

# PRAERITON KE KAM

Adhyāya: **1** 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17  
18 19 20 21 22 23 24 25 26 27 28

## ADHYĀYA 1

**h**e thaiyuafilus, maain ne paahilee puastaika un sab baton ke vishay men likhee, jo yeeshu ne arambh men kiya aur karata aur sikhata raha.

<sup>2</sup> us din tak jab vah un prariton ko jinhen us ne chuna tha, paavitra atma ke dara agyaa dekar upar uttaya n gaya.

<sup>3</sup> aur us ne du:kh uttane ke bad bahut se pakke pramanon se apane ap ko unhen jeeavit dikhaya, aur chalees din tak vah unhen dikhai deta raha: aur parameshvar ke rajy kee baten karata raha.

<sup>4</sup> or un se milakar unhen agyaa dee, ki yarooshalem ko n chhodo, parantu pita kee us praatigyaa ke poore hone kee batt jahate raho, jis kee charcha tum mujh se sun chuke ho.

<sup>5</sup> kyonaki yoohanna ne to panee men bapatisma diya haai parantu thode dinon ke bad tum paavitraatma se bapaatisma paoge.

<sup>6</sup> so unheen ne ikatthe hokar us se poochha, ki he prabhu, kya too isee samay israael ko rajy faer dega?

<sup>7</sup> us ne un se kaha un samayon ya kalon ko janana, jin ko pita ne apane hee aadhaikar men rakha haai, tumhara kam naheen.

<sup>8</sup> parantu jab pavitra atma tum par aaega tab tum samarth paoge aur yarooshalem aur sare yahoodiya aur samariya me, aur prathvee kee chhor tak mere gavah hoge.

<sup>9</sup> yah kahakar vah un ke dekhte dekhte upar utta liya gaya aur badal ne use un kee ankhon se chhpai liya.

<sup>10</sup> aur usake jate samay jab ve akash kee or tak rahe the, to dekho, do puroosh shvet vasr paahine huae un ke pas a khde hue.

<sup>11</sup> aur kahane lage he galeelee purooshae, tum kyon khde svarga kee or dekh rahe ho? yahee yeeshu, jo tumhare pas se svarga par utta liya gaya haai, jis reeti se tum ne use svarga ko jate dekha haai usee reeti se vah fir aaega..

<sup>12</sup> tab ve jaaitoon nam ke pahad se jo yarooshalem ke nikatt aek sabt ke din kee dooree par haai, yarooshalem ko lautte.

<sup>13</sup> aur jab vahan pahunche to ve us attaree par gaa, jahan pataras aur yoohanna aur yakoob aur aandairyas aur filippus aur thoma aur baratulamai aur mattee aur halafai ka putra yakoob aur shamaun jelotes aur yakoob ka putra yahooda rahate the.

<sup>14</sup> ye sab kai striayon aur yeeshu kee mata mariyam aur usake bhaiyon ke sath aek chitt hokar praarthna men lage rahe..

<sup>15</sup> aur unheen dinon men pataras bhaiyon ke beech men jo aek sau bees vyaktai ke

lagabhg ikatthe the, khda hokar kahane laga.

<sup>16</sup> he bhaiyo, avashy tha ki pavitra shaasr ka vah lekh poora ho, jo paavitra atma ne daud ke mukh se yahooda ke vishay men jo yeeshu ke pakadnevalon ka aguva tha, paahile se kahee thee.

<sup>17</sup> kyonaki vah to ham men gina gaya, aur is sevakai men sahabhagee hua.

<sup>18</sup> us ne adharm ke kamai se ek khet mol liya aur sir ke bal gira, aur usaka pett fatt gaya, aur us ke sab antadiyan nikal padee.

<sup>19</sup> aur is bat ko yarooshalem ke sab rahanevale jan gaa, yahan tak ki us khet ka nam un ke bhasha men hakaladama arthata lohoo ka khet pad gaya.

<sup>20</sup> kyonaki bhjan saahinta men likha haai, ki usaka ghar ujad jaa, aur us men koi n base aur usaka pad koi doosara le le.

<sup>21</sup> isaliye jitane din tak prabhu yeeshu hamare sath ata jata raha, arthata yohanna ke bapatisma se lekar usake hamare pas se uttaaee jane tak, jo log barabar hamare sath rahe.

<sup>22</sup> uchit haai ki un men se ek vyaaktai hamare sath usake jee uttne ka gavah ho jae.

<sup>23</sup> tak unhon ne do ko khda kiya, aek yusufa ko, jo bara-saba kahalata haai, jis ka upanam yoosatus haai, doosara maatiyyah ko.

<sup>24</sup> aur yah kahakar praarthna ke ki he prabhu, too jo sab ke man janata haai, yah pragatt kar ki in danon men se too ne kis ko chuna haai.

<sup>25</sup> ki vah is sevakai aur praaritari ka pad le jise yahooda chhod kar apne sthan ko gaya.

<sup>26</sup> tab unhon ne un ke bare men chitthiyan dalee, aur chitthee maatiyyah ke nam par nikalee, so vah un gyarah praeariton ke sath gina gaya..

## ADHYĀYA 2

**J**ab pintekus ka din aya, to ve sab aek jagah ikatthe the.

<sup>2</sup> aur aekaaek akash se badee andhaee ke see sanasanahatt ka shabd hua, aur us se sara ghar jahan ve baaithe the, goonj gaya.

<sup>3</sup> aur unhen ag ke see jeebhen fatttee hui dikhai deen aur un men se har aek par a tthareen.

<sup>4</sup> aur ve sab paavitra atma se bhr gaa, aur jis prakar atma ne unhen bolane ke samarth dee, ve any any bhasha bolane lage..

<sup>5</sup> aur akash ke neeche ke har aek jati men se bhkt yahooda yarooshalem men rahate the.

<sup>6</sup> jab vah shabd hua to bheed lag gai aur log ghabara gaa, kyunki har aek ko yahee sunai deta tha, ki ye merree hee bhasha men bol rahe haain.

<sup>7</sup> aur ve sab chaakit aur achaambhiat hokar kahane lage dekho, ye jo bol rahe haain kya sab galeelee naheen?

<sup>8</sup> to fir kyon ham men se har aek apanee apanee janm boomi ke bhasha sunata haai?

<sup>9</sup> ham jo parathee aur medee aur aelamee log aur misuputaamiya aur yahoodiya aur kappadookiya aur puntus aur aasiya.

<sup>10</sup> aur oogiya aur pamafooliya aur misar aur libooa desh jo kurene ke as pas haai, in sab deshaen ke rahanevale aur rome pravasee, kya yahooda kya yahooda mat dhaaran karanevale, kretee aur arabee bhee haain.

<sup>11</sup> parantu apanee apanee bhasha men un se parameshvar ke bade bade kamon ke charcha sunate haain.

- <sup>12</sup> aur ve sab chaakit hua, aur ghabarakar aek doosare se kahane lage ki yah kya hua chahata haai?
- <sup>13</sup> parantu auron ne ttttha karake kaha, ki ve to nai maadira ke nasho men haain..
- <sup>14</sup> pataras un gyarah ke sath khda hua aur unche shabd se kahane laga, ki he yahoodiyo, aur he yarooshalem ke sab rahanevalo, yah jan lo aur kan lagakar meree baten suno.
- <sup>15</sup> jaaisa tum samajh rahe ho, ye nashon men nahee, kyonki abhee to pahar hee din chaddha haai.
- <sup>16</sup> parantu yah vah bat haai, jo yoael bhvishyadvkta ke dara kahee gai haai.
- <sup>17</sup> ki parameshvar kahata haai, ki ant ki dinon men aeesa hoga, ki maain apana atma sab manushyon par undeloonga aur tumhare bette aur tumharee beattyaian bhavishyadanee karengae aur tumhare javan darshan dekhenge, aur tumhare puraaniae svapt dekhenge.
- <sup>18</sup> baran maain apane dason aur apanee dasiyon par bhee un dinon men apane atma men se undeloonga, aur ve bhavishyadanee karenge.
- <sup>19</sup> aur maain upar akash men adabhut kam, aur neeche dharatee par chinh, arthata loho, aur ag aur dhooaen ka badal dikhaunga.
- <sup>20</sup> prabhu ke mahan aur praasiddh din ke ane se paahile soorya andhora aur chand lohoo ho jaaega.
- <sup>21</sup> aur jo koi prabhu ka nam lega, vahee uddhar paaega.
- <sup>22</sup> he israaeliyo, ye baten suno: ki yeeshu nasaree aek manushy tha jis ka parameshvar kee or se hone ka praman un samarth ke kamon aur ashcharya ke kamon aur chinhon se pragatt haai, jo parameshvar ne tumhare beech usake dara kar dikhlade jise tum ap hee janate ho.
- <sup>23</sup> usee ko, jab vah parameshvar kee ttharai hui manasa aur honahar ke gyaan ke anasar pakadvaya gaya, to tum ne adharmiyon ke hath se use kroos par chaddhvakar mar dala.
- <sup>24</sup> parantu usee ko parameshvar ne mratyu ke bandhanon se chhudakar jilaya: kyonki yah anahona tha ki vah usake vash men rahata.
- <sup>25</sup> kyonaki daud usake vishay men kahata haai, ki maain prabhu ko sarvada apane samhane dekhta raha kyonki vah meree daahinee or haai, taki maain dgi n jaun.
- <sup>26</sup> isee karan mera man anand hua, aur meree jeebh magan hui baran mera shreer bhee asha men basa rahega.
- <sup>27</sup> kyonaki too mere praanon ko adhaelok men n chhodega aur n apane paavitra jan ko sadne hee dega!
- <sup>28</sup> too ne mujhe jeevan ka marga bataya he too mujhe apane darshan ke dara anand se bhr dega.
- <sup>29</sup> he bhaiyo, maain us kulapati daud ke vishay men tum se sahas ke sath kah sakata hoon ki vah to mar gaya aur gada bhee gaya aur us kee kabra aj tak hamare yahan vartaman haai.
- <sup>30</sup> so bhavishyadvkta hokar aur yah janakar ki parameshvar ne mujh se shapath khai haai, ki parameshvar ne mujh se shapath khai haai, ki maain tere vansh men se aek vyaaktai ko tere sinhasan par baaitaunga.
- <sup>31</sup> us ne honahar ko paahile hee se dekhkar maseeh ke jee uttne ke vishay men bhavishyadanee kee ki n to usaka praan adhaelok men chhoda gaya, aur n us kee deh sadne pai.
- <sup>32</sup> isee yeeshu ko parameshvar ne jilaya, jis ke ham sab gavah haain.
- <sup>33</sup> is prakar parameshvar ke dahine hath se savorchch pad pakar, aur pita se vah paavitra atma praapt karake jis kee pratigyaa kee gai thee, us ne yah undel diya haai jo tum

dekhthe aur sanate ho.

<sup>34</sup> kyonaki daud to svarga par naheen chaddha parantu vah ap kahata haai, ki prabhu ne mere prabhu se kaha

<sup>35</sup> mere dahine baait, jab tak ki maain tere baaiariyon ko tere panvon tale kee chaukee n kar doon.

<sup>36</sup> so ab israael ka sara gharana nishchay jan le ki parameshvar ne usee yeeshu ko jise tum ne kroos par chaddhaya, prabhu bhee ttharaya aur maseeh bhee..

<sup>37</sup> tab sunanevalon ke day chhdai gaa, aur ve pataras aur shosh praeaiton se poochhne lage, ki he bhaiyo, ham kya karen?

<sup>38</sup> pataras ne un se kaha, man firao, aur tum men se har aek apane apane papon kee kshama ke liye yeeshu maseeh ke nam se bapatisma le to tum pavitra atma ka dan paoge.

<sup>39</sup> kyonaki yah pratigyaa tum, aur tumharee santano, aur un sab door door ke logon ke liye bhee haai jinako prabhu hamara parameshvar apane pas bulaaega.

<sup>40</sup> us ne bahut or baton men bhee gavahee de dekar samajhaya ki apane ap ko is tteddhee jati se bachao.

<sup>41</sup> so jinhon ne usaka vachan grahan kiya unhon ne bapatisma liya aur usee din teen hajar manushyon ke lagabhg un men mil gaae.

<sup>42</sup> aur ve praaiton se shaiksha pane, aur sangati rakhne men aur rottee todne men aur praarthna karane men lauleen rahe..

<sup>43</sup> aur sab logon par bhy chha gaya, aur bahut se adabhut kam aur chinh praeriton ke dara pragatt hote the.

<sup>44</sup> aur ve sab vishvas karanevale ikatthe rahate the, aur un kee sab vastuen sajhe kee thee.

<sup>45</sup> aur ve apanee apanee sampatti aur saman bech bechakar jaaisee jis kee avashyakata hotee thee bantti diya karate the.

<sup>46</sup> aur ve praati din aek man hokar maandair men ikatthe hote the, aur ghar ghar rottee todte huae anand aur man kee seedhaai se bhojan kiya karate the.

<sup>47</sup> aur parameshvar kee stuti karate the, aur sab log un se prasann the: aur jo uddhar pate the, unako prabhu praati din un men mila deta tha..

## ADHYĀYA 3

**p**ataras aur yoohanna teesare pahar praarthna ke samay mandair men ja rahe the.

<sup>2</sup> aur log aek janm ke langade ko la rahe the, jis ko ve prati din mandair ke us dar par jo sundar kahalata haai, baaita dete the, ki vah mandair men janevalon se bheekh mange.

<sup>3</sup> jab us ne pataras aur yoohanna ko maandair men jate dekha, to un se bheekh mangee.

<sup>4</sup> pataras ne yoohanna ke sath us kee or dhyan se dekhkar kaha, hamaree or dekh.

<sup>5</sup> so vah un se kuchh pane kee asha rakhte huae un kee or takane laga.

<sup>6</sup> tab pataras ne kaha, chandee aur sona to mere pas haai naheen parantu jo mere pas haai, vah tujhe deta hoon: yeeshu maseeh nasaree ke nam se chal fir.

<sup>7</sup> aur us ne usaka daahina hath pakad ke usee utthaya: aur turant usake pavon aur ttkhnon men bal a gaya.

<sup>8</sup> aur vah uchhlakar khda ho gaya, aur chalane firane laga aur chalata aur koodata, aur parameshvar kee stuati karata hua un ke sath maandair men gaya.

<sup>9</sup> sab logon ne usee chalate firate aur parameshvar kee stuati karate dekhkara.

- <sup>10</sup> us ko pahachan liya ki yah vahee haai, jo mandair ke sundar faattk par baait kar bheekh manga karata tha aur us ghattna se jo usake sath hui thee ve bahut achaambhiat aur chaakit hue..
- <sup>11</sup> jab vah pataras aur yoohanna ko pakade huae tha, to sab log bahut achambha karate huae us osare men jo sulaaiman ka kahalata haai, un ke pas daude aae.
- <sup>12</sup> yah dekhkar pataras ne logon se kaha he israaeliyo, tum is manushy par kyon achambha karate ho, aur hamaree or kyon is prakar dekh rahe ho, ki mano ham hee ne apanee samarth ya bhaktai se ise chalana-firata kar diya.
- <sup>13</sup> ibraaheem aur isahak aur yakoob ke parameshvar, hamare bapadadon ke parameshvar ne apane sevak yeeshu ke mahima kee, jise tum ne pakadva diya, aur jab peelatus ne use chhod dene ka vichar kiya, tab tum ne usake samhane usaka inkar kiya.
- <sup>14</sup> tum ne us paavitra aur dharmee ka inkar kiya, aur binatee kee, ki aek hatyare ko tumhare liye chhod diya jaae.
- <sup>15</sup> aur tum ne jeevan ke kartta ko mar dala, jise parameshvar ne mare huon men se jilaya aur is bat ke ham gavah haain.
- <sup>16</sup> aur usee ke nam ne, us vishvas ke dara jo usake nam par haai, is manushy ko jise tum dekhte ho aur janate bhee ho samarth dee haai aur nishchay usee vishvas ne jo usake dara haai, is ko tum sab ke samhane bilakul bhla changa kar diya haai.
- <sup>17</sup> aur ab he bhaiyo, maain janata hoon ki yah kam tum ne agyaanata se kiya, aur vaaisa hee tumhare saradaron ne bhee kiya.
- <sup>18</sup> parantu jin baton ko parameshvar ne sab bhavishyadvktaon ke mukh se pahile hee bataya tha, ki usaka maseeh du:kh uttaaega unhen us ne is reeati se pooree kiya.
- <sup>19</sup> isaliye, man firao aur laut aao ki tumhare pap mittaae jaae, jis se prabhu ke sammukh se vishraaantai ke din aae.
- <sup>20</sup> aur vah us maseeh yeeshu ko bheje jo tumhare liye paahile hee se ttharaya gaya haai.
- <sup>21</sup> avashy haai ki vah svarga men us samay tak rahe jab tak ki vah sab baton ka sudhaar n kar le jis kee charcha parameshvar ne apane paavitra bhavishyadvktaon ke mukh se kee haai, jo jagat kee utpati se hote aae haain.
- <sup>22</sup> jaaisa ki moosa ne kaha, prabhu parameshvar tumhare bhaiyon men se tumhare liye mujh sa aek bhavishyadvkta uttaaega, jo kuchh vah tum se kahe, us kee sunana.
- <sup>23</sup> parantu pratyek manushy jo us bhvishyadvkta kee n sune, logon men se nash kiya jaaega.
- <sup>24</sup> aur samuel se lekar ukase bad balon tak jitane bhvishyadvktaon ne bat keehan un sab ne in dinon ka sandesh diya haai.
- <sup>25</sup> tum bhavishyadvktaon kee santan aur us vacha ke bhagee ho, jo parameshvar ne tumhare bapadadon se bandhae, jab us ne ibraaheem se kaha, ki tere vansh ke dara prathvee ke sare gharane ashaeesh paaenge.
- <sup>26</sup> parameshvar ne apane sevak ko uttakar pahil tumhare pas bheja, ki tum men se har aek kee us kee buraiyon se faerakar ashaeesh de..

## ADHYĀYA 4

**J**ab ve logon se yah kah rahe the, to yajak aur mandair ke saradar aur sadookee un par chaddh aae.

<sup>2</sup> kyonaki ve bahut krodhait huae ki ve logon ko sikhate the aur yeeshu ka udaharan de dekar mare huon ke jee uttne ka prachar karate the.

- <sup>3</sup> aur unhon ne unhen pakadkar doosare din tak havalat men rakha kyonaki sandhaya ho gai thee.
- <sup>4</sup> parantu vachan ke sunanevalon men se bahuton ne vishvas kiya, aur un kee ginatee panch hajar purooshaen ke lagabhg ho gai..
- <sup>5</sup> doosare din aeesa hua ki un ke saradar aur puraaniye aur shaasree.
- <sup>6</sup> aur mahayajak hanna aur kaaifaa aur yoohanna aur sikandar aur jitane mahayajak ke gharane ke the, sab yarooshalem men ikatthe hue.
- <sup>7</sup> aur unhen beech men khda karake poochhne lage, ki tum ne yah kam kis samarth se aur kis nam se kiya haai?
- <sup>8</sup> tab pataras ne paavitra atma se paaripoorn hokar un se kaha.
- <sup>9</sup> he logon ke saradaron aur puraniyo, is durbal manushy ke sath jo bhlai kee gai haai, yaadi aj ham se usake vishay men poochh pachh kee jatee haai, ki vah kyonkar achchha hua.
- <sup>10</sup> to tum sab aur sare israaelee log jan len ki yeeshu maseeh nasaree ke nam se jise tum ne kroos par chaddhaya, aur parameshvar ne mare huon men se jilaya, yah manushy tumhare samhane bhla changa khda haai.
- <sup>11</sup> yah vahee patthr haai jise tum rajamisriyon ne tuchchh jata aur vah kone ke sire ka patthr ho gaya.
- <sup>12</sup> aur kisee doosare ke dara uddhar naheen kyonki svarga ke neeche manushyon men aur koi doosara nam naheen diya gaya, jis ke dara ham uddhar pa saken..
- <sup>13</sup> jab unhon ne pataras aur yoohanna ka hiyav dekha, or yah jana ki ye anapaddh aur sadhaaran manushy haai, to achambha kiya fir un ko pahachana, ki ye yeeshu ke sath rahe haain.
- <sup>14</sup> aur us manushy ko jo achchha hua tha, un ke sath khde dekhkar, ve virodha men kuchh n kah sake.
- <sup>15</sup> parantu unhen sabha ke bahar jane kee agyaa dekar, ve apas men vichar karane lage,
- <sup>16</sup> ki ham in manushyon ke sath kya karen? kyonki yarooshalem ke sab rahanevalon par pragatt haai, ki in ke dara aek praasiddh chinh dikhaya gaya haai aur ham usaka inkar nahanee kar sakate.
- <sup>17</sup> parantu isaaliye ki yah bat logon men aur aadhaik faail n jaa, ham unhen dhamakaae, ki ve is nam se fir kisee manushy se baten n karen.
- <sup>18</sup> tab unhen bulaya aur chitaunee dekar yah kaha, ki yeeshu ke nam se kuchh bhee n bolana aur n sikhlana.
- <sup>19</sup> parantu pataras aur yoohanna ne un ko uttr diya, ki tum hee nyay karo, ki kya yah parameshvar ke nikatt bhla haai, ki ham parameshvar kee bat se baddhkar tumharee bat manen.
- <sup>20</sup> kyonaki yah to ham men ho naheen sakata, ki jo ham ne dekha aur suna haai, vah n kahen.
- <sup>21</sup> tab unhon ne un ko aur dhamakakar chhod diya, kyonaki logon ke karan unhen dand dene ka koi danv naheen mila, isaliye ki jo ghattna hui thee usake karan sab log parameshvar kee badai karate the.
- <sup>22</sup> kyonaki vah manushy, jis par yah changa karane ka chinh dikhaya gaya tha, chalees varsha se aadhaik ayu ka tha.
- <sup>23</sup> ve chootkar apane sathaiyon ke pas aa, aur jo kuchh mahayajakon aur puraaniyon ne un se kaha tha, unako suna diya.
- <sup>24</sup> yah sunakar, unhon ne aek chitt hokar unche shabd se parameshvar se kaha, he

svamee, too vahee haai jis ne savarga aur prathvee aur samudra aur jo kuchh un men haai banaya.

<sup>25</sup> too ne paavitra atma ke dara apane sevak hamare pita daud ke mukh se kaha, ki any jaatiyon ne hullad kyon machaya? aur desh ke logon ne kyon vyarth baten sochee?

<sup>26</sup> prabhu aur usake maseeh ke virodha men prathvee ke raja khde hua, aur haakim aek sath ikatthe ho gaae.

<sup>27</sup> kyonaki sachamuch tere sevak yeeshu ke virodha me, jis too ne abhaishok kiya, herodes aur puantaiyus peelatus bhee any jatiyon aur israaeliyon ke sath is nagar men ikatthe hue.

<sup>28</sup> ki jo kuchh pahile se teree samarth aur mati se tthara tha vahee karen.

<sup>29</sup> ab, he prabhu, un kee dhamakiyon ko dekh aur apane dason ko yah baradan de, ki tera vachan bade hiyav se sunaaen.

<sup>30</sup> aur changa karane ke liye too apana hath baddha ki chinh aur adabhut kam tere pavitra sevak yeeshu ke nam se kiae jaaen.

<sup>31</sup> jab ve praarthna kar chuke, to vah sthan jahan ve ikatthe the hil gaya, aur ve sab paavitra atma se paaripoorn ho gaa, aur parameshvar ka vachan hiyav se sunate rahe..

<sup>32</sup> aur vishvas karanevalon kee mandlee aek chitt aur aek man ke the yahan tak ki koi bhee apanee sampatti apanee naheen kahata tha, parantu sab kuchh sajhe ka tha.

<sup>33</sup> aur praarit badee samarth se prabhu yeeshu ke jee uttne kee gavahee dete rahe aur un sab par bada anugrah tha.

<sup>34</sup> aur un men koi bhee daridra n tha, kyonki jin ke pas boomi ya ghar the, ve un ko bech bechakar, bikee hui vastuon ka dam late, aur use praariton ke panvon par rakhte the.

<sup>35</sup> aur jaaisee jise avashyakata hotee thee, usake anusar har aek ko bant diya karate the.

<sup>36</sup> aur yoosufa nam, krupraus ka aek levee tha jisaka nam praeariton ne bara-naba arthata shaantai ka putra rakha tha.

<sup>37</sup> us kee kuchh boomi thee, jise us ne becha, aur dam ke roopaye lakar praeriton ke panvon par rakh die..

## ADHYĀYA 5

**a**ur hananyah nam aek manushy, aur us kee patnee safaeera ne kuchh boomi bechee.

<sup>2</sup> aur usake dam men se kuchh rakh chhoda aur yah bat us kee patnee bhee janatee thee, aur usaka aek bhag lakar prariton ke pavon ke age rakh diya.

<sup>3</sup> uparantu pataras ne kaha he hananyaha! shautan ne tere man men yah bat kyon dalee haai ki too pavitra atma se joott bole, aur boomi ke dam men se kuchh rakh chhode?

<sup>4</sup> jab tak vah tere pas rahee, kya teree n thee? aur jab bik gai to kya tere vash men n thee? too ne yah bat apane man men kyon vicharee? too manushyon se nahee, parantu parameshvar se joott bola.

<sup>5</sup> ye baten sunate hee hananyah gir pada, aur praan chhod diae aur sab sunanevalon par bada bhy chha gaya.

<sup>6</sup> fir javanon ne uttkar usakee arthee banai aur bahar le jakar gaddh diya..

<sup>7</sup> lagabgh teen ghannte ke bad us kee patnee, jo kuchh hua tha n janakar, bheetar ai.

<sup>8</sup> tab pataras ne us se kaha mujhe bata kya tum ne vah boomi itane hee men bechee thee? us ne kaha ha, itane hee men.

<sup>9</sup> pataras ne us se kaha yah kya bat haai, ki tum donon ne prabhu kee atma kee pareeksha ke liye aeka kiya haai? dek, tere pati ke gadnevale dar hee par khde haai, aur

tujhe bhee bahar le jaaenge.

**10** tab vah turant usake panvon par gir padee, aur praan chhod diae: aur javanon ne bheetar akar use mara paya, aur bahar le jakar usake pati ke pas gad diya.

**11** aur saree kaleesiya par aur in baton ke sab sunanevalon par, bada bhy chha gaya..

**12** aur praeriton ke hathon se bahut chinh aur adabhut kam logon ke beech men dikhaae jate the, aur ve sab aek chitt hokar sulaaيمان ke osare men ikatthe hua karate the.

**13** parantu auron men se kisee ko yah hiya n hota tha, un men ja milen taubhee log un kee badaai. karate the.

**14** aur vishvas karanevale bahutere puroosh aur striayan prabhu kee kaleesiya men aur bhee aadhaik akar milate rahe.

**15** yahan tak ki log beemaron ko sadkon par la lakar, khatton aur khtolon par litta dete the, ki jab pataras aa, to us kee chhaya hee un men se kisee par pad jaae.

**16** aur yarooshalem ke as pas ke nagaron se bhee bahut log beemaron aur ashruddh atmaon ke sataae huon ka la lakar, ikatthe hote the, aur sab achchhe kar diae jate the..

**17** tab mahayajak aur usake sab sathee jo sadookiyon ke panth ke the, dah se bhr kar utte.

**18** aur praariton ko pakadkar bandeegrah men band kar diya.

**19** parantu rat ko prabhu ke aek svargadoot ne bandeegrah ke dar kholakar unhen bahar lakar kaha.

**20** ki jao, maandair men khde hokar, is jeevan kee sab baten logon ko sunao.

**21** ve yah sunakar bhor hote hee maandair men jakar upadesh dene lage: parantu mahayajak aur usake sathaiyon ne akar mahasabha ko aur israaeliyon ke sab puraniyon ko ikatthe kiya, aur bandeegrah men kahala bheja ki unhen laaen.

**22** parantu pyadon ne vahan pahunchakar unhen bandeegrah men n paya, aur lauttkar sandesh diya.

**23** ki ham ne bandeegrah ko badee chaukasee se band kiya hua, aur paharevalon ko bahar daron par khde huae paya paranatu jab khola, to bheetar koi n mila.

**24** jab maandair ke saradar aur mahayajakon ne ye baten sanee, to un ke vishay men bharee chinta men pad gae ki yah kya hua chahata haai?

**25** itane men kisee ne akar unhen bataya, ki dekho, jinhen tum ne bandeegrah men band rakha tha, ve manushy maandair men khde huae logon ko upadesh de rahe haain.

**26** tak saradar, pyadon ke sath jakar, unhen le aya, parantu barabas nahee, kyonki ve logon se drate the, ki hamen patthravah n karen.

**27** unhon ne unhen fir lakar mahasabha ke samhane khda kar disha: aur mahayajak ne un se poochha.

**28** kya ham ne tumhen chitakar agyaa n dee thee, ki tum is nam se upadesh n karana? taubhee dekho, tum ne sare yarooshalem ko apane upadesh se bhr diya haai aur us vyaktai ka lohoo hamaree gardan par lana chahate ho.

**29** tak pataras aur, aur praeriton ne uttr diya, ki manushyon kee agyaa se baddhkar parameshvar kee agyaa ka palan karana hee kartavy karma haai.

**30** hamare bapadadon ke parameshvar ne yeeshu ko jilaya, jise tum ne kroos par lattkakar mar dala tha.

**31** usee ko parameshvar ne prabhu aur uddharak ttharakar, apane daahine hath se savorchch kar diya, ki vah israaeliyon ko man firav kee shaaktai aur papon kee kshama pradan kare.

**32** aur ham in baton ke gavah haai, aur pavitra atma bhee, jise parameshvar ne unhen

diya haai, jo us kee agyaa manate haain..

<sup>33</sup> yah sunakar ve jal gaa, aur unhen mar dalana chaha.

<sup>34</sup> parantu gamaleeael nam aek fareesee ne jo vyavasthapak aur sab logon men mananeey tha, nyayalay men khde hokar praeriton ko thodee der ke liye bahar kar dene kee agyaa dee.

<sup>35</sup> tak us ne kaha, he israaeliyo, jo kuchh in manushyon se kiya chahate ho, soch samajh ke karana.

<sup>36</sup> kyonaki in dinon se pahale thaiyoodas yah kahata hua utta, ki maain bhee kuchh hoon aur koi char sau manushy usake sath ho liye, parantu vah mara gaya aur jitane log use manate the, sab tittr bittr huae aur mitt gaae.

<sup>37</sup> usake bad nam likhai ke dinon men yahooda galeelee utta, aur kuchh log apanee or kar liye: vah bhee nash ho gaya, aur jitane lage use manate the, sab tittr bittr ho gae.

<sup>38</sup> isaliye ab maain tum se kahata hoo, in manushyon se door hee raho aur un se kuchh kam n rakho kyonaki yadi yah dharma ya kam manushyon kee or se ho tab to mitt jaaega.

<sup>39</sup> parantu yadi parameshvar kee or se haai, to tum unhen kadapi mitta n sakoge kaheen aeese n ho, ki tum parameshvar se bhee ladnevale ttharo.

<sup>40</sup> tab unhon ne us kee bat man lee aur praeriton ko bulakar pittvaya aur yah agyaa dekar chhod diya, ki yeeshu ke nam se fir baten n karana.

<sup>41</sup> ve is bat se anandait hokar mahasabha ke samhane se chale gaa, ki ham usake nam ke liye niradar hone ke yogy ho tthare.

<sup>42</sup> aur praati din mandair men aur ghar ghar men upadesh karane, aur is bat ka susamachar sunane se, ki yeeshu hee maseeh haai n rooke..

## ADHYĀYA 6

**U**n dinon men jab chele bahut hone jate the, to yoonanee bhasha bolanevale ibraaaniyon par kudkudane lage, ki prati din kee sevakai men hamaree vidhavaon kee suadhai naheen lee jatee.

<sup>2</sup> tab un barahon ne chelon kee mandlee ko apane pas bulakar kaha, yah tteek naheen ki ham parameshvar ka vachan chhodkar khailanepilane kee seva men rahen.

<sup>3</sup> isaliye he bhaiyo, apane men se sat sunam purooshaen ko jo paavitra atma aur buaddh ise paaripoorn ho, chun lo, ki ham unhen is kam par tthara den.

<sup>4</sup> parantu ham to praarthna men aur vachan kee seva men lage rahenge.

<sup>5</sup> yah bat saree mandlee ko achchhee lagee, aur unhon ne staiufanus nam aek puroosh ko jo vishvas aur pavitra atma se paaripoorn tha, aur filippus aur prakhuroos aur neekanor aur teemon aur paraminas aur antakeevala neekulaus ko jo yahoodae mat men a gaya tha, chun liya.

<sup>6</sup> aur inhen praeriton ke samhane khda kiya aur unhon ne praarthna karake un par hath rakhe.

<sup>7</sup> aur parameshvar ka vachan faailata gaya aur yarooshalem men chelon kee ginatee bahut baddhtee gai aur yajakon ka aek bada samaj is mat ke adhaeen ho gaya.

<sup>8</sup> staifaunus anugrah aur samarth men paripoorn hokar logon men bade bade adabhut kam aur chinh dikhaya karata tha.

<sup>9</sup> tab us aradhanalay men se jo libarateenon kee kahalatee thee, aur kurenee aur sikandaariya aur kilaakiya aur aeshaeeya ke logon men se kai aek uttkar staifanus se vada-vivad karane lage.

- <sup>10</sup> parantu us gyaan aur un atma ka jis se vah baten karata tha, ve samhana n kar sake.
- <sup>11</sup> is par unho ne kai logon ko ubhara jo kahane lage, ki ham ne is moosa aur parameshvar ke virodha men ninda kee baten kahate suna haai.
- <sup>12</sup> aur logon aur praacheenon aur shaastriayon ko bhdhakar chaddh aae aur use pakadkar mahasabha men le aae.
- <sup>13</sup> aur jootte gavah khde kia, jinhon ne kaha ki yah manushy is pavitra sthan aur vyavastha ke virodha men bolana naheen chhodta.
- <sup>14</sup> kyonaki ham ne use yah kahate suna haai, ki yahee yeeshu nasaree is jagah ko ddha dega, aur un reeton ko badal dalega jo moosa ne hamen saunpee haain.
- <sup>15</sup> tab sab logon ne jo sabha men baaitte the, us kee or takakar usaka mukhda svargadoot ka sa dekha..

## ADHYĀYA 7

**t**ab mahayajak ne kaha, kya ye baten yon hee haai?

- <sup>2</sup> us ne kaha he bhaiyo, aur pitaro suno, hamara pita ibraaheem haran men basane se paahile jab misuputaamiya men tha to tejomay parameshvar ne use darshan diya.
- <sup>3</sup> aur us se kaha ki too apane desh aur apane kuttumb se nikalakar us desh me chala ja, jise maain tujhe dikhaunga.
- <sup>4</sup> tab vah kasadiyon ke desh se nikalakar haran men ja basa aur usake pita kee mratyu ke bad parameshvar ne usako vahan se is desh men lakar basaya jis men ab tum basate ho.
- <sup>5</sup> aur usako kuchh meeras baran paair rakhne bhr kee bhee us men jagah n dee, parantu praatigyaa kee ki maain yah desha, tere aur tere bad tere vansh ke hath kar doonga yadhyapi us samay usake koi putra bhee n tha.
- <sup>6</sup> aur parameshvar ne yon kaha ki teree santan ke log paraye desh men paradeshae honge, aur ve unhen das banaaenge, aur char sau varsha tak dukh denge.
- <sup>7</sup> fir parameshvar ne kaha jis jati ke ve das honge, us ko maain dand doonga aur is ke bad ve nikalakar isee jagah meree seva karenge.
- <sup>8</sup> aur us ne us se khtane kee vacha bandhaee aur isee dasa men isahak us se utpann hua aur attven din usaka khtana kiya gaya aur isahak se yakoob aur yakoob se barah kulapaati utpann huae.
- <sup>9</sup> aur kulapaatiyon ne yoosufa se dah karake use misar desh janevalon ke hath becha parantu parameshvar usake sath tha.
- <sup>10</sup> aur use usake sab kleshaen se chhudakar misar ke raja firaun ke age anugrah aur buddh idee, aur us ne use misar par aur apane sare ghar par hakim ttharaya.
- <sup>11</sup> tab misar aur kanan ke sare desh men akal pada jis se bharee klesh hua, aur hamare bapadadon ko ann naheen milata tha.
- <sup>12</sup> parantu yakoob ne yah sunakar, ki misar men anaj haai, hamare bapadadon ko pahilee bar bheja.
- <sup>13</sup> aur doosaree bar yoosufa apane bhaiyon par pragatt ko gaya, aur yoosuufa kee jaati firaun ko maloom ho gai.
- <sup>14</sup> tab yoosufa ne apane pita yakoob aur apane sare kuttumb ko, jo pachhtr vyaakta the, bula bheja.
- <sup>15</sup> tab yakoob misar men gaya aur vahan vah aur hamare bapadade mar gaae.
- <sup>16</sup> aur ve shaikim men pahunchaae jakar us kabra men rakhe gaa, jise ibraaheem n chandee dekar shaikim men hamor kee santan se mol liya tha.

- 17 parantu jab us pratigyaa ke poore hone ka samay nikatt aya, to parameshvar ne ibraaheem se kee thee, to misar men ve log baddh gaae aur bahut ho gaae.
- 18 jab tak ki misar men doosara raja n hua jo yoosufa ko naheen janata tha.
- 19 us ne hamaree jaati se chaturai karake hamare bapadadon ke sath yahan tak kuvyohar kiya, ki unhen apane balakon ko faenk dena pada ki ve jeevit n rahen.
- 20 us samay moosa utpann hua jo bahut hee sundar tha aur vah teen maheene tak apane pita ke ghar men pala gaya.
- 21 parantu jab faenk diya gaya to firauun kee bettee ne use utta liya, aur apana putra karake pala.
- 22 aur moosa ko misaariyon kee saree vidha paddhai gai, aur vah baton aur kamon men samarthee tha.
- 23 jab vah chalees varsha ka hua, to usake man men aya ki maain apane israaelee bhaiyon se bhennt karoon.
- 24 aur us ne aek vyaktai par anyay hone dekhkar, use bachaya, aur misaree ko marakar sataae huae ka palatta liya.
- 25 us ne socha, ki mere bhai samajhenge ki parameshvar mere hathon se un ka uddhar karega, parantu unhon ne n samajha.
- 26 doosare din jab ve apas men lad rahe the, to vah vahan a nikala aur yah kahake unhen mel karane ke liye samajhaya, ki he purooshae, tum to bhai bhai ho, aek doosare par kyon anyay karate ho?
- 27 parantu jo apane padosee par anyay kar raha tha, us ne use yah kahakar hatta diya, ki tujhe kis ne ham par hakim aur nyayee tharaya haai?
- 28 kya jis reeti se too ne kal misaree ko mar dala mujhe bhee mar dalana chahata haai?
- 29 yah bat sunakar, moosa bhaga aur midhan desh men paradeshaee hokar rahane laga: aur vahan usake do putra utpann hue.
- 30 jab poore chalees varsha beet gaa, to aek svarga doot ne seenaai pahad ke jangal men use jalatee hui jhadde kee jvala men darshan diya.
- 31 moosa ne us darshan ko dekhkar achambha kiya, aur jab dekhne ke liye pas gaya, to prabhu ka yah shabd hua.
- 32 ki maain tere bapadado, ibraaheem, ishak aur yakoob ka parameshvar hoon: tab to moosa kanp utta, yahan tak ki use dekhne ka hiyaav n raha.
- 33 tab prabhu ne us se kaha apane pavon se jootee utar le, kyonaki jis jagah too khda haai, vah pavitra boomi haai.
- 34 maain ne sachamuch apane logon kee durdasha ko jo misar men haai, dekhee haai aur un kee ah aur un ka rona sun liya haai isaaliye unhen chhudane ke liye utara hoon. ab a, maain tujhe misar men bhenjoonga.
- 35 jis moosa ko unhon ne yah kahakar nakara tha ki tujhe kis ne ham par hakim aur nyayee tharaya haai usee ko parameshvar ne haakim aur chhudanevala tharakar, us svarga doot ke dara jis ne use jhadde men darshan diya tha, bheja.
- 36 yahee vyaaktai misar aur lal samudra aur jangal men chalees varsha tak adabhut kam aur chingh dikha dikhakar unhen nikal laya.
- 37 yah vahee moosa haai, jis ne israaeliyon se kaha ki parameshvar tumhare bhaiyon men se tumhare liye mujh sa aek bhavishyadvakta uttaaega.
- 38 yah vahee haai, jis ne jangal men kaleeasiya ke beech us svargadoot ke sath seenaai pahad par us se baten kee, aur hamare bapadadon ke sath tha: usee ko jeeavit vachan mile, ki ham tak pahunchaae.

39 parantu hamare bapadadon ne us kee manana n chaha baran use hattakar apane man misar kee or faere.

40 aur haroon se kaha hamare liye aeesa devata bana, jo hamare age age chalen kyonaki yah moosa ja hamen misar desh se nikal laya, ham naheen janate use kya hua?

41 un dinon men unhon ne ek bachhda banakar, us kee moorat ke age bali chaddhaya aur apane hathon ke kamon men magan hone lage.

42 so parameshvar ne munh modkar unhen chhod diya, ki akashagan poojen jaaisa bhvishyadvktaon kee pustak men likha haai ki he israael ke gharane, kya tum jangal men chalees varsha tak pashuubaali aur annabaali mujh hee ko chaddhate rahe?

43 aur tum molek ke tamboo aur rifaan devata ke tare ko liae firate the arthata un akaron ko jinhen tum ne dandvat karane ke liye banaya tha: so maain tumhen babur ke pare le jakar basaunga.

44 sakshaee ka tamboo jangal men hamare bapadadon ke beech men tha jaaisa us ne ttharaya, jis ne moosa se kaha ki jo akar too ne dekha haai, usake anusar ise bana.

45 usee tamboo ko hamare bapadade poorvakal se pakar yahoshoo ke sath yahan le ae jis samay ki unhon ne un anyajaatiyon ka aadhaikar paya, jinhen parameshvar ne hamare bapadadon ke samhane se nikal diya aur vah daud ke samay tak raha.

46 us par parameshvar ne anugrah kiya, so us ne binatee kee, ki maain yakoob ke parameshvar ke liye nivas stha ttharaun.

47 parantu sulaaيمان ne usake liye ghar banaya.

48 parantu param pradhaan hath ke banaae gharon men naheen rahata, jaaisa ki bhvishyadvkta ne kaha.

49 ki prabhu kahata haai, svarga mera sihansan aur prathvee mere panvon tale kee peeddhee haai, mere liye tum kis prakar ka ghar banaoge? aur mere vishraam ka kaun sa sthan hoga?

50 kya ye sab vastuen mere hath kee banai naheen? he hatteele, aur man aur kan ke khtanaraahit logo, tum sada pavitra atma ka samhana karate ho.

51 jaaisa tumhare bapadade karate the, vaaise hee tum bhee karate ho.

52 bhavishyadvktaon men se kis ko tumhare bapadadon ne naheen sataya, aur unhon ne us dharmee ke agaman ka poorvakal se sandesh denevalon ko mar dala, aur ab tum bhee usake pakadvanevale aur mar dalanevale hue.

53 tum ne svargadooton ke dara ttharai hui vyavastha to pai, parantu usaka palan naheen kiya..

54 ye baten sunakar ve jal gaae aur us par dant peesane lage.

55 parantu us ne pavitra atma se paaripoorn hokar svarga kee or dekha aur parameshvar kee maahima ko aur yeeshu ko parameshvar kee dahinee or khda dekhkara.

56 kaha dekho, maain svarga ko khula hua, aur manushy ke putra ko parameshvar ke dahinee or khda hua dekhta hoon.

57 tab unhon ne bade shabd se chillakar kan band kar lia, aur aek chitt hokar us par jhpatte.

58 aur use nagar ke bahar nikalakar patthravah karane lage, aur gavahon ne apane kapade utar rakhe.

59 aur ve staiufanus ko patthravah karate rahe, aur vah yah kahakar praarthna karata raha ki he prabhu yeeshu, meree atma ko grahan kara.

60 fir ghauttne ttekakar unche shabd se pukara, he prabhu, yah pap un par mat laga, aur yah kahakar so gaya: aur shaaul usake badha meen sahamat tha..

## ADHYĀYA 8

**U**see din yarooshalem kee kaleesiya par bada upadrav hone laga aur praeriton ko chhod sab ke sab yahoodiya aur samariya deshaen men tittr bittr ho gae.

<sup>2</sup> aur bhkton ne staifanus ko kabra men rakha aur usake liye bada vilap kiya.

<sup>3</sup> shaaul kaleesiya ko ujad raha tha aur ghar ghar ghausakar purooshaen aur striayon ko ghaseett ghaseettkar bandeegrah men dalata tha..

<sup>4</sup> jo tittr bittr huae the, ve susamachar sunate huae fire.

<sup>5</sup> aur filippus samaariya nagar men jakar logon men maseeh ka prachar karane laga.

<sup>6</sup> aur jo baten filippus ne kaheen unhen logon ne sunakar aur jo chinh vah dikhata tha unhen dekh dekhkar, aek chitt hokar man lagaya.

<sup>7</sup> kyonaki bahuton men se ashuddh atmaaen bade shabd se chillatee hui nikal gai, aur bahut se jhole ke mare huae aur langade bhee achchhe kiae gae.

<sup>8</sup> aur us nagar men bada anand hua..

<sup>9</sup> is se paahile us nagar men shamaun nam aek manushy tha, jo ttona karake samaariya ke logon ko chakit karata aur apane ap ko koi bada puroosh banata than

<sup>10</sup> aur sab chhotte se bade tak use man kar kahate the, ki yah manushy paramashevar kee vah shaktai haai, jo mahan kahalatee haai.

<sup>11</sup> us ne bahut dinon se unhen apane ttona ke kamon se chaakit kar rakha tha, isee liye ve us ko bahut manate the.

<sup>12</sup> parantu jab unhon ne filippus kee prateeati kee jo parameshvar ke rajy aur yeeshu ke nam ka susamachar sunata tha to log, kya puroosha, kya sree bapaatisma lene lage.

<sup>13</sup> tab shamaun ne ap bhee prateeati kee aur bapaatisma lekar filippus ke sath rahane laga aur chinh aur bade bade samarth ke kam hote dekhkar chakit hota tha.

<sup>14</sup> jab praeriton ne jo yarooshalem men the suna ki samaariyon ne parameshvar ka vachan man liya haai to pataras aur yoohanna ko un ke pas bheja.

<sup>15</sup> aur unhon ne jakar un ke liye praarthna kee ki pavitra atma paaen.

<sup>16</sup> kyonaki vah ab tak un men se kisee par n utara tha, unhon ne to keval prabhu yeeshu men nam men bapatisma liya tha.

<sup>17</sup> tab unhon ne un par hath rakhe aur unhon ne pavitra atma paya.

<sup>18</sup> jab shamaun ne dekha ki prariton ke hath rakhne se paavitra atma diya jata haai, to un ke pas roopaye lakar kaha.

<sup>19</sup> ki yah adhaikar mujhe bhee do, ki jis kisee par hath rakoo, vah pavitra atma paae.

<sup>20</sup> pataras ne us se kaha tere roopaye tere sath nash ho, kyonki too ne parameshvar ka dan roopayon se mol lene ka vichar kiya.

<sup>21</sup> is bat men n tera hissa haai, n bantta kyonki tera man parameshvar ke age seedha naheen.

<sup>22</sup> isaliye apanee is burai se man firakar prabhu se praarthna kar, sambhv haai tere man ka vichar kshama kiya jaae.

<sup>23</sup> kyonaki maain dekhta hoo, ki too pitt kee see kadvahatt aur adharma ke bandhan men pada haai.

<sup>24</sup> shamaun ne uttr diya, ki tum mere liye prabhu se praarthna karo ki jo baten tum ne kahee, un men se koi mujh par n a pade..

<sup>25</sup> so ve gavahee dekar aur prabhu ka vachan sunakar, yarooshalem ko laut gae, aur samariyon ke bahut gavon men susamachar sunate gae..

<sup>26</sup> fir prabhu ke aek svargadoot ne filippus se kaha uttkar daakkhian kee or us marga par

ja, jo yarooshalem se ajjah ko jata haai, aur jangal men haai.

<sup>27</sup> vah uttkar chal diya, aur dekho, koosh desh ka aek manushy a raha tha jo khoja aur kooshaiyon ke ranee kandake ka mantraee aur khjanchee tha, aur bhjan karane ko yarooshalem aya tha.

<sup>28</sup> aur vah apane rath par baaita hua tha, aur yashaayah bhavishyadvkta kee pustak paddhta hua lautta ja raha tha.

<sup>29</sup> tab atma ne filippus se kaha, nikatt jakar is rath ke sath ho le.

<sup>30</sup> filippus ne us or daudkar use yashaayah bhavishyadvkta kee pustak paddhte huae suna, aur poochha, ki too jo paddh raha haai kya use samajhta bhee haai?

<sup>31</sup> us ne kaha, jab tak koi mujhe n samajhaae to maain kyanekar samajoon? aur us ne filippus se binatee kee, ki chaddhkar mere pas baait.

<sup>32</sup> paavitra shaasr ka jo adhyay vah paddh raha tha, vah yah tha ki vah bhed kee nain vadha hone ko pahunchaya gaya, aur jaaisa memna apane un kataranevalon ke samhane chupachap rahata haai, vaaise hee us ne bhee apana munh n khola.

<sup>33</sup> us kee deenata men usaka nyay hone naheen paya, aur usake samay ke logon ka varnn kaun karega, kyonki prathvee se usaka praan uttaya jata haai.

<sup>34</sup> is par khoje ne filippus se poochha maain tujh se binatee karata hoo, yah bata ki bhvishyadvkta yah kis vishay men kahata haai, apane ya kisee doosare ke vishay men.

<sup>35</sup> tab filippus ne apana munh khola, aur isee shaasr se arambh karake use yeeshu ka susamachar sunaya.

<sup>36</sup> marga men chalate chalate ve kisee jal kee jagah pahuncha, tab khoje ne kaha, dekh yahan jal haai, ab mujhe bapaatisma lene men kya rok haai.

<sup>37</sup> filippus ne kaha, yaadi too sare man se vishvas karata haai to ho sakata haai: us ne uttr diya maain vishvas karata hoon ki yeeshu maseeh parameshvar ka putra haai.

<sup>38</sup> tab us ne rath khda karane kee agyaa dee, aur filippus aur khoja donon jal men utar pade, aur us ne use bapaatisma diya.

<sup>39</sup> jab ve jal men se nikalakar upar aa, to prabhu ka atma filippus ko utta le gaya, so khoje ne use fir n dekha, aur vah anand karata hua apane marga chala gaya.

<sup>40</sup> aur filippus ashadod men a nikala, aur jab tak kaaisariya men n pahuncha, tab tak nagar nagar susamachar sunata gaya..

## ADHYĀYA 9

**a**ur shaaul jo ab tak prabhu ke chelon ko dhamakane aur ghaat karane kee dhaun men tha, mahayajak ke pas gaya.

<sup>2</sup> aur us se daamishk kee aradhanalayon ke nam par is abhaipraay kee chitthiyan mangee, ki kya puroosha, kya sre, jinhen vah is panth par paae unhen bandhakar yarooshalem men le aae.

<sup>3</sup> parantu chalate chalate jab vah damishk ke nikatt pahuncha, to aekaaek akash se usake charon or jyoti chamaakee.

<sup>4</sup> aur vah boomi par gir pada, aur yah shabd suna, ki he shaaul, he shaaul, too mujhe kyon satata haai?

<sup>5</sup> us ne poochha he prabhu, too kaun haai? us ne kaha maain yeeshu hoon jise too satata haai.

<sup>6</sup> parantu ab uttkar nagar men ja, aur jo kuchh karana haai, vah tujh se kaha jaaega.

<sup>7</sup> jo manushy usake sath the, ve chupachap rah gae kyonki shabd to sunate the, parantu

kisee ko dakhte n the.

<sup>8</sup> tab shaaul boomi par se utta, parantu jab ankhe kholeen to use kuchh dikhai n diya aur ve usaka hath pakadke daamishk men le gaae.

<sup>9</sup> aur vah teen din tak n dekh saka, aur n khaya aur n peeya.

<sup>10</sup> daamishk men hananyah nam aek chela tha, us se prabhu ne darshan men kaha, he hananyaha! us ne kaha han prabhu.

<sup>11</sup> tab prabhu ne us se kaha, uttkar us galee men ja jo seedhaee kahalatee haai, aur yahooda ke ghar men shaaul nam aek tarasee ko poochh le kyonaki dek, vah praarthna kar raha haai.

<sup>12</sup> aur us ne hananyah nam aek puroosh ko bheetar ate, aur apane upar ate dekha haai taki fir se drashti paae.

<sup>13</sup> hananyah ne uttr diya, ki he prabhu, maain ne is manushy ke vishay men bahuton se suna haai, ki is ne yarooshalem men tere pavitra logon ke sath badee badee buraiyan kee haain.

<sup>14</sup> aur yahan bhee is ko mahayajakon kee or se adhaikar mila haai, ki jo log tera nam lete haai, un sab ko bandha le.

<sup>15</sup> parantu prabhu ne us se kaha, ki too chala ja kyonaki yah, to anyajatiyon aur rajao, aur israaeliyon ke samhane mera nam pragatt karane ke liye mera chuna hua patra haai.

<sup>16</sup> aur maain use bataunga, ki mere nam ke liye use kaaisa kaaisa dukh uttana padega.

<sup>17</sup> tab hananyah uttkar us ghar men gaya, aur us par apana hath rakhkar kaha, he bhai shaaul, prabhu, arthata yeeshu, jo us raste me, jis se too aya tujhe dikhai diya tha, usee ne mujhe bheja haai, ki too fir drashti paae aur paavitra atma se paaripoorn ho jaae.

<sup>18</sup> aur turant us kee ankhone se chhlaike se gire, aur vah dekhne laga aur uttkar bapaatisma liya fir bhojan karake bal paya..

<sup>19</sup> aur vah kai din un chelon ke sath raha jo damishk men the.

<sup>20</sup> aur vah turant aradhanalayan men yeeshu ka prachar karane laga, ki vah parameshvar ka putra haai.

<sup>21</sup> aur sab sunanevale chaakit hokar kahane lage kya yah vahee vyaaktai naheen haai jo yarooshalem men unhen jo is nam ko lete the nash karata tha, aur yahan bhee isee liye aya tha, ki unhon bandhakar mahayajakon ke pas le aae?

<sup>22</sup> parantu shaaul aur bhee samarthee hota gaya, aur is bat ka praman de dekar ki maseeh yahee haai, daamishk ke rahanevale yahoodiyon ka munh band karata raha..

<sup>23</sup> jab bahut din beet gaa, to yahoodiyon ne milakar usake mar dalane kee yuktai nikalee.

<sup>24</sup> parantu un kee yuktai shaaul ko maloom ko gai: ve to usake mar dalane ke liye rat din faattkon par lage rahe the.

<sup>25</sup> parantu rat ko usake chelon ne use lekar ttokare men baaitaya, aur shaharapanah par aee lattkakar utar diya..

<sup>26</sup> yarooshalem men pahunchakar us ne chelon ke sath mil jane ka upay kiya: parantu sab us se drate the, kyonki un ko prateeati n hota tha, ki vah bhee chela haai.

<sup>27</sup> parantu baranaba use apane sath praeaiton ke pas le jakar un se kaha, ki is ne kis reeti se marga men prabhu ko dekha, aur is ne is se baten keen fir damishk men is ne kaaise hiyav se yeeshu ke nam ka prachar kiya.

<sup>28</sup> vah un ke sath yarooshalem men ata jata raha.

<sup>29</sup> aur nidhadk hokar prabhu ke nam se prachar karata tha: aur yoonanee bhasha bolanevale yahoodiyon ke sath batacheet aur vada-avivad karata tha parant uve usake mar dalane ka yatn karane lage.

- <sup>30</sup> yah janakar bhai use kaaisaariya men le aa, aur tarasus ko bhej diya..
- <sup>31</sup> so sare yahoodiya, aur galeel, aur samariya men kaleesiya ko chaain mila, aur usakee unnaati hotee gai aur vah prabhu ke bhy aur paavitra atma kee shaantai men chalatee aur baddhtee jatee thee..
- <sup>32</sup> aur aeesa hua ki pataras har jagah firata hua, un paavitra logon ke pas bhee pahuncha, jo lua men rahate the.
- <sup>33</sup> vahan use aeeniyas nam jhole ka mara hua aek manushy mila, jo att varsha se khatt par pada tha.
- <sup>34</sup> pataras ne us se kaha he aeeniyasa! yeeshu maseeh tujhe changa karata haai ut, apana bichhauna bichha tab vah turant utt khd hua.
- <sup>35</sup> aur lua aur shaaron ke sab rahanevale use dekhkar prabhu kee or fire..
- <sup>36</sup> yafaa men tabeeta arthata dorakas nam aek vishvasinee rahatee thee, vah bahutere bhle bhle kam aur dan kiya karatee thee.
- <sup>37</sup> unheen dinon men vah beemar hokar mar gai aur unhon ne use nahalakar attaree par rakh diya.
- <sup>38</sup> aur isaliye ki lua yafaa ke nikatt tha, chelon ne yah sunakar ki pataras vahan haai do manushy bhejakar us ne binatee kee ki hamare pas ane men der n kara.
- <sup>39</sup> tab pataras uttkar un ke sath ho liya, aur jab pahunch gaya, to ve use us attaree par le gae aur sab vidhavaaen rote hui usake pas a khdee hui: aur jo kurate aur kapade dorakas ne un ke sath rahate huae banaae the, dikhane lageen.
- <sup>40</sup> tab pataras ne sab ko bahar kar diya, aur ghauttne ttekakar praarthna kee aur loth kee or dekhkar kaha he tabeeta utt: tab us ne apanee ankhe khol dee aur pataras ko dekhkar utt baaittee.
- <sup>41</sup> us ne hath dekar use uttaya aur paavitra logon aur vidhavaon ko bulakar use jeevit aur jagrat dikha diya.
- <sup>42</sup> yah bat sare yafaa me faail gai: aur bahuteron ne prabhu par vishvas kiya.
- <sup>43</sup> aur pataras yafaa men shamaun nam kisee chamade ke dhandha karanevale ke yahan bahut din tak raha..

## ADHYĀYA 10

- K**aaisaariya men kuranealiyus nam aek manushy tha, jo italiyaneer nam palatn ka soobedar tha.
- <sup>2</sup> vah bhkt tha, aur apane sare gharane samet parameshvar se drata tha, aur yahooder lagon ko bahut dan deta, aur barabar parameshvar se praarthna karata tha.
- <sup>3</sup> us ne din ke teesare pahar ke nikatt darshan men spasht roop se dekha, ki parameshvar ka ek svargadoot mere pas bheetar akar kahata haai ki he kuraneliyusa.
- <sup>4</sup> us ne use dhyan se dekha aur drakar kaha he prabhu kya haai? us ne us se kaha, teree praarthnaen aur tere dan smaran ke liye parameshvar ke samhane pahunche haain.
- <sup>5</sup> aur ab yafaa men manushy bhejakar shamaun ko, jo pataras kahalata haai, bulava le.
- <sup>6</sup> vah shamaun chamade ke dhandha karanevale ke yahan pahun haai, jis ka ghar samudra ke kinare haain.
- <sup>7</sup> jab vah svargadoot jis ne us se baten kee theen chala gaya, to us ne do sevak, aur jo usake pas upasthiat raha karate the un men se aek bhkt sipahee ko bulaya.
- <sup>8</sup> aur unhen sab baten batakar yafaa ko bheja..
- <sup>9</sup> doosare din, jab ve chalate chalate nagar ke pas pahunche, to do pahar ke nikatt

pataras kotte par praarthna karane chaddha.

**10** aur use bookh lagee, aur kuchh khana chahata tha parantu jab ve taaiyar kar rahe the, to vah besudha ho gaya.

**11** aur us ne dekha, ki akash khul gaya aur aek patra badee chadar ke saman charon konon se lattkata hua, pathvee kee or utar raha haai.

**12** jis men prathvee ke sab prakar ke chaupaae aur renganevale jantu aur akash ke pakshaee the.

**13** aur use aek aeesa shabd sunai diya, ki he pataras ut, mar ke kha.

**14** parantu pataras ne kaha, naheen prabhu, kadapi naheen kyonki maain ne kabhee koi apavitra ya ashuuddh vastu naheen khai haai.

**15** fir doosaree bar use shabd sunai diya, ki jo kuchh parameshvar ne shuuddh ttharaya haai, use too ashuuddh mat kaha.

**16** teen bar aeesa hee hua tab turant vah patra akash par utta liya gaya..

**17** jab pataras apane man men dubadha kar raha tha, ki yah darshan jo maain ne dekha kya haai, to dekho, ve manushy jinhen kuraneliyus ne bheja tha, shamaun ke ghar ka pata lagakar devaddhee par a khde huae.

**18** aur pukarakar poochhne lage, kya shamaun jo pataras kahalata haai, yaheen pahun haai?

**19** pataras jo us darshan par soch hee raha tha, ki atma ne us se kaha, dek, teen manushy teree khoj men haain.

**20** so uttkar neeche ja, aur bekhtke un ke sath ho le kyonaki maain hee ne unhen bheja haai.

**21** tab pataras ne utarakar un manushyon se kaha dekho, jisakee khoj tum kar rahe ho, vah maain hee hoon tumhare ane ka kya karan haai?

**22** unhon ne kaha kuraneliyus soobedar jo dharmee aur parameshvar se dranevala aur saree yahooodee jaati men surnamee manushy haai, us ne ek paavitra svargadoot se yah chitavanee pai haai, ki tujhe apane ghar bulakar tujh se vachan sune.

**23** tab us ne unhen bheetar bulakar un kee pahunai kee.. aur doosare din, vah unake sath gaya aur yafaa ke bhaiyon men se kai usake sath ho liae.

**24** doosare din ve kaaisariya men pahunche, aur kuraneliyus apane kuttumbaiyon aur piri mitraen ko ikatthe karake un kee batt joh raha tha.

**25** jab pataras bheetar a raha tha, to kuranealiyus ne us se bhentt kee, aur panvon padke pranam kiya.

**26** parantu pataras ne use uttakar kaha, khda ho, maain bhee to manushy hoon.

**27** aur usake sath batacheet karata hua bheetar gaya, aur bahut se logon ko ikatthe dekhkara.

**28** un se kaha, tum janate ho, ki anyajaati kee sangati karata ya usake yahan jana yahooodee ke liye adharma haai, parantu parameshvar ne mujhe bataya haai, ki kisee manushy ko apavitra ya ashuuddh n kahoon.

**29** isee liye maain jab bulaya gaya to bina kuchh kahe chala aya: ab maain poochhta hoon ki mujhe kis kam ke liye bulaya gaya haai?

**30** kuranealiyus ne kaha ki is ghadee poore char din hua, ki maain apane ghar men teesare pahar ko praarthna kar raha tha ki dekho, aek puroosh chamakeela vasr paahine hua, mere samhane a khda hua.

**31** aur kahane laga, he kuraneliyus, teree praarthna sun lee gai, aur tere dan parameshvar ke samhane smaran kiae gaae haain.

- <sup>32</sup> is liye kisee ko yafaa bhejkar shamaun ko jo pataras kahalata haai, bula vah samudra ke kinare shamaun chamade ke dhandha karanevale ke ghar men pahun haai.
- <sup>33</sup> tab maain ne turant tere pas log bheje, aur too ne bhla kiya, jo a gaya: ab ham sab yahan parameshvar ke samhane haai, taki jo kuchh parameshvar ne tujh se kaha haai use sunen.
- <sup>34</sup> tab pataras ne munh kholakar kaha
- <sup>35</sup> ab mujhe nishchay hua, ki parameshvar kisee ka paksha naheen karata, baran har jati men jo us se drata aur dharma ke kam karata haai, vah use bhata haai.
- <sup>36</sup> jo vachan us ne israaeliyon ke pas bheja, jab ki us ne yeeshu maseeh ke dara jo sab ka prabhu haai shaantai ka susamachar sunaya.
- <sup>37</sup> vah bat tum janate ho jo yoohanna ke bapatisma ke prachar ke bad galeel se arambh karake sare yahoodiya men faail gai.
- <sup>38</sup> ki parameshvar ne kis reeti se yeeshu nasaree ko paavitra atma aur samarth se aabhaishok kiya: vah bhlai karata, aur sab ko jo shautan ke sataae huae the, achchha karata fira kyonaki parameshvar usake sath tha.
- <sup>39</sup> aur ham un sab kamon ke gavah haain jo us ne yahoodiya ke desh aur yarooshalem men bhee kia, aur unhon ne use katt par lattkakar mar dala.
- <sup>40</sup> us ko parameshvar ne teesare din jilaya, aur pragatt bhee kar diya haai.
- <sup>41</sup> sab logon ko naheen baran un gavahon ko jinhen parameshvar ne pahile se chun liya tha, arthata hamako jinhon ne usake mare huon men se jee uttne ke bad usake sath khaya peeya.
- <sup>42</sup> aur us ne hamen agyaa dee, ki logon men prachar karo aur gavahee do, ki yah vahee haai jise parameshvar ne jeevaton aur mare huon ka nyayee ttharaya haai.
- <sup>43</sup> us kee sab bhavishyadvkta gavahee dete he, ki jo koi us par vishvas karega, us ko usake nam ke dara papon kee kshama milegee..
- <sup>44</sup> pataras ye baten kah hee raha tha, ki pavitra atma vachan ke sab sunanevalon par utar aya.
- <sup>45</sup> aur jitane khtana kiae huae vishvasee pataras ke sath aae the, ve sab chaakit huae ki anyajaatiyon par bhee paavitra atma ka dan undela gaya haai.
- <sup>46</sup> kyonaki unhon ne unhen bhanati bhanati kee bhasha bolate aur parameshvar kee badai karate suna.
- <sup>47</sup> is par pataras ne kaha kya koi jal kee rok kar sakata haai, ki ye bapaatisma n paae, jinhon ne hamaree nai paavitra atma paya haai?
- <sup>48</sup> aur us ne agyaa dee ki unhen yeeshu maseeh ne nam men bapaatisma diya jaae: tab unhon ne us se binatee kee ki kuchh din hamare sath raha..

## ADHYĀYA 11

- a**ur praeriton aur bhaiyon ne jo yahoodiya men the suna, ki anyajaatiyon ne bhee parameshvar ka vachan man liya haai.
- <sup>2</sup> aur jab pataras yarooshalem men aya, to khtana kiae huae log us se vada-avivad karane lage.
- <sup>3</sup> ki too ne khtanaraahit logon ke yahan jakar un se sath khaya.
- <sup>4</sup> tab pataras ne unhen arambh se kramanusar kah sunaya
- <sup>5</sup> ki maain yafaa nagar men praarthna kar raha tha, aur besudha hokar aek darshan dekha, ki aek patra, badee chadar ke saman charon konon se lattkaya hua, akash se

utarakar mere pas aya.

<sup>6</sup> jab maain ne us par dhyan kiya, to prathvee ke chaupaae aur banapashu aur renganevale jantu aur akash ke pakshaee dekhe.

<sup>7</sup> aur yah shabd bhee suna ki he pataras utt mar aur kha.

<sup>8</sup> maain ne kaha, naheen prabhu, nahee, kyonki koi apavitra ya ashuddh vastu mere munh men kabhee naheen gai.

<sup>9</sup> is ke uttr men akash se doosaree bar shabd hua, ki jo kuchh parameshvar ne shuddh ttharaya haai, use ashuddh mat kaha.

<sup>10</sup> teen bar aeesea hee hua tab sab kuchh fir akash par kheench liya gaya.

<sup>11</sup> aur dekho, turant teen manushy jo kaaisariya se mere pas bheje gaae the, us ghar par jis men ham the, a khde hue.

<sup>12</sup> tab atma ne mujh se un ke sath bekhtke ho lene ko kaha, aur ye chh: bhai bhee mere sath ho liae aur ham us manushy ke ghar men gaae.

<sup>13</sup> aur us ne bataya, ki maain ne aek svargadoot ko apane ghar men khda dekha, jis ne mujh se kaha, ki yafaa men manushy bhejakar shamaun ko jo pataras kahalata haai, bulava le.

<sup>14</sup> vah tum se aeesee baten kahega, jin ke dara too aur tera sara gharana udar paaega.

<sup>15</sup> jab maain baten karane laga, to pavitra atma un par usee reeti se utara, jis reeti se arambh men ham par utara tha.

<sup>16</sup> tab mujhe prabhu ka vah vachan smaran aya jo us ne kaha ki yoohanna ne to panee se bapatisma diya, parantu tum pavitra atma se bapatisma paoge.

<sup>17</sup> so jab ki parameshvar ne unhen bhee vahee dan diya, jo hamen prabhu yeeshu maseeh par vishvas karane se mila tha to maain kaun tha jo parameshvar ko rok sakata?

<sup>18</sup> yah sunakar, ve chup rahe, aur parameshvar kee badai karake kahane lage, tak to parameshvar ne anyajatiyon ko bhee jeevan ke liye man firav ka dan diya haai..

<sup>19</sup> so jo log us klesh ke mare jo staifanus ke karan pada tha, tittr bittr ho gaae the, ve firate firate faeeneeke aur kupraus aur antakiya men pahunchke parantu yahoodiyon ko chhod kisee aur ko vachan n sunate the.

<sup>20</sup> parantu un men se kitane kuprausee aur kurenee the, jo antaakiya men akar yunaaniyon ko bhee prabhu yeeshu ka susamachar kee baten sunane lage.

<sup>21</sup> aur prabhu ka hath un par tha, aur bahut log vishvas karake prabhu kee or fire.

<sup>22</sup> tab un kee charcha yarooshalem kee kaleesiya ke sunane men ai, aur unhon ne baranabas ko antaakiya bheja.

<sup>23</sup> vah vahan pahunchakar, aur parameshvar ke anugrah ko dekhkar anandait hua aur sab ko upadesh diya ki tan man lagakar prabhu se lipatte raho.

<sup>24</sup> kyonaki vah aek bhla manushy tha aur paavitra atma se paaripoorn tha: aur aur bahut se log prabhu men a mile.

<sup>25</sup> tab vah shaul ko ddoondhne ke liye tarasus ko chala gaya.

<sup>26</sup> aur jab un se mila to use antakiya men laya, aur aeesea hua ki ve aek varsha tak kaleesiya ke sath milate aur bahut logon ko upadesh dete rahe, aur chele sab se pahile antaakiya hee men maseehee kahalaae..

<sup>27</sup> unheen dinon men kai bhvishyadvkta yarooshalem se antakiya men ae.

<sup>28</sup> un men se agabus nam ek ne khde hokar atma kee praerana se yah bataya, ki sare jagat men bada akal padega, aur vah akal klaudiyus ke समय men pada.

<sup>29</sup> tab chelon ne ttharaya, ki har aek apanee apanee poonjee ke anusar yahoodiya men

rahanevale bhaiyon ke seva ke liye kuchh bheje.

<sup>30</sup> aur unhon ne aeesea hee kiya aur baranabas aur shaaul ke hath praacheenon ke pas kuchh bhej diya..

## ADHYĀYA 12

**U**s samay herodes raja ne kaleesiya ke kai ek vyaaktaiyon ko dukh dene ke liye un par hath dale.

<sup>2</sup> us ne yoohanna ke bhai yakoob ko talavar se marava dala.

<sup>3</sup> aur jab us ne dekha, ki yahooder log is se anandait hote haai, to us ne pataras ko bhee pakad liya: ve din akhmeeree rottee ke din the.

<sup>4</sup> aur us ne use pakad ke bandeegrah men dala, aur rakhvalee ke liye, char char sipaahiyon ke char paharon men rakha: is manasa se ki fasah ke bad use logon ke samhane laae.

<sup>5</sup> so bandeegrah men pataras kee rakhvalee ho rahee thee parantu kaleesiya usake liye lau lagakar parameshvar se praarthna kar rahee thee.

<sup>6</sup> aur jab herodes use un ke samhane lane ko tha, to usee rat pataras do janjeeron se bandha hua, do sipaahiyon ke beech men so raha tha: aur paharooae dar par bandeegrah kee rakhvalee kar rahe the.

<sup>7</sup> to dekho, prabhu ka aek svargadoot a khda hua: aur us kottree men jyoti chamekee: aur us ne pataras kee pasalee par hath mar ke use jagaya, aur kaha ut, fauratee kar, aur usake hath se janjeeren khulakar gir padeen.

<sup>8</sup> tab svargadoot ne us se kaha kamar bandha, aur apane joote paahin le: us ne vaaisa hee kiya, fir us ne us se kaha apana vasr pahinakar mere peechhe ho le.

<sup>9</sup> vah nikalakar usake peechhe ho liya parantu yah n janata tha, ki jo kuchh svargadoot kar raha haai, vah sachamuch haai, baran yah samajha, ki maain darshan dekh raha hoon.

<sup>10</sup> tab ve paahil aur doosare pahare se nikalakar us lohe ke faattk par pahunche, jo nagar kee or haai vah un ke liye ap se ap khul gaya: aur ve nikalakar aek hee galee hokar gaa, itane men svargadoot use chhodkar chala gaya.

<sup>11</sup> tab pataras ne sachet hokar kaha ab maain ne sach jan liya ki prabhu ne apana svargadoot bhejkar mujhe herodes ke hath se chhuda liya, aur yahoodiyon kee saree asha tod dee.

<sup>12</sup> aur yah sochakar, vah us yoohanna kee mata maariyam ke ghar aya, jo marakus kahalata haai vahan bahut log ikatthe hokar praarthna kar rahe the.

<sup>13</sup> jab us ne faattk kee khaidkee khttkhttai to roode nam aek dasee sunane ko ai.

<sup>14</sup> aur pataras ka shabd pahachanakar, us ne anand ke mare faattk n khola parantu daudkar bheetar gai, aur bataya ki pataras dar par khda haai.

<sup>15</sup> unhon ne us se kaha too pagal haai, parantu vah draddhta se bolee, ki aeesea hee haai: tab unhon ne kaha, usaka svargadoot hoga.

<sup>16</sup> parantu pataras khttkhttata hee raha: so unhon ne khaidkee kholee, aur use dekhkar chaakit ho gaae.

<sup>17</sup> tab us ne unhen hath se saain kiya, ki chup rahen aur un ko bataya, ki prabhu kis reeti se mujhe bandeegrah se nikal laya haai: fir kaha, ki yakoob aur bhaiyon ko yah bat kah dena tab nikalakar doosaree jagah chala gaya.

<sup>18</sup> bhor ko sipaahiyon men badee halachal hone lagee, ki pataras kya hua.

- <sup>19</sup> jab herodes ne us kee khoj kee, aur n paya to paharoon kee janch karake agyaa dee ki ve mar dale jaaen aur vah yahoodiya ko chhodkar kaaisaariya men ja raha.
- <sup>20</sup> aur vah soor aur saaida ke logon se bahut aprasann tha so ve aek chitt hokar usake pas aae aur balastus ko, jo raja ka aek karmacharee tha, manakar mel karata chaha kyonaki raja ke desh se un ke desh ka palan poshan hota tha.
- <sup>21</sup> aur tttharaae huae din herodes rajavasr paahinakar sinhasan par baaitta aur un ko vyakhyan dene laga.
- <sup>22</sup> aur log pukar utte, ki yah to manushy ka naheen parameshvar ka shabd haai.
- <sup>23</sup> usee kshan prabhu ke ek svargadoot ne turant use mara, kyonaki us ne paramashevar kee mahima nahee kee aur vah keede padke mar gaya..
- <sup>24</sup> parantu parameshvar ka vachan baddhta aur faailata gaya..
- <sup>25</sup> jab baranabas aur shaaul apanee seva pooree kar chuke, to yoohanna ko jo marakus kahalata haai sath lekar yarooshalem se lautte..

## ADHYĀYA 13

**a**ntaakiya kee kaleesiya men kitane bhvishyadvkta aur upadeshak the arthata baranabas aur shamaun jo neegar kahalata haai aur lookiyus kurenee, aur desh kee chauthai ke raja herodes ka doodhabhai manahem aur shaaula.

<sup>2</sup> jab ve upavas saahit prabhu kee upasana kar rahe tha, to paavitra atma ne kaha mere nimitt baranabas aur shaaul ko us kam ke liye alag karo jis ke liye maain ne unhen bulaya haai.

<sup>3</sup> tab unhon ne upavas aur praarthna karake aur un par hath rakhkar unhen vida kiya..

<sup>4</sup> so ve paavitra atma ke bheje huae silookiya ko gaae aur vahan se jahaj par chaddhkar kupraus ko chale.

<sup>5</sup> aur salamees men pahunchakar, parameshvar ka vachan yahoodiyon kee aradhanalayon men sunaya aur yoohanna un ka sevak tha.

<sup>6</sup> aur us sare ttpoo men hote hua, pafaus tak pahunche: vahan unhen bara-yeeshu nam aek yahoodiee ttonha aur joota bhvishyadvkta mila.

<sup>7</sup> vah siraagiyus paulus soobe ke sath tha, jo buddhmaian puroosh tha: us ne baranabas aur shaaul ko apane pas bulakar parameshvar ka vachan sunana chaha.

<sup>8</sup> parantu ileemas ttonhe ne, kyonki yahee usake nam ka arth haai un ka samhana karake, soobe ko vishvas karane se rokata chaha.

<sup>9</sup> tab shaaul ne jis ka nam paulus bhee haai, pavitra atma se paaripoorn ho us kee or ttkattkee lagakar kaha.

<sup>10</sup> he sare kapatt aur sab chaturai se bhre huae shautan kee santan, sakal dharma ke baaieree, kya too prabhu ke seedho magorn ko tteddha karana n chhodega?

<sup>11</sup> ab dek, prabhu ka hath tujh par laga haai aur too kuchh samay tak andha rahega aur soorya ko n dekhega: tab turant dhaundhalai aur andhora us par chha gaya, aur vah idhar udhar ttttolane laga, taki koi usaka hath pakadke le chale.

<sup>12</sup> tab soobe ne jo kuchh hua tha, dekhkar aur prabhu ke upadesh se chakit hokar vishvas kiya..

<sup>13</sup> paulus aur usake sathee pafaus se jahaj kholakar panfooliya ke piraga men aae: aur yoohanna unhen chhodkar yarooshalem ko laut gaya.

<sup>14</sup> aur piraga se age baddhkar ke pisidiya ke antaakiya men pahunche aur sabt ke din aradhanalay men jakar baaitt gaae.

- 15** aur vyavastha aur bhavishyadvktaon ke pustak ke paddhne ke bad sabha ke saradaron ne un ke pas kahala bheja, ki he bhaiyo, yadi logon ke upadesh ke liye tumhare man men koi bat ho to kaho.
- 16** tab paulus ne khde hokar aur hath se saain karake kaha he israaeliyo, aur parameshvar se dranevalo, suno.
- 17** in israaelee logon ke parameshvar ne hamare bapadadon ko chun liya, aur jab ye misar desh men paradeshaee hokar rahate the, to un ke unnati kee aur balavant bhuja se nikal laya.
- 18** aur vah koi chalees varsha tak jangal men un kee sahata raha.
- 19** aur kanan desh men sat jaatiyon ka nash karake un ka desh koi saddhe char sau varsha men in kee meeras men kar diya.
- 20** is ke bad us ne samuel bhvishyadvkta tak un men nyayee ttharaae.
- 21** usake bad unhon ne ek raja manga: tab parameshvar ne chalees vashau ke liye binyameen ke gotra men se ek manushy arthata keesh ke putra shaaul ko un par raja ttharaya.
- 22** fir use alag karake daud ko un ka raja banaya jis ke vishay men us ne gavahee dee, ki mujhe aek manushy yishau ka putra daud, mere man ke anusar mil gaya haai. vahee mere saree ichchha pooree karega.
- 23** isee ke vansh men se parameshvar ne apanee pratigyaa ke anusar israael ke pas aek uddharakarta, arthata yeeshu ko bheja.
- 24** jis ke ane se paahile yoohanna ne sab israaeliyon ko man firav ke bapatisma ka prachar kiya.
- 25** aur jab yoohanna apana daur poora karane par tha, to us ne kaha, tum mujhe kya samajhte ho? maain vah naheen! baran dekho, mere bad aek anevala haai, jis ke panvon kee jootee maain kholane ke yogy naheen.
- 26** he bhaiyo, tum jo ibraaheem kee santan ho aur tum jo parameshvar se drate ho, tumhare pas is uddhar ka vachan bheja gaya haai.
- 27** kyonaki yarooshalem ke rahanevalon aur unake saradaron ne, n use pahachana, aur n bhvishyadvktaon kee baten samajhee jo har sabt ke din paddhee jatee haai, isaaliye use doshaee ttharakar un ko poora kiya.
- 28** unhon ne mar dalane ke yogy koi dosh us men ne paya, taubhee peelatus se binatee kee, ki vah mar dala jae.
- 29** aur jab unhon ne usake vishay men likhee hui sab baten pooree kee, to use kroos par se utar kar kabra men rakha.
- 30** parantu parameshvar ne use mare huon men se jilaya.
- 31** aur vah unhen jo usake sath galeel se yarooshalem aae the, bahut dinon tak dikhai deta raha logon ke samhane ab ve bhee usake gavah haain.
- 32** aur ham tumhen us praatigyaa ke vishay me, jo bapadadon se kee gai thee, yah susamachar sunate haain.
- 33** ki parameshvar ne yeeshu ko jilakar, vahee pratigyaa hamaree santan ke liye pooree kee, jaaisa doosare bhjan men bhee likha haai, ki too mera putra haai aj maain hee ne tujhe janmaya haai.
- 34** aur usake is reeati se mare huon men se jilane ke vishay men bhee, ki vah kabhee n sade, us ne yon kaha haai ki maain daud par kee pavitra aur achal krapa tum par karoonga.
- 35** isaliye us ne aek aur bhjan men bhee kaha haai ki too apane pavitra jan ko sadne n dega.

- <sup>36</sup> kyonaki daud to parameshvar kee ichchha ke anusar apane samay men seva karake so gaya aur apane bapadadon men ja mila aur sad bhee gaya.
- <sup>37</sup> parantu jis ko parameshvar ne jilaya, vah sadne naheen paya.
- <sup>38</sup> isaliye, he bhaiyo tum jan lo ki isee ke dara papon kee kshama ka samachar tumhen diya jata haai.
- <sup>39</sup> aur jin baton se tum moosa kee vyavastha ke dara nirdosh naheen tthar sakate the, unheen sab se har aek vishvas karanevala usake dara nirdosh ttharata haai.
- <sup>40</sup> isaliye chaukas raho, aeese n ho, ki jo bhvishyadvktaon kee pustak men aya haai,
- <sup>41</sup> tum pr bhee a pade ki he ninda karanevalo, dekho, aur chaakit ho, aur mitt jao kyonaki maain tumhare dinon men aek kam karata hoon aeese kam, ki yadi koi tum se usakee charcha kare, to tum kabhee prateeati n karoge..
- <sup>42</sup> un ke bahar nikalate samay log un se binatee karane lage, ki agale sabt ke din hamen ye baten fir sunai jaen.
- <sup>43</sup> aur jab sabha utt gai to yahoodiyon aur yahoodie mat men aae huae bhkton men se bahutere paulus aur baranabas ke peeche ho liae aur unhon ne un se baten karake samajhaya, ki parameshvar kee anugrah men bane raho..
- <sup>44</sup> agale sabt ke din nagar ke praaya: sab log parameshvar ka vachan sunane ko ikatthe ho gaae.
- <sup>45</sup> parantu yahoodie bheed ko dekhkar dah se bhr gaa, aur ninda karate huae paulus kee baton ke virodha men bolane lage.
- <sup>46</sup> tab polus aur baranabas ne nidr hokar kaha, avashy tha, ki parameshvar ka vachan paahile tumhen sunaya jata: parantu jab ki tum use door karate ho, aur apane ko anant jeevan ke yogy naheen ttharate, to dekho, ham anyajatiyon kee or firate haain.
- <sup>47</sup> kyonkai prabhu ne hamen yah agyaa dee haai ki maai. ne tujhe anyajaatiyon ke liye jyoti ttharaya haai taki too prathvee kee chhor tak uddhar ka dar ho.
- <sup>48</sup> yah sunakar anyajati anaandait hua, aur parameshvar kee vachan kee badai karane lage: aur jitane anant jeevan ke liye ttharaae gaae the, unhon ne vishvas kiya.
- <sup>49</sup> tab prabhu ka vachan us sare desh men faailane laga.
- <sup>50</sup> parantu yahoodiyon ne bhkt aur kuleen striayon ko aur nagar ke bade logon ko usakaya, aur paulus aur baranabas par upadrav karavakar unhen apane sivanon se nikal diya.
- <sup>51</sup> tab ve un ke samhane apane panvon kee dhool jhadkar ikuniyum ko gaae.
- <sup>52</sup> aur chele anand se aur pavitra atma se paaripoorn hote rahe..

## ADHYĀYA 14

**I**kuniyum men aeese hua ki ve yahoodiyon kee aradhanalay men sath sath gaa, aur aeese baten kee, ki yahoodiyon aur yoonaniyon donon men se bahaton ne vishvas kiya.

- <sup>2</sup> parantu n mananevale yahoodiyon ne anyajatiyon ke man bhaiyon ke virodha men usakaa, aur bigad kar diae.
- <sup>3</sup> aur ve bahut din tak vahan rahe, aur prabhu kee bhrose par hiyav se baten karate the: aur vah un ke hathon se chinh aur adabhut kam karavakar apane anugrah ke vachan par gavahee deta tha.
- <sup>4</sup> parantu nagar ke logon men foott pad gai thee is se kitane to yahoodiyon kee or, aur kitane praeeariton kee or ho gaae.

- <sup>5</sup> parantu jab anyajaati aur yahooder un ka apaman aur unhen patthravah karane ke liye apane saradaron samet un par dode.
- <sup>6</sup> to ve is bat ko jan ga, aur lukauniya ke lusr aur dirabe nagaron me, aur asapas ke desh men bhag gae.
- <sup>7</sup> aur vahan susamachar sunane lage..
- <sup>8</sup> lusr men aek manushy baaita tha, jo panvon ka nirbal tha: vah janm hee se langada tha, aur kabhee n chala tha.
- <sup>9</sup> vah paulus ko baten karate sun raha tha aur is ne us kee or tkatke lagakar dekha ki is ko changa ho jane ka vishvas haai.
- <sup>10</sup> aur unche shabd se kaha, apane panvon ke bal seedha khda ho: tab vah uchhlakar chalane firane laga.
- <sup>11</sup> logon ne paulus ka yah kam dekhkar lukauniya bhasha men unche shabd se kaha devata hamare pas utar aae haain.
- <sup>12</sup> aur unhon ne baranabas ko jyoos, aur paulus ko hirates kaha, kyonaki yah baten karane men mukhy tha.
- <sup>13</sup> aur jyoos ke us maandair ka pujaree jo us ke nagar ke samhane tha, baail aur foolon ke har faatkon par lakar logon ke sath baalidan karana chahata tha.
- <sup>14</sup> parantu baranabas aur paulus praeariton ne jab suna, to apane kapade faade, aur bheed men lapak gaa, aur pukarakar kahane lage he logo tum kya karate ho?
- <sup>15</sup> ham bhee to tumhare saman du:kh-sukh bhogee manushy haai, aur tumhen susamachar sunate haai, ki tum in vyarth vastuon se alag hokar jeevate parameshvar kee or firo, jis ne svarga aur prathvee aur samudra aur jo kuchh un men haai banaya.
- <sup>16</sup> us ne beete samayon men sab jatiyon ko apane apane magorn men chalane diya.
- <sup>17</sup> taubhee us ne apane ap ko be-gavah n chhoda kintu vah bhlai karata raha, aur akash se vashara aur falavant retu dekar, tumhare man ko bhojan aur anand se bhrata raha.
- <sup>18</sup> yah kahakar bhee unhon ne logon ko kattrnaita se roka ki un ke liye baalidan n karen..
- <sup>19</sup> parantu kitane yahoodiyon ne antaakiya aur ikuniyam se akar logon ko apanee or kar liya, aur paulus ko patthravah kiya, aur mara samajhkar use nagar ke bahar ghaseett le gae.
- <sup>20</sup> par jab chele us kee charon or a khde hua, to vah utkar nagar men gaya aur doosare din baranabas ke sath dirabe ko chala gaya.
- <sup>21</sup> aur ve us nagar ke logon ko susamachar sunakar, aur bahut se chele banakar, lusr aur ikuniyam aur antaakiya ko laut aae.
- <sup>22</sup> aur chelon ke man ko sthiar karate rahe aur yah upadesh dete the, ki hamen bade klesh utkar parameshvar ke rajy men pravesh karana hoga.
- <sup>23</sup> aur unhon ne har aek kaleesiya men un ke liye praacheen ttaraa, aur upavas saahit praarthna karake, unhen prabhu ke hath saunpa jis par unhon ne vishvas kiya tha.
- <sup>24</sup> aur pisidiya se hote huae ve panfooliya men pahunche
- <sup>25</sup> aur piraga men vachan sunakar attliya men aae.
- <sup>26</sup> aur vahan se jahaj se antaakiya men aa, jahan se ve us kam ke liye jo unhon ne poora kiya tha parameshvar ke anugrah par saunpe gae the.
- <sup>27</sup> vahan pahunchakar, unhon ne kaleesiya ikatthee kee aur bataya, ki parameshvar ne hamare sath hokar kaaise bade bade kam kiae! aur anyajatiyon ke liye vishvas ka dar khol diya.
- <sup>28</sup> aur ve chelon ke sath bahut din tak rahe..

## ADHYĀYA 15

**f**ir kitane log yahoodiya se akar bhaiyon ko sikhane lage ki yadi moosa kee reeti par tumhara khtana n ho to tum uddhar naheen pa sakate.

<sup>2</sup> jab paulus aur baranabas ka un se bahut jhgada aur vada-avivad hua to yah ttharaya gaya, ki paulus aur baranabas, aur ham men se kitane aur vyaaktai is bat ke vishay men yarooshalem ko praeariton aur praacheenon ke pas janae.

<sup>3</sup> so mandlee ne unhen kuchh door tak pahunchaya aur ve faeeneeke or samariya se hote huae anyajatiyon ke man faerane ka samachar sunate gaa, aur sab bhaiyon ko bahut anandait kiya.

<sup>4</sup> jab yarooshalem men pahunche, to kaleesiya aur praerit aur praacheen un se anand k esath mile, aur unhon ne bataya ki parameshvar ne un ke sath hokar kaaise kaaise kam kiae the.

<sup>5</sup> parantu fareeasiyon ke panth men se jinhon ne vishvas kiya tha, un men se kitanon ne uttkar kaha, ki unhen khtana karana aur moosa kee vyavastha ko manane kee agyaa dena चाहiae.

<sup>6</sup> tab praerit aur praacheen is bat ke vishay men vichar karane ke liye ikatthe huae.

<sup>7</sup> tab pataras ne bahut vada-vivad ke bad khde hokar un se kaha.. he bhaiyo, tum janate ho, ki bahut din hua, ki parameshvar ne tum men se mujhe chun liya, ki mere munh se anyajaati susamachar ka vachan sunakar vishvas karen.

<sup>8</sup> aur man ke janchanevale parameshvar ne un ko bhee hamaree nai paavitra atma dekar un kee gavahee dee.

<sup>9</sup> aur vishvas ke dara un ke man shuuddh karake ham men aur un men kuchh bhed n rakha.

<sup>10</sup> to ab tum kyon parameshvar kee pareeksha karate ho? ki chelon kee garadan par aeese joa rakho, jise n hamare bapadade utta sake the aur n ham utta sakate.

<sup>11</sup> ha, hamara yah to nishchay haai, ki jis reeti se ve prabhu yeeshu ke anugrah se uddhar paaenge usee reeti se ham bhee paaenge..

<sup>12</sup> tab saree sabha chupachap hokar baranabas aur paulus kee sunane lagee, ki parameshvar ne un ke dara anyajatiyon men kaaise kaaise chinh, aur adabhut kam dikhaae.

<sup>13</sup> jab ve chup hua, to yakoob kahane laga, ki ..

<sup>14</sup> he bhaiyo, meree suno: shamaun ne bataya, ki parameshvar ne pahile paahil anyajaatiyon par kaaisee krapadraashtti kee, ki un men se apane nam ke liye aek log bana le.

<sup>15</sup> aur is se bhavishyadvktaon kee baten milatee haai, jaaisa likha haai, ki.

<sup>16</sup> is ke bad maain fir akar daud ka gira hua dera uttaunga, aur usake khndharon ko fir banaunga, aur use khda karoonga.

<sup>17</sup> isaliye ki shosh manushy, arthata sab anyajaati jo mere nam ke kahalate haai, prabhu ko ddoonddhen.

<sup>18</sup> yah vahee prabhu kahata haai jo jagat kee utpati se in baton ka samachar deta aya haai.

<sup>19</sup> isaliye mera vichar yah haai, ki anyajaatiyon men se jo log parameshvar kee or firate haai, ham unhen du:kh n den.

<sup>20</sup> parantu unhen likh bhenje, ki ve mooraton kee ashuddhtaon aur vyaabhaichar aur gala ghaentte huon ke mans se aur lohoo se pare rahen.

<sup>21</sup> kyonaki purane samay se nagar nagar moosa kee vyavastha ke prachar karanevale

hote chale aae haai, aur vah har sabt ke din aradhanalay men paddhee jatee haai.

**22** tab saree kaleesiya saahit praearton aur praacheenon ko achchha laga, ki apane men se kai manushyon ko chune, arthata yahooda, jo barasabba kahalata haai, aur seelas ko jo bhaiyon men mukhaiya the aur unhen paulus aur baranabas ke sath antaakiya ko bhejen.

**23** aur un ke hath yah likh bheja, ki antakiya aur sooriya aur kilikiya ke rahanevale bhaiyon ko jo anyajatiyon men se haai, praearton aur praacheen bhaiyon ka namaskara!

**24** ham ne suna haai, ki ham men se kitanon ne vahan jakar, tumhen apanee baton se ghabara diya aur tumhare man ulatt diae haain parantu ham ne un ko agyaa naheen dee thee.

**25** isaliye ham ne aek chitt hokar tteek samajha, ki chune huaee manushyon ko apane pyare baranabas aur paulus ke sath tumhare pas bhejen.

**26** ye to aeese manushy haai, jinhon ne apane praan hamare prabhu yeeshu maseeh ke nam ke liye jokhaim men dale haain.

**27** aur ham ne yahooda aur seelas ko bheja haai, jo apane munh se bhee ye baten kah denge.

**28** paavitra atma ko, aur ham ko tteek jan pada, ki in avashyak baton ko chhod tum par aur boj n dalen

**29** ki tum mooraton ke baali kiae huon se, aur lohoo se, aur gala ghaentte huon ke mans se, aur vyaabhaichar se, pare raho. in se pare raho to tumhara bhla hoga age shuubh..

**30** fir ve vida hokar antakiya men pahunche, aur sabha ko ikatthee karake vah unhen patraee de dee.

**31** aur ve paddhkar us upadesh kee bat se ati anaandait hue.

**32** aur yahooda aur seelas ne jo ap bhee bhavishyadvkta the, bahut baton se bhaiyon ko upadesh dekar sthiar kiya.

**33** ve kuchh din rahakar bhaiyon se shaaantai ke sath vida hua, ki apane bhejanevalon ke pas jaaen.

**34** parantu seelas ko vahan rahana achchha laga.

**35** aur paulus aur baranabas antaakiya men rah gaae: aur bahut aur logon ke sath prabhu ke vachan ka upadesh karate aur susamachar sunate rahe..

**36** kuchh din bad paulus ne baranabas se kaha ki jin jin nagaron men ham ne prabhu ka vachan sunaya tha, ao, fir un men chalakar apane bhaiyon ko dekhen ki kaaise haain.

**37** tab baranabas ne yooanna ko jo marakus kahalata haai, sath lene ka vichar kiya.

**38** parantu paulus ne use jo panfooliya men un se alag ho gaya tha, aur kam par un ke sath n gaya, sath le jana achchha n samajha.

**39** so aeesa ttntta hua, ki ve aek doosare se alag ho gaae: aur baranabas, marakus ko lekar jahaj par kupraus ko chala gaya.

**40** parantu paulus ne seelas ko chun liya, aur bhaiyon se parameshvar ke anugrah par saunpa jakar vahan se chala gaya.

**41** aur kaleesiyaon ko sthiar karata hua, sooriya aur kilikiya se hote hua nikala..

## ADHYĀYA 16

**f**ir vah dirabe aur lusr men bhee gaya, aur dekho, vahan teemuathaiyus nam aek chela tha, jo kisee vishvasee yahoodinee ka putra tha, parantu usaka pita yoonanee tha.

**2** vah lusr aur ikuanium ke bhaiyon men sunam tha.

- <sup>3</sup> paulus ne chaha, ki yah mere sath chale aur jo yahooder log un jagahon men the un ke karan use lekar usaka khtana kiya kyonaki ve sab janate tha, ki usaka pita yoonanee tha.
- <sup>4</sup> aur nagar nagar jate huae ve un vidhaiyon ko jo yarooshalem ke praearton aur praacheenon ne ttharai thee, manane ke liye unhen pahunchate jate the.
- <sup>5</sup> is prakar kaleesiya vishvas men sthiar hotee gai aur ginatee men prati din baddhtee gai.
- <sup>6</sup> aur ve oogiya aur galatiya deshaen men se hokar gaa, aur paavitra atma ne unhen aeeashaiya men vachan sunane se mana kiya.
- <sup>7</sup> aur unhon ne moosiya ke nikatt pahunchakar, bitooniya men jana chaha parantu yeeshu ke atma ne unhen jane n diya.
- <sup>8</sup> so moosiya se hokar ve traeas men aae.
- <sup>9</sup> aur paulus ne rat ko aek darshan dekha ki aek makidunee puroosh khda hua, us se binatee karake kahata haai, ki par utarakar maakiduaniya men a aur hamaree sahayata kara.
- <sup>10</sup> usake yah darshan dekhte hee ham ne turant makiduaniya jana chaha, yah samajhkar, ki parameshvar ne hamen unhen susamachar sunane ke liye bulaya haai..
- <sup>11</sup> so traeas se jahaj kholakar ham seedho sumatraake aur doosare din niyapulis men aae.
- <sup>12</sup> vahan se ham filippe men pahunche, jo maakiduaniya praant ka mukhy nagar, aur romiyon kee bastee haai aur ham us nagar men kuchh din tak rahe.
- <sup>13</sup> sabt ke din ham nagar ke faattk ke bahar nadee ke kinare yah samajhkar gaa, ki vahan praarthna karane ka sthan hoga aur baaitkar un striayon se jo ikatthee hui thee, baten karane lage.
- <sup>14</sup> aur luadiya nam thuatheera nagar kee baainjane ke kapade bechanevalee aek bhkt sree sunatee thee, aur prabhu ne usaka man khola, taaki paulus kee baton par chitt lagaae.
- <sup>15</sup> aur jab us ne apane gharane samet bapaatisma liya, to us ne binatee kee, ki yadi tum mujhe prabhu kee vishvasinee samajhte ho, to chalakar mere ghar men raho aur vah hamen manakar le gai..
- <sup>16</sup> jab ham praarthna karane kee jagah ja rahe the, to hamen aek dasee milee jis men bhaveree kahanevalee atma thee aur bhaveree kahane se apane svaamiyon ke liye bahut kuchh kama latee thee.
- <sup>17</sup> vah paulus ke aur hamare peechhe akar chillane lagee ki ye manushy param pradhaan parameshvar ke das haai, jo hamen uddhar ke marga kee katha sunate haain.
- <sup>18</sup> vah bahut din tak aeesea hee karatee rahee, parantu paulus du:akhait hua, aur munh faerakar us atma se kaha, maain tujhe yeeshu maseeh ke nam se agyaa deta hoo, ki us men se nikal ja aur vah usee ghadee nikal gai..
- <sup>19</sup> jab usake svamiyon ne dekha, ki hamaree kamai kee asha jatee rahee, to paulus aur seelas ko pakad kar chauk men praadhaanon ke pas kheench le gaee.
- <sup>20</sup> aur unhen faaujadaree ke hakimon ke pas le jakar kaha ye log jo yahooder haai, hamare nagar men badee halachal macha rahe haain.
- <sup>21</sup> aur aeese vyavahar bata rahe haai, jinhen grahan karana ya manana ham romiyon ke liye tteek naheen.
- <sup>22</sup> tab bheed ke lage un ke virodha men ikatthe hokar chaddh aa, aur hakimon ne un ke kapade faadkar utar dale, aur unhen bet marane kee agyaa dee.
- <sup>23</sup> aur bahut bet lagavakar unhen bandeegrah men dala aur daroga ko agyaa dee, ki unhen chaukasee se rakhe.

- <sup>24</sup> us ne aeesee agyaa pakar unhen bheetar kee kottree men rakha aur un ke panv katt men ttonk die.
- <sup>25</sup> adhaee rat ke lagabhg paulus aur seelas praarthna karate huae parameshvar ke bhjan ga rahe the, aur bandhauae un kee sun rahe the.
- <sup>26</sup> ki itane men aekaaek bada bhuidol hua, yahan tak ki bandeegrah kee nev hil gai, aur turant sab dar khul gaae aur sab ke bandhan khul pade.
- <sup>27</sup> aur daroga jag utta, aur bandeegrah ke dar khule dekhkar samajha ki bandhauae bhag gaa, so us ne talavar kheenchakar apane ap ko mar dalana chaha.
- <sup>28</sup> parantu paulus ne unche shabd se pukarakar kaha apane ap ko kuchh hani n pahuncha, kyonki ham sab yahan haain.
- <sup>29</sup> tab vah deeya mangavakar bheetar lapak gaya, aur kanpata hua paulus aur seelas ke age gira.
- <sup>30</sup> aur unhen bahar lakar kaha, he sahibo, uddhar pane ke liye maain kya karoon?
- <sup>31</sup> unhon ne kaha, prabhu yeeshu maseeh par vishvas kar, to too aur tera gharana uddhar paega.
- <sup>32</sup> aur unhon ne us ko, aur usake sare ghar ke logon ko prabhu ka vachan sunaya.
- <sup>33</sup> aur rat ko usee ghadee us ne unhen le jakar un ke ghaav dhaea, aur us ne apane sab logon samet turant bapaatisma liya.
- <sup>34</sup> aur us ne unhen apane ghar men le jakar, un ke age bhojan rakha aur sare gharane samet parameshvar par vishvas karake anand kiya..
- <sup>35</sup> jab din hua tak haakimon ne pyadon ke hath kahala bheja ki un manushyon ko chhod do.
- <sup>36</sup> daroga ne ye baten paulus se kah sunai, ki hakimon ne tumhare chhod dene kee agyaa bhej dee haai, so ab nikalakar kushal se chale jao.
- <sup>37</sup> parantu paulus ne us se kaha, unhon ne hamen jo romee manushy haai, doshaee ttharaae bina, logon ke samhane mara, aur bandeegrah men dala, aur ab kya chupake se nikal dete haain? aeesea nahee, parantu ve ap akar hamen bahar le jaaen.
- <sup>38</sup> pyadon ne ye baten hakimon se kah dee, aur ve yah sunakar ki romee haai, dr gaae.
- <sup>39</sup> aur akar unhen manaya, aur bahar le jakar binatee kee ki nagar se chale jaaen.
- <sup>40</sup> ve bandeegrah se nikal kar luadiya ke yahan gaa, aur bhaiyon se bhentt karake unhen shaaantai dee, aur chale gaae..

## ADHYĀYA 17

**f**ir ve amfaipualis aur apulloniya hokar thaissaluneeke men aa, jahan yahoodiyon ka aek aradhanalay tha.

- <sup>2</sup> aur paulus apanee reeti ke anusar un ke pas gaya, aur teen sabt ke din pavitra shaasren se un ke sath vivad kiya.
- <sup>3</sup> aur un ka arth khol kholakar samajhata tha, ki maseeh ka dukh uttana, aur mare huon men se jee uttna, avashy tha aur yahee yeeshu jis kee maain tumhen katha sunata hoo, maseeh haai.
- <sup>4</sup> un men se kitanon ne, aur bhkt yoonaanion men se bahuteron ne aur bahut see kuleen sitrayon ne man liya, aur paulus aur seelas ke sath mil gae.
- <sup>5</sup> parantu yahoodiyon ne dah se bhrakar bajaroo logon men se kai dushtt manushyon ko apane sath men liya, aur bheed lagakar nagar men hullad machane lage, aur yason ke ghar par chaddhai karake unhen logon ke samhane lana chaha.

- <sup>6</sup> aur unhen n pakar, ve yah chillate huae yason aur kitane aur bhaiyon ko nagar ke haakimon ke samhane kheench laa, ki ye log jinhon ne jagal ko ulatta pulatta kar diya haai, yahan bhee aae haain.
- <sup>7</sup> aur yamon ne unhen apane yahan utara haai, aur ye sab ke sab yah kahate haain ki yeeshu raja haai, aur kaaisar kee agyaaon ka virodha karate haain.
- <sup>8</sup> unhon ne logon ko aur nagar ke haakimon ko yah sunakar ghabara diya.
- <sup>9</sup> aur unhon ne yason aur bakee logon se muchalaka lekar unhen chhod diya..
- <sup>10</sup> bhaiyon ne turant rat hee rat paulus aur seelas ko bireeya men bhej diya: aur ve vahan pahunchakar yahoodiyon ke aradhanalay men gaae.
- <sup>11</sup> ye log to thaissaluneeke ke yahoodiyon se bhle the aur unhon ne badee lalasa se vachan grahan kiya, aur praati din pavitra shaasren men ddoonddhte rahe ki ye baten yoheen haai, ki naheen.
- <sup>12</sup> so un men se bahuton ne, aur yoonanee kuleen striayon men se, aur purooshaen men se bahuteron ne vishvas kiya.
- <sup>13</sup> kintu jab thaissaluneeke ke yahoodee jan gaa, ki paulus bireeya men bhee parameshvar ka vachan sunata haai, to vahan bhee akar logon ko usakane aur halachal machane lage.
- <sup>14</sup> tab bhaiyon ne turant paulus ko vida kiya, ki samudra ke kinare chala jaae parantu seelas aur teemuthaiyus vaheen rah gaae.
- <sup>15</sup> paulus ke pahunchanevale use athene tak le gaa, aur seelas aur teemuthaiyus ke liye yah agyaa lekar vida hua, ki mere pas bahut shaeegha ao..
- <sup>16</sup> jab paulus athene men un kee batt joh raha tha, to nagar ko mooraton se bhra hua dekhkar usaka jee jal gaya.
- <sup>17</sup> so vah aradhanalay men yahoodiyon aur bhkton se aur chauk men jo log milate the, un se har din vada-vivad kiya karata tha.
- <sup>18</sup> tab iapikooree aur stoikee panditon men se kitane us se tarka karane lage, aur kitanon ne kaha, yah bakavadee kya kahana chahata haai? parantu auron ne kaha vah any devataon ka pracharak maloom padta haai, kyonki vah yeeshu ka, aur punarootthan ka susamachar sunata tha.
- <sup>19</sup> tab ve use apane sath ariyupagus par le gaae aur poochha, kya ham jan sakate haai, ki yah naya mat jo too sunata haai, kya haai?
- <sup>20</sup> kyonaki too anokhee baten hamen sunata haai, isaliye ham janana chahate haain ki in ka arth kya haai?
- <sup>21</sup> isaliye ki sab athenavee aur paradeshaee jo vahan rahate the nai nai baten kahane aur sunane ke sivay aur kisee kam men samay naheen bitate the.
- <sup>22</sup> tab paulus ne ariyupagus ke beech men khda hokar kaha he athene ke logon maain dekhta hoo, ki tum har bat men devataon ke bade mananevale ho.
- <sup>23</sup> kyonaki maain firate huae tumharee poojane kee vastuon ko dekh raha tha, to aek aeese vedee bhee pai, jis par likha tha, ki anajane ishvar ke liye. so jise tum bina jane poojate ho, maain tumhen usaka samachar sunata hoon.
- <sup>24</sup> jis parameshvar ne prathvee aur us kee sab vastuon ko banaya, vah svarga aur prathvee ka svamee hokar hath ke banaae huae maandairon men naheen rahata.
- <sup>25</sup> n kisee vastu ka prayojan rakhkar manushyon ke hathon kee seva leta haai, kyonki vah to ap hee sab ko jeevan aur svas aur sab kuchh deta haai.
- <sup>26</sup> us ne ek hee mool se manushyon kee sab jaatiyan saree prathvee par rahane ke liye banai haain aur un ke ttaraae huae samay, aur nivas ke sivanon ko isaaliye bandha haai.

- <sup>27</sup> ki ve parameshvar ko ddoondhe, kadaachit use tttolakar pa jaaen taubhee vah ham men se kisee se door naheen!
- <sup>28</sup> kyonaki ham usee men jeeavit rahate, aur chalute-afirate, aur sthiar rahate haain jaaise tumhare kitane kaviyon ne bhee kaha haai, ki ham to usee ke vansh bhee haain.
- <sup>29</sup> so parameshvar ka vansh hokar hamen yah samajhta uchit nahee, ki ishvaratv, sone ya roope ya patthr ke saman haai, jo manushy kee kareegaree aur kalpata se gaddhe gaee hon.
- <sup>30</sup> isaliye parameshvar agyaanata ke samayon men anakanee karake, ab har jagah sab manushyon ko man firane kee agyaa deta haai.
- <sup>31</sup> kyonaki us ne aek din ttharaya haai, jis men vah us manushy ke dara dharma se jagat ka nyay karega, jise us ne ttharaya haai aur use mare huon men se jilakar, yah bat sab par praamaanait kar dee haai..
- <sup>32</sup> mare huon ke punarootthan kee bat sunakar kitane to ttttha karane lage, aur kitanon ne kaha, yah bat ham tujh se fir kabhee sunenge.
- <sup>33</sup> is par paulus un ke beech men se nikal gaya.
- <sup>34</sup> parantu kai aek manushy usake sath mil gaa, aur vishvas kiya, jin men diyunusiyus aariyupagee tha, aur damaris nam aek sree thee, aur un ke sath aur bhee kitane log the..

## ADHYĀYA 18

- I**s ke bad paulus athene ko chhodkar kuarinthus men aya.
- <sup>2</sup> aur vahan akvaila nam aek yahoodee mila, jis ka janm puntus ka tha aur apane patnee pirsakilla samet italiya se naya aya tha, kyonaki klauadiyus ne sab yahoodiyon ko rom se nikal jane kee agyaa dee thee, so vah un ke yahan gaya.
- <sup>3</sup> aur usaka aur un ka aek hee udhym tha isaaliye vah un ke sath raha, aur ve kam karane lage, aur un ka udhym tamboo banane ka tha.
- <sup>4</sup> aur vah har aek sabt ke din aradhanalay men vada-vivad karake yahoodiyon aur yoonaanion ko bhee samajhata tha..
- <sup>5</sup> jab seelas aur teemuathaiyus maakiduniya se aa, to paulus vachan sunane kee dhaun men lagakar yahoodiyon ko gavahee deta tha ki yeeshu hee maseeh haai.
- <sup>6</sup> parantu jab ve virodha aur ninda karane lage, to us ne apane kapade jhadkar un se kaha tumhara lohoo tumharee gardan par rahe: maain nidaush hoon: ab aee maain anyajatiyon ke pas jaunga.
- <sup>7</sup> aur vahan se chalakar vah titus yustus nam parameshvar ke aek bhkt ke ghar men aya, jis ka ghar aradhanalay se laga hua tha.
- <sup>8</sup> tab aradhanalay ke saradar krispus ne apane sare gharane samet prabhu par vishvas kiya aur bahut se kurinthee sunakar vishvas laae aur bapatisma liya.
- <sup>9</sup> aur prabhu ne rat ko darshan ke dara paulus se kaha, mat dr, baran kahe ja, aur chup mat raha.
- <sup>10</sup> kyonaki maain tere sath hoon: aur koi tujh par chaddhai karake teree haati n karega kyonaki is nagar men mere bahut se log haain.
- <sup>11</sup> so vah un men parameshvar ka vachan sikhate huae deddh varsha tak raha..
- <sup>12</sup> jab gaallaiyo akhaya desh ka hakim tha to yahoodee log aeka karake paulus par chaddh aa, aur use nyay asan ke samhane lakar, kahane lage.
- <sup>13</sup> ki yah logon ko samajhata haai, ki parameshvar kee upasana aeese reeti se kare, jo vyavastha ke vipareet haai.

- <sup>14</sup> jab paulus bolane par tha, to gallaiyo ne yahoodiyon se kaha he yahoodiyo, yaadi yah kuchh anyay ya dushtta kee bat hotee to uchit tha ki maain tumharee sunata.
- <sup>15</sup> parantu yadi yah vada-vivad shabdo, aur namo, aur tumhare yahan kee vyavastha ke vishay men haai, to tum hee jano kyonaki maain in baton ka nyayee banana naheen chahata.
- <sup>16</sup> aur us ne unhen nyay asan ke samhane se nikalava diya.
- <sup>17</sup> tab sab loagen ne aradhanalay ke saradar sosthianes ko pakad ke nyay asan ke samhane mara: parantu gaallaiyo ne in baton kee kuchh bhee chinta n kee..
- <sup>18</sup> so paulus bahut din tak vahan raha, fir bhaiyon se vida hokar kinakhaiya men isaliye sir mundaya kyonaki us ne mannat manee thee aur jahaj par sooriya ko chal diya aur usake sath pirsakilla aur akvaila the.
- <sup>19</sup> aur us ne iafisus men pahunchakar un ko vahan chhoda, aur ap hee aradhanalay men jakar yahoodiyon se vivad karane laga.
- <sup>20</sup> jab unhon ne us se binatee kee, ki hamare sath aur kuchh din rah, to us ne sveekar n kiya.
- <sup>21</sup> parantu yah kahakar un se vida hua, ki yadi parameshvar chahe to maain tumhare pas fir aunga.
- <sup>22</sup> tab iafisus se jahaj kholakar chal diya, aur kaaisaariya men utar kar yarooshalem ko gaya aur kaleesiya ko namaskar karake antakiya men aya.
- <sup>23</sup> fir kuchh din rahakar vahan se chala gaya, aur aek or se galatiya aur oogiya men sab chelon ko sthiar karata fir..
- <sup>24</sup> apullos nam aek yahoodi jis ka janm sikandaariya men hua tha, jo vidan puroosh tha aur paavitra shaasr ko achchhee tarah se janata tha ifisus men aya.
- <sup>25</sup> us ne prabhu ke marga kee shaiksha pai thee, aur man lagakar yeeshu ke vishay men tteek tteek sunata, aur sikhata tha, parantu vah keval yoohanna ke bapaatisma kee bat janata tha.
- <sup>26</sup> vah aradhanalay men nidr hokar bolane laga, par piraskailla aur akvaila us kee baten sunakar, use apane yahan le gaae aur parameshvar ka marga us ko aur bhee tteek tteek bataya.
- <sup>27</sup> aur jab us ne nishchay kiya ki par utarakar akhaya ko jaae to bhaiyon ne use ddhaddhs dekar chelon ko likha ki ve us se achchhee tarah mile, aur us ne pahunchakar vahan un logon kee badee sahayata kee jinhon ne anugrah ke karan vishvas kiya tha.
- <sup>28</sup> kyonaki vah pavitra shaasr se praman de dekar, ki yeeshu hee maseeh haai badee prabalata se yahoodiyon ko sab ke samhane niroottr karata raha..

## ADHYĀYA 19

**a**ur jab apullos kurinthus men tha, to paulus upar se sare desh se hokar iafisus men aya, aur kai chelon ko dekhkara.

<sup>2</sup> un se kaha kya tum ne vishvas karate samay paavitra atma paya? unhon ne us se kaha, ham ne to paavitra atma kee charcha bhee naheen sunee.

<sup>3</sup> us ne un se kaha to fir tum ne kis ka bapaatisma liya? unhon ne kaha yoohanna ka bapaatisma.

<sup>4</sup> paulus ne kaha yoohanna ne yah kahakar man firav ka bapatisma diya, ki jo mere bad anevala haai, us par arthata yeeshu par vishvas karana.

<sup>5</sup> yah sunakar unhon ne prabhu yeeshu ke nam ka bapatisma liya.

- <sup>6</sup> aur jab paulus ne un par hath rakhe, to un par paavitra atma utara, aur ve bhainn bhasha bolane aur bhvishyadvvanee karane lage.
- <sup>7</sup> ye sab lagabhg barah puroosh the..
- <sup>8</sup> aur vah aradhanalay men jakar teen maheene tak nidr hokar bolata raha, aur parameshvar ke rajy ke vishay men vivad karata aur samajhata raha.
- <sup>9</sup> parantu jab kitanon ne kattor hokar us kee naheen manee baran logon ke samhane is marga ko bura kahane lage, to us ne un ko chhodkar chelon ko alag kar liya, aur praati din turannus kee pattshaala men vivad kiya karata tha.
- <sup>10</sup> do varsha tak yahee hota raha, yahan tak ki asiya ke rahanevale kya yahooddee, kya yoonanee sab ne prabhu ka vachan sun liya.
- <sup>11</sup> aur parameshvar paulus ke hathon se samarth ke anokhe kam dikhata tha.
- <sup>12</sup> yahan tak ki roomal aur angochhe us kee deh se chhulavakar beemaron par dalate the, aur un kee beemariyan jatee rahatee thee aur dushttatmaen un men se nikal jaya karatee theen.
- <sup>13</sup> parantu kitane yahooddee jo jhada foonkee karate firate the, yah karane lage, ki jin men dushttatma hon un par prabhu yeeshu ka nam yah kahakar foonke ki jis yeeshu ka prachar paulus karata haai, maain tumhen usee kee shapath deta hoon.
- <sup>14</sup> aur skikava nam ke aek yahooddee mahayajak ke sat putra the, jo aeesa hee karate the.
- <sup>15</sup> par dushttatma ne uttr diya, ki yeeshu ko maain janatee hoo, aur paulus ko bhee pahachanatee hoon parantu tum kaun ho?
- <sup>16</sup> aur us manushy ne jis men dushtt atma thee un par lapakakar, aur unhen vash men lakar, un par aeesa upadrav kiya, ki ve nange aur ghaayal hokar us ghar se nikal bhage.
- <sup>17</sup> aur yah bat iafisus ke rahanevale yahooddee aur yoonanee bhee sab jan gaa, aur un sab par bhy chha gaya aur prabhu yeeshu ke nam kee badai hui.
- <sup>18</sup> aur jinhon ne vishvas kiya tha, un men se bahuteron ne akar apane apane kamon ko man liya aur pragatt kiya.
- <sup>19</sup> aur jadoo karanevalon men se bahuton ne apanee apanee pothaiyan ikatthee karake sab ke samhane jala deen aur jab un ka dam joda gaya, jo pachas hajar roopaye kee nikaleen.
- <sup>20</sup> yon prabhu ka vachan bal poorvak faailata gaya aur prabal hota gaya..
- <sup>21</sup> jab ye baten ho chukee, to paulus ne atma men ttana ki makiduaniya aur akhaya se hokar yarooshalem ko jau, aur kaha, ki vahan jane ke bad mujhe roma ko bhee dekhna avashy haai.
- <sup>22</sup> so apanee seva karanevalon men se teemuathaiyus aur irastus ko makiduaniya men bhejakar ap kuchh din asiya men rah gaya.
- <sup>23</sup> us samay men panth ke vishay men bada hullad hua.
- <sup>24</sup> kyonaki demeatraiyus nam ka aee sunar araatis ke chandee ke mandair banavakar kareegaron ko bahut kam dilaya karata tha.
- <sup>25</sup> us ne un ko, aur, aur aeese vastuon ke kareegaron ko ikatthe karake kaha he manushyo, tum janate ho, ki is kam men hamen kitana dhan milata haai.
- <sup>26</sup> aur tum dekhte aur sunate ho, ki keval iafisus hee men nahee, baran praaya: sare asiya men yah kah kahakar is paulus ne bahut logon ko samajhaya aur bhramaya bhee haai, ki jo hath kee kareegaree haai, ve ishvar naheen.
- <sup>27</sup> aur ab keval isee aek bat ka hee dr nahee, ki hamare is dhandho kee pratishtta jatee rahegee baran yah ki mahan devee araatis ka mandair tuchch samajha jaaega aur jis sara aasiya aur jagat poojata haai usaka mahatv bhee jata rahega.

- <sup>28</sup> ve yah sunakar krodha se bhr gaa, aur chilla chillakar kahane lage, iafisiyon kee aratimis mahan haai!
- <sup>29</sup> aur sare nagar men bada kolahal mach gaya aur logon ne gayus aur aristarakhus makiduanion ko jo paulus ke sangee yatraee the, pakad liya, aur aekachitt hokar rangashaala men daud gaae.
- <sup>30</sup> jab paulus ne logon ke pas bheetar jana chaha to chelon ne use jane n diya.
- <sup>31</sup> aasiya ke haakimon men se bhee usake kai mitraen ne usake pas kahala bheja, aur binatee kee, ki rangashaala men jakar jokhaim n uttana.
- <sup>32</sup> so koi kuchh chillaya, aur koi kuchh kyonaki sabha men badee gadbadee ho rahee thee, aur bahut se log to yah janate bhee naheen the ki ham kis liye ikatthe huae haain.
- <sup>33</sup> tab unhon ne sikandar ko, jis yahoodiyon ne khda kiya tha, bheed men se age baddhaya, aur sikandar hath se saain karake logon ke samhane uttr diya chahata tha.
- <sup>34</sup> parantu jab unhon ne jan liya ki vah yahoodee haai, to sab ke sab aek shabd se koi do ghannte tak chillate rahe, ki ifaasiyon kee aratimis mahan haai.
- <sup>35</sup> tab nagar ke mantraee ne logon ko shaant karake kaha he ifisiyo, kaun naheen janata, ki ifisiyon ka nagar badee devee aratimis ke mandair, aur jyoos kee or se giree hui moorat ka tthalua haai.
- <sup>36</sup> so jab ki in baton ka khndn hee naheen ho sakata, to uchitt haai, ki tum chupake raho aur bina soche vichare kuchh n karo.
- <sup>37</sup> kyonaki tum in manushyon ko laae ho, jo n maandair ke loottnevale haai, aur n hamaree devee ke nindak haain.
- <sup>38</sup> yaadi demeatraiys aur usake sathee kareegaron ko kisee se vivad ho to kachaharee khulee haai, aur hakim bhee haain ve aek doosare par naalish karen.
- <sup>39</sup> parantu yadi tum kisee aur bat ke vishay men kuchh poochhna chahate ho, to niyat sabha men faaisala kiya jaaega.
- <sup>40</sup> kyonaki aj ke balave ke karan ham par dosh lagaae jane ka dr haai, isaaliye ki is ka koi karan nahee, so ham is bheed ke ikattha hone ka koi uttr n de sakenge.
- <sup>41</sup> aur yah kah ke us ne sabha ko vida kiya..

## ADHYĀYA 20

- J**ab hullad thm gaya, to paulus ne chelon ko bulavakar samajhaya, aur un se vida hokar makiduanion kee aur chal diya.
- <sup>2</sup> aur us sare desh men se hokar aur unhen bahut samajhakar, vah yoonan men aya.
- <sup>3</sup> jab teen maheene rahakar jahaj par sooriya kee or jane par tha, to yahoodee us kee ghaat men lage, isaliye us ne yah salah kee ki makiduanion hokar lott aae.
- <sup>4</sup> bireeya ke purroos ka putra sopatraus aur thaissalooneeakiyon men se aaristarkhus aur sikundus aur aasiya ka tuakhaikus aur traufimus aasiya tak usake sath ho liae.
- <sup>5</sup> ve age jakar traeas men hamaree batt johate rahe.
- <sup>6</sup> aur ham akhmeeree rottee ke dinon ke ba filippe se jahaj par chaddhkar panch din men traeas men un ke pas pahunche, aur sat din tak vaheen rahe..
- <sup>7</sup> saptah ke paahile din jab ham rottee todne ke liye ikatthe hua, to paulus ne jo doosare din chale jane par tha, un se baten kee, aur adhaee rat tak baten karata raha.
- <sup>8</sup> jis attaree par ham ikatthe the, us men bahut deeye jal rahe the.
- <sup>9</sup> aur yootukhus nam ka aek javan khaidkee par baaita hua gaharee neend se jhuk raha tha, aur jab paulus der tak baten karata raha to vah neend ke jhoke men teesaree attaree

par se gir pada, aur mara hua uttaya gaya.

**10** parantu paulus utarakar us se lipatt gaya, aur gale lagakar kaha ghabarao naheen kyonaki usaka praan usee men haai.

**11** aur upar jakar rottee todee aur khakar itanee der tak un se baten karata raha, ki pau fatt gai fir vah chala gaya.

**12** aur ve us ladke ko jeeavit le aa, aur bahut shaantai pai..

**13** ham paahile se jahaj par chaddhkar assus ko is vichar se age gaa, ki vahan se ham paulus ko chaddha len kyonki us ne yah isaaliye ttharaya tha, ki ap hee paaidal janevala tha.

**14** jab vah assus men hamen mila to ham use chaddhakar mitulene men aae.

**15** aur vahan se jahaj kholakar ham doosare din khaiyus ke samhane pahunche, aur agale din samus men lagan kiya, fir doosare din meeletus men aae.

**16** kyonaki paulus ne iafisus ke pas se hokar jane kee ttanee thee, ki kaheen aeese n ho, ki use aasiya men der lage kyonki vah jaldee karata tha, ki yadi ho sake, to use pintekus ka din yarooshalem men katte..

**17** aur us ne meeletus se iafisus men kahala bheja, aur kaleeasiya ke praacheenon ko bulavaya.

**18** jab ve us ke pas aa, to un se kaha, tum janate ho, ki pahile hee din se jab maain aasiya men pahuncha, maain har samay tumhare sath kis prakar raha.

**19** arthata badee deenata se, aur ansoo baha bahakar, aur un pareekshaaon men jo yahoodiyon ke shadyantra ke karan mujh par a padee maain prabhu kee seva karata hee raha.

**20** aur jo jo baten tumhare labh kee thee, un ko batane aur logon ke samhane aur ghar ghar sikhane se kabhee n jhjhika.

**21** baran yahoodiyon aur yoonaaniyon ke samhane gavahee deta raha, ki parameshvar kee or man firana, aur hamare prabhu yeeshu maseeh par vishvas karana chahiae.

**22** aur ab dekho, maain atma men bandha hua yarooshalem ko jata hoo, aur naheen janata, ki vahan mujh par kya kya beetega?

**23** keval yah ki pavitra atma har nagar men gavahee de dekar mujh se kahata haai, ki bandhan aur klesh tere liye taaiyar haai.

**24** parantu maain apane praan ko kuchh naheen samajhta: ki use piri janoo, baran yah ki maain apanee daud ko, aur us sevakai ko pooree karoo, jo maain ne parameshvar ke anugrah ke susamachar par gavahee dene ke liye prabhu yeeshu se pai haai.

**25** aur ab dekho, maain janata hoo, ki tum sab jin se maain parameshvar ke rajy ka prachar karata fira, mera munh fir n dekhoge.

**26** isaliye maain aj ke din tum se gavahee dekar kahata hoo, ki maain sab ke lohoo se nirdosh hoon.

**27** kyonaki maain parameshvar kee saree manasa ko tumhen pooree reeti se banane se n jhjhika.

**28** isaliye apanee aur poore jhund kee chaukasee karo jis se pavitra atma ne tumhen adhyaksha ttharaya haai ki tum parameshvar kee kaleeasiya kee rakhvalee karo, jise us ne apane lohoo se mol liya haai.

**29** maain janata hoo, ki mere jane ke bad faadnevale bheadiae tum men aaenge, jo jhund ko n chhodenge.

**30** tumhare hee beech men se bhee aeese aeese manushy uttenge, jo chelon ko apane peechhe kheench lene ko tteddhee meddhee baten kahenge.

- <sup>31</sup> isaliye jagate raho aur smaran karo ki maain ne teen varsha tak rat din ansoo baha bahakar, har aek ko chitaunee dena n chhoda.
- <sup>32</sup> aur ab maain tumhen parameshvar ko, aur usake anugrah ke vachan ko saunp deta hoon jo tumharee unnati kar sakata haai, oshra sab paavitraen men sajhee karake meeras de sakata haai.
- <sup>33</sup> maain ne kisee kee chandee sone ya kapade ka lalach naheen kiya.
- <sup>34</sup> tum ap hee janate ho ki inheen hathon ne meree aur mere saathaiyon kee avashyakataen pooree keen.
- <sup>35</sup> maain ne tumhen sab kuchh karake dikhaya, ki is reeti se parishram karate huae nirbalon ko sambhalana, aur prabhu yeeshu kee baten smaran rakhna avashy haai, ki us ne ap hee kaha haai ki lene se dena dhany haai..
- <sup>36</sup> yah kahakar us ne ghautne tteke aur un sab ke sath praarthna kee.
- <sup>37</sup> tab ve sab bahut roae aur paulus ke gale men lipatt kar use choomane lage.
- <sup>38</sup> ve vishosh karake is bat ka shaek karate the, jo us ne kahee thee, ki tum mera munh fir n dekhoge aur unhon ne use jahaj tak pahunchaya..

## ADHYĀYA 21

- J**ab ham ne un se alag hokar jahaj khola, to seedho marga se kos men aa, aur doosare din roodus me, or vahan se patara men.
- <sup>2</sup> aur aek jahaj faeeneeke ko jata hua mila, aur us par chaddhkar, use khol diya.
- <sup>3</sup> jab kupraus dikhai diya, jo ham ne use baaeen hath chhoda, aur sooriya ko chalakar soon men utare kyonki vahan jahaj ka bojh utarana tha.
- <sup>4</sup> aur chelon ko pakar ham vahan sat din tak rahe: unhon ne atma ke sikhaae paulus se kaha, ki yarooshalem men panv n rakhna.
- <sup>5</sup> jab ve din poore ho gaa, to ham vahan se chal diae or sab striayon aur balakon samet hamen nagar ke bahar tak pahunchaya aur ham ne kinare par ghautne ttekakar praarthna kee.
- <sup>6</sup> tab aek doosare se vida hokar, ham to jahaj par chaddhe, aur ve apane apane ghar laut gae..
- <sup>7</sup> jab ham soor se jalayatra pooree karake patulimaayis men pahunche, aur bhaiyon ko namaskar karake un ke sath aek din rahe.
- <sup>8</sup> doosare din ham vahan se chalakar kaaisaariya men aa, aur filippus susamachar pracharak ke ghar men jo saton men se aek tha, jakar usake yahan rahe.
- <sup>9</sup> us kee char kunvaree putraiyen theen jo bhvishyadanee karatee theen.
- <sup>10</sup> jab ham vahan bahut din rah chuke, to agabus nam aek bhavishyadvakta yahoodiya se aya.
- <sup>11</sup> us ne hamare pas akar paulus ka pattka liya, aur apane hath panv bandhakar kaha pavitra atma yah kahata haai, ki jis manushy ka yah pattka haai, us ko yarooshalem men yahoodee isee reeti se bandhonge, aur anyajaatiyon ke hath men saunpenge.
- <sup>12</sup> jab ye baten sunee, to ham aur vahan ke logon ne us se binatee kee, ki yarooshalem ko n jaae.
- <sup>13</sup> parantu paulus ne uttr diya, ki tum kya karate ho, ki ro rokar mera man todte ho, maain to prabhu yeeshu ke nam ke liye yarooshalem men n keval bandho jane hee ke liye baran marane ke liye bhee taaiyar hoon.
- <sup>14</sup> jab un se n mana to ham yah kahakar chup ho gae ki prabhu kee ichchha pooree ho..

<sup>36</sup> kyonaki logon kee bheed yah chillatee hui usake peechhe padee, ki usaka ant kar do..

<sup>37</sup> jab ve paulus ko gaddh men le jane par the, to us ne palatn ke saradar se kaha kya mujhe agyaa haai ki maain tujh se kuchh kahoon? us ne kaha kya too yoonanee janata haai?

<sup>38</sup> kya too vah misaree nahee, jo in dinon se paahile balavai banakar char hajar kattaraband logon ko jangal men le gaya?

<sup>39</sup> paulus ne kaha, maain to tarasus ka yahooddee manushy hoon! kilikiya ke praasiddh nagar ka nivasee hoon: aur maain tujh se binatee karata hoo, ki mujhe logon se baten karane de.

<sup>40</sup> jab us ne agyaa dee, to paulus ne seeddhee par khde hokar logon ko hath se saain kiya: jab ve chup ho gaa, to vah ibraanee bhasha men bolane laga, ki,

## ADHYĀYA 22

**h**e bhaiyo, aur pitaro, mera pratyuttr suno, jo maain ab tumhare samhane kahata hoon..

<sup>2</sup> ve yah sunakar ki vah ham se ibraanee bhasha men bolata haai, aur bhee chup rahe. tab us ne kaha

<sup>3</sup> maain to yahooddee manushy hoo, jo kilikiya ke tarasus men janma parantu is nagar men gamaleeael ke panvon ke pas baaittkar paddhaya gaya, aur bapadadon kee vyavastha kee tteek reeti par sikhaya gaya aur parameshvar ke liye aeese dhaun lagaae tha, jaaise tum sab aj lagaae ho.

<sup>4</sup> aur maain ne puroosh aur sree donon ko bandha bandhakar, aur bandeegrah men dal dalakar, is panth ko yahan tak sataya, ki unhen marava bhee dala.

<sup>5</sup> is bat ke liye mahayajak aur sab puraaniye gavah haain ki un men se maain bhaiyon ke nam par chitthiyan lekar damishk ko chala ja raha tha, ki jo vahan hon unhen bhee dand dilane ke liye bandhakar yarooshalem men laun.

<sup>6</sup> jab maain chalate chalate damishk ke nikatt pahuncha, to aeese hua ki do pahar ke lagabhg aeekaeek aek badee jyoti akash se mere charon or chamee.

<sup>7</sup> aur maain boomi par gir pada: aur yah shabd suna, ki he shaaul, he shaaul, too mujhe kyon satata haai? maain ne uttr diya, ki he prabhu, too kaun haai?

<sup>8</sup> us ne mujh se kaha maain yeeshu nasaree hoo, jis too satata haai?

<sup>9</sup> aur mere sathaiyon ne jyoti to dekhee, parantu jo mujh se bolata tha usaka shabd n suna.

<sup>10</sup> tab maai. ne kaha he prabhu maain kya karon? prabhu ne mujh se kaha uttkar damishk men ja, aur jo kud tere karane ke liye ttharaya gaya haai vahan tujh se sab kah diya jaaega.

<sup>11</sup> jab us jyoti ke tej ke mare mujhe kuchh dikhai n diya, to maain apne sathaiyon ke hath pakade huae daamishk men aya.

<sup>12</sup> aur hananyah nam ka vyavastha ke anusar aek bhkt manushy, jo vahan ke rahanevale sab yahoodiyon men sunam tha, mere pas aya.

<sup>13</sup> aur khda hokar mujh se kaha he bhai shaaul fir dekhne laga: usee ghadee mere netra khul gaae aur maain ne use dekha.

<sup>14</sup> tab us ne kaha hamare bapadadon ke parameshvar ne tujhe isaaliye ttharaya haai, ki too us kee ichchha ko jane, aur us dharmee ko dekhe, aur usake munh se baten sune.

<sup>15</sup> kyonaki too us kee or se sab manushyon ke samhane un baton ka gavah hoga, jo too ne dekhee aur sunee haain.

<sup>16</sup> ab kyon der karata haai? ut, bapaatisma le, aur usaka nam lekar apne papon ko dhae

dala.

**17** jab maain fir yarooshalem men akar mandair men praarthna kar raha tha, to besudha ho gaya.

**18** aur us ne dekha ki mujh se kahata haai jaldee karake yarooshalem se jhtt nikal ja: kyonaki ve mere vishay men teree gavahee n manenge.

**19** maain ne kaha he prabhu ve to ap janate haai, ki maain tujh par vishvas karanevalon ko bandeegrah men dalata aur jagah jagah aradhanalay men pittvata tha.

**20** aur jab tere gavah staifanus ka lohoo bahaya ja raha tha tab maain bhee vahan khda tha, aur is bat men sahamat tha, aur usake ghaatakon ke kapadon kee rakhvalee karata tha.

**21** aur us ne mujh se kaha, chala ja: kyonaki maain tujhe anyajaatiyon ke pas door door bhejoonga..

**22** ve is bat tak us kee sunate rahe tab unche shabd se chillaa, ki aeese manushy ka ant karo usaka jeeavit rahata uchit naheen.

**23** jab ve chillate aur kapade faenkate aur akash men dhool udate the

**24** to palattn ke soobedar ne kaha ki ise gaddh men le jao aur kode marakar jancho, ki maain janoon ki log kis karan usake virodha men aeese chilla rahe haain.

**25** jab unhon ne use tasamon se bandha to paulus ne us soobedar se jo pas khda tha kaha, kya yah uchit haai, ki tum aek romeer manushy ko, aur vah bhee bina doshaee ttharaae huae kode maro?

**26** soobedar ne yah sunakar palattn ke saradar ke pas jakar kaha too yah kya karata haai? yah to ramee haai.

**27** tab palattn ke saradar ne usake pas akar kaha mujhe bata, kya too romeer haai? us ne kaha, han.

**28** yah sunakar palattn ke saradar ne kaha ki maain ne romeer hone ka pad bahut roopaye dekar paya haai: paulus ne kaha, maain to janm se romeer hoon.

**29** tab jo log use janchane par the, ve turant usake pas se hatt gaae aur palattn ka saradar bhee yah janakar ki yah romeer haai, aur maain ne use bandha haai, dr gaya..

**30** doosare din vah tteek tteek janane kee ichchha se ki yahooder us par kyon dosh lagate haai, usake bandhan khol diae aur mahayajakon aur saree mahasabha ko ikatthe hone kee agyaa dee, aur paulus ko neeche le jakar un ke samhane khda kar diya..

## ADHYĀYA 23

**p**aulus ne mahasabha kee or ttkattkee lagakar dekha, aur kaha, he bhaiyo, maain ne aj tak parameshvar ke liye bilakul sachche vivek se jeevan bitaya.

**2** hananyah mahayajak ne, un kee jo usake pas khde the, usake moonh par thppad marane kee agyaa dee.

**3** tab paulus ne us se kaha he choona firee hui bheet, parameshvar tujhe marega: too vyavastha ke anusar mera nyay karane ko baaitta haai, aur fir kya vyavastha ke virooddh mujhe marane kee agyaa deta haai?

**4** jo pas khde the, unhon ne kaha, kya too parameshvar ke mahayajak ko bura kahata haai?

**5** paulus ne kaha he bhaiyo, maain naheen janata tha, ki yah mahayajak haai kyonki likha haai, ki apane logon ke pradhaan ko bura n kaha.

**6** tab paulus ne yah janakar, ki kitane sadookee aur kitane fareesee haai, sabha men

pukarakar kaha, he bhaiyo, maain fareesee aur fareesiyon ke vansh ka hoo, mare huon hee asha aur punarootthan ke vishay men mera mukama ho raha haai.

<sup>7</sup> jab us ne yah bat kahee to fareesiyon aur sadookiyon men jhgada hone laga aur sabha men foott pad gai.

<sup>8</sup> kyonaki sadooke to yah kahate haai, ki n punarootthan haai, n svargadoot aur n atma haai parantu fareesee donon ko manate haain.

<sup>9</sup> tab bada halla macha aur kitane shaasree jo fareesiyon ke dal ke the, uttkar yon kahakar jhgadne lage, ki ham is manushy men kuchh burai naheen pate aur yadi koi atma ya svargadoot us se bola haai to fir kya?

<sup>10</sup> jab bahut jhgada hua, to palatn ke saradar ne is dr se ki ve paulus ke ttukade ttukade n kar dalen palatn ko agyaa dee, ki utarakar us ko un ke beech men se barabas nikalo, aur gaddh men le ao.

<sup>11</sup> usee rat prabhu ne usake pas a khde hokar kaha he paulus, ddhaddhs bandha kyonki jaaisee too ne yarooshalem men meree gavahee dee, vaaisee hee tujhe rom men bhee gavahee denee hogee..

<sup>12</sup> jab din hua, to yahoodiyon ne aeka kiya, aur shapath khai ki jab tak ham paulus ko man n dale, tab tak khanae ya peeaen to ham par dhaikkara.

<sup>13</sup> jinhon ne apas men yah shapath khai thee, ve chalees janon ke upar the.

<sup>14</sup> unhon ne mahayajakon aur puraniyon ke pas akar kaha, ham ne yah ttana haai ki jab tak ham paulus ko mar n dale, tab tak yadi kuchh chakhen bhee, to ham par dhaikkar par dhaikkar haai.

<sup>15</sup> isaliye ab mahasabha samet palatn ke saradar ko samajhao, ki use tumhare pas le aa, mano ki tum usake vishay men aur bhee tteek janch karana chahate ho, aur ham usake pahunchane se pahile hee use mar dalane ke liye taaiyar rahenge.

<sup>16</sup> aur paulus ke bhanje n suna, ki ve us kee ghaat men haai, to gaddh men jakar paulus ko sandesh diya.

<sup>17</sup> paulus ne soobedaron men se aek ko apane pas bulakar kaha is javan ko palatn ke saradar ke pas le jao, yah us se kuchh kahana chahata haai.

<sup>18</sup> so us ne usako palatn ke saradar ke pas le jakar kaha paulus bandhauae ne mujhe bulakar binatee kee, ki yah javan palatn ke saradar se kuchh kahana chahata haai use usake pas le ja.

<sup>19</sup> palatn ke saradar ne usaka hath pakadkar, aur alag le jakar poochha mujh se kya kahana chahata haai?

<sup>20</sup> us ne kaha yahoodiyon ne ekasa kiya haai, ki tujh se binatee kare, ki kal paulus ko mahasabha men laa, mano too aur tteek se us kee janch karana chahata haai.

<sup>21</sup> parantu un kee mat manana, kyonki un men se chalees ke upar manushy us kee ghaat men haai, jinhon ne yah ttan liya haai, ki jab tak ham paulus ko man n dale, tab tak khaae, peeae, to ham par dhaikkara aur abhee ve taaiyar haain aur tere vachan kee as dekh rahe haain.

<sup>22</sup> tab palatn ke saradar ne javan ko yah agyaa dekar vida kiya, ki kisee se n kahana ki too ne mujh ko ye baten batai haain.

<sup>23</sup> aur do soobedaron ko bulakar kaha do sau sipahee, sattr savar, aur do sau bhalaait, pahar rat beete kaaisariya ko jane ke liye taaiyar kar rakho.

<sup>24</sup> aur paulus kee savaree ke liye ghaede taaiyar rakho ki use faeliiks haakim ke pas kushal se pahuncha den.

<sup>25</sup> us ne is prakar kee chitthee bhee likhee

<sup>26</sup> mahapratapee faeliiks haakim ko klauadiyus loosiyas ko namaskara

- <sup>27</sup> is manushy ke yahoodiyon ne pakadkar mar dalata chaha, parantu jab maain ne jana ki rome haai, to palattn lekar chhuda laya.
- <sup>28</sup> aur maain janana chahata tha, ki ve us par kis karan dosh lagate haai, isaaliye use un kee mahasabha men le gaya.
- <sup>29</sup> tab maain ne jan liya, ki ve apanee vyavastha ke vidadon ke vishay men us par dosh lagate haai, parantu mar dale jane ya bandho jane ke yogy us men koi dosh naheen.
- <sup>30</sup> aur jab mujhe bataya gaya, ki ve is manushy kee ghaat men lage haain to maain ne turant us ko tere pas bhej diya aur muiyon ko bhee agyaa dee, ki tere samhane us par nalish karen..
- <sup>31</sup> so jaaise sipaahiyon ko agyaa dee gai thee vaaise hee paulus ko lekar raton-rat aantaipaatraais men laae.
- <sup>32</sup> doosare din ve savaron ko usake sath jane ke liye chhodkar ap gaddh ko lautte.
- <sup>33</sup> unhon ne kaaisaariya men pahunchakar haakim ko chitthee dee: aur paulus ko bhee usake samhane khda kiya.
- <sup>34</sup> us ne paddhkar poochha yah kis desh ka haai?
- <sup>35</sup> aur jab jan liya ki kilaakiya ka haai to us se kaha jab tere mui bhee aaenge, to maain tera mukama karoonga: aur us ne use herodes ke kile me, pahare men rakhne kee agyaa dee..

## ADHYĀYA 24

**P**anch din ke bad hananyah mahayajak kai puraniyon aur tiratullus nam kisee vakeel ko sath lekar aya unhon ne hakim ke samhane paulus par nalish kee.

<sup>2</sup> jab vah bulaya gaya to tiratullus un par dosh lagakar kahane laga, ki, he mahapratapee faeliks, tere dara hamen jo bada kushal hota haai aur tere prabandha se is jati ke liye kitane buraiyan sudharatee jatee haain.

<sup>3</sup> is ko ham har jagah aur har prakar se dhanyavad ke sath manate haain.

<sup>4</sup> parantu isaaliye ki tujhe aur dukh naheen dena chahata, maain tujh se binatee karata hoo, ki krpa karake hamaree do aek baten sun le.

<sup>5</sup> kyonaki ham ne is manushy ko upadramee aur jagat ke sare yahoodiyon men balava karanevala, aur nasariyon ke kupanth ka muakhaiya paya haai.

<sup>6</sup> us ne maandair ko ashuddh karana chaha, aur ham ne use pakada.

<sup>7</sup> in sab baton ko jin ke vishay men ham us par dosh lagate haai, too apahee us ko janch karake jan lega.

<sup>8</sup> yahoodiyon ne bhee usaka sath dekar kaha, ye baten isee prakar kee haain..

<sup>9</sup> jab haakim ne paulus ko bolane ke liye saain kiya to us ne uttr diya, maain yah janakar ki too bahut vasharen se is jaati ka nyay karata haai, anand se apana pratyuttr deta hoon.

<sup>10</sup> too ap jan sakata haai, ki jab se maain yarooshalem men bhjan karane ko aya, mujhe barah din se upar naheen hue.

<sup>11</sup> aur unhon ne mujhe n maandair men n sabha ke gharon me, n nagar men kisee se vivad karate ya bheed lagate paya.

<sup>12</sup> aur n to ve un baton ko, jin ka ve ab mujh par dosh lagate haai, tere samhane sach tthara sakate haain.

<sup>13</sup> parantu yah maain tere samhane sach tthara sakate haain.

<sup>14</sup> parantu yah maain tere samhane man leta hoo, ki jis panth ko ve kupanth kahate haai, usee kee reeti par maain apane bapadadon ke parameshvar kee seva karata hoon: aur

jo baten vyavastha aur bhvishyadvktaon ke pustakon men likhee haai, un sab ke prateeati karata hoon.

<sup>15</sup> aur parameshvar se asha rakhta hoon jo ve ap bhee rakhte haai, ki dharmee aur adharmee donon ka jee uttna hoga.

<sup>16</sup> is se maain ap bhee yatan karata hoo, ki parameshvar kee, aur manushyon kee or mera vivek sada nirdosh rahe.

<sup>17</sup> bahut vasharen ke bad maain apane logon ko dan pahunchane, aur bhentt chaddhane aya tha.

<sup>18</sup> unhon ne mujhe mandair me, shuuddh dasa men bina bheed ke sat, aur bina danga karate huae is kam men paya - han asiya ke kai yahoodee the - un ko uchit tha,

<sup>19</sup> ki yadi mere virodha men un kee koi bat ho to yahan tere samhane akar mujh par dosh lagate.

<sup>20</sup> ya ye ap hee kahe, ki jab maain mahasabha ke samhane khda tha, to unhon ne mujh se kaun sa aparadha paya?

<sup>21</sup> is aek bat ko chhod jo maain ne un ke beech men khde hokar pukarakar kaha tha, ki mare huon ke jee uttne ke vishay men aj mera tumhare samhane mukama ho raha haai..

<sup>22</sup> faeliks ne jo is panth kee baten tteek tteek janata tha, unhen yah kahakar ttal diya, ki jab palatn ka saradar loosiyas aaega, to tumharee bat ka nirny karoonga.

<sup>23</sup> aur soobedar ko agyaa dee, ki paulus ko sukh se rakhkar rakhvalee karana, aur usake mitraen men se kisee ko bhee us kee seva karane se n rokana..

<sup>24</sup> kitane dinon ke bad faeliks apanee patnee drausilla ko, jo yahoodinee thee, sath lekar aya aur paulus ko bulavakar us vishvas ke vishay men je maseeh yeeshu par haai, us se suna.

<sup>25</sup> aur jab vah dharma aur sanyam aur anevale nyay kee charcha karata tha, to faeliks ne bhyaman hokar uttr diya, ki abhee to ja: avasar pakar maain tujhe fir bulaunga.

<sup>26</sup> use paulus se kuchh roopaye milane kee bhee as thee isaaliye aur bhee bula bulakar us se baten kiya karata tha.

<sup>27</sup> parantu jab do varsha beet gaa, to puraakiyus faestus faeliks kee jagah par aya, aur faeliks yahoodiyon ko khush karane kee ichchha se paulus ko bandhaua chhod gaya..

## ADHYĀYA 25

**f**aestus un praant men pahunchakar teen din ke bar kaaisariya se yarooshalem ko gaya.

<sup>2</sup> tab mahayajakon ne, aur yahoodiyon ke bade logon ne, usake samhane paulus kee nalish kee.

<sup>3</sup> aur use se binatee karake usake virodha men yah bar chaha, ki vah use yarooshalem men bulavaa, kyonki ve use raste hee men mar dalane kee ghaat lagaae huae the.

<sup>4</sup> faestus ne uttr diya, ki paulus kaaisariya men pahare men haai, aur maain ap jald vahan aunga.

<sup>5</sup> fir kaha, tum se jo aadhaikar rakhte haai, ve sath chale, aur yadi is manushy ne kuchh anuachit kam kiya haai, to us par dosh lagaaen..

<sup>6</sup> aur un ke beech koi att das din rahakar vah kaaisariya gaya: aur doosare din nyay asan par baaitkar paulus ke lane kee agyaa dee.

<sup>7</sup> jab vah aya, to jo yahoodee yarooshalem se aae the, unhon ne as pas khde hokar us par bahutere bharee dosh lagaa, jin ka praman ve naheen de sakate the.

<sup>8</sup> parantu paulus ne uttr diya, ki maain ne n to yahoodiyon kee vyavastha ka aur n

mandair ka, aur n kaaisar ka kuchh aparadha kiya haai.

<sup>9</sup> tab faestus ne yahoodiyon ko khush karane kee ichchha se paulus ko uttr diya, kya too chahata haai ki yarooshalem ko jaae aur vahan mere samhane tera yah mukama tay kiya jaae?

<sup>10</sup> paulus ne kaha maain kaaisar ke nyay asan ke samhane khda hoon: mere mukamen ka yaheen faaisala hona chahiae: jaaisa too achchhee tarah janata haai, yahoodiyon ka maain ne kuchh aparadha naheen kiya.

<sup>11</sup> yaadi aparadhaee hoon aur mar dale jane yogy koi kam kiya haai to marane se naheen mukarata parantu jin baton ka ye mujh par dosh lagate haai, yadi un men se koi bat sach n tthare, to koi mujhe un ke hath naheen saunp sakata: maain kaaisar kee dohai deta hoon.

<sup>12</sup> tab faestus ne maantriayon kee sabha ke sath baten karake uttr diya, too ne kaaisar kee dohai dee haai, too kaaisar ke pas jaaega..

<sup>13</sup> aur kuchh din beetane ke bad agirppa raja aur biraneeke ne kaaisaariya men akar faestus se bhentt kee.

<sup>14</sup> aur un ke bahut din vahan rahane ke bad faestus ne paulus kee katha raja ko batai ki aek manushy haai, jise faeliks bandhaua chhod gaya haai.

<sup>15</sup> jab maain yarooshalem men tha, to mahayajak aur yahoodiyon ke puraniyon ne us kee naalish kee aur chaha, ki us par dand kee agyaa dee jaae.

<sup>16</sup> parantu maain ne un ko uttr diya, ki romiyon kee yah reeti nahee, ki kisee manushy ko dand ke liye saunp de, jab tak muaalaih ko apane muiyon ke amane samane khde hokar dosh ke uttr dene ka avasar n mile.

<sup>17</sup> so jab ve yahan ikatthe hua, to maain ne kuchh der n kee, parantu doosare hee din nyay asan par baaitkar, us manushy ko lane kee agyaa dee.

<sup>18</sup> jab usake mui khde hua, to unhon ne aeesee buree baton ka dosh naheen lagaya, jaaisa maain samajhta tha.

<sup>19</sup> parantu apane mat ke, aur yeeshu nam kisee manushy ke vishay men jo mar gaya tha, aur paulus us ko jeeavit batata tha, vivad karate the.

<sup>20</sup> aur maain ulajhn men tha, ki in baton ka pata kaise lagaun? isaliye maain ne us se poochha, kya too yarooshalem jaaega, ki vahan in baton ka faaisala ho?

<sup>21</sup> parantu jab paulus ne dohai dee, ki mere mukamen ka faaisala maharajaadhairaj ke yahan ho to maain ne agyaa dee, ki jab tak use kaaisar ke pas n bhejoo, us kee rakhvalee kee jaae.

<sup>22</sup> tab agirppa ne faestus se kaha, maain bhee us manushy kee sunana chahata hoon: us ne kaha, too kal sun lega..

<sup>23</sup> so doosare din, jab agirppa aur biraneeke badee dhoomadhaam se akar palatn ke saradaron aur nagar ke bade logon ke sath darabar men pahunche, to faestus ne agyaa dee, ki ve paulus ko le aaen.

<sup>24</sup> faestus ne kaha he maharaja agirppa, aur he sab manushyon jo yahan hamare sath ho, tum is manushy ko dekhte ho, jis ke vishay men sare yahoodiyon ne yarooshalem men aur yahan bhee chilla chillakar mujh se binatee kee, ki is ka jeevit rahana uchit naheen.

<sup>25</sup> parantu maain ne jan liya, ki us ne aeesa kuchh naheen kiya ki mar dala jaae aur jab ki us ne ap hee maharajaadhairaj kee dohai dee, to maain ne use bhejane ka upay nikala.

<sup>26</sup> parantu maain ne usake vishay men koi tteek bat naheen pai ki apane svamee ke pas likoo, isaaliye maain use tumhare samhane aur vishosh karake he maharaja agirppa tere

samhane laya hoo, ki janchane ke bad mujhe kuchh likhne ko mile.

<sup>27</sup> kyonaki bandhauae ko bhejane aur jo dosh us par lagaae gaa, unhen n batana, mujhe vyarth samajh padta haai..

## ADHYĀYA 26

<sup>1</sup> agirppa ne paulus se kaha tujhe apane vishay men bolane kee agyaa haai: tab paulus hath baddhakar uttr dene laga, ki,

<sup>2</sup> he raja agirppa, jitanee baton ka yahooddee mujh par dosh lagate haai, aj tere samhane un ka uttr dene men maain apane ko dhany samajhta hoon.

<sup>3</sup> vishosh karake isaaliye ki too yahoodiyon ke sab vyavaharon aur vivadon ko janata haai, so maain binatee karata hoo, dhaeeraj se meree sun le.

<sup>4</sup> jaaisa mera chal chalan arambh se apanee jaati ke beech aur yarooshalem men tha, yah sab yahooddee janate haain.

<sup>5</sup> ve yaadi gavahee dena chahate haai, to arambh se mujhe paahichanate haai, ki maain fareesee hokar apane dharma ke sab se khre panth ke anusar chala.

<sup>6</sup> aur ab us praatigyaa kee asha ke karan jo parameshvar ne hamare bapadadon se kee thee, mujh par mukama chal raha haai.

<sup>7</sup> usee pratigyaa ke poore hone kee asha lagaae hua, hamare barahon gotra apane sare man se rat din parameshvar kee seva karate aae haain: he raja, isee asha ke vishay men yahooddee mujh par dosh lagate haain.

<sup>8</sup> jab ki parameshvar mare huon ko jilata haai, to tumhare yahan yah bat kyon vishvas ke yogy naheen samajhee jatee?

<sup>9</sup> maain ne bhee samajha tha ki yeeshu nasaree ke nam ke virodha men mujhe bahut kuchh karana chahiae.

<sup>10</sup> aur maain ne yarooshalem men aeesea hee kiya aur mahayajakon se aadhaikar pakar bahut se paavitra logon ko bandeegrah men dal, aur jab ve mar dale jate the, to maain bhee un ke virodha men apanee sampati deta tha.

<sup>11</sup> aur har aradhanalay men maain unhen tadna dila dilakar yeeshu kee ninda karavata tha, yahan tak ki krodha ke mare aeesea pagal ho gaya, ki bahar ke nagaron men bhee jakar unhen satata tha.

<sup>12</sup> isee dhaun men jab maain mahayajakon se adhaikar aur paravana lekar daamishk ko ja raha tha.

<sup>13</sup> to he raja, marga men dopahar ke samay maain ne akash se soorya ke tej se bhee baddhkar aek jyoti apane aur apane sath chalanevalon ke charon or chamakatee hui dekhee.

<sup>14</sup> aur jab ham sab boomi par gir pade, to maain ne ibraanee bhasha me, mujh se yah kahate huae yah shabd suna, ki he shaaul, he shaaul, too mujhe kyon satata haai? paaine par lat marana tere liye kaattnai haai.

<sup>15</sup> maain ne kaha, he prabhu too kaun haai? prabhu ne kaha, maain yeeshu hoon: jise too satata haai.

<sup>16</sup> parantu too ut, apane panvon par khda ho kyonaki maain ne tujhe isaaliye darshan diya haai, ki tujhe un baton par bhee sevak aur gavah ttharau, jo too ne dekhee haai, aur un ka bhee jin ke liye maain tujhe darshan doonga.

<sup>17</sup> aur maain tujhe tere logon se aur anyajatiyon se bachata rahoonga, jin ke pas maain ab tujhe isaaliye bhejata hoon.

**18** ki too un kee ankhe khole, ki ve andhakar se jyoti kee or, aur shautan ke adhaikar se parameshvar kee or firen ki papon kee kshama, aur un logon ke sath jo mujh par vishvas karane se pavitra kiae gaae haai, meeras paaen.

**19** so he raja agirppa, maain ne us svargeey darshan kee bat n ttalee.

**20** parantu pahile daamishk ke, fir yarooshalem ke rahanevalon ko, tab yahoodiya ke sare desh men aur anyajatiyon ko samajhata raha, ki man firao aur parameshvar kee or fir kar man firav ke yogy kam karo.

**21** in baton ke karan yahoodee mujhe maandair men pakadke mar dalane ka yatan karate the.

**22** so parameshvar kee sahayata se maain aj tak bana hoon aur chhotte bade sabhee ke samhane gavahee deta hoon aur un baton ko chhod kuchh naheen kahata, jo bhavishyadvktaon aur moosa ne bhee kaha ki honevalee haain.

**23** ki maseeh ko dukh uttana hoga, aur vahee sab se paahile mare huon men se jee uttkar, hamare logon men aur anyajatiyon men jyoti ka prachar karega..

**24** jab vah is reeati se uttr de raha tha, to faestus ne unche shabd se kaha he paulus, too pagal haai: bahut vidha ne tujhe pagal kar diya haai.

**25** parantu us ne kaha he mahapratapee faestus, maain pagal nahee, parantu sachchai aur buddh ikee baten kahata hoon.

**26** raja bhee jis ke samhane maain nidr hokar bol raha hoo, ye baten janata haai, aur mujhe prateeti haai, ki in baton men se koi us se chhpaiee nahee, kyonki us ghattna to kone men naheen hui.

**27** he raja agirppa, kya too bhvishyadvktaon kee prateeti karata haai? ha, maain janata hoo, ki too prateeti karata haai.

**28** ab aagirppa ne paulus se kaha too thode hee samajhane se mujhe maseehee banana chahata haai?

**29** paulus ne kaha, parameshvar se merree praarthna yah haai ki kya thode me, kya bahut me, keval too hee nahee, parantu jitane log aj merree sunate haai, in bandhanon ko chhod ve mere saman ho jaaen..

**30** tab raja aur hakim aur biraneeke aur un ke sath baaitnevale utt khde hue.

**31** aur alag jakar apas men kahane lage, yah manushy aeesa to kuchh naheen karata, jo mratyu ya bandhan ke yogy ho.

**32** aagirppa ne faestus se kaha yadi yah manushy kaaisar kee dohai n deta, to doott sakata tha..

## ADHYĀYA 27

**J**ab yah ttharaya gaya, ki ham jahaj par italiya ko jaae, to unhon ne paulus aur kitane aur bandhauon ko bhee yooliyus nam augustus kee palatn ke aek soobedar ke hath saunp diya.

**2** aur adramuatiayum ke aek jahaj par jo aasiya ke kinare kee jagahon men jane par tha, chaddhkar ham ne use khol diya, aur aaristarkhus nam thaissaluneeke ka aek maakidoonee hamare sath tha.

**3** doosare din ham ne saaida men langar dala aur yooliyus ne paulus par krapa karake use mitraen ke yahan jane diya ki usaka satkar kiya jaae.

**4** vahan se jahaj kholakar hava virooddh hone ke karan ham kupraus kee ad men hokar chale.

- <sup>5</sup> aur kilikiya aur panfooliya ke nikatt ke samudra men hokar loosiya ke moora men utare.
- <sup>6</sup> vahan soobedar ko sikandaariya ka aek jahaj itaaliya jata hua mila, aur us ne hamen us par chaddha diya.
- <sup>7</sup> aur jab ham bahut dinon tak dhaeere dhaeere chalakar kaattnaita se kaanidus ke samhane pahunche, to isaliye ki hava hamen age baddhne n detee thee, salamone ke samhane se hokar krete kee ad men chale.
- <sup>8</sup> aur usake kinare kinare kattrnaita se chalakar shuubh langarabaree nam aek jagah pahunche, jahan se lasaya nagar nikatt tha..
- <sup>9</sup> jab bahut din beet gaa, aur jal yatra men jakhaim isaaliye hotee thee ki upavas ke din ab beet chuke the, to paulus ne unhen yah kahakar samajhaya.
- <sup>10</sup> ki he sajjano mujhe aeese jan padta haai, ki is yatra men bipaati aur bahut haani n keval mal aur jahaj kee baran hamare praanon kee bhee honevalee haai.
- <sup>11</sup> parantu soobedar ne paulus kee baton se manjhee aur jahaj ke svamee kee baddhkar manee.
- <sup>12</sup> aur vah bandar sthan jada kattne ke liye achchha n tha isaaliye bahuton ka vichar hua, ki vahan se jahaj kholakar yadi kisee reeati se ho sake, to faeeaniks men pahunchakar jada katten: yah to krete ka aek bandar sthan haai jo daakkhiana-pachchhim aur uttra-pachchhim kee or khulata haai.
- <sup>13</sup> jab kuchh kuchh daakkhianee hava bahane lagee, to yah samajhkar ki hamara matalab poora ho gaya, langar uttaya aur kinara dhare huae krete ke pas se jane lage.
- <sup>14</sup> parantu thodee der men vahan se aek badee andhaee uttee, jo yoorakuleen kahalatee haai.
- <sup>15</sup> jab yah jahaj par lagee, tab vah hava ke samhane tthar n saka, so ham ne use bahane diya, aur isee tarah bahate huae chale gaae.
- <sup>16</sup> tab kauda nam aek chhotte se ttapoo kee ad men bahate bahate ham kaattnaita se dongee ko vash me kar sake.
- <sup>17</sup> mallahon ne use uttakar, anek upay karake jahaj ko neeche se bandha, aur suraatis ke chorabaloo par ttkai jane ke bhy se pal aur saman utar kar, bahate huae chale gaae.
- <sup>18</sup> aur jab ham ne andhaee se bahut hichakole aur dhakke khaa, to doosare din ve jahaj ka mal faenkane lage. aur teesare din unhon ne apane hathon se jahaj ka saman faenk diya.
- <sup>19</sup> aur teesare din unhon ne apane hathon se jahaj ka saman faenk diya.
- <sup>20</sup> aur jab bahut dien tak n soorya n tare dikhai dia, aur badee andhaee chal rahee thee, to ant men hamare bachane kee saree asha jatee rahee.
- <sup>21</sup> jab ve bahut upavas kar chuke, to paulus ne un ke beech men khda hokar kaha he logo, chaahiae tha ki tum merree bat manakar, krete se n jahaj kholate aur n yah bipat aur haati uttate.
- <sup>22</sup> parantu ab maain tumhen samajhata hoo, ki ddhaddhs bandhae kyonaki tum men se kisee ke praan kee hani n hogee, keval jahaj kee.
- <sup>23</sup> kyonaki parameshvar jis ka maain hoo, aur jis kee seva karata hoo, usake svargadoot ne aj rat mere pas akar kaha.
- <sup>24</sup> he paulus, mat dra tujhe kaaisar ke samhane khda hona avashy haai: aur dek, parameshvar ne sab ko jo tere sath yatra karate haai, tujhe diya haai.
- <sup>25</sup> isaliye, he sajjanon ddhaddhs bandhaen kyonki maain parameshvar kee prateeti karata hoo, ki jaaisa mujh se kaha gaya haai, vaaisa hee hoga.
- <sup>26</sup> parantu hamen kisee ttapoo par ja ttkaina hoga..

- <sup>27</sup> jab chaudahaveen rat hui, aur ham aadiryā samudra men tṭkarate firate the, to adhaee rat ke nikatt mallahon ne atṭkal se jana, ki ham kisee desh ke nikatt pahunch rahe haain.
- <sup>28</sup> aur thah lekar unhon ne bees purasa gahara paya aur thoda age baddhkar fir thah lee, to pandrah purasa paya.
- <sup>29</sup> tab patthreelee jagahon par padne ke dr se unhon ne jahaj kee pichhadee char langar dale, aur bhor ka hona manate rahe.
- <sup>30</sup> parantu jab mallah jahaj par se bhagana chahate the, aur galahee se langar dalane ke bahane dongee samudra men utar dee.
- <sup>31</sup> to paulus ne soobedar aur sipaahiyon se kaha yadi ye jahaj par n rahe, to tum naheen bach sakate.
- <sup>32</sup> tab sipaahiyon ne rasse kṭṭkar dongee gira do.
- <sup>33</sup> jab bhor hone par tha, to paulus ne yah kahake, sab ko bhojan karane ko samajhaya, ki aj chaudah din huae ki tum as dekhte dekhte bookhe rahe, aur kuchh bhojan n kiya.
- <sup>34</sup> isaliye tumhen samajhata hoon ki kuchh kha lo, jis se tumhara bachav ho kyunki tum men se kisee ke sir par aek bal bhee n girega.
- <sup>35</sup> aur yah kahakar us ne rottee lekar sab ke samhane parameshvar ka dhanyavad kiya aur todkar khane laga.
- <sup>36</sup> tab ve sab bhee ddhaddhs bandhakar bhojan karane lage.
- <sup>37</sup> ham sab milakar jahaj par do sau chhhaitr jan the.
- <sup>38</sup> jab ve bhojan karake trapt hua, to genhoo ko samudra men faenk kar jahaj halka karane lage.
- <sup>39</sup> jab bihan hua, to unhon ne us desh ko naheen pahichana, parantu aek khadee dekhee jis ka chauras kinara tha, aur vichar kiya, ki yadi ho sake, to isee par jahaj ko tṭkaiaen.
- <sup>40</sup> tab unhon ne langaron ko kholakar samudra men chhod diya aur usee samay patavaron ke bandhan khol dia, aur hava ke samhane agala pal chaddhakar kinare kee or chale.
- <sup>41</sup> parantu do samudra ke sangam kee jagah padkar unhon ne jahaj ko tṭkaiaya, aur galahee to dhakka khakar gad gai, aur ttl n sakee parantu pichhadee laharon ke bal se toottne lagee.
- <sup>42</sup> tab sipaahiyon ko vichar hua, ki bandhauon ko mar dalen aeese n ho, ki koi taairake nikal bhage.
- <sup>43</sup> parantu soobedar ne paulus ko bachane ko ichchha se unhen is vichar se roka, aur yah kaha, ki jo taair sakate haai, pahile koodakar kinare par nikal jaaen.
- <sup>44</sup> aur bakee koi pattron par, aur koi jahaj kee aur vastuon ke sahare nikal jaa, aur is reeati se sab koi boomi par bach nikale..

## ADHYĀYA 28

**J**ab ham bach nikale, to jana ki yah tṭapoo milite kahalata haai.

<sup>2</sup> aur un jangalee logon ne ham par anokhee krapa kee kyunki menh ke karan jo baras raha tha aur jade ke karan unhon ne ag sulagakar ham sab ko ttharaya.

<sup>3</sup> jab paulus ne lakaadiyon ka gattha battorakar ag par rakha, to aek sanp anch pakar nikala aur usake hath se lipatt gaya.

<sup>4</sup> jab un jangaaliyon ne sanp ko usake hath men lattke huae dekha, to apas men kaha sachamuch yah manushy hatyara haai, ki yadhyapi samudra se bach gaya, taubhee nyay ne jeeavit rahane n diya.

- <sup>5</sup> tab us ne sanp ko ag men jhttk diya, aur use kuchh hani n pahunchee.
- <sup>6</sup> parantu ve batt johate the, ki vah sooj jaaega, ya aekeek girake mar jaaega, parantu jab ve bahut der tak dekhte rahe, aur dekha, ki usaka kuchh bhee naheen bigada, to aur hee vichar kar kaha yah to koi devata haai..
- <sup>7</sup> us jagah ke asapas pubaaliyus nam us ttpoo ke pradhaan kee boomi thee: us ne hamen apane ghar le jakar teen din mitrabhav se pahunai kee.
- <sup>8</sup> pubaliyus ka pita jvar aur anv lohoo se rogee pada tha: so paulus ne usake pas ghar men jakar praarthna kee, aur us par hath rakhkar use changa kiya.
- <sup>9</sup> jab aeesa hua, to us ttpoo ke bakee beemar aa, aur change kiae gaae.
- <sup>10</sup> aur unhon ne hamara bahut adar kiya, aur jab ham chalane lage, to jo kuchh hamen avashy tha, jahaj par rakh diya..
- <sup>11</sup> teen maheene ke bad ham sikandaariya ke aek jahaj par chal nikale, jo us ttpoo men jade bhr raha tha aur jis ka chinh diyusakooree tha.
- <sup>12</sup> surakoosa men langar dal karake ham teen din ttkai rahe.
- <sup>13</sup> vahan se ham ghoomakar regiyum men aae: aur aek din putiyulee men aae.
- <sup>14</sup> vahan ham ko bhai mile, aur un ke kahane se ham un ke yahan sat din tak rahe aur is reeati se rom ko chale.
- <sup>15</sup> vahan se bhai hamara samachar sunakar aappaiyus ke chauk aur teena-saraae tak hamaree bhennt karane ko nikal aae jinhen dekhkar paulus ne parameshvar ka dhanyavad kiya, aur ddhaddhs bandhaa..
- <sup>16</sup> jab ham rom men pahunche, to paulus ko aek sipahee ke sath jo us kee rakhvalee karata tha, akele rahane kee agyaa hui..
- <sup>17</sup> teen din ke bad us ne yahoodiyon ke bade logon ko bulaya, aur jab ve ikatthe huae to un se kaha he bhaiyo, maain ne apane logon ke ya bapadadon ke vyavaharon ke virodha men kuchh bhee naheen kiya, taubhee bandhaua hokar yarooshalem se romiyon ke hath saunpa gaya.
- <sup>18</sup> unhon ne mujhe janch kar chhod dena chaha, kyonki mujh men mratyu ke yogy koi dosh n tha.
- <sup>19</sup> parantu jab yahooddee is ke virodha men bolane lage, to mujhe kaaesar kee dohai denee padee: n yah ki mujhe apane lagon par koi dosh lagana tha.
- <sup>20</sup> isaliye maain ne tum ko bulaya haai, ki tum se miloon aur batacheet karoon kyonki israael kee asha ke liye maain is janjeer se jakada hua hoon.
- <sup>21</sup> unhon ne us se kaha n ham ne tere vishay men yahoodiyon se chitthiyan pai, aur n bhaiyon men se kisee ne akar tere vishay men kuchh bataya, aur n bura kaha.
- <sup>22</sup> parantu tera vichar kya haai? vahee ham tujh se sunana chahate haai, kyonki ham janate haai, ki har jagah is mat ke virodha men log baten kahate haain..
- <sup>23</sup> tab unhon ne usake liye aek din ttharaya, aur bahut log usake yahan ikatthe hua, aur vah parameshvar ke rajy kee gavahee deta hua, aur moosa kee vyavastha aur bhavishyadvktaon kee pustakon se yeeshu ke vishay men samajha samajhakar bhor se sanjh tak varnn karata raha.
- <sup>24</sup> tab kitanon ne un baton ko man liya, aur kitanon ne prateeati n kee.
- <sup>25</sup> jab apas men aek mat n hua, to paulus ke is aek bat ke kahane par chale gaa, ki pavitra atma ne yashaayah bhvishyadvkta ke dara tumhare bapadadon se achchha kaha, ki jakar in logon se kaha.
- <sup>26</sup> ki sunate to rahoge, parantu n samajhoge, aur dekhte to rahoge, parantu n bujhoge.
- <sup>27</sup> kyonaki in logon ka man motta, aur un ke kan bharee ho gaa, aur unhon ne apanee

ankhen band kee haai, aeese n ho ki ve kabhee ankhen se dekhe, aur kanon se sune, aur man se samajhen aur fire, aur maain unhen changa karoon.

**28** so tum jano, ki parameshvar ke is uddhar kee katha anyajaatiyon ke pas bhejee gai haai, aur ve sunenge.

**29** jab us ne yah kaha to yahooder apas men bahut vivad karane lage aur vahan se chale gae..

**30** aur vah poore do varsha apane bhade ke ghar men raha.

**31** aur jo usake pas ate the, un sab se milata raha aur bina rok tok bahut nidr hokar parameshvar ke rajy ka prachar karata aur prabhu yeesu maseeh kee baten sikhata raha..
