<sup>10</sup> isaliye daud ne yahova ke sandook ko apane yahan daudapur men pahunchana n chaha parantu gatavasee obededom ke yahan pahunchaya.

<sup>11</sup> aur yahova ka sandook gatee obededom ke ghar men teen maheene raha aur yahova ne obededom aur usake samast gharane ko ashaish dee.

<sup>12</sup> tab daud raja ko yah bataya gaya, ki yahova ne obededom ke gharane par, aur jo kuchh usaka haai, us par bhee parameshvar ke sandook ke karan aashaish dee haai. tab daud ne jakar parameshvar ke sandook ko obededom ke ghar se daudapur men anand ke sath pahooncha diya.

<sup>13</sup> jab yahova ke sandook ke uttanevale chh kadam chal chuke, tab daud ne aek baail aur aek pala posa hua bachhda bali karaya.

<sup>14</sup> aur daud sanee ka aepeod kamar men kase huae yahova ke sammukh tan man se nachata raha.

- <sup>15</sup> yon daud aur israaael ka samast gharana yahova ke sandook ko jay jayakar karate aur naraasinga foonkate huae le chala.
- <sup>16</sup> jab yahova ka sandook daudapur men a raha tha, tab shaaul kee bettee meekal ne khaidkee men se jhankakar daud raja ko yahova ke sammukh nachate koodate dekha, aur use man hee man tuchchh jana.
- <sup>17</sup> aur log yahova ka sandook bheetar le aa, aur usake sthan me, arthata us tamboo men rakha, jo daud ne usake liye khda karaya tha aur daud ne yahova ke sammukh homabali aur melabali chaddhaae.
- <sup>18</sup> jab daud homabali aur melabali chaddha chuka, tab us ne senaon ke yahova ke nam se praja ko ashaeervad diya.
- <sup>19</sup> tab us ne samast praja ko, arthata, kya sree kya purusha, samast israaaelee bheed ke logon ko aek aek rottee, aur aek aek ttukada mans, aur kishaamish kee aek aek ttiikaya bantva dee. tab praja ke sab log apane apane ghar chale gaae.
- <sup>20</sup> tab daud apane gharane ko ashaeervad dene ke liye lautta. aur shaaul kee bettee meekal daud se milane ko nikalee, aur kahane lagee, aj israaael ka raja jab apana shareer apane karmachariyon kee laundyaen ke samhane aeesea ughaade huae tha, jaaisa koi nikamma apana tan ughaaddhe rahata haai, tab kya hee pratapee dekh padta tha !
- <sup>21</sup> daud ne meekal se kaha, yahova, jis ne tere pita aur usake samast gharane kee santee mujh ko chunakar apanee praja israaael ka pradhaan hone ko tthara diya haai, usake sammukh maain ne aeesea khela--aur maain yahova ke sammukh isee prakar khela karoonga.
- <sup>22</sup> aur is se bhee maain adhaik tuchchh banoonga, aur apane lekhe neech ttharoonga aur jin launadyaen kee too ne charcha kee ve bhee mera adaraman karengee.
- <sup>23</sup> aur shaaul kee bettee meekal ke marane ke din tak usake koi santan n hua.

- J**ab raja apane bhvan men rahata tha, aur yahova ne usako usake charon or ke sab shatrauaun se vishraam diya tha,
- <sup>2</sup> tab raja natan nam bhavishyadvkta se kahane laga, dek, maain to devadaru ke bane huae ghar men rahata hoo, parantu parameshvar ka sandook tamboo men rahata haai.
- <sup>3</sup> natan ne raja se kaha, jo kuchh tere man men ho use kara kyonki yahova tere sang haai.
- <sup>4</sup> usee din rat ko yahova ka yah vachan natan ke pas pahuncha,
- <sup>5</sup> ki jakar mere das daud se kah, yahova son kahata haai, ki kya too mere nivas ke liye ghar banavaaega?
- <sup>6</sup> jis din se maain israaaliaeyon ko misra se nikal laya aj ke din tak maain kabhee ghar men naheen raha, tamboo ke nivas men aya jaya karata hoo.
- <sup>7</sup> jahan jahan maain samast israaaeliyon ke beech firata thai, kya maain ne kaheen israaael ke kisee gotra se, jise maain ne apanee praja israaael kee charavahee karane ko ttharaya ho, aeesee bat kabhee kahee, ki tum ne mere liaee devadaru ka ghar kyon naheen banavaya?
- <sup>8</sup> isaliye ab too mere das daud se aeesea kah, ki senaon ka yahova yon kahata haai, ki maain ne to tujhe bhedshaala se, aur bhead-bakaarison ke peechhe peechhe firane se, is manasa se bula liya ki too meree praja israaael ka pradhaan ho jaae.
- <sup>9</sup> aur jahan kaheen too aya gaya, vahan vahan maain tere sang raha, aur tere samast

shatrauon ko tere samhane se nash kiya haai fir maaain tere nam ko prathvee par ke bade bade logon ke namon ke saman mahan kar doonga.

<sup>10</sup> aur maaain apanee praja israaael ke liye aek sthan ttharaunga, aur usako sthiar karoonga, ki vah apane hee sthan men basee raheegee, aur kabhee chalayaman n hogee aur kuattlai log use fir dukh n dene paaenge, jaaise ki pahile dinon men karate the,

<sup>11</sup> varan us samay se bhee jab maaain apanee praja israaael ke upar nyayee ttharata tha aur maaain tujhe tere samast shatrauon se vishraam doonga. aur yahova tujhe yah bhee batata haai ki yahova tera ghar banaae rakhega.

<sup>12</sup> jab teree ayu pooree ho jaaegee, aur too apane purakhaon ke sang so jaaega, tab maaain tere nij vansh ko tere peechhe khda karanke usake rajy ko sthiar karoonga.

<sup>13</sup> mere nam ka ghar vahee banavaaega, aur maaain usakee rajagae ko sadaaiv sthiar rakoonga.

<sup>14</sup> maaain usaka pita ttharoonga, aur vah mera putra ttharega. yadi vah adharm kare, to maaain use manushyon ke yogy dand se, aur adaamiyon ke yogy mar se tadna doonga.

<sup>15</sup> parantu meree karuna us par se aeese n hattegee, jaaise maaain ne shaaul par se hattakar usako tere age se door kiya.

<sup>16</sup> varan tera gharana aur tera rajy mere samhane sada attl bana rahega teree gae sadaaiv banee rahegee.

<sup>17</sup> in sab baton aur is darshan ke anusar natan ne daud ko samajha diya.

<sup>23</sup> fir teree praja israaael ke bhee tuly kaun haai? yah to prathvee bhr men aek hee jaati haai jise parameshvar ne jakar apanee nij praja karane ko chhudaya, isaaliye ki vah apana nam kare, aur tumhare liye bade bade kam kare aur too apanee praja ke samhane, jise too ne misraee aadi jati jati ke logon aur unake devataon se chooda liya, apane desh ke liye bhyanak kam kare.

<sup>24</sup> aur too ne apanee praja israaael ko apanee sada kee praja hone ke liye ttharaya aur he yahova, too ap usaka parameshvar haai.

<sup>25</sup> ab he yahova parameshvar, too ne jo vachan apane das ke aur usake gharane ke vishay diya haai, use sada ke liye sthiar kar, aur apane kahane ke anoosar hee kara

<sup>26</sup> aur yah kar ki log tere nam kee maahima sada kiya kare, ki senaon ka yahova israaael ke upar parameshvar haai aur tere das daud ka gharana tere samhane attl rahe.

<sup>27</sup> kyonaki, he senaon ke yahova, he israaael ke parameshvar, too ne yah kahakar apane das par pragatt kiya haai, ki maaain tera ghar banaae rakoonga is karan tere das ko tujh se yah praarthna karane ka hiyav hua haai.

<sup>28</sup> aur ab he prabhu yahova, too hee parameshvar haai, aur tere vachan saty haai, aur too

ne apane das ko yah bhlai karane ka vachan diya haai

<sup>29</sup> to ab prasann hokar apane das ke gharane par aeese ashaeesh de, ki vah tere sammukh sadaaiv bana rahe kyonaki, he prabhu yahova, too ne aeesea hee kaha haai, aur tere das ka gharana tujh se ashaeesh pakar sadaaiv dhany rahe.

## ADHYĀYA 14

**a**ur sarooyah ka putra yoab tad gaya ki raja ka man abashaalom kee or laga haai.

<sup>2</sup> isaliye yoab ne tako nagar men doot bhejekar vahan se aek buddhiman sree ko bulavaya, aur us se kaha, shaek karanevalee ban, arthata shaek ka pahirava pahin, aur tel n laga parantu aeese sree ban jo bahut din se muae ke liye vilap karatee rahee ho.

<sup>3</sup> tab raja ke pas jakar aeese aeese baten kahana. aur yoab ne usako jo kuchh kahana tha vah sikha diya.

<sup>4</sup> jab vah takoin raja se baten karane lagee, tab munh ke bal boomi par gir dandvata karake kahane lagee, raja kee dohai

<sup>5</sup> raja ne us se poochha, tujhe kya chahiye? us ne kaha, sachamuch mera paati mar gaya, aur maain vidhava ho gai.

<sup>6</sup> aur teree dasee ke do bette the, aur un donon ne maaidan men mar peett kee aur unako chhudanevala koi n tha, isaaliae aek ne doosare ko aeese mara ki vah mar gaya.

<sup>7</sup> aur yah sun sab kul ke log teree dasee ke viruddh uttkar yah kahate haai, ki jis ne apane bhai ko ghaat kiya usako hamen saunp de, ki usake mare huae bhai ke praan ke palatte men usako praan dand de aur varis ko bhee nash karen. is tarah ve mere angare ko jo bach gaya haai bujhaaenge, aur mere pati ka tam aur santan dharatee par se mitta dalenge.

<sup>8</sup> raja ne sree se kaha, apate ghar ja, aur maain tere vishay agyaa doonga.

<sup>9</sup> takoin ne raja se kaha, he mere prabhu, he raja, dosh mujhee ko aur mere pita ke gharane hee ko lage aur raja apanee gaee samet nidash tthare.

<sup>10</sup> raja ne kaha, jo koi tujh se kuchh bole usako mere pas la, tab vah fir tujhe choone n paaega.

<sup>11</sup> us ne kaha, raja apane parameshvar yahova ko smaran kare, ki koon ka palatta lenevala auair nash karane n paa, aur mere bette ka nash n hone pae. us ne kaha, yahova ke jeevan kee shapat, tere bette ka ek bal bhee boomi par girane n paega.

<sup>12</sup> sree bolee, teree dasee apane prabhu raja se aek bat kahane paae.

<sup>13</sup> us ne kaha, kahe ja. sree kahane lagee, fir too ne parameshvar kee praja kee haani ke liye aeese hee yukta kyon kee haai? raja ne jo yah vachan kaha haai, is se vah doshae sa ttharata haai, kyonaki raja apane nikale huae ko lautta naheen lata.

<sup>14</sup> ham ko to marana hee haai, aur boomi par gire huae jal ke saman ttharenge, jo fir uttaya naheen jata taubhee parameshvar praan naheen leta, varan aeese yukit karata haai ki nikala hua usake pas se nikala hua n rahe.

<sup>15</sup> aur ab maain jo apane prabhu raja se yah bat kahane ko ai hoo, isaka karan yah haai, ki logon ne mujhe dra diya tha isaliye teree dasee ne socha, ki maain raja se boloongee, kadaachit raja apanee dasee kee binatee ko pooree kare.

<sup>16</sup> nisandeh raja sunakar avashy apanee dasee ko us manushy ke hath se bachaaega jo pajhe aur mere bette donon ko parameshvar ke bhag men se nash karana chahata haai.

<sup>17</sup> so teree dasee ne socha, ki mere prabhu raja ke vachan se shaaantai mile kyonaki mera prabhu raja parameshvar ke kisee doot kee nai bhle-bure men bhed kar sakata haai isaaliye tera parameshvar yahova tere sang rahe.

<sup>18</sup> raja ne uttar dekar us sree se kaha, jo bat maain tujh se poochhta hoon use mujh se n chhpaia. sree ne kaha, mera prabhu raja kahe jaae.

<sup>19</sup> raja ne poochha, is bat men kya yoab tera sangee haai? sree ne uttar dekar kaha, he mere prabhu, he raja, tere praan kee shapat, jo kuchh mere prabhu raja ne kaha haai, us se koi n dahinee or mud sakata haai aur n bai. tere das yoab hee ne mujhe agyaa dee, aur ye sab baten usee ne teree dasee ko sikhai haai.

- <sup>20</sup> tere das yoab ne yah kam isaliye kiya ki bat ka rang badale. aur mera prabhu parameshvar ke aek doot ke tuly buaddhiman haai, yahan tak ki dharatee par jo kuchh hota haai un sab ko vah janata haai.
- <sup>21</sup> tab raja ne yoab se kaha, sun, maain ne yah bat manee haai too jakar abashaalom javan ko lautta la.
- <sup>22</sup> tab yoab ne boomi par munh ke bal gir dandvata kar raja ko ashaeervad diya aur yoab kahane laga, he mere prabhu, he raja, aj tera das jan gaya ki mujh par teree anagrah kee draashti haai, kyonaki raja ne apane das kee binatee sunee haai.
- <sup>23</sup> aur yoab utkar gashoor ko gaya, aur abashaalom ko yarooshalem le aya.
- <sup>24</sup> tab raja ne kaha, vah apane ghar jakar rahe aur mera darshan n paae. tab abashaalom apane ghar ja raha, aur raja ka darshan n paya.
- <sup>25</sup> samast israaael men sundarata ke karan bahut prashansa yogy abashaalom ke tuly aur koi n tha varan us men nakh se sikh tak kuchh dosh n tha.
- <sup>26</sup> aur vah varsha ke ant men apana sir munddhvata tha usake bal usako bharee jan padte the, is karan vah use mundata tha aur jab jab vah use mundata tab tab apane sir ke bal taulakar raja ke taul ke anusar do sau shokel bhr pata tha.
- <sup>27</sup> aur abashaalom ke teen bette, aur tamar nam aek bettee utpann hui thee aur yah roopavatee sree thee.
- <sup>28</sup> aur abashaalom raja ka darshan bina paae yarooshalem men do varsha raha.
- <sup>29</sup> tab abashaalom ne yoab ko bulava bheja ki use raja ke pas bheje parantu yoab ne usake pas ane se inakar kiya. aur us ne use doosaree bar bulava bheja, parantu tab bhee us ne ane se inakar kiya.
- <sup>30</sup> tab us ne apane sevakon se kaha, suno, yoab ka aek khet meree boomi ke nikatt haai, aur us men usaka jav khda haai tum jakar us men ag lagao. aur abashaalom ke sevakon ne us khet men ag laga dee.
- <sup>31</sup> tab yoab utta, aur abashaalom ke ghar men usake pas jakar us se poochhne laga, tere sevakon ne mere khet men kyon ag lagai haai?
- <sup>32</sup> abashaalom ne yoab se kaha, maain ne to tere pas yah kahala bheja tha, ki yahan ana ki maain tujhe raja ke pas yah kahane ko bhejoo, ki maain gashoor se kyon aya? maain ab tak vahan rahata to achchha hota. isaliye ab raja mujhe darshan de aur yadi maain doshaee hoo, to vah mujhe mar dale.
- <sup>33</sup> to yoab ne raja ke pas jakar usako yah bat sunai aur raja ne abashaalom ko bulavaya. aur vah usake pas gaya, aur usake sammukh boomi par munh ke bal girake dandvata kee aur raja ne abashaalom ko chooma.

## ADHYĀYA 15

**I**sake bad abashaalom ne rath aur ghaede, aur apate age age daudnevale pachas manushy rakh liae.

- <sup>2</sup> aur abashaalom savere utkar faattk ke marga ke pas khda haa karata tha aur jab jab koi mui raja ke pas nyay ke liye ata, tab tab abashaalom usako pukarake poochhta tha, too kiy nagar se ata haai?
- <sup>3</sup> aur vah kahata tha, ki tera das israaael ke faulane gotra ka haai. tab abashaalom us se kahata tha, ki sun, tera paksha to tteek aur nyay ka haai parantu raja kee or se teree yunanevala koi naheen haai.
- <sup>4</sup> fir abashaalom yah bhee kaha karata tha, ki bhla hota ki maain is desh men nyayee ttharaya jata ! ki jitane mukamavale hote ve sab mere hee pas ate, aur maain unaka nyay

chukata.

<sup>5</sup> fir jab koi use dandvata karane ko nikatt ata, tab vah hath baddhakar usako pakadke choom leta tha.

<sup>6</sup> aur jitane israaaelee raja ke pas apana mukama taai karane ko ate un sabhon se abashaalom aeesa hee vyavahar kiya karata tha is prakar abashaalom ne israaaelee manushyon ke man ko har liya.

<sup>7</sup> char varsha ke beetane par abashaalom ne raja se kaha, mujhe hebraen jakar apanee us mannat ko pooree karane de, jo maain ne yahova kee manee haai.

<sup>8</sup> tera das to jab aram ke gashoor men rahata tha, tab yah kahakar yahova kee mannat manee, ki yadi yahova mujhe sachamuch yarooshalem ko lautta le jaa, to maain yahova kee upasana karoonga.

<sup>9</sup> raja ne us se kaha, kushal kshom se ja. aur vah chalakar hebraen ko gaya.

<sup>10</sup> tab abashaalom ne israaael ke samast gotron men yah kahane ke liye bheadiae bheje, ki jag naraasinge ka shabd tum ko sun pade, tab kahana, ki abashaalom hebraen men raja hua !

<sup>11</sup> aur abashaalom ke sang do sau nevataharee yarooshalem se gaae ve seedho man se usaka bhed bina jane gaae.

<sup>12</sup> fir jab abashaalom ka yagya hua, tab us ne geelovasee aheetopel ko, jo daud ka mantraee tha, bulava bheja ki vah apane nagar geelo se aae. aur rajadraeh kee goshttee ne bal pakada, kyonki abashaalom ke paksha ke log barabar baddhte gaae.

<sup>13</sup> tab kisee ne daud ke pas jakar yah samachar diya, ki israaaelee manushyon ke man abashaalom kee or ho gaae haain.

<sup>14</sup> tab daud ne apane sab karmachariyon se jo yarooshalem men usake sang the kaha, ao, ham bhag chalen naheen to ham men se korha bhee abashaalom se n bachega isaliye fauta karate chale chalo, aeesa n ho ki vah fauta karake hamen a ghore, aur hamaree haani kare, aur is nagar ko talavar se mar le.

<sup>15</sup> raja ke karmachariyon ne us se kaha, jaaisa hamare prabhu raja ko achchha jan pade, vaaaisa hee karane ke liye tere das taaiyar haain.

<sup>16</sup> tab raja nikal gaya, aur usake peechhe usaka samast gharana nikala. aur raja das rakheliyon ko bhvan kee chaukasee karane ke liye chhod gaya.

<sup>17</sup> aur raja nikal gaya, aur usake peechhe sab log nikale aur ve betamerhak men tthar gaae.

<sup>18</sup> aur usake sab karmacharee usake pas se hokar age gaae aur sab karetee, aur sab paletee, aur sab gatee, arthata jo chh sau purush gat se usake peechhe ho liae the ve sab raja ke samhane se hokar age chale.

<sup>19</sup> tab raja ne gatee ittaai se poochha, hamare sang too kyon chalata haai? lauttkar raja ke pas raha kyonki too paradeshaee aur apane desh se door haai, isaaliye apane sthan ko laut ja.

<sup>20</sup> too to kal hee aya haai, kya maain aj tuihe apane sath mara mara firaun? maain to jahan ja samoonga vahan jaunga. too laut ja, aur apane bhaiyon ko bhee lautta de ishchar kee karuna aur yachchai tere sang rahe.

<sup>21</sup> ittaai ne raja ko uttar dekar kaha, yahova ke jeevan kee shapat, aur mere prabhu raja ke jeevan kee shapat, jis kisee sthan men mera prabhu raja rahega, chahe marane ke liye ho chahe jeevit rahane ke liye, usee sthan men tera das bhee rahega.

<sup>22</sup> tab daud ne ittaai se kaha, par chala. so gatee ittaai apane samast janon aur apane sath ke sab bala-bachchon samet par ho gaya.

<sup>23</sup> sab rahanevale chilla chillakar roae aur sab log par hua, aur raja bhee kidraen nam

nale ke par hua, aur sab log nale ke par jangal ke marga kee or par hokar chal pade.

<sup>24</sup> tab kya dekhne men aya, ki sadok bhee aur usake sang sab leveey parameshvar kee vacha ka sandook uttaae huae haain aur unhon ne parameshvar ke sandook ko dhar diya, tab aebyatar chaddha, aur jab tak sab log nagar se n nikale tab tak vaheen raha.

<sup>25</sup> tab raja ne sadok se kaha, parameshvar ke sandook ko nagar men lautta le ja. yaadi yahova ke anugrah kee drashti mujh par ho, to vah mujhe lautakar usako aur apane vasasthan ko bhee dikhaaega

<sup>26</sup> parantu yadi vah mujh se aeese kahe, ki maain tujh se prasann nahee, taubhee maain hajir hoo, jaaisa usako bhaae vaaisa hee vah mere sath batrtav kare.

<sup>27</sup> fir raja ne sadok yajak se kaha, kya too dasa naheen haai? so kushal kshom se nagar men laut ja, aur tera putra aheemas, aur aebyatar ka putra yonatan, donon tumhare sang lauten.

<sup>28</sup> suno, maain jangal ke ghaatt ke pas tab tak tthara rahoonga, jab tak tum logon se mujhe hal ka samachar n mile.

<sup>29</sup> tab sadok aur aebyatar ne parameshvar ke sandook ko yarooshalem men lautta diya aur ap vahee rahe.

<sup>30</sup> tab daud jalapaison ke pahad kee chaddhai par sir ddhanpe, nange panv, rota hua chaddhne laga aur jitane log usake sang the, ve bhee sir ddhanpe rote huae chaddh gae.

<sup>31</sup> tab daud ko yah samachar mila, ki abashaalom ke sangee rajadraeahiyon ke sath aheetopel haai. daud ne kaha, he yahova, aheetopel kee sammati ko moorkhta bana de.

<sup>32</sup> jab daud chottee tak pahuncha, jahan parameshvar ko dandvata kiya karate the, tab aerekee hooshau angarakha faade, sir par mittee dale huae us se milane ko aya.

<sup>33</sup> daud ne us se kaha, yaadi too mere sang age jaa, tab to mere liye bhar ttharega.

<sup>34</sup> parantu yadi too nagar ko lautkar abashaalom se kahane lage, he raja, maain tera karmacharee hoonga jaaisa maain bahut din tere pita ka karmacharee raha, vaaisa hee ab tera rahoonga, to too mere hit ke liye aheetopel kee sammati ko nishfal kar sakega.

<sup>35</sup> aur kya vahan tere sang sadok aur aebyatar yajak n rahenge? isaaliye rajabhvan men se jo hal tujhe sun pade, use sadok aur aebyatar yajakon ko bataya karana.

<sup>36</sup> unake sath to unake do putra, arthata sadok ka putra aheemas, aur ebyatar ka putra yonatan, vahan rahenge to jo samachar tum logon ko mile use mere pas unheen ke hath bheja karana.

<sup>37</sup> aur daud ka mitra, hooshau, nagar ko gaya, aur abashaalom bhee yarooshalem men pahunch gaya.

- <sup>6</sup> aur daud par, aur daud raja ke sab karmachaariyon par patthr faenkane laga aur shooraaveeron samet sab log usakee daahinee bai donon or the.
- <sup>7</sup> aur shaimee kosata hua yon bakata gaya, ki door ho koonee, door ho ochhe, nikal ja, nikal ja !
- <sup>8</sup> yahova ne tujh se shaaul ke gharane ke koon ka poora palatta liya haai, jisake sthan par too raja bana haai yahova ne rajy ko tere putra abashaalom ke hath kar diya haai. aur isaaliye ki too koonee haai, too apanee burai men ap fans gaya.
- <sup>9</sup> tab sarooyah ke putra abeeshau ne raja se kaha, yah mara hua kutta mere prabhu raja ko kyon shaap dene paae? mujhe udhar jakar usaka sir kattne de.
- <sup>10</sup> raja ne kaha, sarooyah ke betto, mujhe tum se kya kama? vah jo kosata haai, aur yahova ne jo us se kaha haai, ki daud ko shaap de, to us se kaun poochh sakata, ki too ne aeesea kyon kiya?
- <sup>11</sup> fir daud ne abeeshau aur apane sab karmachaariyon se kaha, jab mera nij putra bhee mere praan ka khojee haai, to yah binyameenee ab aeesea kyon n karen? usako rahane do, aur shaap dene do kyonaki yahova ne us se kaha haai.
- <sup>12</sup> kadachita yahova is upadrav par, jo mujh par ho raha haai, drashtti karake aj ke shaap kee santee mujhe bhla badala de.
- <sup>13</sup> tab daud apane janon samet apana marga chala gaya, aur shaimee usake samhane ke pahad kee alang par se shaap deta, aur us par patthr aur dhooli faenkata hua chala gaya.
- <sup>14</sup> nidan raja apane sang ke sab logon samet apane tkaiane par thka hua pahuncha aur vahan vishraam kiya.
- <sup>15</sup> abashaalom sab israaelee logon samet yarooshalem ko aya, aur usake sang aheetopel bhee aya.
- <sup>16</sup> jab daud ka mitra aerekee hooshau abashaalom ke pas pahuncha, tab hooshau ne abashaalom se kaha, raja chiranjeev rahe ! raja chiranjeev rahe !
- <sup>17</sup> abashaalom ne us se kaha, kya yah teree praeeti haai jo too apane mitra se rakhta haai? too apane mitra ke sang kyon naheen gaya?
- <sup>18</sup> hooshau ne abashaalom se kaha, aeesea nahee jisako yahova aur ve log, kya varan sab israaelee log chahe, usee ka maain hoo, aur usee ke sang maain rahoonga.
- <sup>19</sup> aur fir maain kisakee seva karoon? kya usake putra ke samhane rahakar seva n karoon? jaaisa maain tere pita ke samhane rahakar seva karata tha, vaaisa hee tere samhane rahakar seva karoonga.
- <sup>20</sup> tab abashaalom ne aheetopel se kaha, tum log apanee sammaati do, ki kya karana chaahiye?
- <sup>21</sup> aheetopel ne abashaalom se kaha, jin rakhealiyon ko tera pita bhvan kee chaukasee karane ko chhod gaya, unake pas too ja aur jab sab israaelee yah sunenge, ki abashaalom ka pita us se ghain karata haai, tab tere sab sangee hiyav bandhonge.
- <sup>22</sup> so usakealiye bhvan kee chht ke upar aek tamboo khda kiya gaya, aur abashaalom samaroot israael ke dekhte apane pita kee rakheliyon ke pas gaya.
- <sup>23</sup> un dinon jo sammaati aheetopel deta tha, vah aeesee hotee thee ki mano koi parameshvar ka vachan poochhleta ho aheetopel chahe daud ko chahe abashaalom ko, jo jo sammati deta vah aeesee hee hotee thee.

## ADHYĀYA 17

- f**ir aheetopel ne abashaalom se kaha, mujhe barah hajar purush chhantne de, aur maain uttkar aj hee rat ko daud ka peechha karoonga.
- <sup>2</sup> aur jab vah thakit aur nirbal hoga, tab maain use pakadoonga, aur draunga aur jitane log usake sath haain sab bhagenge. aur maain raja hee ko maroonga,
- <sup>3</sup> aur maain sab logon ko tere pas lautta launga jis manushy ka too khojee haai usake milane me samast praja ka milana ho jaaega, aur samast praja kushal kshom se rahegee.
- <sup>4</sup> yah bat abashaalom aur sab israaaelee puraniyon ko uchit maloom padee.
- <sup>5</sup> fir abashaalom ne kaha, aerekee hooshau ko bhee bula la, aur jo vah kahega ham use bhee sunen.
- <sup>6</sup> jab hooshau abashaalom ke pas aya, tab abashaalom ne us se kaha, aheetopel ne to is prakar kee bat kahee haai kya ham usakee bat manen ki nahee? saadi nahee, to too kah de.
- <sup>7</sup> hooshau ne abashaalom se kaha, jo sammati aheetopel ne is bar dee vah achchhee naheen.
- <sup>8</sup> fir hooshau ne kaha, too to apane pita aur usake janon ko janata haai ki ve shooraveer haai, aur bachcha chheenee hui reechhnee ke saman odhait honge. aur tera pita yoddha haai aur aur logo ke sath rat naheen bitata.
- <sup>9</sup> is samay to vah kisee gaddhhe, va kisee doosare sthan men chhpai hoga. jab in men se paahile paahile koi koi mare jaae, tab isake sab sunanevale kahane lagenge, ki abashaalom ke pakshavale har gaae.
- <sup>10</sup> tab veer ka day, jo sinh ka sa hota haai, usaka bhee hiyav choott jaaega, samast israaael to janata haai ki tera pita veer haai, aur usake sangee bade yoddha haain.
- <sup>11</sup> isaliye meree sammati yah haai ki dan se lekar beshorba tak rahanevale samast israaaelee tere pas samudrateer kee baloo ke kinakon ke saman akatthe kiae jaa, aur too ap hee yuddh ko jaae.
- <sup>12</sup> aur jab ham usako kisee n kisee sthan men jahan vah mile ja pakadenge, tab jaaise os boomi par giratee haai vaaise hee ham us par toott padenge tab n to vah bachega, aur n usake sangiyon men se koi bachega.
- <sup>13</sup> aur yaadi vah kisee nagar men ghausa ho, to sab israaaelee us nagar ke pas raassaiyan le aaenge, aur ham use nale men kheenchange, yahan tak ki usaka aek chhotta sa patthr bhee n rah jaaega.
- <sup>14</sup> tab abashaalom aur sab israaaelee purushaen ne kaha, aerekee hooshau kee bammaati aheetopel kee sammati se umtam haai. sahova ne to aheetopel kee achchhee sammati ko nishfal karane ke liye ttana tha, ki yah abashaalom hee par vipaattai dale.
- <sup>15</sup> tab hooshau ne sadok aur aebyatar yajakon se kaha, aheetopel ne to abashaalom aur israaaelee puraniyon ko is is prakar kee sammati dee aur maain ne is is prakar kee sammati dee haai.
- <sup>16</sup> isaliye ab fauta kar daud ke pas kahala bhejo, ki aj rat jangalee ghaatt ke pas n ttharana, avashy par hee ho jana aeese n ho ki raja aur jitane log usake sang ho, sab nash ho jaaen.
- <sup>17</sup> yonatan aur aheemay aenarogel ke pas tthare rahe aur aek laundee jakar unhen sandesha de atee thee, aur ve jakar raja daud ko sandesha dete the kyonki ve kisee dekhthe nagar men nahee ja sakate the.
- <sup>18</sup> aek chhokare ne to unhen dekhkar abashaalom ko bataya parantu ve donon fauta se chale gaa, aur aek bahareemavasee manushy ke ghar pahunchakar jisake angan men

kuna tha us men utar gaee.

<sup>19</sup> tab usakee sree ne kapada lekar kunae ke munh par bichhaya, aur usake upar dalar hua ann faaila diya isaliye kuchh maloom n pada.

<sup>20</sup> tab abashaalom ke sevak us ghar men us sree ke pas jakar kahane lage, aheemas aur yonatan kahan haain? sree ne un se kaha, ve to us chhottee nadee ke par gaee. tab unhon ne unhen ddoonddha, aur n pakar yarooshalem ko lautte.

<sup>21</sup> jab ve chale gaa, tab ye kunae men se nikale, aur jakar daud raja ko samachar diya aur daud se kaha, tum log chalo, fauta karake nadee ke par ho jao kyonaki aheetopel ne tumharee hani kee aeese aeese sammatti dee haai.

<sup>22</sup> tab daud apane sab sanagiyon samet uttkar yaradan par ho gaya aur pah fattne tak un men se aek bhee n rah gaya jo yaradan ke par n ho gaya ho.

<sup>23</sup> jab aheetopel ne dekha ki meree sammaati ke anusar kam naheen hua, tab us ne apane gadahe par kattee kasee, aur apane nagar men jakar apane ghar men gaya. aur apane gharane ke vishay jo jo agyaa denee thee vah dekar apane ko faansee laga lee aur vah mar gaya, aur usake pita ke kaabirstan men use mittee de dee gai.

<sup>24</sup> daud to mahanaaim men pahuncha. aur abashaalom sab israaelee purushaen samet yaradan ke par gaya.

<sup>25</sup> aur abashaalom ne amasa ko yoab ke sthan par pradhaan senapaati ttharaya. yah amasa aek purush ka putra tha jisaka nam israaelee yitrae tha, aur vah yoab kee mata, sarooyah kee bahin, abeegal nam nahash kee bettee ke sang soya tha.

<sup>26</sup> aur israaeeliyon ne aur abashaalom ne gilad desh men chhavanee dalee.

<sup>27</sup> jab daud mahanaaim men aya, tab ammoniyon ke rabba ke nivasee nahash ka putra shaebee, aur lodabaravasee ammeeael ka putra makeer, aur rogaleemavasee giladee barjillaai,

<sup>28</sup> charapaiya, tasale mittee ke bartan, gehoo, jav, maaida, lobiya, masoor, chabena,

<sup>29</sup> madha, makkhn, bhedbakariya, aur gay ke dahee ka paneer, daud aur usake sanagiyon ke khane ko yah sochakar le aa, ki jangal men ve log bookhe pyase aur thke mande honge.

## ADHYĀYA 18

**t**ab daud ne apane sang ke logon kee ginattee lee, aur un par sahasrpaati aur shatapati ttharaae.

<sup>2</sup> fir daud ne logon kee aek tihai to yoab ke, aur aek tihai sarooyah ke putra yoab ke bhai abeeshau ke, aur aek tihai gatee itteai ke, aadhaikar men karake yuddh men bhej diya. aur raja ne logon se kaha, maain bhee avashy tumhare sath chaloonga.

<sup>3</sup> logoen ne kaha, too jane n paaega. kyonaki chahe ham bhag jaae, taubhee ve hamaree chinta n karenge varan chahe ham men se adho mare bhee jaae, taubhee ve hamaree chinta n karenge. kyonki hamare sareekhe das hajaar purush haain isaaliye achchha yah haai ki too nagar men se hamaree sahayata karane ko taaiyar rahe.

<sup>4</sup> raja ne un se kaha, jo kuchh tumhen bhaae vahee maain karoonga. aur raja faattk kee aek or khda raha, aur sab log sau sau, aur hajaar, hajaar karake nikalane lage.

<sup>5</sup> aur raja ne yoab, abeeshau, aur itte ko agyaa dee, ki mere nimitt us javan, arthata abashaalom se komalata karana. yah agyaa raja ne abashaalom ke vishay sab pradhaanon ko sab logon ke sunate dee.

<sup>6</sup> so log israaeel ka samhala karane ko maaidan men nikale aur aepraaim nam van men yuddh hua.

- <sup>7</sup> vahan israaaelee log daud ke janon se har gaa, aur us din aeesa bada sanhar hua ki bees hajar khet aae.
- <sup>8</sup> aur yuddh us samast desh men faail gaya aur us din jitane log talavar se mare gaa, un se bhee adhaik van ke karan mar gaae.
- <sup>9</sup> sanyog se abashaalom aur daud ke janon kee bhennt ho gai. abashaalom to aek khchchar par chaddha hua ja raha tha, ki khchchar aek bade banj vraksha kee ghanee daaliyon ke neeche se gaya, aur usaka sir us banj vraksha men atk gaya, aur vah adhar men lattka rah gaya, aur usaka khchchar nikal gaya.
- <sup>10</sup> isako dekhkar kisee manushy ne yoab ko bataya, ki maain ne abashaalom ko banj vraksha men ttnga hua dekha.
- <sup>11</sup> yoab ne batanevale se kaha, too ne yah dekha ! fir kyon use vaheen marake boomi par n gira diya? to maain tujhe das tukade chandee aur aek kattbaind deta.
- <sup>12</sup> us manushy ne yoab se kaha, chahe mere hath men hajaar ttukade chandee taulakar diae jaaee, taubhee rajakumar ke viruddh hath n baddhaunga kyonaki ham logon ke sunate raja ne tujhe aur abeeshau aur ittaai ko yah agyaa dee, ki tum men se koi kyon n ho us javan arthata abashaalom ko n chooe.
- <sup>13</sup> yaadi maain dhaekha dekar usaka praan leta, to too ap mera virodhaee ho jata, kyonaki raja se koi bat chhpaiee naheen rahatee.
- <sup>14</sup> yoab ne kaha, maain tere sang yonhee tthara naheen rah sakata ! so us ne teen lakadee hath men lekar abashaalom ke day me, jo banj vraksha men jeevaati lattka tha, chhed dala.
- <sup>15</sup> tab yoab ke das hathaiyar ddhonevale javanon ne abashaalom ko ghorake aeesa mara ki vah mar gaya.
- <sup>16</sup> fir yoab ne narasinga foonka, aur log inraaael ka peechha karane se lautte kyonki yoab praja ko bachana chahata tha.
- <sup>17</sup> tab logon ne abashaalom ko utarake us van ke aek bade gadhe men dal diya, aur us par patthron ka aek bahut bada ddher laga diya aur sab israaaelee apate apane dere ko bhag gaae.
- <sup>18</sup> apane jeete jee abashaalom ne yah sochakar ki mere nam ka smaran karanevala koi putra mere naheen haai, apane liye vah latt khdee karai thee jo raja kee tarai men haai aur latt ka apana hee nam rakha, jo aj ke din tak abashaalom kee latt kahalatee haai.
- <sup>19</sup> aur sadok ke putra aheemas ne kaha, mujhe daudkar raja ko yah samachar dene de, ki yahova ne nyay karake tujhe tere shatrauon ke hath se bachaya haai.
- <sup>20</sup> yoab ne us se kaha, too aj ke din samachar n de doosare din samachar dene paaega, parantu aj samachar n de, isaaliye ki rajakumar mar gaya haai.
- <sup>21</sup> tab yoab ne aek kooshaee se kaha jo kuchh too ne dekha haai vah jakar raja ko bata de. to vah kooshaee yoab ko dandvata karake daud gaya.
- <sup>22</sup> fir sadok ke putra aheemas ne doosaree bar yoab se kaha, jo ho so ho, parantu mujhe bhee kooshaee ke peechhe daud jane de. yoab ne kaha, he mere bette, tere samachar ka kuchh badala n milega, fir too kyon daud jana chahata haai?
- <sup>23</sup> us ne yah kaha, jo ho so ho, parantu mujhe daud jane de. usane us se kaha, daud. tab aheemas dauda, aur tarai se hokar kooshaee ke age baddh gaya.
- <sup>24</sup> daud to do faattkon ke beech baaita tha, ki paharua jo faattk kee chht se hokar shaharapanah par chaddh gaya tha, us ne ankhen uttakar kya dekha, ki aek manushy akela dauda ata haai.
- <sup>25</sup> jab paharuae ne pukarake raja ko yah bata diya, tab raja ne kaha, yaadi akela ata ho, to sandesha lata hoga. vah daudte daudte nikal aya.

- <sup>26</sup> fir paharuae ne aek aur manushy ko daudte huae dekh faattk ke rakhvale ko pukarake kaha, sun, aek aur manushy akela dauda ata haai. raja ne kaha, vah bhee sandesha lata hoga.
- <sup>27</sup> paharuae ne kaha, pujhe to aeesa dekh padta haai ki pahale ka daudna sadok ke putra aheemas ka sa haai. raja ne kaha, vah to bhla manushy haai, to bhla sandesh lata hoga.
- <sup>28</sup> tab aheemas ne pukarake raja se kaha, kalyan. fir us ne boomi par munh ke bal gir raja ko dandvata karake kaha, tera parameshvar yahova dhany haai, jis ne mere prabhu raja ke viruddh hath uttanevale manushyon ko tere vash men kar diya haai !
- <sup>29</sup> raja ne poochha, kya us javan abashaalom ka kalyan haai? aheemas ne kaha, jab yoab ne raja ke karmacharee ko aur tere das ko bhej diya, tab mujhe badee bheed dekh padee, parantu maloom n hua ki kya hua tha.
- <sup>30</sup> raja ne kaha hattkar yaheen khda raha. aur vah hattkar khda raha.
- <sup>31</sup> tab kooshaee bhee a gaya aur kooshaee kahane laga, mere prabhu raja ke liye samachar haai. yahova ne aj nyay karake tujhe un sabhon ke hath se bachaya haai jo tere viruddh utte the.
- <sup>32</sup> raja ne kooshaee se poochha, kya vah javan arthata abashaalom kalyan se haai? kooshaee ne kaha, mere prabhu raja ke shatra, aur jitane teree haani ke liye utte haai, unakee dasa us javan kee see ho.
- <sup>33</sup> tab raja bahut ghabaraya, aur faattk ke upar kee attaree par rota hua chaddhne laga aur chalate chalate yon kahata gaya, ki hay mere bette abashaalom ! mere bette, hay ! mere bette abashaalom ! bhla hota ki maain ap teree santtee marata, hay ! abashaalom ! mere bette, mere bette !!

## ADHYĀYA 19

**t**ab yoab ko yah samachar mila, ki raja abashaalom ke liye ro raha haai aur vilap kar raha haai.

- <sup>2</sup> isaliye us din ka vijay sab logon kee samajh men vilap hee ka karan ban gaya kyonaki logon ne us din suna, ki raja apane bette ke liye kheadit haai.
- <sup>3</sup> aur us din log aeesa munh churakar nagar men ghause, jaaisa log yuddh se bhag ane se lajjait hokar munh churate haain.
- <sup>4</sup> aur raja munh ddhanpe huae chilla chillakar pukarata raha, ki hay mere bette abashaalom ! hay abashaalom, mere bette, mere bette !
- <sup>5</sup> tab yoab ghar men raja ke pas jakar kahane laga, tere karmachariyon ne aj ke din tera, aur tere bette-beattyaien ka aur teree patnaiyon aur rakheliyon ka praan to bachaya haai, parantu too te aj ke din un sabhon ka munh kala kiya haai
- <sup>6</sup> isaliye ki too apane baaiariyon se praem aur apane praeamiyon se baair rakhta haai. too ne aj yah pragatt kiya ki tujhe haakimon aur karmachaariyon kee kuchh chinta naheen varan maain ne aj jan liya, ki yadi ham sab aj mare jate aur abashaalom jeevit rahata, to too bahut prasann hota.
- <sup>7</sup> isaliye ab uttkar bahar ja, aur apane karmachariyon ko shaantai de taheen to maain yahova kee shapath khakar kahata hoo, ki yadi too bahar n jaaega, to aj rat ko aek manushy bhee tere sang n rahega aur tere bachapan se lekar ab tak jitane vipaattaiyan tujh par padee haain un sab se yah vipaattai badee hogee.
- <sup>8</sup> tab raja uttkar faattk men ja baaita. aur jab sab logon ko yah bataya gaya, ki raja faattk men baaita haai tab sab log raja ke samhane aae. aur israaaelee apane apane dere ko bhag gae the.

<sup>9</sup> aur israaael ke sab gotron men sab log apas men yah kahakar ddhgadte the, ki raja ne hamen hamare shatrauon ke hath se bachaya tha, aur paalishtaiyon ke hath se usee ne hamen chhudaya parantu ab vah abashaalom ke dr ke mare desh chhodkar bhag gaya.

<sup>10</sup> aur abashaalom jisako ham ne apana raja hone ko abhaishok kiya tha, vah yuddh men mar gaya haai. to ab tum kyon chup rahate? aur jaha ko lautta le apane kee charcha kyon naheen karate?

<sup>11</sup> tab raja daud ne sadok aur aebyatar yajakon ke pas kahala bheja, ki yahooddee puraniyon se kaho, ki tum log raja ko bhvan pahunchane ke liye sab se peechhe kyon hote ho jab ki samast israaael kee batacheet raja ke sunane men ai haai, ki usako bhvan men pahunchaaye?

<sup>12</sup> tum log to mere bhai, varan meree hee haddee aur mans ho to tum raja ko lautane men sab ke peechhe kyon hote ho?

<sup>13</sup> fir amasa se yah kaho, ki kya too meree haddee aur mans naheen haai? aur yadi too yoab ke sthan par sada ke liye senapaati n tthare, to parameshvar mujh se vaaisa hee varan us se bhee adhaik kare.

<sup>14</sup> is prakar us ne sab yahooddee purushaen ke man aeese apanee or kheench liya ki manon aek hee purush tha aur unhon ne raja ke pas kahala bheja, ki too apane sab karpachariyon ko sang lekar laut a.

<sup>15</sup> tab raja lautkar yaradan tak a gaya aur yahooddee log gilagal tak gaae ki us se milakar use yaradan par le aae.

<sup>16</sup> yahoodiyan ke sang gera ka putra binyameenee shaimme bhee jo bahooreemee tha fauta karake raja daud se bhentt karane ko gaya

<sup>17</sup> usake sang hazaar binyameenee purush the. aur shaul ke gharane ka karmacharee seeba apane pandrah putraen aur bees dason samet tha, aur ve raja ke samhane yaradan ke par panv paaidal utar gae.

<sup>18</sup> aur aek beda raja ke parivar ko par le ane, aur jis kam men vah use lagane chahe usee men lagane ke liye par gaya. aur jab raja yaradan par jane par tha, tab gera ka putra shaimme usake pavon par girake,

<sup>19</sup> raja se kahane laga, mera prabhu mere dosh ka lekha n kare, aur jis din mera prabhu raja yarooshalem ko chhod aya, us din tere das ne jo kuattlai kam kiya, use aeese smaran n kar ki raja use apane dhyan men rakhe.

<sup>20</sup> kyonaki tera das janata haai ki maain ne pap kiya dek, aj apane prabhu raja se bhentt karane ke liye yoosufa ke samast ghrane men se maain hee pahila aya hoo.

<sup>21</sup> tab sarooyah ke putra abeeshau ne kaha, shaimme ne jo yahova ke aabhaishaikt ko shaap diya tha, is karan kya usako vadha karana n chaahiye?

<sup>22</sup> daud ne kaha, he sarooyah ke betto, mujhe tum se kya kam, ki tum aj mere virodhaee tthare ho? aj kya israaael men kisee ko praan dand milega? kya maain naheen janata ki aj maain israaael ka raja hua hoo?

<sup>23</sup> fir raja ne shaimme se kaha, tujhe praan dand n milega. aur raja ne us se shapath bhee khai.

<sup>24</sup> tab shaul ka pota mapeeboshot raja se bhentt karane ko aya us ne raja ke chale jane ke din se usake kushal kshom se fir ane ke din tak n apane pavon ke nakoon katte, aur n apanee daddhee banavai, aur n apane kapade dhaulavaae the.

<sup>25</sup> to jab yarooshaleemee raja se milane ko gaa, tab raja ne us se poochha, he mapeeboshot, too mere sang kyon naheen gaya tha?

<sup>26</sup> us ne kaha, he mere prabhu, he raja, mere karmacharee ne mujhe dhaekha diya tha tera das jo pangu haai isaliye tere das ne socha, ki maain gadahe par kattee kasavakar us

par chaddh raja ke sath chala jaunga.

**27** aur mere karmacharee ne mere prabhu raja ke samhane meree chugalee khai. parantu mera prabhu raja parameshvar ke doot ke saman haai aur jo kuchh tujhe bhaae vahee kara.

**28** mere pita ka samast gharana teree or se praan dand ke yogy tha parantu too ne apane das ko apanee mej par khanevalon men gina haai. mujhe kya hak haai ki maain raja kee or dohai doon?

**29** raja ne us se kaha, too apanee bat kee charcha kson karata rahata haai? meree agyaa yah haai, ki us boomi ko tum aur seeba donon apas men bant lo.

**30** mapeeboshot ne raja se kaha, mere prabhu raja jo kushal kshom se apane ghar aya haai, isaaliye seeba hee sab kuchh le le.

**31** tab giladee barjillaai rogaleem se aya, aur raja ke sath yaradan par gaya, ki usako yaradan ke par pahunchaae.

**32** baarjillaai to vraddh purush tha, arthata assee parsha kee ayu ka tha jab tak raja mahanaaim men rahata tha tab tak vah usaka palan poshan karata raha kyonaki vah bahut dhanee tha.

**33** tab raja ne barjillaai se kaha, mere sang par chal, aur maain tujhe yarooshalem men apane pas rakhkar tera palan poshan karoonga.

**34** baarjillaai ne raja se kaha, mujhe kitane din jeevit rahana haai, ki maain raja ke sang yarooshalem ko jaun?

**35** aj maain assee varsha ka hoo kya maain bhle-bure ka vivek kar sakata hoo? kya tera das jo kuchh khata peeta haai usaka svad paahichan sakata haai? kya mujhe gavaaiyyon va gayikaon ka shabd ab sun padta haai? tera das ab apane prabhu raja ke liye kyon bojh ka karan ho?

**36** tere das raja ke sang yaradan par hee tak jaaega. raja isaka aeesa bada badala mujhe kyon de?

**37** apane das ko lautne de, ki maain apane hee nagar men apane mata pita ke kaabirstan ke pas maroon. parantu tera das kimham upaasthiat haai mere prabhu raja ke sang vah par jaae aur jaaisa tujhe bhaae vaaiya hee us se vyavahar karana.

**38** raja ne kaha, ha, kimhan mere sang par chalega, aur jaaisa tujhe bhaae vaaisa hee maain us se vyavahar karoonga varan jo kuchh too mujh se chahega vah maain tere liye karoonga.

**39** tab sab log yaradan par gaa, aur raja bhee par hua tab raja ne baarjillaai ko choomakar ashaeervad diya, aur vah apane sthan ko laut gaya.

**40** tab raja gilgal kee or par gaya, aur usake sang kimham par hua aur sab sahoodee logon ne aur adho israaaelee logon ne raja ko par pahunchaya.

**41** tab sab israaaelee purush raja ke pas aa, aur raja se kahane lage, kya karan haai ki hamare yahooddee bhai tujhe choree se le aa, aur parivar samet raja ko aur usake sab janon ko bhee yaradan par le aae haain?

**42** sab yahooddee purushaen ne israaaelee purushaen ko uttar diya, ki karan yah haai ki raja hamare gotra ka haai. to tum log is bat se kyon roott gaae ho? kya ham ne raja ka diya hua kuchh khaya haai? va us ne hamen kuchh dan diya haai?

**43** israaaelee purushaen ne yahooddee purushaen ko uttar diya, raja men das ansh hamare haain aur daud men hamara bhag tumhare bhag se bada haai. to fir tum ne hamen kyon tuchh jana? kya apane raja ke lautta le ane kee charcha paahile ham hee ne n kee thee? aur yahooddee purushaen ne israaaelee purushaen se aadhaik kadee baten kaheen.

## ADHYĀYA 20

**V**ahan sanyog se shoba nam aek binyameenee tha, vah ochha purush bikree ka putra tha vah naraasinga foonkakar kahane laga, daud men hamara kuchh ansh nahee, aur n yishau ke putra men hamara koi bhag haai he israaaeliyo, apane apane dere ko chale jao !

<sup>2</sup> isaliye sab israaaelee purush daud ke peechhe chalana chhodkar bikree ke putra shoba ke peechhe ho liae parantu sab yahooddee purush yaradan se yarooshalem tak apane raja ke sang lage rahe.

<sup>3</sup> tab daud yarooshalem ko apane bhvan men aya aur raja ne un das rakhealiyon ko, jinhen vah bhvan kee chaukasee karane ko chhod gaya tha, alag aek ghar men rakha, aur unaka palan poshan karata raha, parantu un se sahavas n kiya. isaliye ve apanee apanee mratyu ke din tak vidhavapan kee see dashta men jeevit hee band rahee.

<sup>4</sup> tab raja ne amasa se kaha, yahooddee purushaen ko teen din ke bheetar mere pas bula la, aur too bhee yahan upaasthiat rahana.

<sup>5</sup> tab amasa yahoodiyon ko bulane gaya parantu usake ttharaae huae samay se adhaik rah gaya.

<sup>6</sup> tab daud ne abeeshau se kaha, ab bikree ka putra shoba abashaalom se bhee hamaree aadhaik hani karega isaaliye too apane prabhu ke logon ko lekar usaka peechha kar, aeese n ho ki vah gaddhvale nagar pakar hamaree drashti se chhpai jaae.

<sup>7</sup> tab yoab ke jan, aur karetee aur palettee log, aur sab shoorageer usake peechhe ho liae aur bikree ke putra shoba ka peechha karane ko yarooshalem se nikale.

<sup>8</sup> ve gibbon men us bharee patthar ke pas pahunchhe hee the, ki amasa un se a mila. yoab to yoddha ka vasr faette se kase huae tha, aur us faette men aek talavar usakee kamar par apanee myan men bandhaee hui thee aur jab vah chala, tab vah nikalakar gir padee.

<sup>9</sup> to yoab ne amasa se poochha, he mere bhai, kya too kushal se haai? tab yoab ne apana dahina hath baddhakar amasa ko choomane ke liye usakee daddhee pakadee.

<sup>10</sup> parantu amasa ne us talavar kee kuchh chinta n kee jo yaab ke hath men thee aur us ne use amasa ke pett men bhonk dee, jis se usakee antadiyan nikalakar dharatee par gir padee, aur us ne usako doosaree bar n mara aur vah mar gaya. tab yoab aur usaka bhai abeeshau bikree ke putra shoba ka peechha karane ko chale.

<sup>11</sup> aur usake pas yaab ka aek javan khda hokar kahane laga, jo koi yoab ke paksha aur daud kee or ka ho vah yoab ke peechhe ho le.

<sup>12</sup> amasa to sadk ke madhy apane lohoo men lott raha tha. to jab us manushy ne dekha ki sab log khde ho gaae haai, tab amasa ko sadk par se maaidan men utta le gaya, aur jab dekha ki jitane usake pas ate haain ve khde ho jate haai, tab us ne usake upar aek kapada dal diya.

<sup>13</sup> usake sadk par se sarakaae jane par, sab log bikree ke putra shoba ka peechha karane ko yoab ke peechhe ho lie.

<sup>14</sup> aur vah sab israaaelee gotron men hokar abel aur betamaka aur beariyon ke desh tak pahuncha aur ve bhee ikatthe hokar usake peechhe ho liae.

<sup>15</sup> tab unhon ne usako betamaka ke abel men ghor liya aur nagar ke samhane aeese damadama bandha ki vah shaharapanah se satt gaya aur yoab ke sang ke sab log shaharapanah ko girane ke liye dhakka dene lage.

<sup>16</sup> tab aek buaddhiman rootraee ne nagar men se pukara, suno ! suno ! yoab se kaho, ki yahan aa, taki maain us se kuchh baten karoon.

<sup>17</sup> jab yoab usake nikatt gaya, tab sree ne poochha, kya too yoab haai? us ne kaha, ha,

maain vahee hoo. fir us ne us se kaha, apanee dasee ke vachan suna. us ne kaha, maain to sun raha hoo.

**18** vah kahane lagee, praacheenakal men to log kaha karate the, ki abel men poochha jaae aur is reeti jhgade ko nipatta dete the.

**19** maain to melaamilapavale aur vishvasayogy israaaeliyon men se hoo parantu too aek pradhan nagar nash karane ka yatn karata haai too yahova ke bhag ko kyon nigal jaaega?

**20** yoab ne uttar dekar kaha, yah mujh se door ho, door, ki maain nigal jaun va nash karoon !

**21** bat aeesee naheen haai. shoba nam aepraaim ke pahadee desh ka aek purush jo bikree ka putra haai, us ne daud raja ke viruddh hath uttaaya haai to tum log keval usee ko saunp do, tab maain nagar ko chhodkar chala jaunga. sree ne yoab se kaha, usaka sir shaharapanah par se tere pas faenk diya jaaega.

**22** tab sree apanee buaddhimanee se sab logon ke pas gai. tab unhon ne bikree ke putra shoba ka sir kattkar yoab ke pas faenk diya. tab yoab ne naraasinga foonka, aur sab log nagar ke pas se alag alag hokar apane apane dere ko gaae. aur yoab yarooshalem ko raja ke pas laut gaya.

**23** yoab to samast israaaelee sena ke upar pradhaan raha aur yahoyada ka mutra banayah karetiyon aur paletiyon ke upar tha

**24** aur adoram begaron ke upar tha aur aheelood ka putra yahoshaapat itihās ka lekhk tha

**25** aur shaya mantraee tha aur sadok aur aebyatar yajak the

**26** aur yairee ira bhee daud ka aek mantraee tha.

**d**aud ke dinon men lagatar teen baras tak akal pada to daud ne yahova se praarthna kee. yahova ne kaha, yah shaaul aur usake koonee gharane ke karan hua, kyonki us ne giboniyon ko marava dala tha.

**2** tab raja ne giboniyo ko bulakar un se baten keen. gibonee log to israaaeliyon men se naheen the, ve bache huae aemoriyo men se the aur israaaeliyon ne unake sath shapath khai thee, parantu shaaul ko jo israaaeliyon aur yahoodiyon ke diye jalan hui thee, is se us ne unhen mar dasane ke liye yatn kiya tha.

## ADHYĀYA 24

**a**ur yahova ka kop israaaeliyon par fir bhdka, aur us ne daud ko inakee hani ke liye yah kahakar ubhara, ki israaael aur yahooda kee ginatee le.

<sup>2</sup> so raja ne yoab senapaati se jo usake pas tha kaha, too dan se beshba tak rahanevale sab israaalee gotron men idhar udhar ghoom, aur tum log praja kee ginatee lo, taki maain jan loon ki praja kee kitane ginatee haai.

<sup>3</sup> yoab ne raja se kaha, praja ke log kitane hee kyon n ho, tera parameshvar yahova unako sauguna baddha de, aur mera prabhu raja ise apanee ankhone se dekhne bhee paae parantu, he mere prabhu, he raja, yah bat too kyon chahata haai?

<sup>4</sup> taubhee raja kee agyaa yoab aur senapaatiyon par prabal hui. so yoab aur senapati raja ke sammukh se israaalee praja kee ginatee lene ko nikal gae.

<sup>5</sup> unhon ne yaradan par jakar aroer nagar kee daahinee or dere khde kia, jo gad ke nale

ke madhy men aur yajer kee or haai.

<sup>6</sup> tab ve gilad men aur tahateemhodashae nam desh men gaa, fir danyan ko gaa, aur chakkar lagakar seedon men pahunche

<sup>7</sup> tab ve sor nam draddh gaddh, aur hibbaiyon aur kananiyon ke sab nagaron men gaae aur unhon ne yahooda desh kee dakkhian disha men beshonba men daura nipattaya.

<sup>8</sup> aur sab desh men idhar udhar ghoom ghoomakar ve nau maheene aur bees din ke beetane par yarooshalem ko aae.

<sup>9</sup> tab yoab ne praja kee ginatee ka jod raja ko sunaya aur talavar chalaneevale yoddha israaael ke to att lak, aur yahooda ke panch nakh nikale.

<sup>10</sup> praja kee ganna karane ke bad daud ka man vyakul hua. aur daud ne yahova se kaha, yah kam jo maain ne kiya vah mahapap haai. to ab, he yahova, apane das ka adharma door kara kyonaki mujh se badee moorkhta hui haai.

<sup>11</sup> bihan ko jab daud utta, tab yahova ka yah vachan gad nam nabee ke pas jo daud ka dasha tha pahuncha,

<sup>12</sup> ki jakar daud se kah, ki yahova yon kahata haai, ki maain tujh ko teen vipaattaiyan dikhata hoo un men se aek ko chun le, ki maain use tujh par daloon.

<sup>13</sup> so gad ne daud ke pas jakar isaka samachar diya, aur us se poochha, kya tere desh men sat varsha ka akal pade? va teen maheene tak tere shatra tera peechha karate rahen aur too un se bhagata rahe? va tere desh men teen din tak maree faailee rahe? ab soch vichar kar, ki maain apane bhejanevale ko kya uttar doon.

<sup>14</sup> daud ne gad se kaha, maai bade sankatt men hoo ham yahova ke hath men pade, kyonki usakee daya badee haai parantu manushy ke hath men maain n paoonga.

<sup>15</sup> tab yahova israaaeliyon men bihan se le ttharaae huae samay tak maree faailaae raha aur dan se lekar beshba tak rahanevalee praja men se sattar hajaar purush mar gaae.

<sup>16</sup> parantu jab doot ne yarooshalem ka nash karane ko us par apana hath baddhaya, tab yahova vah vipaattai dalakar shaeakit hua, aur praja ke nash karanevale doot se kaha, bas kara ab apana hath kheencha. aur yahova ka doot us samay arauna nam aek yaboossee ke khalihan ke pas tha.

<sup>17</sup> to jab praja ka nash karanevala doot daud ko dikhai pada, tab us ne yahova se kaha, dek, pap to maain hee ne kiya, aur kuattlaita maain hee ne kee haai parantu in bhodon ne kya kiya haai? so tera hath mere aur mere pita ke gharane ke viruddh ho.

<sup>18</sup> usee din gad ne daud ke pas akar us se kaha, jakar arauna yaboossee ke khalihan men yahova kee ek vedee banava.

<sup>19</sup> so daud yahova kee agyaa ke anusar gad ka vah vachan manakar vahan gaya.

<sup>20</sup> jab arauna ne draashtti kar daud ko karmachaariyo samet apanee or ate dekha, tab arauna ne nikalakar boomi par muh ke bal gir raja ko dandvata kee.
