## ADHYĀYA 1

**Y**ahooda kee or se jo yeeshu maseeh ka das aur yakoob ka bhai haai, un bulaae huon ke nam jo parameshvar pita men piri aur yeeshu maseeh ke liye surakshiat haain..

<sup>2</sup> daya aur shaaantai aur praem tumhen bahutayat se praapt hota rahe..

<sup>3</sup> he piriyo, jab maain tumhen us uddhar ke vishay men likhne men atyant paarishram se prayatn kar raha tha, jis men ham sab sahabhagee haain to maain ne tumhen yah samajhana avashyak jana ki us vishvas ke liye poora yatn karo jo paavitra logon ko aek hee bar saunpa gaya tha.

<sup>4</sup> kyonaki kitane aeese manushy chupake se ham men a mile haai, jin se is dand ka varnn purane samay men paahile hee se likha gaya tha: ye bhktaiheen haai, aur hamare parameshvar ke anugrah ko luchapan men badal dalate haai, aur hamare advait svamee aur prabhu yeeshu maseeh ka inkar karate haain..

<sup>5</sup> par yadhypi tum sab bat aek bar jan chuke ho, taubhee maain tumhen is bat kee suadhai dilana chahata hoo, ki prabhu ne aek kul ko misr desh se chhudane ke bad vishvas n lanevalon ko nash kar diya.

<sup>6</sup> fir jo svagadooton ne apane pad ko sthiar n rakha varan apane nij nivas ko chhod diya, us ne un ko bhee us bheeshan din ke nyay ke liye andhakar men jo sada kal ke liye haai bandhanon men rakha haai.

<sup>7</sup> jis reeti se sdom aur amora aur un ke as pas ke nagar, jo in kee nai vyaabhaicharee ho gaae the aur paraye shareer ke peechhe lag gaae the ag ke anant dand men padkar drashttant tthare haain.

<sup>8</sup> usee reeti se ye svapnadasharee bhee apane apane shareer ko ashuuddh karate, aur prabhuta ko tuchchh janate haain aur unche padavalon ko bura bhla kahate haain.

<sup>9</sup> parantu pradhaan svargadoot meekail ne, jab shautan se moosa kee loth ke vishay men vada-avivad karata tha, to us ko bura bhla kahake dosh lagane ka sahas n kiya par yah kaha, ki prabhu tujhe dantte.

<sup>10</sup> par ye log jin baton ko naheen janate, un ko bura bhla kahate haain par jin baton ko achetan pashuon kee nai svabhav hee se janate haai, un men apane ap ko nash karate haain.

<sup>11</sup> un par haya! ki ve kaain kee see chal chale, aur majadooree ke liye bilam kee nai bhrasht ho gaae haain: aur korah kee nai virodha karake nash huae haain.

<sup>12</sup> yah tumharee praem sabhaon men tumhare sath khate-peete, samudra men chhpaiee hui chattan sareekhe haai, aur bedhadk apana hee pett bhranevale rakhvale haain ve nirjal badal haain jinhen hava uda le jatee haai patajhd ke nishfal ped haai, jo do bar mar chuke haain aur jad se ukhd gaae haain.

- 13** ye samudra ke prachand hilakore haai, jo apanee lajja ka faen uchhalate haain: ye danvadol tare haai, jin ke liye sada kal tak ghaer andhakar rakha gaya haai.
- 14** aur hanok ne bhee jo adam se sataveen peeddhee men tha, in ke vishay men yah bhavishyadvanee kee, ki dekho, prabhu apane lakhon paavitraen ke sath aya.
- 15** ki sab ka nyay kare, aur sab bhktaiheenon ko un ke abhaktai ke sab kamon ke vishay me, jo bhktaiheen paapiyon ne usake virodha men kahee haai, doshaee tttharaae.
- 16** ye to asantusht, kudkudanevale, aur apane abhailashaaon ke anusar chalaneevale haain aur apane munh se ghamand kee baten bolate haain aur ve labh ke liye munh dekhee badai kiya karate haain..
- 17** par he piryo, tum un baton ko smaran rakho jo hamare prabhu yeeshu maseeh ke praerit pahile kah chuke haain.
- 18** ve tum se kaha karate the, ki pichhle dinon men aeese ttttha karanevale honge, jo apanee abhktai ke abhailashaaon ke anusar challenge.
- 19** ye to ve haai, jo foott dalate haain ye shaareearik log haai, jin men atma naheen.
- 20** par he piryon tum apane ati pavitra vishvas men apanee unnati karate huae aur paavitra atma men praarthna karate hue.
- 21** apane ap ko parameshvar ke praem men banaae rakho aur anant jeevan ke liye hamare prabhu yeeshu maseeh kee daya kee asha dekhte raho.
- 22** aur un par jo shanka men haain daya karo.
- 23** aur bahuton ko ag men se jhpattkar nikalo, aur bahuton par bhy ke sath daya karo baran us vasr se bhee gharana karo jo shareer ke dara kalanakit ho gaya haai..
- 24** ab jo tumhen ttokar khane se bacha sakata haai, aur apanee maahima kee bhrapooree ke samhane magan aur nirdosh karake khda kar sakata haai.
- 25** us advait parameshvar hamare uddharakarta kee maahima, aur gaurav, aur parakram, aur adhaikar, hamare prabhu yeeshu maseeh ke dara jaaisa sanatan kal se haai, ab bhee ho aur yuganuyug rahe. ameen..
