalajalahatt ke bhdthane ka karan hua haai, isaliye ab maain isako apane samhane se is karan door karoonga

<sup>32</sup> kyonaki israaael aur yahooda apane rajaon hakimon, yajakon or bhvishyadvaktaon samet, kya yahooda desh ke, kya yarooshalalem ke nivasee, sab ke sab burai par burai karake mujh ko ris dilate aae hen.

<sup>33</sup> unhon ne meree or munh naheen varan peett hee faer dee haai yadhypki maain unhen bade yatn se sikhata aya hoo, taubhee unhon ne meree shaiksha ko naheen mana.

<sup>34</sup> varan jo bhvan mera kahalata haai, us men bhee unhon ne apanee gharaanait vastuen sthapan karake use ashuddh kiya haai.

<sup>35</sup> unhon ne hinnomiyon ke tarai men bal ke unche unche sthan banakar apane bette-beattyaien ko molak ke liye hom kiya, jisakee agyaa maain ne kabhee naheen dee, aur n yah bat kabhee mere man men ai ki aeesa gharanait kam kiya jaae aur jis se yahoodee log pap men fanse.

<sup>36</sup> parantu ab israaael ka parameshvar yahova is nagar ke vishay me, jisake liye tum log kahate ho ki vah talavar, mahangee aur maree ke dara babul ke raja ke vash men pada hua haai yon kahata haai

<sup>37</sup> dekho, maain unako un sab deshaen se jin men maain ne krodha aur jalajalahatt men akar unhen barabas nikal diya tha, lautta le akar isee nagar men ikatthe karoonga, aur nidr karake basa doonga.

<sup>38</sup> aur ve meree praja ttharenge, aur maain unaka parameshshvar ttharoonga

<sup>39</sup> maain unako aek hee man aur aek hee chal kar doonga ki ve sada mera bhy manate rahe, jis se unaka aur unake bad unake vansh ka bhee bhla ho.

<sup>40</sup> maain un se yah vacha bandhoonga, ki maain kabhee unaka sang chhodkar unaka bhla karana n chhodoonga aur apana bhy maain unake man se aeesa upajaunga ki ve kabhee mujh se alag hona n chahenge.

<sup>41</sup> maain badee prasannata ke sath unaka bhla karata rahoonga, aur sachamuch unhen is desh men apane sare man or praan se basa doonga.

<sup>42</sup> dek, yahova yon kahata haai ki jaaise maain ne apanee is praja par yah sab badee vipaattai dal dee, vaaise hee nishchay in se vah sab bhlai bhee karoonga jisake karane ka vachan maain ne diya he. so yah desh jisake vishay tum log kahate ho

<sup>43</sup> ki yah ujad ho gaya haai, is men n to manushy rah gaae haain aur n pashu, yah to kasaadiyon ke vash men pad chuka haai, isee men fir se khet mol liae jaaenge,

<sup>44</sup> aur binyameen ke desh me, yarooshalem ke as pas, aur yahooda desh ke arthata pahadee desha, neeche ke desh aur dakkhian desh ke nagaron men log gavah bulakar khet mol lenge, aur dastaveja men dastakht aur muhar karenge kyonki maain unake dinon ko lautta le aunga yahova kee yahee vanee haai.

**J**ab babul ka raja nabookadanessar apanee saree sena samet aur prathvee ke jitane rajy usake vash men the, un sabhon ke logon samet yarooshalem aur usake sab ganvon se lad raha tha, tab yahova ka yah vachan yirmayah ke pas pahuncha,

**2** israaael ka parameshvar yahova yon kahata haai, jakar yahooda ke raja sidaakiyyah se kah, yahova yon kahata haai, ki dek, maain is nagar ko babul ke raja ke vash men kar dene par hoo, aur vah ise faunkava dega.

**3** aur too usake hath se n bachega, nishchay pakada jaaega aur usake vash men kar diya jaaega aur teree ankhen babul ke raja ko dekhengee, aur tum amhane-samhane baten karoge aur too babul ko jaaega.

- <sup>4</sup> taubhee he yahooda ke raja sidaakiyyah, yahova ka yah bhee vachan tun jise yahova tere vishay men kahata haai, ki too talavar se mara n jaaega.

- <sup>6</sup> ye sab vachan yirmayah bhvishyadvkta ne yahooda ke raja sidaakiyyah se yarooshalem men us samay kahe,
- <sup>7</sup> jab babul ke raja kee sena yarooshalem se aur yahooda ke jitane nagar bach gaae the, un se arthata lakeesh aur ajeka se lad rahee thee kyonaki yahooda ke jo gaddhvale nagar the un men se keval ve hee rah gaae the.
- <sup>8</sup> yahova ka yah vachan yirmayah ke pas us samay aya jab sidaakiyyah raja ne saree praja se jo yarooshalem men thee yah vacha bandhaai ki dason ke svadhaeen hone ka prachar kiya jaa,
- <sup>9</sup> ki sab log apane apane dasa-dasee ko jo ibraee va iabirn hon svadhaeen karake jane de, aur koi apane yahudee bhai se fir apanee seva n karaae.
- <sup>10</sup> tab sab haakimon aur saree praja ne yah pran kiya ki ham apane apane dasa-daasiyon ko svatantra kar denge aur fir un se apanee seva n karaaenge so us pran ke anusar unako svatantra kar diya.

- <sup>16</sup> par tum bhttk gaae aur mera nam is reeati se ashruddh kiya ki jin dasa-daasiyon ko tum svatantra karake unakee ichchha par chhod chuke the unhen tum ne fir apane vash men kar liya haai, aur ve fir tumhare dasa- dasiyan ban gaae haain.
- <sup>17</sup> is karan yahova yon kahata haai ki tum ne jo merree agyaa ke anusar apane apane bhai ke svatantra hone ka prachar naheen kiya, so yahova ka yah vachan haai, suno, maain tumhare is prakar se svatantra hone ka prachar karata hoo ki tum talavar, maree aur mahangee men padoge aur maain aeesa karoonga ki tum prathvee ke rajy rajy men mare mare firoge.
- <sup>18</sup> aur jo log merree vacha ka ullanghan karate haain aur jo pran unhon ne mere samhane aur bachhde ko do bhag karake usake donon bhagon ke beech hokar kiya parantu use poora n kiya,

<sup>5</sup> tab maain ne rekaabiyon ke gharane ko dakhmadha se bhre huae hande aur kattore dekar kaha, dakhmadha peeo.

<sup>6</sup> unhon ne kaha, ham dakhmadha n peeenge kyonki rekab ke putra yonadab ne jo hamara purakha tha ham ko yah agyaa dee thee ki tum kabhee dakhmadha n peena n tum, n tumhare putra.

<sup>7</sup> n ghar banana, n beej bona, n dakh kee baree lagana, aur n unake aadhaikaree hona parantu jeevan bhr tambuon hee men rahana jis se jis desh men tum paradeshaee ho, us men bahut din tak jeete raho.

<sup>8</sup> isaliye ham rekab ke putra apane purakha yonadab kee bat manakar, usakee saree agyaaon ke anusar chalate haai, n ham aur n hamaree striyan va putra-puatraiyan kabhee dakh madha peetee haai,

<sup>9</sup> aur n ham ghar banakar un men rahate haain. ham n dakh kee baree, n khet, aur n beej rakhte haain

<sup>10</sup> ham tambuon hee men raha karate haai, aur apane purakha yonadab kee bat manakar usakee saree agyaaon ke anusar kam karate haain.

<sup>11</sup> parantu jab babul ke raja nabookadanessar ne is desh par chaddhai kee, tab ham ne kaha, chalo, kasadiyon aur aramiyon ke dalon ke dr ke mare yarooshalem men jaaen. is karan ham ab yarooshalem men rahate haain.

<sup>12</sup> tab yahova ka yah vachan yirmayah ke pas pahuncha.

<sup>13</sup> israael ka parameshvar senaon ka yahova yon kahata haai ki jakar yahooda desh ke logon aur yarooshalem nagar ke nivaasiyon se kah, yahova kee yah vanee haai, kya tum shaiksha manakar meree n sudoge?

<sup>14</sup> dekho, rekab ke putra yonadab ne jo agyaa apane vansh ko dee thee ki tum dakhmadha n peena so to manee gai haai yahan tak ki aj ke din bhee ve log kuchh naheen peete, ve apane purakha kee agyaa manate haain par yadhypi maain tum se bade yatn se kahata aya hoo, taaibhee tum ne meree naheen sunee.

<sup>15</sup> maain tumhare pas apane sare das nabiyon ko bada yatn karake yah kahane ko bhejata aya hoo ki apanee buree chal se firo, aur apane kam sudhaaro, aur doosare

devataon ke peechhe jakar unakee upasana mat karo tab utum is desh men jo maain ne tumhare pitaron ko diya tha aur tum ko bhee diya haai, basane paoge. par tum ne meree or kan naheen lagaya n meree sunee haai.

**16** dekho rekab ke putra yonadab ke vansh ne to apane purakha kee agyaa ko man liya par tum ne meree naheen sunee.

**17** isaliye senaon ka parameshvar yahova, jo israaael ka parameshvar haai, yon kahata haai ki dekho, yahooda desh aur yarooshalem nagar ke sare nivaasiyon par jitane vipaattai dalane kee maain ne charcha kee haai vah un par ab dalata hoo kyonki maain ne unako sunaya par unhon ne naheen suna, maain ne unako bulaya par unhon ne uttar n diya.

**18** aur rekabiyon ke gharane se yirmayah ne kaha, israaael ka parameshvar senaon ka yahova tum se yon kahata haai, isaliye ki tum ne jo apane purakha yonadab kee agyaa manee, varan usakee sab agyaaon ko man liya aur jo kuchh us ne kaha usake anusar kam kiya haai,

**19** isaliye israaael ka parameshvar senaon ka yahova yon kahata haai, rekab ke putra yonadab ke vansh men sada aeese jan paya jaaega jo mere sammukh khda rahe.

## ADHYĀYA 36

**f**ir yoshaiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke chauthe baras men yahova kee or se yah vachan yirmayah ke pas pahuncha,

**2** aek pustak lekar jitane vachan maain ne tujh se yoshaiyyah ke dinon se lekar arthata jab maain tujh se baten karane laga us samay se aj ke din tak israaael aur yahooda aur sab jatiyon ke vishay men kahe haai, sab ko us men likh.

**3** kya jane yahooda ka gharana us saree vipaattai ka samachar sunakar jo maain un par dalane kee kalpana kar raha hoo apanee buree chal se fire aur maain unake adharma aur pap ko kshama karoon.

**4** to yirmayah ne neriyyah ke putra barook ko bulaya, aur barook ne yahova ke sab vachan jo us ne yirmayah se kahe the, usake mukh se sunakar pustak men likh diae.

**5** fir yirmayah ne barook ko agyaa dee aur kaha, maain to bandha hua hoo, maain yahova ke bhvan men naheen ja sakata.

**6** so tu upavas ke din yahova ke bhvan men jakar usake jo vachan too ne mujh se sunakar likhe haai, pustak men se logon ko paddhkar sunana, aur jitane yahooda log apne apne nagaron se aaenge, unako bhee paddhkar sunana.

**7** kya jane ve yahova se gidgidakar praarthna karen aur apanee apanee buree chal se firen kyonki jo krodha aur jalalahatt yahova ne apanee is praja par bhdhane ko kaha haai, vah badee haai.

**8** yirmayah bhvishyadvkta kee is agyaa ke anusar neriyyah ke putra barook ne, yahova ke bhvan men us pustak men se usake vachan paddhkar sunaae.

**9** aur yoshaiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke panchaven baras ke nauven maheene men yarooshalem men jitane log the, aur yahooda ke nagaron se jitane log yarooshalem men aae the, unhon ne yahova ke samhane upavas karane ka prachar kiya.

**10** tab barook ne yahova ke bhvan men sab logon ko shaapan ke putra gamaryah jo pradhaan tha, usakee kottree men jo upar ke angan men yahova ke bhvan ke naye faatk ke pas the, yirmayah ke sab vachan pustak men se paddh sunaae.

**11** tab shaapan ke putra gamaryah ke bette meekayah ne yahova ke sare vachan pustak

men se sune.

<sup>12</sup> aur vah rajabhvan ke pradhaan kee kottree men utar gaya, aur kya dekha ki vahan aeelashama pradhaan aur shamayah ka putra dalayah aur ababor ka putra aelanatan aur shaapan ka putra gamaryah aur hananyah ka putra sidaakiyyah aur sab hakim baaitte huae haain.

<sup>13</sup> aur meekayah ne jitane vachan us samay sune, jab barook ne pustak men se logon ko paddh sunaae the, ve sab varnn kiae.

<sup>14</sup> unhen sunakar sab haakimon ne yahoodae kee jo natanyah ka putra or sholemyah ka pota aur kooshaee ka parapota tha, barook ke pas yah kahane ko bheja, ki jis pustak men se too ne sab logon ko paddh sunaya he, use apane hath men leta a. so neriyyah ka putra barook vah pustak hath men liae huae unake pas aya.

<sup>15</sup> tab unhon ne us se kaha, ab baaitt ja aur hamen yah paddhkar suna. tab barook ne unako paddhkar suna diya.

<sup>16</sup> jab ve un sab vachanon ko sun chuke, tab thrathrate huae aek doosare ko dekhne lage aur unhon ne barook se kaha, ham nishchay raja se in sab vachanon ka varnn karenge.

<sup>17</sup> fir unhon ne barook se kaha, ham se kah, kya too ne ye sab vachan usake mukh se sunakar likhe?

<sup>18</sup> barook ne un se kaha, vah ye sab vachan apane mukh se mujhe sunata gaya or maain inhen pustak men syahee se likhta gaya.

<sup>19</sup> tab haakimon ne barook se kaha, ja, too apane apako aur yirmayah ko chhpai, aur koi n janane paae ki tum kahan ho.

<sup>20</sup> tab ve pustak ko aeelashama pradhaan kee kottree men rakhkar raja ke pas angan men aae aur raja ko ve sab vachan kah sunaae.

<sup>21</sup> tab raja ne yahoodae ko pustak le ane ke liye bheja, us ne use aeelashaama pradhaan kee kottree men se lekar raja ko aur jo haakim raja ke as pas khde the unako bhee paddh sunaya.

<sup>22</sup> raja shaetakal ke bhvan men baaitta hua tha, kyonaki nauvan maheena tha aur usake samhane angeettee jal rahee thee.

<sup>23</sup> jab yahoodae teen char prashtt paddh chuka, tab us ne use chakoo se katta aur jo ag angeettee men thee us men faenk diya so angeettee kee ag men pooree poostak jalakar bhsam ho gai.

<sup>24</sup> parantu n koi dra aur n kisee ne apane kapade faade, arthata n to raja ne aur n usake kamrachaariyon men se kisee ne aeesa kiya, jinhon ne ve sab vachan sune the.

<sup>25</sup> aelanatan, aur dalayah, aur gamaryah ne to raja se binatee bhee kee thee ki pustak ko n jalaa, parantu us ne unakee aek n sune.

<sup>26</sup> or raja ne rajaputra yarahamel ko aur ajraeeael ke putra sarayah ko aur abdel ke putra sholemyah ko agyaa dee ki barook lekhk aur yirmayah bhvishyadvkta ko pakad le, parantu yahova ne unako chhpai rakha.

<sup>27</sup> jab raja ne un vachanon kee pustak ko jo barook ne yirmayah ke mukh se sun sunakar likhee thee, jala diya, tab yahova ka yah vachan yirmayah ke pas pahuncha ki

<sup>28</sup> fir aek aur pustak lekar us men yahooda ke raja yahoyakeem ke jalai hai paahilee pustak ke sab vachan likh de.

<sup>29</sup> aur yahooda ke raja yahoyakeem ke vishay men kah ki yahova yon kahata haai, too ne us pustak ko yah kahakar jala diya haai ki too ne us men yah kyon likha haai ki babul ka raja nishchay akar is desh ko nash karega, aur us men n to manushy ko chhodega aur n pashu ko.

<sup>30</sup> isaliye yahova yahooda ke raja yahoyakeem ke vishay men yon kahata haai, ki usaka

koi daud kee gae par virajaman n rahega aur usakee loth aeese faenk dee jaaegee ki din ko dhaam men or rat ko pale men padee rahegee.

<sup>31</sup> aur maain usako aur usake vansh aur karmachariyon ko unake adharm ka dand doonga aur jitanee vipaattai maain ne un par aur yarooshalem ke nivaasiyon aur yahooda ke sab logon par dalane ko kaha haai, aur jisako unhon ne sach naheen mana, un sab ko maain un par daloonga.

<sup>32</sup> tab yirmayah ne doosaree pustak lekar neriyyah ke putra barook lekhh ko dee, aur jo pustak yahooda ke raja yahoyakeem ne ag men jala dee thee, us men ke sab vachanon ko barook ne yirmayah ke mukh se sun sunakar us men likh diae aur un vachanon men unake saman aur bhee bahut see baten baddha dee gai.

## ADHYĀYA 37

**a**ur yahoyakeem ke putra konyah ke sthan par yoshaiyyah ka putra sidaakiyyah rajy karane laga, kyonki babul ke raja nabookadanessar ne usee ko yahooda desh men raja ttharaya tha.

<sup>2</sup> parantu n to us ne, n usake karmachariyon ne, aur n sadhaaran logon ne yahova ke vachanon ko mana jo us ne yirmayah bhvishyadvkta ke dara kaha tha.

<sup>3</sup> sidaakiyyah raja ne sholemyah ke putra yahookal or maseyah ke putra samanyah yajak ko yirmayah bhvishyadvkta ke pas yah kahala bheja, ki, hamare nimitt hamare parameshvar yahova se praarthna kara.

<sup>4</sup> us samay yirmayah bandeegrah men n dala gaya tha, or logon ke beech aya jaya karata tha.

<sup>5</sup> us samay firaun kee sena chaddhai ke liye misra se nikalee tab kasadee jo yarooshalem ko ghore huae the, usaka samachar sunakar yarooshlem ke pas se chale gae.

<sup>6</sup> tab yahova ka yah vachan yirmayah bhvishyadvkta ke pas pahuncha,

<sup>7</sup> israaael ka parameshvar yahova yon kahata haai, yahuda ke jis raja ne tum ko praarthna karane ke liye mere pas bheja haai, us se yon kaho, ki dek, firaun kee jo sena tumharee sahayata ke liye nikalee haai vah apane desh misra men laut jaaegee.

<sup>8</sup> aur kasadee fir vapis akar is nagar se ladenge ve isako le lenge aur foonk denge.

<sup>9</sup> yahova yon kahata haai, yah kahakar tum apane apane man men dhaekha n khao ki kasadee hamare pas se nishchay chale gae haain kyonaki ve naheen chale gae.

<sup>10</sup> kyonaki yadi tum ne kasaadiyon ke saree sena ko jo tum se ladtee haai, aeese mar bhee liya hota ki un men se keval ghaayal log rah jate, taubhee ve apane apane tamboo men se utkar is nagar ko foonk dete.

<sup>11</sup> jab kasadiyon kee sena firaun kee sena ke dr ke mare yarooshalem ke pas se kooch kar gai,

<sup>12</sup> tab yirmayah yarooshalem se nikalakar binyameen ke desh kee or isaaliye ja nikala ki vahan se aur logon ke sang apana ansh le.

<sup>13</sup> jab vah binyameen ke faattk men pahuncha, tab yiriyyah namak paharuon ka aek saradar vahan tha jo sholemyah ka putra aur hananyah ka pota tha, aur us ne yirmayah bhvishyadvkta ko yah kahakar pakad liya, too kasadiyon ke pas bhaga jata haai.

<sup>14</sup> tab nirmayah ne kaha, yah joott haai maain kasaadiyon ke pas naheen bhaga jata hoo. parantu yiriyyah ne usakee aek n mune, so vah use pakadkar haakimon ke pas le gaya.

<sup>15</sup> tab haakimon ne yirmayah se krodhait hokar use pittvaya, aur yonatan pradhaan ke ghar men bandee banakar dlava diya kyonaki unhon ne usako sadhaaran bandeegrah bana diya tha.

- <sup>16</sup> yirmayah us talaghar men jis men kai aek kottriyan thee, rahane laga.
- <sup>17</sup> usake bahut din beetane par sidaakiyyah raja ne usako bulava bheja, aur apane bhvan men us se chhpaikar yah prashn kiya, kya yahova kee or se koi vachan paiuncha haai? yirmayah ne kaha, ha, pahuncha haai. vah yah haai, ki too babul ke raja ke vash men kar diya jaega.
- <sup>18</sup> fir yirmayah ne sidaakiyyah raja se kaha, maain ne tera, tere karmachaariyon ka, v teree praja ka kya aparadha kiya haai, ki tum logon ne mujh ko bandeegrah men dlavaya haai?
- <sup>19</sup> tumhare jo bhvishyadvkta tum se bhavishyadanee karake kaha karate the ki babul ka raja tum par aur is desh par chaddhai naheen karega, ve ab kahan haai?
- <sup>20</sup> ab, he mere pubhu, he raja, merree praarthna grahan kar ki mujhe yonatan pradhaan ke ghar men fir n bhej, naheen to maain vahan mar jaunga.
- <sup>21</sup> tab sidaakiyyah raja kee agyaa se yirmayah pahare ke angan men rakha gaya, aur jab tak nagar kee sab rottee n chuk gai, tab tak usako rotteevalon kee dookan men se praatidin aek rottee dee jatee thee. or yirmayah pahare ke angan men rahane laga.

## ADHYĀYA 38

- f**ir jo vachan yirmayah sab logon se kahata tha, unako mattan ke putra shapanyah, pashahoor ke putra gadalyah, sholemyah ke putra yookal aur malkaiyyah ke putra pashahoor ne suna,
- <sup>2</sup> ki, yahova yon kahata haai ki jo koi is nagar men rahega vah talavar, pahangee or maree se marega parantu jo koi kasadiyon ke pas nikal bhage vah apana praan bachakar jeeavit rahega.
- <sup>3</sup> yahova yon kahata haai, yah nagar babul ke raja kee sena ke vash men kar diya jaaega aur vah isako le lega.
- <sup>4</sup> isaliye un haakimon ne raja se kaha ki us purush ko marava dal, kyonaki vah jo is nagar men bache huae yodaon aur any sab logon se aeese aeese vachan kahata haai jis se unake hath panv ddheele ho jate haain. kyonaki vah purush is praja ke logon kee bhlai naheen varan burai hee chahata haai.
- <sup>5</sup> sidaakiyyah raja ne kaha, suno, vah to tumhare vash men he kyonaki aeese naheen ho sakata ki raja tumhare virud kuchh kar sake.
- <sup>6</sup> tab unhon ne yirmayah ko lekar rajaputra malkaiyyah ke us gadhe men jo pahare ke angan men tha, raassaiyon se utarakar dal diya. aur us gadhe meen panee naheen keval daladal tha, aur yirmayah keechad men dhans gaya.
- <sup>7</sup> us samay raja binyameen ke faattk ke pas baaita tha so jab ebedamelek kooshaee ne jo rajabhvan men ek khoja tha, suna, ki unhon ne yirmayah ko gadhe men dal diya haai---
- <sup>8</sup> tab aebedamelek rajabhvan se nikalakar raja se kahane laga,
- <sup>9</sup> he mere svamee, he raja, un logon ne yirmayah bhvishyadvkta se jo kuchh kiya haai vah bura kiya haai, kyonki unhon ne usako gadhe men dal diya haai vahan vah bookh se mar jaaega kyonaki nagar men kuchh rottee naheen rahee haai.
- <sup>10</sup> tab raja ne aebedamelek kooshaee ko yah agyaa dee ki yahan se tees purush sath lekar yirmayah bhvishyadvkta ko marane se paahile gadhe men se nikala.
- <sup>11</sup> so aebedamelek utane purushaen ko sath lekar rajabhvan ke bhndar ke talaghar men gaya aur vahan se fattepurane kapade aur chithde lekar yirmayah ke pas us gadhe men raassaiyon se utar diae.
- <sup>12</sup> aur aebedamelek kooshaee ne yirmayah se kaha, ye purane kapade aur chithddhe

apane kankhon men raassaiyon ke neeche rakh le. so yirmayah ne vaaisa hee kiya.

**13** tab unhon ne yirmayah ko rassaiyon se kheenchar, gadhe men se nikala. aur yirmayah pahare ke angan men rahane laga.

**14** sidaakiyyah raja ne yirmayah bhvishyadvkta ko yahova ke bhvan ke teesare dar men apane pas bulava bheja. aur raja ne yirmayah se kaha, maain tujh se aek bat puchhta hoo mujh se kuchh n chhpaia.

**15** yirmayah ne sidaakiyyah se kaha, yaadi maain tujhe batau, to kya too mujhe marava n dalega? aur chahe maain tujhe sammati bhee doo, taubhee too merree n manega.

**16** tab sidaakiyyah raja ne akele men yirmayah se shapath khai, yahova jis ne hamara yah jeev racha haai, usake jeevan kee saugandha n maain to tujhe marava daloonga, aur n un manushyon ke vash men kar doonga jo tere praan ke khojee haain.

**17** yirmayah ne sidaakiyyah se kaha, senaon ka parameshvar yahova jo israael ka parameshvar haai, vah yon kahata haai, yadi too babul ke raja ke hakimon ke pas sachamuch nikal jaa, tab to tera praan bachega, aur yah nagar foonka n jaaega, aur too apane gharane samet jeevit rahega.

**18** parantu, yadi too babul ke raja ke hakimon ke pas n nikal jaa, to yah nagar kasaadiyon ke vash men kar diya jaaega, or ve ise foonk denge, aur too unake hath se bach n sakega.

**19** sidaakiyyah ne yirmayah se kaha, jo yahooder log kasaadiyon ke pas bhag gae haai, maain un se drata hoo, aeese n ho ki maain unake vash men kar diya jaun aur ve mujh se ttttha karen.

**20** yirmayah ne kaha, too unake vash men n kar diya jaaega jo kuchh maain tujh se kahata hoo use yahova kee bat samajhkar man le tab tera bhla hoga, aur tera praan bachega.

**21** aur yaadi too nikal jana sveekar n kare to jo bat yahova ne mujhe darshan ke dara batai haai, vah yah haai

**22** dek, yahooda ke raja ke ranavas men jitane striyan rah gai haai, ve babul ke raja ke hakimon ke pas nikal kar pahunchai jaaenge, aur ve tujh se kahenge, tere mitraen ne tujhe bahakaya, aur unakee ichchha pooree ho gai aur jab tere panv keech men dhans gae to ve peechhe fir gae haain.

**23** teree sab striyan aur ladkebale kasadiyon ke pas nikal kar pahunchae jaaenge aur too bhee kasadiyon ke hath se n bachega, varan too pakadkar babul ke raja ke vash men kar diya jaaega or is nagar ke foonke jane ka karan too hee hoga.

**24** tab sidaakiyyah ne yirmayah se kaha, in baton ko koi n janane paa, to too mara n jaaega.

**25** yaadi hakim log yah sunakar ki maain ne tujh se batacheet kee haai tere pas akar kahane lage, hamen bata ki too ne raja se kya kaha, ham se koi bat n chhpaai, aur ham tujhe n marava dalenge aur yah bhee bata, ki raja ne tujh se kya kaha,

**26** to too un se kahana, ki maain ne raja se gidgidakar binatee kee thee ki mujhe yonatan ke ghar men fir bapis n bhej naheen to vahan mar jaunga.

**27** fir sab hakimon ne yirmayah ke pas akar poochha, aur jaisa raja ne usako agyaa dee thee, tteeke vaaisa hee us ne unako uttar diya. so ve us se aur kuchh n bole aur n vah bhed khula.

**28** is prakar jis din yarooshalem le liya gaya us din tak vah pahare ke angan hee men raha.

**Y**ahooda ke raja sidaakiysah ke rajy ke nauven varsha ke dasaven maheene me, babul ke raja nabookadanessar ne apanee saree sena samet yarooshalem par chaddhai karake use ghor liya.

<sup>2</sup> aur sidaakiyyah ke rajy ke gyarahaven varsha ke chauthhe maheene ke nauven din ko us nagar kee shaharapanah todee gai.

<sup>3</sup> so jab yarooshalem le liya gaya, tab nergalasareser, aur samagarnabo, aur khejon ka pradhaan sarsakeem, aur magon ka pradhaan nergalasareser adi, babul ke raja ke sab hakim beech ke faattk men pravesch karake baaitt gaee.

<sup>4</sup> jab yahooda ke raja sidaakiyyah aur sab yodaon ne unhen dekha tab rat hee rat raja kee baree ke marga se donon bheeton ke beech ke faattk se hokar nagar se nikalakar bhag chale aur araba ka marga liya.

<sup>5</sup> parantu kasaadiyon kee sena ne unako khdedkar sidaakiyyah ko yareeho ke araba men ja liya aur unako babul ke raja nabookadanessar ke pas hamat desh ke ribala men le gaee aur us ne vahan usake dand kee agyaa dee.

<sup>6</sup> tab babul ke raja ne sidaakiyyah ke putraen ko usakee ankhone ke samhane ribala men ghaat kiya aur sab kuleen yahoodiyon ko bhee ghaat kiya.

<sup>7</sup> us ne sidaakiyyah kee ankhone ko faudva dala aur usako babul le jane ke liye beadiyon se jakadva rakha.

<sup>8</sup> kasadiyon ne rajabhvan aur praja ke gharon ko ag lagakar foonk diya, or yarooshalem kee shaharapanah ko ddha diya.

<sup>9</sup> tab jalladon ka pradhaan naboojaradan praja ke bache huon ko jo nagar men rah gaee the, aur jo log usake pas bhag aae the unako arthata praja men se jitane rah gaee un sab ko bandhaua karake babul ko le gaya.

<sup>10</sup> parantu praja men se jo aeese kangal the jinake pas kuchh n tha, unako jalladon ka pradhaan naboojaradan yahooda desh men chhod gaya, aur jate samay unako dakh kee baariyan aur khet de diae.

<sup>11</sup> babul ke raja nagookadanessar ne jalladon ke pradhaan naboojaradan ko yirmayah ke vishay men yah agyaa dee,

<sup>12</sup> ki usako lekar us par krapadraashtti banaae rakhna aur usakee kuchh hani n karana jaaisa vah tujh se kahe vaaisa hee us se vyavahar karana.

<sup>13</sup> so jalladon ke pradhaan naboojaradan aur khejon ke pradhaan naboojaradan aur magon ke pradhaan nergalasareser jyotishaiyon ke saradar,

<sup>14</sup> aur babul ke raja ke sab pradhaanon ne, logon ko bhejakar yirmayah ko pahare ke angan men se bulava liya aur gadalyah ko jo aheekam ka putra aur shaapan ka pota tha saunp diya ki vah use ghar pahunchaae. tab se vah logon ke sath rahane laga.

<sup>15</sup> jab yirmayah pahare ke angan men kaaid tha, tab yahova ka yah vachan usake pas pahuncha,

<sup>16</sup> ki, jakar aebedamelek kooshaee se kah ki israaael ka parameshvar senaon ka yahova tujh se yon kahata haai, dek, maain apane ve vachan jo maain ne is nagar ke vishay men kaho haain is prakar poora karoonga ki isaka kushal n hoga, haani hee hogee, or us samay unaka poora hona tujhe dikhai padega.

<sup>17</sup> parantu yahova kee yah vanee haai ki us samay maain tujhe bachaunga, aur jin manushyon se too bhy khata haai, too unake vash men naheen kiya jaaega.

<sup>18</sup> kyonaki maain tujhe, nishchay bachaunga, aur too talavar se n marega, tera praan bacha rahega, yahova kee yah vanee haai. yah is karan hoga, ki too ne mujh par bhrosa rakha haai.

## ADHYĀYA 40

**J**ab jalladon ke pradhaan naboojaradan ne yirmayah ko rama men un sab yarooshalemee aur yahooddee bandhauon ke beech hathkadiyon se bandha hua pakar jo babul jane ko the chhuda liya, usake bad yahova ka vachan usake pas pahuncha.

<sup>2</sup> jalladon ke pradhaan naboojaradan ne yirmayah ko us samay apane pas bula liya, or kaha, is sthan par yah jo vipaattai padee haai vah tere parameshvar yahova kee kahee hui thee.

<sup>3</sup> or jaaisa yahova ne kaha tha vaaisa hee us ne poora bhee kiya haai. tum logon ne jo yahova ke virud pap kiya or usakee agyaa naheen manee, is karan tumharee yah dasa hui haai.

<sup>4</sup> ab maain teree in hathkaadiyon ko katte deta hoo, aur yadi mere sang babul men jana tujhe achchha lage to chal, vahan maain tujh par krapadrashti rakoonga aur yadi mere sang babul jana tujhe n bhaa, to yaheen rah ja. dek, sara desh tere samhane pada he, jidhar jana tujhe achchha aur tteek janche udhar hee chala ja.

<sup>5</sup> vah vaheen tha ki naboojaradan ne fir us se kaha, gadalyah jo aheekam ka putra aur shaapan ka pota haai, jisako babul ke raja ne yahooda ke nagaron par aadhaikaree ttharaya haai, usake pas laut ja aur usake sang logon ke beech rah, va jahan kaheen tujhe jana tteek jan pade vaheen chala ja. so jalladon ke pradhaan ne usako seedha aur kuchh dravy bhee dekar vida kiya.

<sup>6</sup> tab yirmayah aheekam ke putra gadalyah ke pas mispa ko gaya, aur vahan un logon ke beech jo desh men rah gae the, rahane laga.

<sup>7</sup> yodaon ke jo dal dihat men the, jab unake sab pradhaanon ne apane janon samet suna ki babul ke raja ne aheekam ke putra gadalyah ko desh ka aadhaikaree ttharaya haai, aur desh ke jin kangal logon ko vah babul ko naheen le gaya, kya purusha, kya sre, kya balabachche, un sabhon ko use saunp diya haai,

<sup>8</sup> tab natanyah ka putra ishmaael, kareh ke putra yohanan, yonatan aur tanhooset ka putra sarayah, aepai natopavasee ke putra aur kisee makavasee ka putra yajanyah apane janon samet gadalyah ke pas mispa men aae.

<sup>9</sup> aur gadalyah jo aheekam ka putra aur shaapan ka pota tha, us ne un se aur unake janon se shapath khakar kaha, kasaadiyon ke adhaeen rahane se mat dro. isee desh men rahate huae babul ke raja ke adhaeen raho tab numhara bhla hoga.

<sup>10</sup> maain to iseealiye mispa men rahata hoon ki jo kasadee log hamare yahan aae, unake samhane haajir hua karoon parantu tum dakhmadha aur dhoopakal ke fal aur tel ko battorake apane baratanon men rakho aur apane liae huae nagaron men base raho.

<sup>11</sup> fir jab moaabiyo, ammoniyo, aedomiyon aur any sab jatiyon ke beech rahanevale sab yahoodiyon ne suna ki babul ke raja ne yahoodiyon men se kuchh logon ko bacha liya aur un par gadalyah ko jo aheekam ka putra aur shaapan ka pota haai adhaikaree niyukt kiya haai,

<sup>12</sup> tab sab yahooddee jin jin sthanon men titara-abitar ho gae the, vahan se lautkar yahooda desh ke mispa nagar men gadalyah ke pas, aur bahut dakhmadha aur dhoopakal ke fal battorane lage.

<sup>13</sup> tab kareh ka putra yohanan aur maaidan men rahanevale yodaon ke sab dalon ke pradhaan mispa men gadalyah ke pas akar kahane lage, kya too janata haai

<sup>14</sup> ki ammoniyon ke raja balees ne natanyah ke putra ishmaael ko tujhe jan se marane ke liye bheja haai? parantu aheekam ke putra gadalyah ne unakee prateeti n kee.

<sup>15</sup> fir kareh ke putra yohanan ne gadalyah se mispa men chhpaikar kaha, mujhe jakar natanyah ke putra ishmaael ko mar dalane de or koi ise n janega. vah kyon tujhe mar

dale, aur jitane yahooder log tere pas ikatthe huae haain ve kyon titara-abitar ho jaaen aur bache huae yahooder kyon nash hon?

<sup>16</sup> yaheekam ke putra gadalyah ne kareh ke putra yohanan se kaha, aeese kam mat kar, too ishmaael ke vishay men joott bolata haai.

## ADHYĀYA 41

**a**ur sataven maheene men aeese hua ki ishmaael jo natanyah ka putra aur aeelshaama ka pota aur rajavansh ka aur raja ke pradhaan purushaen men se tha, so das jan sang lekar mispa men aheekam ke putra gadalyah ke pas aya. vahan mispa men unhon ne aek sang bhojan kiya.

<sup>2</sup> tab natanyah ke putra ishmaael aur usake sang ke das janon ne utkar gadalyah ko, jo aheekam ka putra aur shapan ka pota tha, or jise babul ke raja ne desh ka adhaikaree ttharaya tha, use talavar se aeese mara ki vah mar gaya.

<sup>3</sup> aur ishmaael ne gadalyah ke sang jitane yahooder mispa men the, aur jo kasadee yoda vahan mile, un sabhon ko mar dala.

<sup>4</sup> gadalyah ke mar dalane ke doosare din jab koi ise n janata tha,

<sup>5</sup> tab shakem aur shaello aur shaemaron se assee purush daddhee mudaa, vasr faade, shareer cheere huae aur hath men annabali aur loban liae hua, yahova ke bhvan men jane ko ate dikhai diae.

<sup>6</sup> tab natanyah ka putra ishmaael un se milane ko mispa se nikala, aur rota hua chala. jab vah un se mila, tab kaha, aheekam ke putra gadalyah ke pas chalo.

<sup>7</sup> jab ve us nagar men aae tab natanyah ke putra ishmaael ne apane sangee janon samet unako ghaat karake gadhe men faenk diya.

<sup>8</sup> parantu un men se das manushy ishmaael se kahane lage, ham ko n mara kyonaki hamare pas maaidan men rakha hua gehoo, jav, tel aur madha haai. so us ne unhen chhod diya aur unake bhaiyon ke sath naheen mara.

<sup>9</sup> jis gadhe men ishmaael n un logon kee sab lothen jinhen us ne mara tha, gadalyah kee loth ke pas faenk dee thee, yah vahee gadha haai jise asa raja ne israael ke raja basha ke dr ke mare khudavaya tha, usako natanyah ke putra ishmaael ne mare huon se bhr diya.

<sup>10</sup> tab jo log mispa men bache huae the, arthata rajakumaariyan aur jitane aur log mispa men rah gae the jinhen jalladon ke pradhaan naboojaradan ne aheekam ke putra gadalyah ko saunp diya tha, un sabhon ko natanyah ka putra ishmaael bandhaua karake ammoniyon ke pas le jane ko chala.

<sup>11</sup> jab kareh ke putra yohanan ne aur yodaon ke dalon ke un sab pradhaanon ne jo usake sang the, suna, ki natanyah ke putra ishmaael ne yah sab burai kee haai,

<sup>12</sup> tab ve sab janon ko lekar natanyah ke putra ishmaael se ladne ko nikale aur usako us bade jalashay ke pas paya jo gibbon men haai.

<sup>13</sup> kareh ke putra yohanan ko, aur dalon ke sab pradhaanon ko dekhkar jo usake sang the, ishmaael ke sath jo log the, ve sab anaandait hue.

<sup>14</sup> aur jitane logon ko ishmaael mispa se bandhaua karake liae jata tha, ve palattkar kareh ke putra yohanan ke pas chale aae.

<sup>15</sup> parantu natanyah ka putra ishmaael att purush samet yohanan ke hath se bachakar ammoniyon ke pas chala gaya.

<sup>16</sup> tab praja men se jitane bach gae the, arthata jin yodao, striayo, balabachchon aur khojon ko kareh ka putra yohanan, aheekam ke putra gadalyah ke mispa men mare jane

ke bad natanyah ke putra ishmaael ke pas se chhudakar gibon se faer le aya tha, unako vah apane sab sangee dalon ke pradhaanon samet lekar chal diya.

<sup>17</sup> aur betalehem ke nikatt jo kimham kee saray haai, us men ve isaaliye ttkai gaee ki misra men jaaen.

<sup>18</sup> kyonaki ve kasaadiyon se drate the isaka karan yah tha ki aheekam ka putra gadalyah jise babul ke raja ne desh ka adhaikaree ttharaya tha, use natanyah ke putra ishmaael ne mar dala tha.

## ADHYĀYA 42

**T**ab kareh ka putra yohanan, hoshayah ka putra yajanyah, dalon ke sab pradhaan aur chhotte se lekar bade tak, sab log yirmayah bhvishyadvkta ke nikatt akar kahane lage,

<sup>2</sup> hamaree binatee grahan karake apane parameshvar yahova se ham sab bache huon ke liye praarthna kar, kyonaki too apanee ankhon se dekh raha haai ki ham jo pahale bahut the, ab thode hee bach gaee haain.

<sup>3</sup> isaliye praarthna kar ki tera parameshvar yahova ham ko bataae ki ham kis marga se chale, aur kaun sa kam karen?

<sup>4</sup> so yirmayah bhvishyadvkta ne un se kaha, maain ne tumharee sunee haai dekho, maain tumhare vachanon ke anusar tumhare parameshvar yahova se praarthna karoonga or jo uttar yahova tumhare liye dega maain tum ko bataunga maain tum se koi bat n chhpaiaunga.

<sup>5</sup> tab unhon ne yirmayah se kaha, yaadi tera parameshvar yahova tere dara hamare pas koi vachan pahunchaee aur ham usake anusar n kare, to yahova hamare beech men sachcha aur vishvasayogy sakshaee tthare.

<sup>6</sup> chahe vah bhlee bat ho, chahe buree, taubhee ham apane parameshvar yahova kee agyaa, jisake pas ham tujhe bhejate haai, manenge, kyonaki jab ham apane parameshvar yahova kee bat manen tab hamara bhla ho.

<sup>7</sup> das din ke beetane par yahova ka vachan yirmayah ke pas pahuncha.

<sup>8</sup> tab us ne kareh ke putra yohanan ko, usake sath ke dalon ke pradhaanon ko, aur chhotte se lekar bade tak jitane log the, un sabhon ko bulakar un se kaha,

<sup>9</sup> israaael ka parameshvar yahova, jisake pas tum ne mujh ko isaaliye bheja ki maain tumharee binatee usake age kah sunau, vah yon kahata haai,

<sup>10</sup> yaadi tum isee desh men rah jao, tab to maain tum ko nash naheen karoonga varan banaae rakoonga aur tumhen n ukhaoonga, varan rope rakoonga kyonaki tumharee jo haani maain ne kee haai us se maain pachhtata hoo.

<sup>11</sup> tum babul ke raja se drate ho, so us se mat dro yahova kee yah vanee haai, us se mat dro, kyonaki maain tumharee raksha karane aur tum ko usake hath se bachane ke liye tumhare sath hoo.

<sup>12</sup> maain tum par daya karoonga, ki vah bhee tum par daya karake tum ko tumharee boomi par fir se basa dega.

<sup>13</sup> parantu yadi tum yah kahakar ki ham is desh men n rahenge apane parameshvar yahova kee bat n mano, aur kaho ki ham to misra desh jakar vaheen rahenge,

<sup>14</sup> kyonaki vahan n ham yud dekhenge, n naraasinge ka shabd sunenge aur n ham ko bhojan kee dhattee hoga, to, he bache huae yahoodiyo, yahova ka yah vachan suno

<sup>15</sup> israaael ka parameshvar senaon ka yahova yon kahata haai, ki yadi tum sachamuch misra kee or jane ka munh karo, aur vahan rahane ke liye jao,

<sup>16</sup> to aeesa hoga ki jis talavar se tum drate ho, vahee vahan misra desh men tum ko ja

legee, aur jis mahangee ka bhy tum khate ho, vah misra men tumhara peechha n chhodegee aur vaheen tum maroge.

<sup>17</sup> jitane manushy misra men rahane ke liye usakee or munh kare, ve sab talavar, mahangee aur maree se marenge, aur jo vipaattai maain unake beech daloonga, us se koi bacha n rahega.

<sup>18</sup> israaael ka parameshvar senaon ka yahova yon kahata haai, ki jis prakhar se mera kop aur jalajalahatt yarooshalem ke nivaasiyon par bhdh uttee thee, usee prakhar se yaadi tum misra men jao, to meree jalajalahatt tumhare upar aeese bhdh uttegee ki log chakit hongee, aur tumharee upama dekar shaap diya karenge aur tumharee ninda kiya karenge. tum us sthan ko fir n dekhne paoge.

<sup>19</sup> he bache huae yahoodiyo, yahova ne tumhare vishay men kaha haai, misra men mat jao. tum nishchay jano ki maain ne aj tum ko chitakar yah bat bata dee haai.

<sup>20</sup> kyonaki jab tum ne mujh ko yah kahakar apane parameshvar yahova ke pas bhej diya ki hamare nimitt hamare parameshvar yahova se praarthna kar aur jo kuchh hamara parameshvar yahova kahe usasee ke anusar ham ko bata aur ham vaaisa hee karenge, tab tum jan boojhke apane hee ko dhaekha dete the.

<sup>21</sup> dekho, maain aj tum ko bataae deta hoo, parantu, aur jo kuchh tumhare parameshvar yahova ne tum se kahane ke liye mujh ko bheja haai, us men se tum koi bat naheen manate.

<sup>22</sup> ab tum nishchay jano, ki jis sthan men tum paradeshaee hoke rahane kee ichchha karate ho, us men tum talavar, mahangee aur maree se mar jaoge.

## ADHYĀYA 43

**J**ab yirmayah unake parameshvar yahova ke ve sab vachan kah chuka, jinake kahane ke liye us ne usako un sab logon ke pas bheja tha,

<sup>2</sup> tab hoshaaya ke putra ajaryaah aur kareh ke putra yohanan aur sab abhaimanee purushaen ne yirmayah se kaha, too joott bolata haai. hamare parameshvar yahova ne tujhe yah kahane ke liye naheen bheja ki misra men rahane ke liye mat jao

<sup>3</sup> parantu neriyyah ka putra barook tujh ko hamare virud usakata haai ki ham kasaadiyon ke hath men paden aur ve ham ko mar dalen va bandhaua karake babul ko le jaaen.

<sup>4</sup> so kareh ka putra yohanan aur dalon ke sab pradhaanon aur sab logon ne yahova kee yah agyaa n manee ki ve yahooda ke desh men hee rahen.

<sup>5</sup> aur kareh ka putra yohanan aur dalon ke aur sab pradhaan un sab yahoodiyan ko jo anyajatiyan ke beech titarabitar ho gae the, aur un men se lautkar yahooda desh men rahane lage the, ve unako le gae--

<sup>6</sup> purusha, sre, balabachche, rajakumaariya, aur jitane praanaiyan ko jalladon ke pradhaan naboojaradan ne gadalyah ko jo aheekam ka putra aur shaapan ka mota tha, saunp diya tha, unako aur yirmayah bhvishyadvkta aur neriyyah ke putra barook ko ve le gae

<sup>7</sup> aur yahova kee agyaa n manakar ve misra desh men tahapanhes nagar tak a gae.

<sup>8</sup> tab yahova ka yah vachan tahapanhes men yirmayah ke pas pahuncha

<sup>9</sup> apane hath se bade patthr le, aur yahoodae purushaen ke samhane us itt ke chabootare men jo tahapanhes men firaun ke bhvan ke dar ke pas haai, choona faer ke chhpai de,

<sup>10</sup> aur un purushaen se kah, ki israaael ka parameshvar, senaon ka yahova, yon kahata haai, dekho, maain babul ke raja apane sevak nabookadanessar ko bulava bhejoonga, aur vah apana sinhasan in patthron ke upar jo maain ne chhpai rakhe haai, rakhega aur

apana chhtra inake upar tanavaaega.

<sup>11</sup> vah ake misra desh ko marega, tab jo maranevale hon ve mratyu ke vash me, jo bandhauae honevale hon ve bandhauai me, aur jo talavar ke liye hen ve talavar ke vash men kar diae jaaenge.

<sup>12</sup> maain misra ke devalayon men ag lagaunga aur vah unhen faunkava dega aur bandhauai men le jaaega aur jaaisa koi charavaha apana vasr oddhta haai, vaaisa hee vah misra desh ko samett lega aur tab bekhtke chala jaaega.

<sup>13</sup> vah misra desh ke sooryagrah ke khmbhon ko tudva dalega aur misra ke devalayon ko ag lagakar foonkava dega.

## ADHYĀYA 44

**J**itane yahooder log misra desh men migdol, tahapanhes aur nop nagaron aur patraes desh men rahate the, unake vishay yirmayah ke pas yah vachan pahuncha,

<sup>2</sup> israael ka parameshvar, senaon ka yahova yon kahata haai ki jo vipaattai maain yarooshalem aur yahooda ke sab nagaron par dal chuka hoo, vah sab tum logon ne dekhee haai. dekho, ve aj ke din kaaise ujade huae aur nirjan haai,

<sup>3</sup> kyonaki unake nivaasiyon ne vah burai kee jis se unhon ne mujhe ris dilai thee ve jakar doosare devataon ke liye dhoop jalate the aur unakee upasana karate the, jinhen n to tum aur n tumhare purakha janate the.

<sup>4</sup> taubhee maain apane sab das bhavishyadvaktaon ko bade yatn se yah kahane ke liye tumhare pas bhejata raha ki yah gharaanait kam mat karo, jis se maain gharana rakhta hoo.

<sup>5</sup> par unhon ne merree n sunee aur n merree or kan lagaya ki apanee burai se firen aur doosare devataon ke liye dhoom n jalaaen.

<sup>6</sup> is karan merree jalajalahatt aur kop kee ag yahooda ke nagaron aur yarooshalem kee sadkon par bhdh gai aur ve aj ke din tak ujad aur sunasan pade haain.

<sup>7</sup> ab yahova, senaon ka parameshvar, jo israael ka parameshvar haai, yon kahata haai, tum log kyon apanee yah badee hani karate ho, ki kya purusha, kya sre, kya balak, kya doodhaapiuva bachcha, tum sab yahooda ke beech se nash kiae jao, aur koi n rahe?

<sup>8</sup> kyonaki is misra desh men jahan tum paradeshaee hokar rahane ke liye aae ho, tum apane kamon ke dara, arthata doosare devataon ke liye dhoop jalakar mujhe ris dilate ho jis se tum nash ho jaoge or prathvee bhr kee sab jaatiyon ke log tumharee jati kee namadharai karenge aur tumharee upama dekar shaap diya karenge.

<sup>9</sup> jo jo buraiyan tumhare purakha, yahooda ke raja aur unakee striaya, aur tumharee striaya, varan tum ap yahooda desh aur yarooshalem kee sadkon men karate the, kya use tum bool gaae ho?

<sup>10</sup> aj ke din tak unaka man choor naheen hua or n ve drate haain aur n merree us vyavastha aur un vidhaiyon par chalte haain jo maain ne tumhare poorvajon ko aur tum ko bhee sunavai haain.

<sup>11</sup> is karan israael ka parameshvar, senaon ka yahova, yon kahata haai, dekho, maain tumhare virud hokar tumharee haani karoonga, taaki sab yahoodiyan ka ant kar doon.

<sup>12</sup> aur bache huae yahooder jo hatt karake misra desh men akar rahane lage haai, ve sab mitt jaaenge is misra desh men chhotte se lekar bade tak ve talavar aur mahangee ke dara marak mitt jaaenge aur log unhen kosenge aur chaakit honge aur unakee upama dekar shaap diya karenge aur ninda bhee karenge.

<sup>13</sup> so jaaisa maain ne yarooshalem ko talavar, mahangee aur maree ke dara dand diya

haai, vaaisa hee misra desh men rahanevalon ko bhee dand doonga,

**14** ki jo bache huae yahooder misra desh men paradeshaee hokar rahane ke liye aae haai, yadhyapi ve yahooda desh men rahane ke liye lautne kee badee aabhailasha rakhte haai, taubhee un men se aek bhee bachakar vahan n lautne paaega keval kuchh hee bhage huon ko chhod koi bhee vahan n lautne paaega.

**15** tab misra desh ke patraes men rahanevale jitane purush janate the ki unakee striyan doosare devataon ke liye dhoop jalatee haai, aur jitane striyan badee mandlee men pas khdee thee, un sabhon ne yirmayah ko yah uttar diya,

**16** jo vachan too ne ham ko yahova ke nam se sunaya haai, usako ham naheen sunane kee.

**17** jo jo mannaten ham man chuke haain unhen ham nishchay pooree karengee, ham svarga kee ranee ke liye dhoop jalaaenge aur tapavan denge, jaaise ki hamare purakha log aur ham bhee apane rajaon aur aur hakimon samet yahooda ke nagaron men aur yarooshalem kee sadkon men karate the kyonaki us samay ham pett bhrake khate aur bhle change rahate aur kisee vipaattai men naheen padte the.

**18** parantu jab se ham ne svarga kee ranee ke liye dhoop jalana aur tapavan dena chhod diya, tab se ham ko sab vastuon kee ghattee haai aur ham talavar aur mahangee ke dara mitt chale haain.

**19** aur striayon ne kaha, jab ham svarga kee ranee ke liye dhoop jalateen aur chandraakar rotyaia banakar tapavan detee thee, tab apane apane pati ke bin jane aeese naheen karatee theen.

**20** tab yirmayah ne, kya sre, kya purusha, jitane logon ne yah uttar diya, un sab se kaha,

**21** tumhare purakha aur tum jo apane rajaon aur hakimon aur logon samet yahooda desh ke nagaron aur yarooshalem kee sadkon men dhoop jalate the, kya vah yahova ke dhyan men naheen aya?

**22** kya us ne usako smaran n kiya? so jab yahova tumhare bure aur sab gharanait kamon ko aur aadhaik n sah saka, tab tumhara desh ujadkar nirjan aur sunasan ho gaya, yahan tak ki log usakee upama dekar shaap diya karate haai, jaaise ki aj hota haai.

**23** kyonaki tum dhoop jalakar yahova ke virudh pap karate aur usakee naheen sunate the, aur usakee vyavastha aur vidhaiyon aur chitauaniyon ke anusar naheen chale, is karan yah vipaattai tum par a padee haai, jaaise ki aj haai.

**24** fir yirmayah ne un sab logon se aur un sab striayon se kaha, he sare misra desh men rahanevale yahoodiyo, yahova ka vachan suno

**25** israa'ael ka parameshvar, senaon ka yahova, yon kahata haai, ki tum ne aur tumharee striayon ne mannaten manee aur yah kahakar unhen pooree karate ho ki ham ne svarga kee ranee ke liye dhoop jalane aur tapavan dene kee jo jo mannaten manee haain unhen ham avashy hee pooree karenge aur tum ne apane hathon se aeese hee kiya. so ab tum apanee apanee mannaton ko manakar pooree karo !

**26** parantu he misra desh men rahanevale sare yahoodiyo yahova ka vachan suno suno, maain ne apane bade nam kee shapath khai haai ki ab poore misra desh men koi yahooder manushy mera nam lekar fir kabhee yah n kahane paaega ki prabhu yahova ke jeevan kee saugandha.

**27** suno, ab maain unakee bhlai nahee, hani hee kee chinta karoonga so misra desh men rahanevale sab yahooder, talavar aur mahangee ke dara mittkar nash ho jaaenge jab tak ki unaka sarvanash n ho jaae.

**28** aur jo talavar se bachakar aur misra desh se lautkar yahooda desh men pahunchenge, ve thode hee honge aur misra desh men rahane ke liye aae huae sab yahoodiyan men se jo bach paaenge, ve jan lenge ki kisaka vachan poora hua, mera va unaka.

<sup>29</sup> is bat ka maain yah chinch deta hoo, yahova kee yah vanee haai, ki maain tumhen isee sthan men dand doonga, jis se tum jan loge ki tumharee haani karane men mere vachan nishchay poore honge.

<sup>30</sup> yahova yon kahata he, dekho, jaisa maain ne yahooda ke raja sidaakiyyah ko usake shatra arthata usake praan ke khojee babul ke raja nabookadanessar ke hath men kar diya, vaaise hee maain misra ke raja firaun hopra ko bhee usake shatraun ke, arthata usake praan ke khojion ke hath men kar doonga.

## ADHYĀYA 45

**Y**oshaiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke chauthe varsha me, jab neriiyyah ka putra barook yirmayah bhvishyadvkta se bhavishyadanee ke ye vachan sunakar pustak men likh chuka tha,

<sup>2</sup> tab us ne us se yah vachan kaha, ki israaael ka parameshvar yahova, tujh se yon kahata haai,

<sup>3</sup> he barook, too ne kaha, hay mujh par ! kyonaki yahova ne mujhe dukh par dukh diya haai maain karahate karahate thk gaya aur mujhe kuchh chaain naheen milata.

<sup>4</sup> too yon kah, yahova yon kahata haai, ki dek, is sare desh ko jise maain ne banaya tha, use maain ap ddha doonga, aur jin ko maain ne ropa tha, unhen svayan ukhad faenkoonga.

<sup>5</sup> isaliye sun, kya too apane liye badai khoj raha haai? use mat khoja kyonki yahova kee yah vanee haai, ki maain sare manushyon par vipaattai daloonga parantu jahan kaheen too jaaega vahan maain tera praan bachakar tujhe jeeavit rakoonga.

## ADHYĀYA 52

**J**ab sidaakiyyah rajy karane laga, tab vah ikkees varsha ka tha aur yarooshalem men gyarah varsha tak rajy karata raha. usakee mata ka nam hamootal tha jo libnavasee yirmayah kee bettee thee.

<sup>2</sup> aur us ne yahoyakeem ke sab kamon ke anusar vahee kiya jo yahova kee draashti men bura haai.

<sup>3</sup> nishchay yahova ke kop ke karan yarooshalem aur yahooda kee aeesee dasa hui ki ant men us ne unako apane samhane se door kar diya. aur sidaakiyyah ne babul ke raja se balava kiya.

<sup>4</sup> aur usake rajay ke nauven varsha ke dasaven maheene ke dasaven din ko babul ke raja nabookadanessar ne apanee saree sena lekar yarooshalem par chaddhai kee, aur us ne usake pas chhavanee karake usake charon or kila banaya.

<sup>5</sup> yon nagar ghora gaya, aur sidaakiyyah raja ke gyarahaven varsha tak ghaira raha.

<sup>6</sup> chauthe maheene ke nauven din se nagar men mahangee yahan tak baddh gai, ki logon ke liye kuchh rottee n rahee.

<sup>7</sup> tab nagar kee shaharapanah men darar kee gai, aur donon bheeton ke beech jo faattk raja kee baree ke nikatt tha, us se sab yoda bhagakar rat hee rat nagar se nikal gaa, aur araba ka marga liya. us samay kasadee log nagar ko ghore huae the.

<sup>8</sup> parantu unakee sena ne raja ka peechha kiya, aur usako yareeho ke pas ke araba men ja pakada tab usakee saree sena usake pas se titara-abitar ho gai.

<sup>9</sup> so ve raja ko pakadkar hamat desh ke ribala men babul ke raja ke pas le gaa, aur vahan us ne usake dand kee agyaa dee.

<sup>10</sup> babul ke raja ne sidaakiyyah ke putraen ko usake samhane ghaat kiya, aur yahooda ke sare haakimon ko bhee ribala men ghaat kiya.

<sup>11</sup> fir babul ke raja ne sidaakiyyah ke ankhon ko faudva dala, aur usako bediyon se jakadkar babul tak le gaya, aur usako bandeegrah men dal diya. so vah mratyu ke din tak vaheen raha.

<sup>12</sup> fir usee varsha arthata babul ke raja nabookadanessar ke rajy ke unneesaven varsha ke panchaven maheene ke dasaven din ko jalladon ka pradhaan naboojaradan jo babul ke raja ke sammukh khda rahata tha yarooshalem men aya.
