ADHYĀYA 1

Uja desh men ayyoob nam ek purush tha vah khra aur seedha tha aur parameshvar ka bhy manata aur burai se pare rahata tha.

² usake sat bette aur teen bettyaian utpann hui.

³ fir usake sat hajar bhed-bakaariya, teen hajar unt, panch sau jodee baail, aur panch sau gadahiya, aur bahut hee dasa-dasiyan theen varan usake itanee sampaattai thee, ki poorabiyon men vah sab se bada tha.

⁴ usake bette upane apane din par ek doosare ke ghar men khane-peene ko jaya karate the aur apanee teenon baahinon ko apane sang khane-peene ke liye bulava bhejate the.

⁵ aur jab jab jevanar ke din poore ho jate, tab tab ayyoob unhen bulavakar paavitra karata, aur badee bhor uttkar unakee ginatee ke anusar homabali chaddhata tha kyonaki ayyoob sochata tha, ki kadaachita mere ladkon ne pap karake parameshvar ko chhod diya ho. isee reeti ayyoob sadaaiv kiya karata tha.

⁶ aek din yahova parameshvar ke putra usake samhane upaasthiat hua, aur unake beech shautan bhee aya.

⁷ yahova ne shautan se poochha, too kahan se ata haai? shautan ne yahova ko uttar diya, ki prathvee par idhara-udhar ghoomate-firate aur dolate-dalate aya hoo.

⁸ yahova ne shautan se poochha, kya too ne mere das ayyoob par dhyan diya haai? kyonki usake tuly khra aur seedha aur mera bhy mananevala aur burai se door rahanevala manushy aur koi naheen haai.

⁹ shautan ne yahova ko uttar diya, kya ayyoob parameshvar ka bhy bina labh ke manata haai?

¹⁰ kya too ne usakee, aur usake ghar kee, aur jo kuchh usaka haai usake charon or bada naheen bandhaa? too ne to usake kam par ashaeesh dee haai, aur usakee sampaattai desh bhr men faail gai haai.

¹¹ parantu ab apana hath baddhakar jo kuchh usaka haai, use choo tab vah tere munh par teree ninda karega.

¹² yahova ne shautan se kaha, sun, jo kuchh usaka haai, vah sab tere hath men haai keval usake shareer par hath n lagana. tab shautan yahova ke samhane se chala gaya.

¹³ aek din ayyoob ke bette-bettyaian bade bhai ke ghar men khate aur dakhmadha pee rahe the

¹⁴ tab aek doot ayyoob ke pas akar kahane laga, ham to baailon se hal jot rahe the, aur

gadaahiyan unake pas char rahee thee,

¹⁵ ki shaba ke log dhaava karake unako le gaa, aur talavar se tere sevakon ko mar dala aur maain hee akela bachakar tujhe samachar dene ko aya hoo.

¹⁶ vah abhee yah kah hee raha tha ki doosara bhee akar kahane laga, ki parameshvar kee ag akash se giree aur us se bhed-bakaariyan aur sevak jalakar bhsam ho gaae aur maain hee akela bachakar tujhe samachar dene ko aya hoo.

¹⁷ vah abhee yah kah hee raha tha, ki aek aur bhee akar kahane laga, ki kasadee log teen gol bandhakar untton par dhaava karake unhen le gaa, aur talavar se tere sevakon ko mar dala aur maain hee akela bachakar tujhe samachar dene ko aya hoo.

¹⁸ vah abhee yah kah hee raha tha, ki aek aur bhee akar kahane laga, tere bett-bettyaain bade bhai ke ghar men khate aur dakhmadha peete the,

¹⁹ ki jangal kee or se badee prachand vayu chalee, aur ghar ke charon konon ko aeese jhonka mara, ki vah javanon par gir pada aur ve mar gaae aur maain hee akela bachakar tujhe samachar dene ko aya hoo.

²⁰ tab ayyoob utta, aur baga faad, sir mundakar boomi par gira aur dandvata karake kaha,

²¹ maain apanee man ke pett se nanga nikala aur vaheen nanga laut jaunga yahova ne diya aur yahova hee ne liya yahova ka nam dhany haai.

²² in sab baton men bhee ayyoob ne n to pap kiya, aur n parameshvar par moorkhta se dosh lagaya.

ADHYĀYA 2

fir aek aur din yahova parameshvar ke putra usake samhane upaasthiat hua, aur unake beech shautan bhee usake samhane upasthiat hua.

² yahova ne shautan se poochha, too kahan se ata haai? shautan ne yahova ko uttar diya, ki idhara-udhar ghoomate-firate aur dolate-dalate aya hoo.

³ yahova ne shautan se poochha, kya too ne mere das ayyoob par dhyan diya haai ki prathvee par usake tuly khra aur seedha aur mera bhy mananevala aur burai se door rahanevala manushy aur koi naheen haai? aur yadhaapi too ne mujhe usako bina karan satyanash karate ko ubhara, taubhee vah ab tak apanee khrai par bana haai.

⁴ shautan ne yahova ko uttar diya, khal ke badale khal, parantu praan ke badale manushy apana sab kuchh de deta haai.

⁵ so keval apana hath baddhakar usakee haaddiyan aur mans cho, tab vah tere munh par teree ninda karega.

⁶ yahova ne shautan se kaha, sun, vah tere hath men haai, keval usaka praan chhod dena.

⁷ tab shautan yahova ke samhane se nikala, aur ayyoob ko panv ke talave se le sir kee chottee tak bade bade faodon se peedit kiya.

⁸ tab ayyoob khujalane ke liye aek tteekara lekar rakh par baait gaya.

⁹ tab usakee sree us se kahane lagee, kya too ab bhee apanee khrai par bana haai? parameshvar kee ninda kar, aur chahe mar jaae to mar ja.

¹⁰ us ne us se kaha, too ek mooddh sree kee see baten karatee haai, kya ham jo parameshvar ke hath se sukh lete haai, dukh n len? in sab baton men bhee ayyoob ne apane munh se koi pap naheen kiya.

¹¹ jab temanee aeleepaj, aur shoohee biladad, aur namatee sopar, ayyoob ke in teen mitraen ne is sab vipaattai ka samachar paya jo us par padee thee, tab ve apas men yah

ttanakar ki ham ayyoob ke pas jakar usake sang vilap karenge, aur usako shaaantai denge, apane apane yahan se usake pas chale.

¹² jab unhon ne door se ankh uttakar ayyoob ko dekha aur use n cheenh sake, tab chillakar ro utte aur apana apana бага faada, aur akash kee or dhooli udakar apane apane sir par dalee.

¹³ tab ve sat din aur sat rat usake sang boomi par baaitte rahe, parantu usaka dukh bahut hee bada jan kar kisee ne us se aek bhee bat n kahee.

ADHYĀYA 3

¹ isake bad ayyoob munh kholakar apane janmaadin ko dhaikkarane

² aur kahane laga,

³ vah din jal jaae jis men maain utpann hua, aur vah rat bhee jis men kaha gaya, ki bette ka garbh raha.

⁴ vah din andhiayara ho jaae ! upar se ishvar usakee sudhai n le, aur n us men prakash hoae.

⁵ aandhiayara aur mratyuu kee chhaya us par rahe. badal us par chhaae rahen aur din ko andhora kar denevalee cheejon use draaen.

⁶ ghaer andhakar us rat ko pakade varsha ke dinon ke beech vah anand n karane paa, aur n maheenon men usakee ginatee kee jaae.

⁷ suno, vah rat banjh ho jaae us men gane ka shabd n sun pade

⁸ jo log kisee din ko dhaikkarate haai, aur libyatan ko chhedne men nipun haai, use dhkikaren.

⁹ usakee sandhya ke tare prakash n den vah ujjyale kee batt johe par vah use n mile, vah bhor kee palakon ko bhee dekhne n pae

¹⁰ kyonaki us ne meree mata kee kokh ko band n kiya aur kasht ko meree draashti se n chhpaiaaya.

¹¹ maain garbh hee men kyon n mar gaya? pett se nikalate hee mera praan kyon n chootta?

¹² maain ghautnon par kyon liya gaya? maain chhaatiyon ko kyon peene paya?

¹³ aeese n hota to maain chupachap pada rahata, maain sota rahata aur vishraam karata,

¹⁴ aur maain prathvee ke un rajaon aur mantriyaon ke sath hota jinhon ne apane liye sunasan sthan banava lia,

¹⁵ va maain un rajakumaron ke sath hota jinake pas sona tha jinhon ne apane gharon ko chandee se bhr liya tha

¹⁶ va maain asamay gire huae garbh kee nai hua hota, va aeese bachchon ke saman hota jinhon ne ujjyale ko kabhee dekha hee n ho.

¹⁷ us dasa men dusht log fir dukh naheen dete, aur thke mande vishraam pate haain.

¹⁸ us men bandhauae ek sang sukh se rahate haain aur paarishram karanevale ka shabd naheen sunate.

¹⁹ us men chhotte bade sab rahate haai, aur das apane svamee se svatantra rahata haai.

²⁰ dukhaiyon ko ujjyala, aur udas manavalon ko jeevan kyon diya jata haai?

²¹ ve mratyuu kee batt johate haain par vah atee naheen aur gade huae dhan se adhaik usakee khoj karate haain

- ²³ ujjyala us purush ko kyon milata haai jisaka marga chhpai haai, jisake charon or ishvar ne ghora bandha diya haai?
- ²⁴ mujhe to rottee khane kee santee lambee lambee sansen atee haai, aur mera vilap dhaara kee nai bahata rahata haai.
- ²⁵ kyonki jis dravanee bat se maain drata hoo, vahee mujh par a padtee haai, aur jis bat se maain bhy khata hoo vahee mujh par a jatee haai.
- ²⁶ mujhe n to chaain, n shaaantai, n vishraam milata haai parantu dukh hee ata haai.

ADHYĀYA 4

tab temanee aeleepaj ne kaha,

- ³ sun, too ne bahuton ko shaiksha dee haai, aur nirbal logon ko balavant kiya haai.
- ⁴ girate huon ko too ne apanee baton se sambhal liya, aur ladkhdate huae logon ko too ne balavant kiya.
- ⁵ parantu ab vipaattai to tujhee par a padee, aur too nirash hua jata haai us ne tujhe chhua aur too ghabara utta.
- ⁶ kya parameshvar ka bhy hee tera asara naheen? aur kya teree chalachalan jo khree haai teree asha naheen?

- ¹⁵ tab aek atma mere samhane se hokar chalee aur merree deh ke roaen khde ho gaae.
- ¹⁶ vah chupachap tthar gai aur maain usakee akraati ko pahichan n saka. parantu merree ankhon ke samhane koi rup tha paahile sannatta chhaya raha, fir mujhe aek shabd sun pada,
